Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Champion Title & Settlements, Inc. 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Champion Title & Settlements, Inc. 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Champion Title & Settlements, Inc. 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Champion Title & Settlements, Inc. 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Champion Title & Settlements, Inc. 401(k) Plan
Independent Auditors' Report
Page 3**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Champion Title & Settlements, Inc. 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Champion Title & Settlements, Inc. 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Independent Auditors' Report
Page 4

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Champion Title & Settlements, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of Champion Title & Settlements, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Champion Title & Settlements, Inc. 401(k) Plan was established on April 1, 1993 as a defined contribution savings plan as described in Section 401(k) of the Internal Revenue Code (IRC). The Plan covers substantially all employees of Champion Title & Settlements, Inc., and its participating affiliates (collectively, Champion) who are age twenty-one or older after the completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible participants can elect to contribute a percentage of their annual compensation, as defined in the Plan, up to the less of the maximum allowed under the applicable provision of the Internal Revenue Code (IRC) or 90% of eligible earnings. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may direct contributions and related earnings to investments accounts selected by the Plan Trustees. The Plan presently maintains 30 investment fund options. Participants may elect to revise investment allocations at any time using on-line access. Champion provides safe harbor matching contributions equal to 100% of the participant's elected deferred contribution, up to a maximum of 4% of the participant's compensation each period. Champion may annually elect to make discretionary contributions, as defined by the Plan. No discretionary profit sharing contributions were made for the year ended 2025. To discharge fiduciary liability for investment losses, the Plan sponsor qualified the Plan to comply with Section 404(c) of ERISA.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Champion's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Champion Title & Settlements, Inc. 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are fully vested in their contributions, the related earnings thereon, and any safe harbor matching contributions made by the employer. Participants vest in employer discretionary matching contributions, profit sharing contributions and related earnings are as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
Two	20%
Three	40%
Four	60%
Five	80%
6 or more	100%

Notes Receivable from Participants

The Plan also includes a provision allowing participants to borrow money from their individual accounts at amounts between \$1,000 and the lesser of \$50,000 or 50% of the participant's vested balance. Participants may be granted 2 loans during any one-year period, limited to 1 outstanding loan at any given time. The notes are secured by the balance in the participant's account and bear interest at 4.25% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid through payroll deductions each pay period. The notes are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Upon separation of service, participants whose vested accounts have never exceeded \$5,000 will receive an immediate lump sum distribution, while all others may elect to withdraw balances in a lump sum or installments, transfer their funds to their new employer's qualified savings plan or to an Individual Retirement Account, or may let the balances remain in the Plan until the participant has reached age 70½. The Plan also offers hardship withdrawals for those in need who qualify.

Amounts allocated to participants who have withdrawn from the Plan but have not received a payout of benefits amounted to \$291,665 at December 31, 2025.

Forfeited Accounts

When termination occurs before the discretionary employer contribution is 100% vested, the forfeited amounts are used to restore forfeitures to rehired participants, reduce the administrative expenses or reduce employer contributions. During the year ended December 31, 2025, forfeited amounts of \$0 were applied to the employer's safe harbor matching contribution.

**Champion Title & Settlements, Inc. 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2025 and 2024**

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Upon complete or partial termination of the Plan, or in the event of complete discontinuance of contributions, the rights of all affected participants to benefits accrued through the date of termination or discontinuance shall become non-forfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by Champion Title & Settlements, Inc.

Federal Income Tax Status

The IRS provided the Plan with a favorable determination letter dated June 30, 2020. Therefore, it is exempt from Federal income taxes under Section 401(k) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Federal tax returns are subject to audit generally for three years after filing; thus the Plan's returns for 2022 and onward are open for examination.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There were no Level 3 inputs used in 2025 and 2024.

Level 1 Fair Value Measurements

Fair values are based on quoted prices (unadjusted) in active markets or identical assets that the plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ or Chicago Board of Trade).

Level 2 Fair Value Measurements

Fair values are based on inputs other than quoted price included within level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Mutual Funds: Mutual funds can be held as individual plan assets or as part of a pooled separate account or a collective investment trust. Both proprietary and non-proprietary mutual funds have publicly available prices that are quoted daily. In addition, underlying asset information is publicly available for each fund. Collective Investment Trust's (CIT) NAV is based on the market value of its underlying investments. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of assets as of December 31, 2025 and 2024:

<u>December 31, 2025</u>	<u>(Level 1)</u>	<u>Total</u>
Mutual Funds	\$ 16,016,824	\$ 16,016,824
Total	<u>\$ 16,016,824</u>	<u>\$ 16,016,824</u>
<u>December 31, 2024</u>	<u>(Level 1)</u>	<u>Total</u>
Mutual Funds	\$ 12,968,391	\$ 12,968,391
Total	<u>\$ 12,968,391</u>	<u>\$ 12,968,391</u>

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers in or out of investments classified as Level 3.

