INDEPENDENT AUDITOR'S REPORT

To the Trustees
Families First Pediatrics
401 (k) Plan
Layton, UT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Families First Pediatrics 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Families First Pediatrics 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Families First Pediatrics 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Families First Pediatrics 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Families First Pediatrics 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Families First Pediatrics 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying index, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2024 Financial Statement

Plan management is responsible for the accompanying financial statement of the Families First Pediatrics 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2024 and the applicable related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the

accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2024 financial statement.

FAMILIES FIRST PEDIATRICS 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

NOTE 1 DESCRIPTION OF PLAN

The following description of the Families First Pediatrics 401(k) Plan (the Plan) provides only general information regarding the Plan in place as of December 31, 2025. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The plan was originally adopted on June 1, 1996 and amended on January 1, 2024 when the Families First Pediatrics plan merged with the Wee Care Pediatrics plan (same owners).

The Plan is a defined contribution plan for employees that are not members of an excluded class., the age requirement is 21 years old with a service requirement of one year of service with the employer. All administrative fees are earned by the third party administrators. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute a percentage of their eligible compensation up to the maximum amount allowed by the IRS. The maximum allowed by the IRS was \$23,500 (\$31,000 for participants age 50 or older), for the year ended December 31, 2025. The employer match is a safe harbor contribution based on a formula as described in the plan. There is also an automatic contribution arrangement that the employer will make if a participant becomes eligible but does not make an election deferral, participants can be opt out of the automatic contribution arrangement.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of any employer's contribution and Plan earnings and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting and Forfeitures

Participants are immediately vested 100% in their contributions. Employer match contributions plus actual earnings thereon are on a six year vesting schedule, 100% vested after six years of service. The safe harbor contributions are fully vested after two years of service. The January 1, 2025 forfeitures beginning balance was \$15,738 and the December 31, 2025 ending balance was \$21. During the year ended December 31, 2025 \$12,635 was used for fees and \$3,174 was used to reduce employer contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates ranging from 9.00% to 10.50%. Interest rates are set at 1% above the Wall Street Journal prime rate. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

At termination or retirement, accounts less than \$5,000 will be paid in in cash or as a lump sum roll over to an IRA unless the participant has requested a lump sum distribution or a rollover to another IRA or retirement plan. For accounts more than \$5,000 a participant's consent is required for distribution.

NOTE 1 DESCRIPTION OF PLAN (Continued)

Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan Agreement to discontinue the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will be 100% vested and nonforfeitable.

Plan Amendments

Effective January 1, 2024 the plan was restated to be in compliance with all rules and regulations.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2025. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Accordingly, actual results may differ from those estimates.

Concentration of Credit Risk

The Plan maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan believes it is not exposed to any significant credit risk on cash and cash equivalents.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of at least one significant unobservable input for the asset and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used by the Plan.

Level 1 Fair Value Measurement

For mutual funds held, the assets are classified as Level 1 due to the market price of those funds being available on an active market.

The Plan has investments in a cash equivalent common collective trust. The fair value of this collective investment trust fund is valued using the net asset value (NAV) as a practical expedient as determined by the issuer based on the current values of the underlying assets of the fund.

The following tables set forth the Plan's investments at fair value as of December 31, 2025 and 2024 :

Investment Assets at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,847,941	\$ -	\$ -	\$ 17,847,941
Total assets in the fair value hierarchy	\$ 17,847,941	\$ -	\$ -	\$ 17,847,941
Collective investment trust funds measured at net asset value (a)				80,799
Total investments at fair value				<u><u>\$ 17,928,740</u></u>

Investment Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,798,197	\$ -	\$ -	\$ 13,798,197
Total assets in the fair value hierarchy	\$ 13,798,197	\$ -	\$ -	\$ 13,798,197
Collective investment trust funds measured at net asset value (a)				94,223
Total investments at fair value				<u><u>\$ 13,892,420</u></u>

(a) In accordance with Subtopic 820-10, certain investments that are measured using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

FAMILIES FIRST PEDIATRICS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 3 FAIR VALUE MEASUREMENTS (Continued)

The valuation techniques used to measure fair value of the investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The Plan's investments in the collective investment trust fund are stated at net asset value or its equivalent, which is the practical expedient for estimating the fair value of those investments. The following tables set forth additional disclosures of the Plan's assets whose fair value is estimated using net asset value per share as of December 31, 2025 and 2024.

2025				
	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective investment trust fund	\$ 80,799	\$ -	Daily	Daily
2024				
	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective investment trust fund	\$ 94,223	\$ -	Daily	Daily

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation/(depreciation) in fair value of investments.

NOTE 4 INFORMATION PREPARED AND CERTIFIED BY THIRD PARTY ADMINISTRATOR

The following information included in the accompanying financial statements and the supplemental Schedule of Assets (Held At End of Year) was obtained from data that has been prepared and certified to as complete and accurate by the Plan custodian Ascensus.

- (1) The investment assets of the Plan.
- (2) The Plan's investment transactions and related income and loss.

NOTE 5 TAX STATUS

The Internal Revenue Service has determined and informed the Plan custodian by a letter dated June 30, 2020 that the "Non-Standardized Pre-Approved Profit Sharing Plan With CODA" is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the trust, which forms a part of the Plan, is exempt from federal taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

FAMILIES FIRST PEDIATRICS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 5 TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

The Plan custodian charges fees for the services they provide. The Plan paid administrative fees of \$55,602 for the year ended December 31, 2025. There were no administrative fees payable at year end December 31, 2025.

Plan investments are in accounts administered by Ascensus. Ascensus is the custodian of the Plan assets, Private Advisory Services provides consulting services, K&C CPAs provide audit services, therefore, these transactions qualify as party-in-interest.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in mutual funds and collective investment trust funds. These investment securities are exposed to various risks such as interest, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 20, 2026, which is the date the financial statements were available to be issued.
