| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☐ Yes ☒ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## Independent Auditors' Report

To the Plan Administrator of  
DGPerry, PLLC 401(k) Profit Sharing Plan and Trust  
Canfield, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the DGPerry, PLLC 401(k) Profit Sharing Plan and Trust (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter**

##### *Supplemental Schedules required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2025, and the schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Notes to Financial Statements

December 31, 2025 and 2024

#### Note 1: Description of Plan

The following description of the DGPerry, PLLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General** - The Plan, which became effective January 1, 2007, is a safe harbor defined contribution plan covering all eligible employees of Bodine Perry, PLLC (the "Employer"). Employees are immediately eligible to participate in the Plan if 21 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions** - Participants may contribute a portion of compensation as pre-tax or Roth deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. At the discretion of the Plan administrator, employees may contribute amounts from other eligible plans. The Employer makes a safe harbor matching contribution equal to 100% of the first 3% and 50% of the next 2% of compensation for eligible Participants. The Employer may elect to make additional Employer contributions for eligible participants. For the plan year ended December 31, 2025, no additional Employer contributions were made to the Plan. Contributions are subject to certain Plan and Internal Revenue Service (IRS) limitations.

Included in the Employer's contribution receivable on the Statement of Net Assets Available for Benefits as of December 31, 2024 is approximately \$33,589 related to the "true-up" adjustment for the 2023 and 2022 plan years, along with the "true-up" adjustment for the 2024 plan year. The "true-up" adjustment for the 2025 plan year was funded out of the forfeiture account and allocated to participant accounts in March 2026.

**Participant investments** - Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investments at any time. Participant accounts are valued daily.

**Participant accounts** - Each participant's account is credited with the participant's contributions, the Employer's safe harbor nonelective contribution, as well as allocations of the Employer's additional elective contributions and the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** - Participant and safe harbor matching contributions are immediately vested. Vesting for other Employer's additional contributions are based on years of service. A participant is fully vested when they attain normal retirement age. Prior to normal retirement age, a participant's interest in the Employer's additional contributions are vested 100% after six years of service.

**Notes receivable from participants** - Participants may borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance at the time of the loan. The term of loan repayments shall not exceed five years unless the loan qualifies as a "home loan". The loans are secured by the balance in the participant's account and bear interest at the prime interest rate in effect as of the first day of the month that the loan was requested. Principal and interest are paid by payroll deduction.

**Payment of benefits** - The Plan provides for fully vested benefits at normal retirement (age 65), death or disability. Other benefits are paid upon termination of employment and other designated conditions in which the participant is entitled to the vested portion of his or her account balance.

### Notes to Financial Statements

December 31, 2025 and 2024

#### Note 1: Description of Plan (continued)

**Forfeitures** – Nonvested portions of terminated participant balances are either used to pay Plan expenses or reduce Employer contributions. At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$15,737 and \$0, respectively.

#### Note 2: Summary of Significant Accounting Policies

**Basis of accounting** - The financial statements of the Plan are prepared using the accrual basis of accounting.

**Use of accounting estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition** - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Employer is the Plan administrator. The Plan administrator is responsible for oversight of the Plan and determines asset valuation policies using information provided by investment advisers, custodians and the trustee. Refer to Note 4 for fair value measurements discussion.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Should a participant terminate employment, the outstanding loan principal, plus accrued interest is due immediately.

**Payment of benefits** - Benefits are recorded when paid.

**Administrative expenses** - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Transaction based fees are charged directly to the participant's account and are included in administrative expenses. Asset based fees are included in net appreciation or depreciation in fair value of investments.

**Subsequent events** – The Plan administrator has evaluated subsequent events through September 23, 2026, the date the financial statements are available to be issued for possible recognition or disclosure in the financial statements.

### Notes to Financial Statements

December 31, 2025 and 2024

#### Note 3: Unaudited Certified Information

Certain information related to investments disclosed in the financial statements, including the associated investment income, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the custodian of the Plan through October 22, 2025. On October 23, 2025, the Plan's assets were transferred to Empower Trust Company, LLC and Empower Annuity Insurance Company of America (collectively "Empower"). For the period October 23, 2025 to December 31, 2025 Empower certified to the completeness and accuracy of the investments and notes receivable from participants disclosed in the financial statements, including the associated investment income and interest income on notes receivable from participants.

