INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants
403(b) Thrift Plan of the Arc of Ventura County, Inc.
Ventura, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of ARC of Ventura County, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan of ARC of Ventura County, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Mutual of America Life Insurance Company as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by Mutual of America Life Insurance Company agrees to, or is derived from, in all material respects, the information prepared and certified by Mutual of America Life Insurance Company that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of ARC of Ventura County, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of ARC of Ventura County, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of ARC of Ventura County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of ARC of Ventura County, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1 - DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan of the Arc of Ventura County, Inc. (the "Plan") is provided for general information only. Participants should refer to the Summary Plan Description and Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a single-employer defined contribution plan covering all employees of Arc of Ventura County, Inc. (Employer). An employee is included as a participant in the Plan on the first day of the month coinciding with or immediately following their date of hire. Arc Ventura County, Inc. is responsible for administering the Plan. Mutual of America Life Insurance Company, the custodian, is responsible for receiving plan contributions from the Employer, investing and safeguarding the Plan's assets held for investment purposes, processing loans, paying benefits to participants and their beneficiaries and maintaining the individual participant account balances. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

Contributions

Participants may contribute up to 100% of their annual pretax compensation, up to the amount as defined by the Plan. The amount deferred is not subject to federal taxation to the participants until distributions are made from the Plan. Participants may also rollover amounts representing distributions from other qualified contribution plans. The Plan also allows for "catch-up" contribution for participants age 50 or older.

The Employer makes a base contribution on behalf of those participants who have attained 18 years of age and has completed two year of service. The contribution is equal to 2% of compensation, whether or not the participant is currently contributing to the plan.

The Employer also makes a matching contribution on behalf of those participants who have attained 18 years of age, completed two years of service, and are making contributions to the Plan. The matching contribution is equal to 100% of the participant's contributions, up to 3% of eligible compensation.

403(b) THRIFT PLAN OF THE ARC OF VENTURA COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions and earnings on their contributions, as well as the base and matching contributions from the Employer.

Participant Accounts

Each participant's account is credited with the participant's contribution and distributions and an allocation of the Employer's contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Each employee is permitted to direct the investment of funds in his or her individual account among any of the investment funds permitted under the Plan. The Plan offers various investment options through Mutual of America Life Insurance Company and other funds, and each participant can select from one or more investment options. To the extent that the employee directs the investment of his individual account, the trustees are relieved of their fiduciary responsibilities as provided in Section 404(a)(1)(C) of ERISA.

Payment of Benefits

Benefits are recorded when paid. On termination of service due to retirement, disability, or death, a participant (or beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, direct rollover to his or her individual retirement account (IRA), or annual installments over a time period designated by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTES TO FINANCIAL STATEMENTS

Note 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Loans

Loans are available to participants through Mutual of America Life Insurance Company, subject to certain limitations. Plan loans are issued directly from the fund owned by Mutual of America Life Insurance Company and loan proceeds are not removed from a participant's account balance. However, a portion of the participant's General account balance is reserved, or held as collateral, to cover the outstanding loan amount for the period of time the loan is outstanding. For active loans, investments equal 120% of the outstanding loan amount are reflected in the Statement of Net Assets Available for Benefits and serve as collateral for the loan. The interest rate on the Plan loans is variable and subject to change at the beginning of each calendar quarter. As of December 31, 2025, interest rates on participant loans ranged from 3.25% to 5.85%. Investments underlying defaulted loan balances are reflected in the Statement of Net Assets Available for Benefits until a distribution event occurs.

As of December 31, 2025 and 2024, participants had outstanding Plan loan balances due to Mutual of America Life Insurance Company of \$384,496 and \$374,640, respectively.

Note 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's interest in the general account is based on the fair value of the general account's underlying investments as based on information reported by the investment advisor using the audited financial statements of the general account at year-end. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

403(b) THRIFT PLAN OF THE ARC OF VENTURA COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 3 - TAX STATUS

The plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan Administrator intends to apply for a determination letter on the plan when the government opens such a program. The Plan is required to operate in conformity with the Code to maintain its tax exemption. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code.

The Plan evaluates uncertain tax positions, whereby the effect of the uncertainty would be recorded if the outcome was considered probable and reasonably estimable. As of December 31, 2025, the Plan had no uncertain tax positions requiring accrual.

The Plan files tax returns in U.S. federal jurisdictions. The Plan is no longer subject to U.S. federal tax examinations by tax authorities for years before 2022.

Note 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments (\$14,343,244 and \$12,982,244) and notes receivable from participants (\$384,496 and \$374,610) held at December 31, 2025 and 2024, respectively, and net appreciation in fair value of investments (\$1,321,070) and interest on general investments (\$108,439) for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company.

Note 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 6 - PLAN EXPENSES

Accounting and administrative expenses incurred in the administration of the Plan are paid by the Employer and are not allocated to individual participant accounts.

Note 7 - PARTY-IN-INTEREST TRANSACTIONS

Mutual of America Life Insurance Company is a party-in-interest with respect to the Plan. The records of the Plan indicate no party-in-interest transactions which are prohibited by ERISA and for which no statutory or administrative exemption exists.

403(b) THRIFT PLAN OF THE ARC OF VENTURA COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balance and the amounts reported in the statement of net assets available for benefits.

The Plan investments in funds which invest in securities of foreign countries, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those securities of comparable U.S. companies.

Note 9 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets. |
| Level 2 | Inputs to the valuation methodology may include: quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

403(b) THRIFT PLAN OF THE ARC OF VENTURA COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 9 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for asset measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
General Account	The general account is carried at amortized cost, or contract value, which is deemed to be fair value by the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different measurement.

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair values as of December 31, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 10,434,637	\$ -	\$ -	\$ 10,434,637
Total assets at fair value	\$ 10,434,637	\$ -	\$ -	\$ 10,434,637

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair values as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 9,141,269	\$ -	\$ -	\$ 9,141,269
Total assets at fair value	\$ 9,141,269	\$ -	\$ -	\$ 9,141,269

403(b) THRIFT PLAN OF THE ARC OF VENTURA COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 10 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Mutual of America Life Insurance Company totaling \$3,908,607 for 2025 and \$3,840,975 for 2024. Mutual of America Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The issuer resets the crediting interest rate annually. The minimum guaranteed interest rate varies for each contract year and may be modified by the custodian prior to the renewal date of the contract upon occurrence of specific events as provided in the contract. The crediting interest rate is based upon many factors, including estimated future earnings rate (the rate at which investments mature) and future cash flows.

The contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by Mutual of America Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Note 11 - SUBSEQUENT EVENTS

The Plan's trustees have evaluated subsequent events through September 22, 2026, the date which the financial statements were available to be issued.