NOTE 4 - UNAUDITED INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The Statements of Net Assets Available for Benefits at December 31, 2025 and 2024, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025, the accompanying notes to the financial statements, and the supplemental Schedule of Assets (Held at End of Year) were prepared in part or entirely from information certified by Fidelity Management Trust Company, the trustee of the Plan, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The trustee, Fidelity Management Trust Company has certified to the completeness and accuracy of all investments for the years ended December 31, 2025 and 2024. The information includes total investments of \$16,016,824 and \$12,968,391 at December 31, 2025 and 2024, respectively, and total investment income of \$2,593,463 for the year ended December 31, 2025.

NOTE 5 - RELATED-PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan has an administration and investment contract with Fidelity Trust Management Company, the administrator and custodian for the Plan. Plan investments are primarily shares of mutual funds managed by Fidelity Trust Management Company. Contributions to the Plan are held and managed by the custodian in accordance with participant directives. The custodian invests cash received, allocates interest and dividend income and makes distributions to participants. The custodian also administers the payment of interest and principal on participant loans. As a result, Fidelity Trust Management Company qualifies as parties-in-interest to the Plan. Investments managed and maintained by Fidelity Trust Management Company at December 31, 2025 and 2024 were \$16,016,824 and \$12,968,391, respectively. Fees paid by the Plan for contract administration by Fidelity Trust Management Company totaled \$51,453 for the year ended December 31, 2025.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - CONCENTRATION OF INVESTMENTS

The following investments accounted for 10% or more of the Plan's total investments for the years ended December 31, 2025 and 2024:

	<u>December 31,</u> <u>2025</u>	<u>December 31,</u> <u>2024</u>
Fidelity Freedom 2025	13%	13%
Fidelity Freedom 2030	13%	15%
Fidelity Freedom 2045	16%	15%

NOTE 8 - DELINQUENT PARTICIPANT CONTRIBUTIONS

The Plan sponsor had late remittances of \$240,362 during plan year ending December 31, 2025, which have been corrected outside of the Voluntary Fiduciary Correction Program in 2026.

During 2025, a participants employee and employer deferral had to be corrected over a number of years. A total of \$9,033 was paid in during 2025, which was corrected with the Voluntary Fiduciary Correction Program.

As a result, the Plan sponsor feels that the adequate remittances have been made to the Plan and no further action is deemed necessary.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, Champion Title & Settlements, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Effective June 15, 2026, Champion Title & Settlements Inc. 401(k) Plan is merging into Acrisure 401(k) Savings Plan.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Champion Title & Settlements, Inc. 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Champion Title & Settlements, Inc. 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Champion Title & Settlements, Inc. 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Champion Title & Settlements, Inc. 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Champion Title & Settlements, Inc. 401(k) Plan
Independent Auditors' Report
Page 3**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Champion Title & Settlements, Inc. 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Champion Title & Settlements, Inc. 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

**Champion Title & Settlements, Inc. 401(k) Plan
Independent Auditors' Report
Page 4**

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of Champion Title & Settlements, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Champion Title & Settlements, Inc. 401(k) Plan was established on April 1, 1993 as a defined contribution savings plan as described in Section 401(k) of the Internal Revenue Code (IRC). The Plan covers substantially all employees of Champion Title & Settlements, Inc., and its participating affiliates (collectively, Champion) who are age twenty-one or older after the completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible participants can elect to contribute a percentage of their annual compensation, as defined in the Plan, up to the less of the maximum allowed under the applicable provision of the Internal Revenue Code (IRC) or 90% of eligible earnings. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may direct contributions and related earnings to investments accounts selected by the Plan Trustees. The Plan presently maintains 30 investment fund options. Participants may elect to revise investment allocations at any time using on-line access. Champion provides safe harbor matching contributions equal to 100% of the participant's elected deferred contribution, up to a maximum of 4% of the participant's compensation each period. Champion may annually elect to make discretionary contributions, as defined by the Plan. No discretionary profit sharing contributions were made for the year ended 2025. To discharge fiduciary liability for investment losses, the Plan sponsor qualified the Plan to comply with Section 404(c) of ERISA.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Champion's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements (Continued)
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are fully vested in their contributions, the related earnings thereon, and any safe harbor matching contributions made by the employer. Participants vest in employer discretionary matching contributions, profit sharing contributions and related earnings are as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
Two	20%
Three	40%
Four	60%
Five	80%
6 or more	100%

Notes Receivable from Participants

The Plan also includes a provision allowing participants to borrow money from their individual accounts at amounts between \$1,000 and the lesser of \$50,000 or 50% of the participant's vested balance. Participants may be granted 2 loans during any one-year period, limited to 1 outstanding loan at any given time. The notes are secured by the balance in the participant's account and bear interest at 4.25% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid through payroll deductions each pay period. The notes are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Upon separation of service, participants whose vested accounts have never exceeded \$5,000 will receive an immediate lump sum distribution, while all others may elect to withdraw balances in a lump sum or installments, transfer their funds to their new employer's qualified savings plan or to an Individual Retirement Account, or may let the balances remain in the Plan until the participant has reached age 70½. The Plan also offers hardship withdrawals for those in need who qualify.

