INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Participants
Wells Fargo & Company Health Plan (For Eligible Active Employees and Their Dependents)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wells Fargo & Company Health Plan (For Eligible Active Employees and Their Dependents) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from an agent on behalf of the qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

- the information in the accompanying financial statements related to assets held by a qualified institution and certified to by an agent on behalf of a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an agent of an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(1) Description of the Plan

The following description of the Wells Fargo & Company Health Plan (for Eligible Active Employees and their Dependents) (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Wells Fargo & Company ("Wells Fargo" or the "Company") is the Plan Sponsor. The Plan is administered by the Plan Sponsor's Head of Human Resources (or the functional equivalent title of the most senior position in Human Resources), the Head of Total Rewards (or the functional equivalent title of the most senior position in Human Resources over compensation and benefit plans or programs other than the Head of Human Resources), and the Head of Benefits (or the functional equivalent title of the most senior position in Human Resources over benefit plans and programs other than the Head of Human Resources and the Head of Total Rewards), each of whom, acting individually or jointly, may take action as the Plan Administrator, or its or their authorized delegate.

The Plan was adopted and established effective January 1, 2011 to provide medical, dental, and vision coverage to eligible active employees, their eligible dependents and any related Consolidated Omnibus Budget Reconciliation Act ("COBRA") qualified beneficiaries.

(a) General

The Plan is a combination of self-insured and insured health and welfare benefit options that provides for the payment or reimbursement of all or a portion of covered medical, dental and vision expenses incurred by participating active eligible employees (and their participating eligible dependents) of Wells Fargo or participating employers. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Generally, an employee is eligible to participate in the Plan on their date of hire, if he or she qualifies under one of the following employment classifications:

(i) Regular and fixed term full-time employees who are regularly scheduled to work 30 hours or more per week.

(ii) Regular and fixed term part-time employees who are regularly scheduled to work between 17½ and 29 hours per week.

(iii) Flexible employees and interns are eligible to enroll in medical coverage under the Plan.

Eligible employees may elect to cover their eligible dependents, generally defined as the participating employee's spouse or domestic partner, and eligible children. An employee, in addition to their covered dependents, who ceases to be a participant in the Plan may be entitled to elect and pay for any optional extension of benefits provided under COBRA.

(i) Medical Program

The medical program includes medical and prescription drug services through a number of different medical coverage options, including both self-insured and insured medical coverage options as described by the Plan document.

For one of the claims administrators, funding for claims payments is provided each business day via a noninterest bearing account with an imprest cash balance. The cash balance is reflected on the statements of net assets available for benefits.

Participants enrolled in a high deductible health plan option may establish a tax-advantaged savings vehicle known as a Health Savings Account ("HSA") to pay for qualified medical expenses that they or their eligible dependents incur. Contributions to the HSA may be made by the participant or Wells Fargo. The HSA is owned by the participant and is not part of the Plan. Contributions to HSAs and payments of qualified medical expenses from HSAs are not included in the statements of changes in net assets available for benefits.

Participants enrolled in a health reimbursement account ("HRA") plan can receive allocations by participating in certain health and wellness activities. Participants may use their HRA to pay for qualified medical expenses incurred during the plan year. The HRA is a notional account and no specific funds are set aside or otherwise segregated. Amounts allocated to the HRA are not vested and are subject to forfeiture upon coverage termination. Any amounts remaining at the end of the year can generally be carried over to the next year if the participant remains enrolled in an HRA plan option. The notional amount allocated to participant accounts at December 31, 2025 and 2024 was approximately $46.3 million and $49.1 million, respectively.

(ii) Dental Program

The dental program offers preventative, restorative, and prosthetic care on a self-insured basis as described in the Plan document. The claims administrator for the dental program has contractual agreements with dentists nationwide. The maximum expense considered for benefits for services received from a participating dentist is the agreed-upon allowable charge between the claims administrator and the participating dentist. The maximum expense for services received from an out-of-network dentist is based on the claim administrator's table of allowances. Participants are responsible for paying the amount in excess of the fee in the table of allowances.

(iii) Vision Program

The vision program provides for the payment or reimbursement of all or a portion of covered expenses for eye examinations and eyeglass frames, lenses, and contacts on a self-insured basis. Benefits differ if participants choose a network provider rather than an out-of-network provider. Each covered participant must generally pay a copayment or coinsurance for each type of covered service provided.

(b) Funding

Participating employees contribute a set amount throughout the Plan year generally via bi-weekly payroll deductions. The Company contributes at a rate that, together with the employee contributions, is sufficient to pay expected claims, premiums, and administrative expenses. The contribution rate is based on the level of coverage and Plan experience and may change in future Plan years.

The Wells Fargo & Company Employee Benefit Trust ("Master Trust") is used to fund benefits under the Plan. Delaware Charter Guarantee & Trust Company, doing business as Principal Trust Company, serves as trustee of the Master Trust ("Trustee"). Principal Bank, an affiliate of the Trustee, acts as agent and serves as the qualified certifying institution for the Plan's financial information. The Trustee executes investment transactions on behalf of the Master Trust at the direction of the Employee Benefit Review Committee or its

authorized agent. The Trustee reports the Master Trust's investments and related activity to the Plan.

