Independent Auditors' Report

To the Plan Administrator
of Citizens, Inc. 401(k) Retirement and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Citizens, Inc. 401(k) Retirement and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at End of Year as of December 31, 2025 and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Citizens, Inc. 401(k) Retirement and Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 1 – Description of the Plan

The following description of the Citizens, Inc 401(k) Retirement and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

Citizens, Inc. (the “Plan Sponsor”) adopted the Plan effective January 1, 1978. Effective January 1, 2022, the Plan was amended and restated. Concurrent with the restatement, certain plan provisions, as outlined below, were updated. The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor, as defined by the Plan Document, with exception of certain classes of employees identified in the Plan Document. Participation in the Plan is at the election of the employee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan was amended effective January 1, 2024 to exclude residents of Puerto Rico from eligibility to participate in the Plan, as well as apply automatic enrollment provision to rehired employees and employees with five 1-year breaks in service.

Administration

The Plan is administered by the Plan Sponsor (the “Plan Administrator”). Effective April 1, 2024, the Plan assets were transferred from John Hancock Trust Company, LLC (prior “Recordkeeper” and “Trustee”) to The Standard (new “Recordkeeper”). The Plan also changed the Trustee from John Hancock Trust Company, LLC to Charles Schwab Trust Bank.

Participant Contributions

Contributions are made to the Plan by the Plan Sponsor on behalf of each eligible participant based upon the participant’s elected compensation deferral through payroll deductions. The Plan Sponsor funds the contributions at the end of each payroll period. Eligible participants have the option to contribute pre-tax and Roth 401(k) not to access the annual limit, as permitted by the Internal Revenue Code of 1986, as amended (“IRC”). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an automatic salary deferral feature. Unless the participant makes an alternative salary deferral election, the Plan Sponsor will automatically withhold 3% of compensation for each payroll period and contribute it to the Plan.

Participants age 50 and older as of December 31 of the Plan year are permitted to make elective catch-up deferrals in accordance with Section 414(v) of the IRC.

Employer Contributions

Each year, the Plan Sponsor may elect to satisfy the Plan’s safe harbor rules, whereby the Plan Sponsor makes a safe harbor matching contribution equal to 100% of the first 3% of total eligible compensation contributed and 50% of the next 2% of total eligible compensation contributed. For 2025, the Plan Sponsor elected to satisfy the Plan’s safe harbor rules.

The Plan Sponsor may make additional flexible discretionary matching contributions based on a percentage of a participant’s elective deferrals or an amount determined solely by the Plan Sponsor. For 2025, the Plan Sponsor did not elect to make discretionary matching contributions to the Plan.

Citizens, Inc. 401(k) Retirement and Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 1 – Description of the Plan (continued)

Each year, the Plan Sponsor may also elect to make additional discretionary profit-sharing contributions based solely on the discretion of the Plan Sponsor's Board of Directors. Such contributions will be allocated based on the portion of points credited to a participant in proportion to the points credited to all participants eligible to receive a profit sharing allocation for the Plan year. Points are allocated to participants based on years of service as defined. To be eligible for the profit sharing match, participants must be employed on the last day of the year. For 2025, the Plan Sponsor did not elect to make profit sharing matching contributions to the Plan.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Rollovers and Transfers

Participants who have a balance in another qualified employee benefit plan, as described in Section 401(a) of the Internal Revenue Code, may transfer or rollover the lump sum values of their account directly into the Plan, provided it meets the requirements of the Internal Revenue Code.

Vesting

Participants are immediately vested in their contributions plus actual earnings and safe harbor matching contributions. Vesting in the Plan Sponsor's employer discretionary contributions plus actual earnings is based on years of credited service, as defined by the schedule below:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance during the prior twelve-month period. Participants may not have more than one loan outstanding at a time, unless one loan is for a primary residence and is being amortized over a period greater than five years. Notes receivable are secured by the balance in the participant's account and bear interest at a rate which is commensurate with prevailing rates as determined by the Plan Administrator. All notes must be repaid in equal installments of principal and interest over a period to be determined by the Plan Administrator, but such period shall not exceed five years unless the purpose of the loan is for the purchase of the principal residence of the Participant. In all cases, repayment of the note will be made through after-tax payroll deductions.

Payment of Benefits

Benefits become available to participants on the earliest of three events: (1) termination of employment, (2) death of the participant (benefits are payable to the participants' spouse or beneficiary), or (3) the participant's retirement.

Citizens, Inc. 401(k) Retirement and Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 1 – Description of the Plan (continued)

If the vested account balance is \$5,000 or less, the Plan Administrator may direct the Trustee to distribute the amount to another qualified plan benefiting the participant or are paid out through lump-sum distribution. Participants are permitted to remain in the Plan if their account balance exceeds \$5,000.

A participant may receive the value of the vested balance in his or her account as a lump-sum distribution or may roll the amount over into another qualified plan.

Active participants can withdraw benefits once they reach 59 ½ years of age. In-service distributions are permitted due to hardship, as defined in the Plan and subject to the satisfaction of the Plan Administrator.

On termination of employment due to death prior to retirement, 100% of the Plan Sponsor contributions become immediately vested. The value of the account shall be paid in accordance with the above stated distribution procedure.

Upon participant obtaining the normal retirement age, while still employed, 100% of the Plan Sponsor contributions become immediately vested. Should a participant reach normal retirement age and not elect to terminate employment, the participant can take an in-service distribution from the vested account balance.

