| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the Universal Health Services, Inc. Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements**

We have performed an audit of the accompanying financial statements of the Universal Health Services, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2025 Financial Statements").

Plan management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2025 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section:

- the amounts and disclosures in the 2025 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2025 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Universal Health Services, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Plan Management for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect Plan management's responsibility for the financial statements.

In preparing the financial statements, Plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Universal Health Services, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Plan management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2025 Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Universal Health Services, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Universal Health Services, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – 2025 Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Other Matter – Auditors' Report on the 2024 Financial Statements**

The financial statements of the Universal Health Services, Inc. Retirement Savings Plan as of December 31, 2024, were audited by predecessor auditors, Torrillo & Associates, LLC, which was acquired by LBMC, PC. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 7, 2025, indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

**1. Description of Plan**

The following description of the Universal Health Services, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

**General**

The Plan, which became effective January 1, 1985, is a defined contribution plan available to qualifying employees of Universal Health Services, Inc. (the “Company” or “UHS”) and affiliated companies. The Company’s Plan Committee (“Plan Committee”) is the Plan administrator. To be eligible to participate in the Plan, an employee must generally have completed at least one month of credited service and be 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. Fidelity Management Trust Company (“Fidelity”) is trustee of the Plan.

**Contributions**

Each year, participants may contribute to the Plan up to 75% of their compensation, as defined in the Plan document, subject to Internal Revenue Code (“IRC”) limitations. Contributions may be designated as pre-tax or Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company contributes a discretionary amount of each participant’s contribution to the Plan in accordance with Plan provisions, as detailed by each participating employer with respect to their participants.

**Investment Options**

Participants direct the investment of their contributions and Company contributions into various investment options selected by the Plan Committee. Participants’ ability to change their investment options is not restricted.

**Participant Accounts**

Each participant’s account is credited with the participant’s contributions and the Company’s contributions as well as allocations of Plan earnings. Participant accounts are charged with allocation of certain administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion is based on years of continuous service. Generally, participants vest 25% each year and are fully vested after four years of service.

**Forfeited Amounts**

Forfeitures by non-vested participants are used to reduce future Company contributions. The unallocated forfeiture balance was approximately \$0.4 million and \$0.3 million, as of December 31, 2025 and 2024, respectively. Approximately \$5.8 million of previously forfeited amounts were used to offset employer contributions during 2025.

**Notes Receivable from Participants**

Plan participants may request loans for a maximum equal to the lesser of \$50,000 or 50% of the participant’s vested account balance. The minimum loan amount is \$750 and participants may have only one loan outstanding at any one time. The notes receivable are secured by the balance in the participant’s account and bear interest at rates which are commensurate with local borrowing rates charged by commercial lending institutions. Current interest rates range from 4.25% to 9.50%. Interest is charged to the account of the borrower. Principal and interest are generally paid ratably through bi-weekly payroll deductions over a period of five years or less with the exception of notes receivable for the purchase of a primary residence, which may be repaid over a period of 15 years or less.

**Payment of Benefits**

Distributions from the Plan are permitted under the following circumstances:

- Retirement (age 65) or late retirement;
- Early retirement upon age 55;
- Total disability;
- Death;
- Termination of employment;
- Hardship distributions; and
- In-service withdrawals upon age 59-1/2.

Distributions may be paid to qualified participants in a single sum cash payment, through a rollover to an eligible retirement plan (as defined by the Plan document), through a qualified joint and survivor annuity or a single-life annuity. Amounts transferred from certain other plans merged into the Plan are subject to special distribution provisions, as stipulated in the Plan document. Vested account balances below \$1,000 shall be automatically paid to participants in a cash lump sum, and balances between \$1,000 and \$7,000 (\$5,000 prior to modification allowed by the SECURE 2.0 Act of 2022), may be rolled into an individual retirement account or annuity at the discretion of the Company.

**2. Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

**Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The financial statements include the fully benefit-responsive investment contracts and their related activity on a contract value basis (see Note 5).

**Use of Estimates**

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America, requires Plan management to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's realized and unrealized gains and losses on investments bought and sold, as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants (participant loans for Form 5500 reporting purposes) are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees

---

are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Contributions**

Contributions from Plan participants and the discretionary matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

**Payments of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan, unless the Company elects to pay the expenses. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable and other participant-specific fees are charged directly to the participant's account and are included in administrative expenses. Certain investment-related expenses are included in the net appreciation in fair value of investments. Certain other professional expenses of the Plan and its participants are partially offset through income generated from revenue sharing agreements (which is reported in the statement of changes in net assets available for benefits as other investment income).

The Plan is participating in Fidelity Management Trust Company's Participant Revenue Credit Program (the "Program"). Income from the Program may be used to pay Plan expenses or may be allocated to participants. Effective April 1, 2017, the Plan changed to a new flat dollar participant fee with distribution of future returns of excess revenue directly to participants on a per capita basis. During the year ended December 31, 2025, the Plan received approximately \$0.6 million of excess revenue from Fidelity of which approximately \$0.2 million was directly credited to participants. During the year ended December 31, 2025, the Plan utilized approximately \$0.2 million to pay certain Plan level expenses and allocated approximately \$0.3 million, net, to participants. As of December 31, 2025 and 2024, approximately \$0.3 million and \$0.4 million, respectively, is available to pay Plan expenses or to allocate to participants.