(c) Benefit Payments

The Plan provides benefit payments to or on behalf of eligible participating employees and their eligible dependents for covered medical, dental and vision expenses, as applicable.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The Plan's policy is to prepare its financial statements on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under such modified cash basis, financial statements are prepared on the basis of cash receipts and disbursements, except for certain receivables and payables. Additionally, investments are reported at fair value. Consequently, certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligations are incurred. Accordingly, the accompanying financial statements are not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America.

(b) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The investment in the Master Trust is carried at the current unit value based upon the fair values of the individual investments held by the Master Trust as determined by the Trustee. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(d) Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amount reported in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

(e) Expenses

Certain Plan administrative expenses such as claims processing, audit and tax preparation fees are paid by the Plan. All fees paid to the Trustee are paid by the Company.

(f) Benefit Payments

Benefit payments are recorded when paid by the Plan.

(g) Rebates and Financial Guarantees

The Plan utilizes a pharmacy benefit manager ("PBM") to administer its prescription drug benefit. The PBM pays rebates to the Plan based on the Plan's actual utilization pattern of specific drugs. The Plan also collects payments attributed to financial guarantees ("guarantees") as described in the contract with the PBM. Rebates and guarantees received from the Plan's PBM are recorded as a reduction of benefit payments. Rebates and guarantees received by the Plan during 2025 were approximately $291.0 million. Rebates and guarantees receivable at December 31, 2025 and 2024 were approximately $164.1 million and $163.1 million, respectively.

(3) Information Certified

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications as of December 31, 2025 and 2024, and for the year ended December 31, 2025, from the Trustee or its agent (Principal Bank) that all investment information provided by the Trustee or Principal Bank is complete and accurate. Investment information included in the accompanying financial statements and notes to the financial statements as to the investment assets held in the Master Trust managed by the Trustee, and investment income is presented in reliance solely upon those certifications.

(4) Plan Interest in Master Trust

The Plan, together with the Wells Fargo & Company Retiree Plan ("Retiree Plan"), invests its assets on a commingled basis in the Master Trust. Each participating plan has an undivided interest in the assets of the Master Trust. The fair value of the Plan's interest in the Master Trust is based on the beginning of year value of the Plan's interest in the Master Trust, plus actual employee contributions and employer contributions to the Plan, plus Master Trust investment income allocated to the Plan, less actual distributions and expenses of the Plan. The Plan's interest in the net assets of the Master Trust at December 31, 2025 and 2024 was approximately 82% and 57%, respectively. Investment income is allocated to the individual plans based upon the ratio of annual distributions and benefit expenses by each plan.

The following tables present the net assets, including investments, held in the Master Trust and the Plan's interest in the Master Trust net assets at December 31:

	2025	
	Master Trust Balances	**Plan's Interest in Master Trust Balances**
Investments at fair value:		
Registered investment companies:		
Money market fund	$ 45,648,695	37,396,851
Accrued income	378,890	310,399
Net assets	$ 46,027,585	37,707,250

	2024	
	Master Trust Balances	**Plan's Interest in Master Trust Balances**
Investments at fair value:		
Registered investment companies:		
Money market fund	$ 19,744,845	11,279,027
Accrued income	415,694	237,461
Net assets	$ 20,160,539	11,516,488

The net investment income of the Master Trust for the year ended December 31, 2025 is presented below:

	2025
Investment income:	
Interest and dividends	$ 5,072,691
Other income	117,617
Total investment income	$ 5,190,308

In accordance with the topic of the *Fair Value Measurements and Disclosures*, FASB Codification, assets and liabilities are measured at fair value in three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are:

- Level 1 – Valuation is based upon quoted prices for identical instruments traded in active markets.

- Level 2 – Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques, for which all significant assumptions are observable in the market.
- Level 3 – Valuation is generated from techniques that use significant assumptions not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of discounted cash flow models, market comparable pricing, option models, and similar techniques.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The following is a description of the valuation methodologies used by the Master Trust to measure investments at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Investments in r*egistered investment companies* are valued at fair value based upon quoted prices in an active market. R*egistered investment companies* include *money market funds*, which are priced at $1.00 per share.

The following table sets forth by level, within the fair value hierarchy, the investments of the Master Trust at fair value as of December 31:

	December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered investment companies:				
Money market fund	$45,648,695	—	—	45,648,695
Total investments at fair value	$45,648,695	—	—	45,648,695

	December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered investment companies:				
Money market fund	$19,744,845	—	—	19,744,845

(5) Benefit Obligations

(a) Postemployment Benefit Obligation

The postemployment benefit obligation represents the total actuarial present values of all estimated future benefits that are expected to be paid to those employees or former employees who are currently receiving long-term disability ("LTD") benefits, short-term disability ("STD") benefits, on COBRA continuation or on Parental leave, reduced by the actuarial present value of contributions expected to be received in the future from current plan participants.