Forfeited Accounts

The portion of the participant's employer contribution accounts that are not vested upon termination of service shall be forfeited as of the earlier of (i) the date the vested portion is distributed or (2) the date the participant incurs a five-consecutive-year period of severance from his or her original termination date.

As of December 31, 2025 and 2024, the available forfeited non-vested accounts were \$0 and \$0, respectively. In the event that there are forfeited non-vested accounts, they may be used to reduce future plan administrative expenses and employer contributions. During the year ended December 31, 2025, \$0 of forfeitures were used to reduce employer contributions and employer expenses.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and distributions would be made as soon as administratively practical after the Plan terminates.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Citizens, Inc. 401(k) Retirement and Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

The Note 2 – Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment adviser and the Trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and Plan management deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Risks and Uncertainties

Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of investment securities in which the Plan invests. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Cash and Cash Equivalents

Cash equivalent consists of balances on hand and on deposit in banks and financial institutions. Cash equivalents consist of securities whose duration does not exceed 90 days at the date of acquisition.

Recent Accounting Standards

The SECURE 2.0 Act of 2022, enacted on December 29, 2022, includes a wide range of provisions affecting retirement plans, with effective dates spanning from 2023 through 2026. Plan management has implemented operational changes necessary to comply with applicable provisions effective for the years ended December 31, 2025 and 2024. The Plan has until December 31, 2026 to adopt formal amendments. Plan management continues to evaluate the impact of SECURE 2.0 on future periods. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Citizens, Inc. 401(k) Retirement and Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 3 – Information Certified by the Trustee

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits, as of December 31, 2025 and 2024.
- Net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits, for the year ended December 31, 2025.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025.

The Plan’s independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 – Tax Status

The Plan Sponsor has not applied for a determination letter from the Internal Revenue Service (“IRS”) to determine if the Plan is designed in accordance with applicable sections of the IRC. The Plan document is based upon non-standardized pre-approved profit-sharing plan with CODA from The Retirement Advantage Inc., which received an IRS advisory letter dated June 30, 2020. The non-standardized pre-approved profit-sharing plan instrument has been updated for legislative and regulatory changes. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is subject to income tax examinations for three years.

Note 5 – Fair Value Measurements

The Plan follows a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Citizens, Inc. 401(k) Retirement and Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 5 – Fair Value Measurements (continued)

The three levels of the fair value hierarchy are described as follows:

- Level one — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level two — Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level three — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. The mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the net asset value (“NAV”) of units for each fund. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024.

Assets at Fair Value as of December 31, 2025					
	Level 1	Level 2	Level 3	Total

Note 5 – Fair Value Measurements (continued)

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

Investments measured at net asset value	Fair Value as of December 31, 2025	Fair Value as of December 31, 2024	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Noticed Period
Common collective trusts	\$ <u>688,608</u>	\$ <u>611,157</u>	Not applicable	Daily	None

Note 6 – Related-Party and Parties in Interest Transactions

Certain plan investments are shares of mutual funds managed by the Trustee or its affiliates. Fees incurred by the Plan for related investment management services are included in administrative expenses and net depreciation in fair value of investments. Certain fees incurred by the Plan for recordkeeping and audit fees are included in administrative expenses. Transactions such as these qualify as party-in-interest transactions. The Plan Sponsor pays directly certain other fees related to the Plan's operations.

Note 7 – Qualified Non-Elective Contributions

During 2025, the Plan Sponsor identified an administrative error affecting 2024 and 2025 in which an increase in one participant's contribution rate was not properly implemented. The Plan Sponsor calculated the resulting missed contributions, along with applicable lost earnings and interest, totaling \$335. The corrective contributions and related lost earnings and interest were remitted to the Plan in May 2025.

During 2024, the Plan Sponsor identified several instances in which the recordkeeper processed automatic contribution increases in error, which resulted in excess contributions of \$2,228. The Plan Sponsor completed the corrections in January 2025. Accordingly, the accompanying statement of net assets available for benefits as of December 31, 2024, includes an excess contribution payable of \$2,228.

Note 8 – Prohibited Transaction

During 2024, the Plan Sponsor failed to remit certain participant contributions and loan repayments in a timely manner. The Plan Sponsor identified three instances, where \$4,928 in participant contributions and loan repayments were remitted to the Plan in violation of DOL regulations. The Plan Sponsor calculated missed earnings and interest of \$47 and remitted to the Plan in December 2025.

Note 9 – Participant Loan Compliance

During August 2025, the Plan's recordkeeper processed certain participant loans as principal residence loans with repayment periods exceeding five years without obtaining the required documentation supporting the purchase of a principal residence. Upon identification of the matter, the recordkeeper implemented system changes designed to prevent similar occurrences. For two participants for whom the required documentation could not be obtained, the loans were converted to general-purpose loans and re-amortized in accordance with the applicable five-year repayment requirement. The Plan also adopted a temporary amendment to its loan program covering the period from August 22, 2025 through November 26, 2025, to facilitate the correction of the affected loans.

2025 participant contributions receivable	(54,551)
Net income per Form 5500	\$ <u>3,269,031</u>

Note 11 – Subsequent Events

The Plan evaluates events that occur subsequent to the date of the statement of net assets available for benefits, but before the financial statements are issued, for possible adjustment to the financial statements or other disclosure. This evaluation generally occurs through the date at which the Plan's financial statements are available to be issued which was September 22, 2026 for the financial statements as of and for the year ending December 31, 2025.

In August 2026, the Plan was amended to remove Security Plan Life Insurance Company as a participating employer and to add CICA Life Insurance Company of America as a participating employer, effective October 1, 2026.