#### Note 4: Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets of liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used as of December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. These funds held by the Plan are deemed to be actively traded.

Collective Trusts: The fair value of participation units held in a collective trust is based on the net asset value per unit as reported by the fund manager. Each collective trust provides for daily redemptions by Plan participants at reported net asset value per share. The collective trusts managed by BlackRock Institutional Trust Company and T. Rowe Price require the Plan to provide written notice of 5 business days for plan-directed withdrawals which exceed \$1 million.

**DGPerry, PLLC 401(k) Profit Sharing Plan and Trust****Notes to Financial Statements**

December 31, 2025 and 2024

**Note 4: Fair Value Measurement (continued)**

Money Market Deposit Account: Fair value is estimated to approximate the cost basis of the deposit account balance, based upon the liquidity of the account and the credit quality of the issuer. The Plan's investments in money market deposit accounts may occasionally exceed federally insured balances.

Self-Directed Brokerage Accounts: The self-directed brokerage accounts are invested in common stocks and mutual funds for which the fair values are determined by obtaining quoted prices from a nationally recognized exchange; and interest-bearing cash which is valued similar to the money market deposit account.

The method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes the Plan's valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of the plan years indicated:

| <b>Assets at fair value as of December 31, 2025</b> | <b>Level 1</b>       | <b>Level 2</b>    | <b>Level 3</b> | <b>Total</b>         |

\* - Certain investments measured at net asset value per share (or its equivalent) as a practical expedient are not classified in the fair value hierarchy. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

\*\* - The self-directed brokerage accounts were liquidated as part of the change in custodians in October 2025 from Charles Schwab Trust Bank to Empower. Effective January 29, 2026, the Plan established a new self-directed brokerage window with Charles Schwab Trust Bank available to participants of the Plan.

**Note 5: Fully Benefit-Responsive Investment Contract**

The Plan invests in a traditionally fully benefit-responsive guaranteed investment contract (the "Contract") issued by Empower Annuity Insurance Company of America (EAIICA). The Contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. There are currently no reserves against contract value for credit risk of the contract issuers or otherwise.

### **Notes to Financial Statements**

December 31, 2025 and 2024

#### **Note 5: Fully Benefit-Responsive Investment Contract (continued)**

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with EAICA. Such events include the following: (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) premature termination of the contracts, (4) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (5) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

In addition, certain events allow EAICA to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following: (1) an uncured violation the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material representation or (4) a material amendment to the agreements without consent of the issuer.

#### **Note 6: Party-in-Interest Transactions**

Parties-in-interest are defined by Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. Investment activities and certain fees paid by the Plan to parties-in-interest are considered party-in-interest transactions. The Plan engaged in the following party-in-interest transactions which are exempt from prohibited transaction rules defined by ERISA: investment transactions with the custodian; indirect fees included in the net appreciation of investments for investment management and custodial services; direct fee payments for record keeping and custodial services.

#### **Note 7: Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the account balance of each participant would become fully vested, as prescribed by ERISA and its related regulations, and would be distributed to each participant according to the provisions of the Plan.

#### **Note 8: Tax Status**

The Plan is relying on IRS approval of the pre-approved plan it has adopted. The IRS has determined and informed the pre-approved plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended from the original pre-approved document, Plan management believes that the Plan is currently being operated in accordance with the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

December 31, 2025 and 2024

**Note 8: Tax Status (continued)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 9: Plan Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**Note 10: Nonexempt Transaction**

In March 2026, Plan management used \$607 from the Plan's forfeiture account to fund lost earnings attributable to remittances of delinquent participant contributions that occurred during the plan years ended December 31, 2024 and 2025. This constitutes a prohibited transaction as defined by the Department of Labor. The Plan sponsor corrected the transaction in August 2026 by reimbursing the Plan and filing a Form 5330 – Return of Excise Taxes Related to Employee Benefit Plans with the Internal Revenue Service.