The actuarial present values of the expected postemployment benefit obligations are determined by discounting the expected future payment stream for each individual currently receiving disability benefits, taking into account probabilities of death, recovery and increases in future medical costs. Expected annual future medical costs are based on historical per capita medical claims, adjusted to reflect current medical cost trends.

For measurement purposes, the following actuarial assumptions were utilized as of December 31:

	2025	2024
Discount rate - long-term disability	4.00%	4.80%
Termination from disability	2012 Group long-term disability table	2012 Group long-term disability table
Healthcare cost trend rate	7.70% decreasing 0.40% each year to 4.50% in 2034	8.10% decreasing 0.40% each year to 4.50% in 2034
Average participant contributions for medical coverage	25% of medical costs	25% of medical costs

The postemployment benefit obligation also includes a component for employees enrolled in an HRA plan option who may move into postemployment status and receive disability benefits (Postemployment HRA-Balance program).

For measurement purposes, the following actuarial assumptions were utilized for measurement of the Postemployment HRA-Balance liability as of December 31:

	2025	2024
Discount rate - HRA	4.85%	5.30%
HRA benefit obligation	$4,386,000	$3,845,000
Projected post-decrement HRA balance	$680	$670
Mortality rates healthy and disabled	Pri-2012 mortality study projected generationally from 2012 with Scale MP-2021, and adjusted in November 2025 to reflect anticipated near-term and long-term endemic due to COVID	Pri-2012 mortality study projected generationally from 2012 with Scale MP-2021
Retirement rates	Range of 3.10% to 100% from age 50 to age 100	Range of 5% to 100% from age 50 to age 80
Withdrawal rates	9.01% to 9.98% for ages 25 and less to age 65	13% to 45% for ages 25 and less to age 65

The following table provides additional information regarding the Plan's accumulated postemployment benefit obligation as of December 31:

	2025	2024
Medical continuation for participants on LTD, STD, Parental Leave or Other Leave of Absence, COBRA continuation and employees in Postemployment HRA-Balance program	$ 102,564,000	94,605,000

(Continued)

The following provides additional information regarding the Plan's change in the accumulated postemployment benefit obligation for the year ended December 31:

	2025
Balance at beginning of year	$ 94,605,000
Increase (decrease) during the year attributed to:	
Benefits earned	77,620,000
Benefits paid	(72,543,000)
Interest	1,585,000
Changes in actuarial assumptions*	968,000
Actuarial experience and other gains and losses	329,000
Balance at end of year	$ 102,564,000

* Changes in actuarial assumptions include: decrease of the discount rate from 4.80% to 4.00% for the LTD plan and decrease from 5.30% to 4.85% for the HRA Plan; updates in the Mortality rates; changes in healthcare cost trend rates; updates to retirement and withdrawal rates assumptions for the HRA Plan; and increase in the projected post-decrement HRA balance from $670 to $680.

(b) Other Obligations

Estimated claims incurred but not reported are estimates, which are based on claim run-off experience and are subject to uncertainty.

The following table provides additional information regarding the Plan's other benefit obligations as of December 31:

	2025	2024
Amounts currently payable:		
Claims payable and claims incurred but not reported	$ 287,978,000	241,987,000

The following table provides additional information regarding the Plan's changes in the other benefit obligations for the year ended December 31:

	2025
Amounts currently payable:	
Balance at beginning of year	$ 241,987,000
Premiums and claims incurred	2,491,894,000
Premiums and claims paid, net of rebates and guarantees	(2,445,903,000)
Balance at end of year	$ 287,978,000

(Continued)

The Plan's deficiency of net assets available for benefits over the benefit obligation relates to claims incurred but not reported and the projected benefit obligations as of December 31, 2025 and 2024. The funding of the deficiency will be provided by future employer contributions.

(6) Tax Status

The Master Trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code ("IRC"), and, accordingly, the Master Trust's net investment income is ordinarily exempt from income taxes. The Master Trust has obtained a favorable tax determination letter dated February 27, 1979 from the Internal Revenue Service ("IRS"), and the Plan Sponsor believes that the Master Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Plan Termination

The Company has voluntarily agreed to make contributions to the Plan. Although the Company has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination, assets held by the Master Trust will be used to provide for benefits payable as of the date of such termination and for payment of expenses of the Plan, including expenses of termination. Any assets remaining after such benefits and expenses will be distributed in accordance with the requirements of Section 501(c)(9) of the IRC and the regulations thereunder. If the Plan is terminated, the termination shall not affect the rights of any participant to claim benefits that are payable prior to such termination.

(8) Subsequent Events

The Plan has evaluated subsequent events from the statement of net assets available for benefits date through September 3, 2026, the date on which the financial statements were available to be issued. During this period there have been no material events that would require additional recognition in the financial statements or disclosures to the financial statements.