**3. Information Certified by a Qualified Institution**

The Plan administrator having determined that it is permissible in the circumstances elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information included in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) was obtained or derived from information obtained by the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, a qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

- Investments, at fair value, fully benefit-responsive investment contracts, at contract value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment activity, including interest and dividends, net appreciation in fair value of investments, other income, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- The information for all mutual funds (registered investment companies), common collective trusts, the components of the UHS Managed Income Portfolio ("UHS MIP"), and participant loans listed in the schedule of assets (held at end of year) as of December 31, 2025, as shown in the ERISA-required supplemental schedule.

**4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2025 and 2024.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trusts:* Valued at the NAV or equivalent based on units of the common collective trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the common collective trust less its liabilities. This practical expedient is not used when it is determined to be probable that the common collective trust will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

\*In accordance with fair value measurement guidance, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the statements of net assets available for benefits.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share (or its equivalent) as of December 31, 2025 and 2024.

The Plan is applying the practical expedient as of December 31, 2025 and 2024 to its common collective trusts.

The Plan's investment options include common collective trusts whose investment strategies are similar to target date and equity funds. The objective of common collective trusts with target date strategies is to provide an age-based investment mix of stocks, bonds and short-term investments. The objective of common collective trusts with equity strategies is to invest in a majority of stocks with categories ranging across various business sectors, a mix of small, mid, large capitalization as well as domestic or international. These common collective trusts are redeemable at net asset value under agreements with the underlying common collective trusts. However, it is possible that these redemption rights may be restricted by the common collective trusts in the future in accordance with underlying common collective trust agreements. Due to the nature of the investments held by the common collective trusts, changes in market conditions and the economic environment may significantly impact the net asset value of the common collective trusts, and consequently, the fair value of the Plan's interest in the common collective trusts. Furthermore, changes in the liquidity provisions of the common collective trusts may significantly impact the fair value of the Plan's interest in the common collective trusts.

## **5. Fully Benefit-Responsive Investment Contracts**

The UHS MIP was established to provide Plan participants with a stable, fixed-rate of return on investments and protection of principal from changes in market interest rates. The UHS MIP is a synthetic guaranteed investment contract comprised of the Fidelity Short-Intermediate Enhanced Commingled Pool Fund, the Fidelity Money Market Government Portfolio Fund and a portfolio of investment contracts (wrapper contracts) that are directly effected with

various insurance companies and financial institutions. A synthetic guaranteed investment contract is a variation of a traditional guaranteed investment contract. Such contracts simulate the performance of a traditional guaranteed investment contract through the use of financial instruments. A key difference between a synthetic guaranteed investment contract and a traditional guaranteed investment contract is that the plan owns the underlying assets of the synthetic guaranteed investment contracts. The contracts are designed to accrue interest based on crediting rates established by the contract issuers.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. There are no reserves against contract values. Wrapper contracts provide the UHS MIP with the ability to use contract value accounting to maintain a constant \$1.00 unit price.

The contract issuers are contractually obligated to repay the principal and interest at specified interest rates that are guaranteed to the Plan. The crediting interest rate resets monthly and is based on an agreed upon formula with the issuers but cannot be less than zero. The key factors that influence future rates could include the following: the level of market interest rates, the difference between the fully benefit-responsive investment contracts' book and market values, the amount and timing of participant contributions, transfers and withdrawals into/out of the fully benefit-responsive investment contracts, and the duration of the underlying investments backing the fully benefit-responsive investment contracts. As of December 31, 2025, the crediting interest rates on these contracts approximated 4%.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
- Premature termination of the contracts;
- Plan termination or merger;
- Changes to the Plan's prohibition on competing investment options; and
- Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines;
- A breach of material obligation under the contract;
- A material misrepresentation; and
- A material amendment to the agreements without the consent of the issuer.

**6. Related-Party and Party-in-Interest Transactions**

The Plan holds units of common collective trusts and invests in mutual funds managed by affiliates of Fidelity Management Trust Company, the trustee of the Plan. The Plan's investment options also include the UHS MIP, which includes contracts with various insurance companies and financial institutions. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Additionally, for participants who have elected to take a participant loan, the loans are secured by the respective participant's account balance.

Fidelity or its affiliates generate income to the Plan through revenue sharing agreements. More specifically, Fidelity or its affiliates may receive revenue from mutual fund and collective trust service providers for services Fidelity or its affiliates provide to the funds and collective trusts. This revenue may be used to offset certain amounts owed to Fidelity or its affiliates for administrative services to the Plan. If the revenue received by Fidelity or its affiliates from such mutual fund or collective trust service providers exceeds the amount owed as agreed to by Fidelity and the Plan for administrative services, Fidelity or its affiliates is to remit the excess to the Plan. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants (see Note 2). The Plan or Plan Sponsor may make a payment to Fidelity or its affiliates for administrative expenses not covered by revenue sharing.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts, including any employer contributions for which they were not already vested, and all remaining assets in the Plan are to be distributed to the participants in accordance with the accrued benefits of such participants as of the date of termination.

**8. Tax Status**

The Internal Revenue Service ("IRS") has determined and informed the Company by letter dated January 17, 2018, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

**9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

During April 2023, the Department of Labor commenced an investigation of the Plan. The outcome of any current governmental investigations cannot be accurately predicted, nor can the Plan sponsor predict any resulting penalties, fines or other sanctions to the Plan sponsor that may be imposed at the discretion of regulatory authorities. The Plan sponsor is cooperating in responding to the Department of Labor's requests and has yet to receive any response.

**10. Plan Amendments**

Effective January 1, 2025, the Plan was amended to update loan repayment provisions.

**11. Subsequent Events**

The Plan has evaluated subsequent events through September 22, 2026, the date the financial statements were available to be issued.
