Independent Auditor's Report

Plan Administrator
CNB Health and Welfare Plans Administrative Committee
Cherokee Nation Businesses, LLC Health and Welfare
Benefits Plan for SCA & DBA of Cherokee Federal
Catoosa, Oklahoma

Opinion

We have audited the financial statements of Cherokee Nation Businesses, LLC Health and Welfare Benefits Plan for SCA & DBA of Cherokee Federal (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of fiduciary net position (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in fiduciary net position (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the fiduciary net position (modified cash basis) of the Plan as of December 31, 2025 and 2024, and the changes in its fiduciary net position (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances.

Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) listed in the table of contents are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the Plan

General

The following description of Cherokee Nation Businesses, LLC Health and Welfare Benefits Plan for SCA & DBA of Cherokee Federal (Plan) provides only general information about the Plan's provisions. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, which are available from the plan administrator.

The Plan was originally adopted effective January 1, 2019 by Cherokee Nation Businesses, LLC (Company). The Plan provides medical, dental, and prescription drug benefits to eligible employees and their eligible dependents, as defined by the Plan, covered by the *McNamara-O'Hara Service Contract Act of 1965* and/or the *Davis-Bacon Act of 1931*. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA).

BOKF, N.A., serves as the Plan's custodian, and the Plan is administered by the CNB Health and Welfare Plans Administrative Committee.

Benefits

The Plan provides medical, dental, and prescription drug benefits to full-time employees who are enrolled for coverage. The Plan only provides benefits for covered expenses, as defined by each benefit program, and is subject to certain limitations, exclusions, and other conditions. Continuation benefits required by the *Consolidated Omnibus Reconciliation Act of 1985*, as amended (COBRA), are also provided to qualified beneficiaries for this purpose.

Funding

The Company established a grantor trust to fund self-insured benefits, The Cherokee Nation Businesses, LLC Health and Welfare Benefits Trust.

Self-Insured Benefits

Medical, dental, and prescription drug benefits are self-insured under the Plan. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims administrators pay claims directly to or on behalf of participants and are then reimbursed by the Plan. UMR, Inc., provides certain administrative and associated services on behalf of the Plan. For all self-insured benefits, ultimate responsibility for the payment of covered expenses to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager, which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop-Loss Coverage

The Plan does not carry stop-loss coverage for participants.

Contributions

In addition to deductibles and copayments, participants may contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participant salary reductions are made pursuant to Internal Revenue Code (Code), Section 125. Contribution rates are determined at least annually by the Plan's actuary or insurer, as applicable. The Company makes contributions to the Plan's trust as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's fiduciary net position over benefit obligations is funded by the Company on a pay-as-you-go basis.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants; to discontinue its contributions at any time; and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan maintains its accounts on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Investments are recorded at fair value.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, incurred but not reported claims, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments and Investment Income

The Plan's investments are stated at fair value. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the plan year.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the modified cash basis.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims administrator. The third-party claims administrator processes medical, dental, and prescription drug claims of participants, dependents, and beneficiaries, but the responsibility for payments to participants and providers is retained by the Plan. These payments are recorded as benefits paid in the statements of changes in fiduciary net position (modified cash basis).

Prescription Rebates

Prescription rebates are recognized when received. The Plan received approximately $385,000 and $473,000 in rebates during the years ended December 31, 2025 and 2024, respectively, which have been netted with benefits paid in the statements of changes in fiduciary net position (modified cash basis).

Administrative Expenses

Administrative expenses are paid out of the Company's general assets or the trust, as applicable, and are recognized when paid. Expenses that are paid by the Company are excluded from these financial statements.

Note 3. Investments

The Plan's investments include a money market mutual fund, which has a maturity of less than one year.

Interest Rate Risk – The money market mutual fund is classified as an investment with a maturity of less than one year because it is redeemable in full immediately.

Credit Risk – Credit risk is the risk that the issuer or other counterparty to an investment will not fulfill its obligations. At December 31, 2025 and 2024, the Plan was invested in a money market mutual fund, which invests in short-term U.S. Treasury and government agency securities, including repurchase agreements collateralized in full by U.S. Treasury and government agency securities.

Custodial Credit Risk – For an investment, custodial credit risk is the risk that in the event of the failure of the counterparty the Plan will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. All of the underlying securities for the Plan's investments at December 31, 2025 and 2024 are exposed to custodial credit risk because they are held by the counterparty in other than the Plan's name.

Concentration of Credit Risk – At December 31, 2025 and 2024, 100% of the Plan's investments were in the Cavanal Hill Government Securities Money Market Mutual Fund. The investment has a credit rating of AAAm by S&P.

Note 4. Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs supported by little or no market activity and significant to the fair value of the assets or liabilities

Recurring Measurements

The Plan held a Level 1 money market mutual fund recognized in the statements of fiduciary net position (modified cash basis) measured at fair value on a recurring basis at December 31, 2025 and 2024.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the statements of fiduciary net position (modified cash basis), as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2025 and 2024. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. The Plan held no Level 2 or Level 3 securities at December 31, 2025 and 2024.

Note 5. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons. Plan participants, at times, will receive services from Cherokee Nation-owned facilities.

The Plan's investments are managed by a wholly owned subsidiary of BOKF, N.A., the Plan's custodian. Therefore, these transactions qualify as party-in-interest transactions.

The Plan utilizes multiple service providers for the processing of claims data and makes payments for the processing of claims, provider network, and administrative expenses. The Plan paid approximately the following during the years ended December 31:

	2025	2024
Alight	$ 32,000	$ 2,000
UMR, Inc.	6,000	6,000
Other	35,000	27,000
	$ 73,000	$ 35,000

The Company provides certain administrative services at no cost to the Plan.

Note 6. Risks and Uncertainties

The benefit obligations are reported based on certain assumptions pertaining to interest rates, healthcare inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The Plan retains a significant portion of certain expected losses related to medical expenses. Provisions for losses expected under the Plan are disclosed based upon the Plan's estimates of the aggregate liability for claims incurred and totaled approximately $912,000 and $815,000 as of December 31, 2025 and 2024, respectively. The amount of actual losses incurred could differ materially from the estimates and is reflected in the Plan's financial statements when paid.

Note 7. Tax Status

The Plan, in part, is funded through a grantor trust. The IRS does not issue exemption letters under Section 501(a) of the Code for such trusts. As an employee welfare benefit plan, the Plan and the grantor trust are required to operate in conformity with the Code and ERISA. Management of the Plan believes the Plan and the grantor trust are operating in conformity with the Code and ERISA.
