Independent Auditor's Report

To the Plan Trustees and Plan Administrator
Fresh Ale Pubs 401(k) Plan
Anchorage, Alaska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Fresh Ale Pubs 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and the maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1: Description of the Plan

The following description of the Fresh Ale Pubs 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Fresh Ale Pubs, LLC, Chugach Beverages, LLC, and Film-On Productions, LLC (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective February 19, 2025, and was materially modified effective August 1, 2025.

Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0 Act)

On December 29, 2022, the SECURE 2.0 Act was signed into law. It includes mandatory and optional provisions impacting defined contribution plans. Key provisions that may affect plan participants currently and/or in the future include increasing the age for required minimum distributions and provisions relating to catch-up contributions. Applicable provisions outlined in the SECURE 2.0 Act will be adopted if elected and/or required. Plan amendments for these changes are not yet required. The deadline for adopting plan amendments has been extended, most recently to no later than December 31, 2026.

Eligibility

Employees are eligible to participate in the Plan after completing one year of service. Prior to August 1, 2025, eligible employees entered the Plan on the quarterly entry date coinciding with or next following the date requirements were met. Effective August 1, 2025, pursuant to a Plan amendment, eligible employees enter the Plan on the first day of the month coinciding with or next following the date eligibility requirements are satisfied. Participants are eligible to receive employer matching contributions only if they make elective deferral contributions to the Plan.

Contributions

Each year, participants may elect to reduce their compensation by a specific percentage or dollar amount, up to 100%, and have that dollar amount contributed to the Plan as an elective deferral, subject to certain dollar limits set by the Internal Revenue Service (IRS). Roth deferrals are subject to income tax in the year of deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

Note 1: Description of the Plan (Continued)

The Company elected to contribute a discretionary matching contribution for the 2025 Plan year in the amount of 25% of each employee's elective deferrals up to a maximum of 1% of his or her gross wages calculated on a per pay period basis. The Company may also contribute to the Plan a discretionary profit-sharing amount as determined by the Company. The Company did not make a profit-sharing contribution for 2025. Contributions are subject to certain IRS limitations.

Effective with the February 19, 2025 restatement, the Plan permits participants to elect an automatic increase feature at the participant level; however, the feature is not a Plan-level automatic contribution arrangement.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of any Company discretionary profit-sharing contribution and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is limited to the amount that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions, the Company matching contributions, the Company discretionary profit-sharing contributions, and related earnings.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their account balances among the investment options made available under the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms generally range from one to five years. Prior to the February 19, 2025 restatement, loans for the purchase of a primary residence could extend up to ten years. Effective February 19, 2025, the maximum term for loans used to purchase a primary residence was increased to fifteen years, and participant loans are required to have a minimum amortization period of twelve months. The loans are secured by the balance in the participant's account. Prior to February 19, 2025, loans bore interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Effective February 19, 2025, loan interest rates are set at the prime rate plus 1%. Principal and interest are paid through periodic payroll deductions.

Note 1: Description of the Plan (Continued)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant (or beneficiary) may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a period of not exceeding the participant's assumed life expectancy (or the participant's and the participant's beneficiary's assumed life expectancies) determined at the time of distribution. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Note 2: Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the John Hancock Stable Value Guaranteed Income Fund, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan's investment in the John Hancock Stable Value Guaranteed Income Fund is a fully benefit-responsive contract and is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits attributable to a fully benefit-responsive contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held, during the year.

Note 2: Summary of Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment – related expenses are included in net appreciation in fair value of investments.

Note 3: Information Certified by Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have been informed by the Plan Administrator that John Hancock Life Insurance Company (U.S.A.) (Custodian), a qualified institution, held the Plan's investment assets and executed investment transactions as of December 31, 2024 and through March 4, 2025 and that John Hancock Trust Company (Custodian), a qualified institution, held the Plan's investment assets and executed investment transactions from February 18, 2025 to December 31, 2025. Accordingly, the Custodians have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule are complete and accurate.

(a) Investments, at fair value, guaranteed income fund, at contract value, and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024;

(b) Total investment income and interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025; and

(c) All information included in the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown in the ERISA-required supplemental schedule.