Amounts allocated to participants who have withdrawn from the Plan but have not received a payout of benefits amounted to \$291,665 at December 31, 2025.

Forfeited Accounts

When termination occurs before the discretionary employer contribution is 100% vested, the forfeited amounts are used to restore forfeitures to rehired participants, reduce the administrative expenses or reduce employer contributions. During the year ended December 31, 2025, forfeited amounts of \$0 were applied to the employer's safe harbor matching contribution.

**Champion Title & Settlements, Inc. 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2025 and 2024**

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Upon complete or partial termination of the Plan, or in the event of complete discontinuance of contributions, the rights of all affected participants to benefits accrued through the date of termination or discontinuance shall become non-forfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by Champion Title & Settlements, Inc.

Federal Income Tax Status

The IRS provided the Plan with a favorable determination letter dated June 30, 2020. Therefore, it is exempt from Federal income taxes under Section 401(k) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Federal tax returns are subject to audit generally for three years after filing; thus the Plan's returns for 2022 and onward are open for examination.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There were no Level 3 inputs used in 2025 and 2024.

Level 1 Fair Value Measurements

Fair values are based on quoted prices (unadjusted) in active markets or identical assets that the plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ or Chicago Board of Trade).

Level 2 Fair Value Measurements

Fair values are based on inputs other than quoted price included within level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Mutual Funds: Mutual funds can be held as individual plan assets or as part of a pooled separate account or a collective investment trust. Both proprietary and non-proprietary mutual funds have publicly available prices that are quoted daily. In addition, underlying asset information is publicly available for each fund. Collective Investment Trust's (CIT) NAV is based on the market value of its underlying investments. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of assets as of December 31, 2025 and 2024:

<u>December 31, 2025</u>	<u>(Level 1)</u>	<u>Total</u>
Mutual Funds	\$ 16,016,824	\$ 16,016,824
Total	<u>\$ 16,016,824</u>	<u>\$ 16,016,824</u>
<u>December 31, 2024</u>	<u>(Level 1)</u>	<u>Total</u>
Mutual Funds	\$ 12,968,391	\$ 12,968,391
Total	<u>\$ 12,968,391</u>	<u>\$ 12,968,391</u>

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers in or out of investments classified as Level 3.

NOTE 4 - UNAUDITED INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

NOTE 5 - RELATED-PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan has an administration and investment contract with Fidelity Trust Management Company, the administrator and custodian for the Plan. Plan investments are primarily shares of mutual funds managed by Fidelity Trust Management Company. Contributions to the Plan are held and managed by the custodian in accordance with participant directives. The custodian invests cash received, allocates interest and dividend income and makes distributions to participants. The custodian also administers the payment of interest and principal on participant loans. As a result, Fidelity Trust Management Company qualifies as parties-in-interest to the Plan. Investments managed and maintained by Fidelity Trust Management Company at December 31, 2025 and 2024 were \$16,016,824 and \$12,968,391, respectively. Fees paid by the Plan for contract administration by Fidelity Trust Management Company totaled \$51,453 for the year ended December 31, 2025.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - CONCENTRATION OF INVESTMENTS

The following investments accounted for 10% or more of the Plan's total investments for the years ended December 31, 2025 and 2024:

	<u>December 31,</u> <u>2025</u>	<u>December 31,</u> <u>2024</u>
Fidelity Freedom 2025	13%	13%
Fidelity Freedom 2030	13%	15%
Fidelity Freedom 2045	16%	15%

NOTE 8 - DELINQUENT PARTICIPANT CONTRIBUTIONS

The Plan sponsor had late remittances of \$240,362 during plan year ending December 31, 2025, which have been corrected outside of the Voluntary Fiduciary Correction Program in 2026.

During 2025, a participants employee and employer deferral had to be corrected over a number of years. A total of \$9,033 was paid in during 2025, which was corrected with the Voluntary Fiduciary Correction Program.

As a result, the Plan sponsor feels that the adequate remittances have been made to the Plan and no further action is deemed necessary.
