INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of
the Berger Singerman, LLP 401(k) and Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Berger Singerman, LLP 401(k) and Profit-Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2025 financial statements.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation,

and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – 2025 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditors' Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 16, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BERGER SINGERMAN, LLP. 401(K) AND PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE A--DESCRIPTION OF PLAN

The following description of the Berger Singerman, LLP (the "Company") 401(k) and Profit-Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan that provides for contributions made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). The Plan covers substantially all employees of the Company and participant employers, who are not members of the following classes of employees: (a) those subject to a collective bargaining agreement; (b) non-residents who have no earned income from sources within the United States of America; and/or (c) contract attorneys. To be eligible to participate in the Plan, employees must attain a minimum age of 21, complete six full calendar months of service and be credited with at least 500 hours of service. Eligible employees and participant employers are collectively referred to herein as "participants". The Trustees, who are members of management of the Company, are responsible for oversight of the Plan. The Trustees also determine the appropriateness of the Plan's investment offerings and monitor investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Amendments: The Plan was amended effective January 1, 2025, to include three additional participant employers. The Plan was also restated effective April 11, 2025 to remove a participant employer. No changes were made to the design or operation of the Plan. Effective December 15, 2025, the Plan was amended to remove one participant employer from the Plan.

Elective Deferrals and Contributions: Each year, participants may elect to have the Company contribute a portion of their total eligible compensation to the Plan ("elective deferrals"). For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [\$23,500 in 2025 and if over 50 years of age, the participant may contribute an additional \$7,500 or if between 60 and 63 years of age, the participant may contribute an additional \$11,250 in 2025 as determined by the Internal Revenue Service ("IRS")]. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Upon meeting eligibility requirements, unless otherwise elected by the employee, the employee's compensation will automatically be reduced by 3% each pay period and remitted to the Plan as a salary deferral contribution. The Company may make discretionary matching and profit-sharing contributions for the benefit of those participants who are active employees at year-end and who have at least 500 hours of credited service during the year. For the year ended December 31, 2025, the Company made discretionary matching contributions of 25% of each participant's salary deferrals up to 6% of the participant's compensation. In addition, the Company made discretionary profit-sharing contributions equal to 3.68%-11% of each eligible participant's compensation. The Plan allows participants to designate certain salary deferral contributions as Roth elective contributions. Designated Roth contributions will currently be included in the gross taxable income of the participant, but distributions of designated Roth contributions and earnings thereon will be excludable from gross taxable income for that participant.

BERGER SINGERMAN, LLP 401(K) AND PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE A--DESCRIPTION OF PLAN--Continued

Participant Accounts: Each participant's account is credited with the participant's contributions, the Company's discretionary matching contribution and an allocation of the Company's discretionary profit-sharing contribution, if any, and Plan earnings. Each participant's account is charged with an allocation of Plan losses, if any, and administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Employer contributions vest on the basis of years of service. A participant is 33% vested after two years of credited service, 67% vested after three years of credited service and becomes 100% vested after four years of credited service. Regardless of years of service, participants are 100% vested upon becoming disabled or upon death.

Investment Options: Upon enrollment in the Plan, a participant may direct contributions to their accounts into the various investment options offered by the Plan. Participants may change their investment options at their discretion.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. Loan terms range up to five years, or up to 30 years if used to purchase a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a fixed rate commensurate with local prevailing rates at the time the loan is provided. Principal and interest are paid ratably through payroll deductions. Interest rates on participant loans outstanding at December 31, 2025 range from 5.25% to 10.50%.

Payment of Benefits: Participants (or the beneficiary, if the participant is deceased) will be eligible to receive their benefit on the earlier of attaining the age of 59½ years, retirement, death, disability or termination due to any other reason and will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The normal retirement age is the later of age 60 or the fifth anniversary of the date the employee commenced participation in the Plan. Once a participant reaches the age of 72 years (73 if reached after January 1, 2022), annual required minimum distributions must be taken. A participant may also receive a distribution if they experience undue financial hardship as further defined in the Plan document and in accordance with the Code.

Forfeited Accounts: Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits, pursuant to the Plan document. Forfeitures are used to offset current year Company discretionary matching and discretionary profit-sharing contributions or to pay Plan expenses if the Company elects not to pay such expenses. There were approximately \$195,000 of forfeited non-vested accounts during the year ended December 31, 2025, of which approximately \$80,000 were used to reduce 2025 Company matching and profit-sharing contributions. At December 31, 2025 and 2024, forfeited nonvested accounts available for future use totaled approximately \$115,000 and \$92,000, respectively.

BERGER SINGERMAN, LLP 401(K) AND PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisor, custodian and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends, if any, are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties: The Plan provides for investment options in various mutual funds and a common collective trust. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees for processing loans are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company as disclosed in Note A and are excluded from these financial statements. Administrative expenses include recordkeeping fees, professional fees, and fees related to the administration of notes receivables from participants are charged directly to the participant's accounts. Certain investment related expenses are included in net appreciation in fair value of investments.

BERGER SINGERMAN, LLP 401(K) AND PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Payment of Benefits: Benefit payments are recorded when paid.

Subsequent Events: The Plan administrator has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 21, 2026, the date the financial statements were available to be issued.

NOTE C--CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by John Hancock Trust Company LLC ("John Hancock"), the Plan's Custodian, and a qualified institution.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BERGER SINGERMAN, LLP 401(K) AND PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan at year-end are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value common collective trust: Valued at NAV provided by the Plan Custodian. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, divided by the number of units outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

Assets at Fair Value as of December 31, 2025				
	Quoted Prices In Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Total

- (a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying Statements of Net Assets Available for Benefits.

NOTE E--FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024, respectively.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>

NOTE F--CONCENTRATIONS

As of December 31, 2025 and 2024, three and two of the Plan's investment options held accounted for approximately 42% and 33% of total investments, respectively.

BERGER SINGERMAN, LLP 401(K) AND PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE G--PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by John Hancock, the Plan's Custodian, or their affiliates and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than direct payment, in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE H--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will immediately become 100% vested in their account balances including employer contributions.

NOTE I--TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the custom plan sponsored by Definiti (prototype plan document) and related trust adopted by the Plan, as then designed, were in compliance with the applicable requirements of the Code. The Plan itself has not received a determination letter from the IRS upon adoption of the prototype plan document. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded there are no uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examination for years prior to 2022.

BERGER SINGERMANN, LLP 401(K) AND PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS--Continued

NOTE J--SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan was amended to include two additional participant employers to the Plan. The Plan was also amended effective July 1, 2026, to remove a participant employer from the Plan, permit participants to make voluntary after-tax contributions, and to modify certain eligibility and automatic contribution provisions. Under the amended provisions, the automatic enrollment deferral percentage will increase by 1% annually, beginning at 3% and continuing until the deferral percentage reaches a maximum of 6%. The amendment also changed the service eligibility requirements from completing six full calendar months of service and being credited at least 500 hours of service to completion of 90 days of service under the elapsed-time method.
