INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Holt International 401(k) Plan
Eugene, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Holt International 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section—

- The amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
-

- The information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Holt International 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Holt International 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Holt International 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Holt International 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA;
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of Holt International 401(k) Plan as of and for the year ended December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 8, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Plan Description

The following description of Holt International 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2025.

General

The Plan is a defined contribution 401(k) Plan (prior to January 4, 2022 a defined contribution money purchase plan) established January 1, 1973, and restated on January 4, 2022 to allow for conversion to a 401k plan named Holt International 401k Plan (previously Holt International Children's Services, Inc. Money Purchase Pension Trust).

The Plan is a defined-contribution plan covering employees of Holt International Children's Services, Inc. (the Company). Employees who are nonresident aliens and residents or Puerto Rico are excluded from participation. Employees are eligible to participate in the salary deferral feature of the Plan on the first day of the month following their date of hire. The Company's management oversees the governance of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage of their compensation contributed as pre-tax 401(k) or after-tax Roth contributions to the Plan. The Plan provides for an automatic enrollment at 3 percent of compensation to be made for all eligible employees. There is no automatic escalation feature. Participants who have attained age 50 before the end of the Plan year are eligible to make "catch-up" contributions. As permitted under SECURE 2.0, the Plan allows super catch-up contributions beginning in 2025.

The Plan allows for the Company to make discretionary nonelective contributions. Employees are eligible for the nonelective contributions provided they have attained age 21 and have completed two years of service with at least 1,000 hours of service each year. Effective January 1, 2025, the service requirement was changed to one year of service with 1,000 hours of service. During the years ended December 31, 2025 and 2024, respectively, the Company contributed 4 percent and 7 percent of employee's eligible compensation to the Plan.

Effective January 1, 2025, the Company restated the Plan to include Safe Harbor contributions equal to 3 percent of employee's eligible compensation. Employees are eligible for the Safe harbor contributions provided they have attained age 21 and have completed one year of service with at least 1,000 hours of service.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan.

Contributions are subject to certain limitations provided by the Internal Revenue Code (IRC).

1. Plan Description, continued

Participants' Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) the Plan's investment earnings or losses, and (c) certain Plan administration costs not covered by the Plan Sponsor. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payments of Benefits

Upon termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive the value of the vested interest in their account in the form of a lump-sum distribution, annuity, or installments. In-service distributions are permitted after a participant's attainment of age 59 ½. In the event of a qualifying disability or hardship, distributions are permitted from employee contribution accounts. If a participant terminates employment and the participant's account balance does not exceed $5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. Effective January 1, 2025, the Plan elected to allow for domestic abuse withdrawals, terminally ill distributions, and federal disaster distributions under SECURE 2.0 Act.

Vesting

Prior to January 1, 2025, participants were 100 percent vested in all employee and Company contributions, including related earnings. The Plan was restated effective January 1, 2025 to update the vesting schedule for Company discretionary non-elective contributions to a two-year cliff vesting schedule. Participants are 100 percent vested upon death or disability. Participants remain 100 percent vested in their employee contributions and Safe Harbor non-elective contributions at all times. In addition, participants with entry dates prior to January 1, 2025 continue to be fully vested in all Plan accounts.

Forfeitures

The non-vested account balances of a participant are forfeited in accordance with the Plan's provisions. Forfeitures may be used to offset employer contributions or pay Plan expenses. No non-vested balances were forfeited during the Plan years ended December 31, 2025 and 2024.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Principal and interest is paid ratably through payroll deductions. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 2 percent.

1. Plan Description, continued

Revenue Sharing

The Plan contains a revenue sharing expense offset arrangement where the Plan is credited a quarterly amount which is used to pay investment advisory and administrative expenses. During the years ended December 31, 2025 and 2024, $23,711 and $23,125, respectively, was credited to the account and used to pay investment advisory and other administrative expenses. There was no ending balance in the Plan's revenue sharing account as of December 31, 2025 and 2024.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of amounts disclosures. Accordingly, actual results could differ from those estimates.

Contributions

Participant and Company contributions are recorded in the year in which the participant contributions are withheld or underlying compensation is paid.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment in common/collective trusts, which are not considered to be fully benefit responsive at the Plan level, are valued at fair value which approximates contract value. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. **Summary of Significant Accounting Policies**, continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid, principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses and Fees

Certain expenses of administering and maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Certain other administrative expenses, including recordkeeping and transaction fees, are paid directly from Plan assets. Investment-related expenses are included in the net change in fair value of investments or as a reduction from investment income.

3. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

	2025	2024
Investments held, at fair value:		
Registered investment companies	$ 7,637,487	$ 7,271,722
Common/collective trust	399,763	468,065
Notes receivable from participants	1,169	18,007
Net change in fair value of investments	834,270	507,185
Dividend and interest income	315,343	262,255
Interest income on notes receivable from participants	172	1,451

4. Plan Termination

Although the Company has not expressed any intent to discontinue its contributions and terminate the Plan, it may do so at any time subject to the provisions set forth in ERISA. In the event of full or partial Plan termination, affected participants will become 100 percent vested in their Company contributions.

5. Tax Status

The Plan adopted a Non-Standardized Pre-Approved Profit-Sharing Plan with CODA. Empower Retirement, LLC, the sponsor of this prototype plan, obtained an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, in which the IRS stated that the form of the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the relevant taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

6. Party-in-Interest Transactions

Certain Plan investment options are funds managed by Empower Trust Company, LLC, the trustee of the Plan. These transactions qualify as exempt party-in-interest transactions. Total administrative and recordkeeping fees and investment management fees paid by the Plan directly to the trustee or its affiliates for the years ended December 31, 2025 and 2024 were $21,904 and $22,333, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

7. Fair Value Measurements, continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Common/collective trust: Units held in the common/collective trusts are valued using the net asset value (NAV) of the fund and are held within a group annuity contract. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. Participant transactions (purchases and sales) may occur daily at NAV. Pursuant to Accounting Standards Update (ASU) 2015-07, *Fair Value Measurements*, the common/collective trusts measured at NAV have not been classified in the fair value hierarchy. All common/collective trusts investments held by the Plan have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

Registered investment companies: The Plan's investments are units of mutual funds held within a group annuity contract. These funds are valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-end mutual funds that are registered with the SEC and are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	$ 7,637,487	$ -	$ -	$ 7,637,487
Investments measured at NAV practical expedient:				
Common/collective trust				399,763
Total assets at fair value				$ 8,037,250

7. Fair Value Measurements, continued

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Registered investment companies	$ 7,271,722	$ -	$ -	$ 7,271,722
Investments measured at NAV practical expedient:				
Common/collective trust				$ 468,065
Total assets at fair value				$ 7,739,787

8. Risk and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Reclassification

Certain prior year amounts have been reclassified to conform to current year presentation. Such reclassifications had no effect on previously stated changes in net assets available for benefits.

10. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
