Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Amplify Education, Inc, 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Amplify Education, Inc, 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amplify Education, Inc, 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a) (3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amplify Education, Inc, 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amplify Education, Inc, 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amplify Education, Inc, 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMPLIFY EDUCATION, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2025 and 2024

NOTE A-DESCRIPTION OF PLAN

Effective January 1, 2002, Amplify Education, Inc., formerly known as Wireless Generation, Inc. (the "Company" or "Sponsor"), established the Amplify Education, Inc. 401(k) Plan (the "Plan") that is a defined contribution plan and covers employees of the Company who have attained the age of 21 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees can enter the Plan on their first date of eligibility. The trustee of the Plan is Fidelity Management Trust Company ("Fidelity" or "Trustee") and the recordkeeper is Fidelity Workplace Services, LLC. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Information concerning the Plan and its provisions can be found in the Plan document, a copy of which can be obtained from the Company at Amplify Education, Inc., 55 Washington Street, Suite 800, Brooklyn, New York 11201.

NOTE B-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of presentation:

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

[2] Valuation of investments and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note H for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[3] Use of estimates:

The preparation of the financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits at the date of the financial statements and changes in net assets available for Plan benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[4] Payment of benefits:

Benefits are recorded when paid.

At retirement, a participant shall be entitled to receive the vested amount in his or her account. The Plan provides that distributions at retirement be made at the participant's option in a lump-sum distribution. A participant's normal retirement age is 65. Early retirement is not permitted.

Upon the death or disability of a participant, the participant's vested contributions will be distributed to his or her beneficiary in the form of a lump sum.

Upon termination, a participant shall be entitled to his or her vested interest in the amount credited to his or her account.

AMPLIFY EDUCATION, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2025 and 2024

NOTE C-CONTRIBUTIONS

The Company forwards to Fidelity contributions withheld from the compensation of participants. Contributions are voluntary and are subject to certain limitations imposed by the Internal Revenue Code ("IRC").

Participants may elect to contribute up to 90% of their pre-tax compensation to the Plan, up to a maximum of \$23,500 for calendar year 2025. Participants can also designate a portion of their contributions as Roth 401(k) contributions. Additional catch-up contributions, up to a \$7,500 annual limit for 2025, are permitted for employees who have reached the age of 50. Participants can also make rollover contributions to the Plan. The Company may make a discretionary matching contribution on employee's pre-tax and Roth 401(k) contributions. Annually, management of the Company determines the formula for discretionary matching contributions. For the year ended December 31, 2025, the Company matched 4% of the employee deferrals up to \$12,000. The Company may also make discretionary non-elective contributions to the Plan, the amount of which is also determined by management of the Company each year. To be eligible for discretionary contributions, a participant must work 1,000 hours in the given Plan year and be employed on the last day of the Plan year. For the year ended December 31, 2025, there were no discretionary non-elective contributions.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible pre-tax compensation.

Participants direct the investment of participant and employer contributions into various investment options offered by the Plan.

NOTE D-PARTICIPANTS' ACCOUNTS, VESTING AND FORFEITURES

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings (losses) and may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participants' transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All participant contributions and the related earnings are always 100% vested and non-forfeitable.

Vesting in the Company's discretionary non-elective contributions and matching contributions plus actual earnings thereon are on a three-year graduated schedule. Company contributions will become 100% vested at the normal retirement age of 65 or upon eligibility for a disability retirement.

Forfeitures are used to reduce the amount of employer contributions and pay Plan expenses. During the year ended December 31, 2025, forfeitures of \$476,409 were used to reduce employer discretionary matching contributions and \$192 was used to pay Plan expenses. On December 31, 2025, and 2024, there was a balance of \$34,642 and \$55,666 of unallocated forfeitures, respectively, available for use.

The Secure Act 2.0 was enacted in December of 2022, the provisions of which include additional increases to the required minimum distribution age, changes to long-term and part-time eligibility, new annual funding notice requirements, and other provisions. Plan sponsors have until December 31, 2026 to amend plan documents. The Plan did not early adopt any of the Secure 2.0 provisions.

