INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
First Settlement Physical Therapy 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the First Settlement Physical Therapy 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the First Settlement Physical Therapy 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter – Change in Accounting Principle

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The accompanying financial statements were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the First Settlement Physical Therapy 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Settlement Physical Therapy 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the First Settlement Physical Therapy 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the First Settlement Physical Therapy 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan sponsored by First Settlement Physical Therapy, Inc. (the "Company" and "Employer") with a plan year end of December 31st. The Plan became effective January 1, 2017 and has since been amended. The provisions of the Plan are included in the official Plan document, which legally governs the operations of the Plan and is available for more detailed information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility - The Plan covers substantially all full-time employees of the Company who have a minimum of three months of service. Covered employees may enter the Plan immediately once they satisfy the eligibility requirements.

Participant and Company Contributions - Each year, participants may elect to contribute a percentage of their eligible compensation to the Plan in pre-tax or after-tax Roth contributions from 1% to 100% up to the maximum allowed under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover funds from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company matches 100% of the first 4% of compensation that a participant contributes to the Plan. In addition, the Plan allows for a discretionary profit-sharing employer contribution each year. Participants must be employed on the last day of the Plan year and have completed 500 hours of service to receive their share of the profit-sharing contribution. For the 2025 and 2024 Plan years, the Company elected to make no profit-sharing contribution to the Plan. All Company contributions are invested as directed by the participant. Contributions are subject to Internal Revenue Service ("IRS") limitations.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, Plan earnings or losses, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their elective (voluntary) contributions, all Company contributions paid on the participants' behalf and income or loss thereon.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits - On termination of service, a participant may receive a lump sum amount equal to the value of the vested balance in their account or rollover their vested account balance to another qualified plan. In addition, withdrawals in the case of a financial hardship are allowed under the Plan. Participants that have reached age 59 ½ may take in-service withdrawals. The Plan may make mandatory distributions to those terminated participants with vested account balances of $5,000 or less.

Notes Receivable From Participants - The Plan provides that participants can borrow funds of at least $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. The loans are secured by the balance in the participant's account and bear a rate of interest of 1% over prime on the first business day of the month the loan is issued. The term of the loan cannot exceed five years, except if the loan proceeds are used to finance the purchase of a primary residence, in which case the loan term may not exceed thirty years. Principal and interest are paid ratably through regular payroll deductions. A participant may only have one outstanding loan at a time.

Forfeitures - Forfeiture accounts will be used to reduce future employed contributions or to pay plan administrative expenses. During 2025, plan administrative expenses were reduced by $5,936, from forfeited nonvested accounts, in accordance with plan provisions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accounting records of the Plan are maintained on the modified cash basis of accounting, an accounting practice permitted by the Department of Labor ("DOL"). This method includes recording of plan assets at fair value, but excludes the recording of receivables for participant and employer contributions with the exception of corrective participant and employer contributions receivable. The effect of these items has not been determined. This practice differs in some respects from accounting principles generally accepted in the United State of America, which require that the financial statements be prepared on an accrual basis. Accordingly, the accompanying financial statements are not intended to present the financial position and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United State of America.

The change from accounting principles generally accepted in the United State of America to the modified cash basis of accounting is to align Plan's financial statements to be accounted for on the same basis as certified investment statement. There are no retrospective implications of the change in basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates - The preparation of financial statements in accordance with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements - The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurement. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Contributions - Contributions from the Plan participants and the matching contributions from the Employer are recorded in the year in which contributions are received.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in notes receivable.

Investment related expenses are included in the net appreciation (depreciation) of the fair value of investments.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2025, except for comparing such information to information included in the Plan's financial statements and supplemental schedule. The information in the financial statements and supplemental schedule was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Trust Company, the custodian for the year ended December 31, 2025.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation method include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at NAV of units held by the Plan at year-end. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Money Market Fund: Valued based on quoted prices in active markets for identical securities.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy				
U.S. government securities	$ -	$ -	$ -	$ -
Mutual Funds	1,283,102	-	-	1,283,102
Total assets in the fair value hierarchy	1,283,102	-	-	1,283,102
Investments measured at net asset value (a)				
Common Collective Trusts	-	-	-	7,698,387
	-	-	-	
Investments at fair value	$ 1,283,102	$ -	$ -	$ 8,981,489

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy				
U.S. government securities	$ 2,484	$ -	$ -	$ 2,484
Mutual Funds	811,104	-	-	811,104
Total assets in the fair value hierarchy	813,588	-	-	813,588
Investments measured at net asset value (a)				
Common Collective Trusts	-	-	-	6,282,307
	-	-	-	
Investments at fair value	$ 813,588	$ -	$ -	$ 7,095,895

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the Statement of Net Assets Available for Benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments for which fair value is measured using the net asset value per share as practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	2025	2024		2025 and 2024	
Common Collective Trusts:					
Target Date Funds	$ 7,698,387	$ 6,282,307	n/a	Daily	Daily
TOTAL	$ 7,698,387	$ 6,282,307			

NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Audit fees and certain other administrative expenses are rendered by parties-in-interest and are paid by the Company. The Company also provides certain administrative services for the Plan for which it receives no compensation. Plan investments are managed by Empower Trust Company, the custodian for the Plan, and therefore, these transactions qualify as party in interest transactions.

NOTE 6 - TAX STATUS

The IRS has informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting guidelines require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022. The Plan is also subject to routine audits by the Department of Labor, generally for six years after the statutory due date of the annual information return. There are currently no audits in progress for any tax periods.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits – Modified Cash Basis.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts including employer contributions.

NOTE 9 - SUBSEQUENT EVENTS

Subsequent events were evaluated through September 23, 2026, which is the date the financial statements were available to be issued. Management is not required to and has not evaluated events or transactions that occurred after September 23, 2026.