NOTE E-NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, and up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years;

AMPLIFY EDUCATION, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2025 and 2024

NOTE E - NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the rate of prime plus 2%, as determined by the Plan administrator, ranging from 5.25% to 10.50% as of December 31, 2025 and 2024, respectively. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

NOTE F - ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

NOTE G - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Fidelity Management Trust Company, the Trustee of the plan has certified the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the statement of changes in net assets available for benefits for the year ended December 31, 2025, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2025.

NOTE H - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation techniques are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation techniques include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation techniques are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-

Notes to Financial Statements

NOTE H-FAIR VALUE MEASUREMENTS (CONTINUED)

ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund - A stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding techniques described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques are appropriate and consistent with other market participants, the use of different techniques or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments subject to fair value measurements as of December 31, 2025 are as follows:

Investment Assets at Fair Value as of December 31, 2025

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments at fair value				<u>\$ 223,497,422</u>

(A) Certain investments that are measured at fair value using the net asset per share (or its equivalent) practical expedient that have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan's investments subject to fair value measurements as of December 31, 2024 are as follows:

Investment Assets at Fair Value as of December 31, 2024

AMPLIFY EDUCATION, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2025 and 2024

NOTE I-TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA sponsored by FMR LLC. On June 30, 2020, the IRS stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE J-PLAN TERMINATION

The Company reserves the right, at any time, to amend or terminate the Plan. The Company has not expressed any intent to discontinue or terminate the Plan. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE K-RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Users of the financial statements should be aware that the financial markets' volatility may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2025 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE L-RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Mutual funds are managed by Fidelity, the trustee of the plan; therefore, transactions related to these investments qualify as party-in-interest transactions. Fidelity Workplace Services, LLC is the recordkeeper and, therefore, transactions related to these services qualify as party-in-interest transactions. Fees paid by the Plan to the recordkeeper, were \$179,123 for the year ended December 31, 2025. Certain administrative functions are performed by the officers and employees of the Company (who may also be participants in the Plan) at no cost to the Plan. These transactions are not deemed prohibited party-in-interest transactions, because they are covered by statutory or administrative exemptions from the IRC and ERISA's rules on prohibited transactions. The Plan also paid investment advisory fees to Kestra Investment Services LLC \$77,390 for the year ended December 31, 2025. Effective July 1, 2025, the Plan entered into an agreement with Cap Financial Partners, LLC, trust for investment advisory services and paid \$16,250 for the year ended December 31, 2025. As service providers to the Plan, these transactions qualify as party-in-interest transactions.

AMPLIFY EDUCATION, INC. 401(k) PLAN

Notes to Financial Statements December 31, 2025 and 2024

NOTE M-OTHER INCOME

Fidelity provides certain administrative services to the Plan and receives revenue from mutual fund providers for services that it provides to the funds. Under the trust agreement between Fidelity and the Company, Fidelity deposits revenue-sharing credits generated from the arrangement between Fidelity and the investment managers of certain Plan investment options into a revenue credit program ("RCP"). Credits in the RCP are used to offset ERISA-qualified administrative expenses of the Plan that would otherwise be paid directly by the Company. RCP balances are invested in the Fidelity Advisor Freedom Inc I fund and Goldman Sachs Stable Value Collective Trust, and credits in the RCP may be allocated to participant accounts to offset participant expense under the Plan. At December 31, 2025 and 2024, the RCP had a total balance of \$0 and \$60,084, respectively. For the year ended December 31, 2025, \$95,280 was allocated to active participants to offset active participant expenses. Other income for the year ended December 31, 2025 reflected \$42,600 of revenue-sharing credits generated.

NOTE N - MUTUAL FUND FEES

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees, which are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940, are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE O - SUBSEQUENT EVENTS

The Plan's management evaluated subsequent events through September 23, 2026, the date on which the financial statements were available to be issued.