Note 4: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement* are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Registered Investment Companies (RICs): These investments are valued at the daily closing price as reported by the fund. RICs held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The RICs held by the Plan are deemed to be actively traded.

Collective Trust Funds (CTFs): These investments are valued at the net asset value of units of a collective trust held at year end as provided by John Hancock. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. The NAV per unit is used as the practical expedient to estimate fair value.

Note 4: Fair Value Measurements (Continued)

Pooled Separate Accounts (PSAs): These investments are valued using the NAV of the units held by the Plan at year end as provided by John Hancock. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee. The investment management fee is deducted prior to setting the daily unit value. The NAV per unit is used as the practical expedient to estimate fair value.

Guaranteed Investment Contracts: These investments are valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The John Hancock Trust Company guaranteed investment contracts are not fully benefit responsive.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered investment company funds	$ 2,115,717	$ -	$ -	$ 2,115,717
Collective trust funds*				6,843,986
Total investments, at fair value				$ 8,959,703

	2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Guaranteed investment contracts	$ -	$ 3,589	$ -	$ 3,589
Pooled separate accounts*				7,486,769
Total investments at fair value				$ 7,490,358

** In accordance with Subtopic 820-10, the collective trust funds & pooled separate accounts have not been classified in the fair value hierarchy since they are measured at net asset value per share (or its equivalent).*

Note 4: Fair Value Measurements (Continued)

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes the collective trust funds and pooled separate accounts measured at fair value based on NAV per unit as of December 31, 2025 and 2024, respectively. There are no unfunded commitments.

	Fair Value at December 31, 2025	Fair Value at December 31, 2024	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective Trust Funds (a)	$ 6,843,986	$ -	Daily	None
Pooled Separate Accounts:				
Target risk (b)	-	5,458,367	Daily	None
Aggressive growth (c)	-	993,048	Daily	None
Growth (d)	-	804,643	Daily	None
Other (e)	-	230,711	Daily	None
Total investments at NAV	$ 6,843,986	$ 7,486,769		

a) *Target Date* – The objective of these portfolios is to provide a high total return consistent with its asset mix, with a greater focus on income beyond the target date.

b) *Target Risk* – The objective of these portfolios is to provide a diversified mix of stocks, bonds, and other investments to create a desired risk profile.

c) *Aggressive Growth* – The objective of these portfolios is to provide aggressive growth of capital through investments throughout the U.S. and global markets.

d) *Growth* – The objective of these portfolios is to provide growth of capital through investments throughout the U.S., Europe, and the Pacific Basin.

e) *Other* – The objective of these portfolios is based on the underlying investments and varies from high long-term total return to conservation of capital, current income, and long-term growth of capital and income through investments throughout the U.S. and global markets.

Note 5: Fully Benefit-Responsive Investment Contract

The Plan has entered into an unallocated non-participating group annuity contract (the "Contract") issued by John Hancock Life Insurance Company (U.S.A.) ("John Hancock"). The sole investment option under the Contract is the John Hancock Stable Value Guaranteed Income Fund (the "Fund"), which is categorized as a cash investment option. The Fund guarantees principal and accumulated interest to participating retirement plans through the Contract. The Contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value, which represents contributions made under the Contract, plus interest earnings, less asset charges, fees, and previous withdrawals. The contract value of the fully benefit-responsive investment contract was $39,575 at December 31, 2025.

The effective annual interest rate (crediting rate) of the Fund is set every January 1 and July 1 and generally is guaranteed for six months. The guaranteed minimum effective crediting interest rate was 1.00% for the year ended December 31, 2025, and the net crediting rate for the Plan year was 2.25%.

Participant-directed plan distributions, loans, hardship withdrawals, and transfers to other investment options are paid at full contract value when permitted under the Plan, including for death, retirement, disability, termination, hardship, in-service, and loan withdrawals, and transfers to non-competing investment options. Other withdrawals that are not permitted participant withdrawals (non-benefit-responsive withdrawals) are paid at contract value only to the extent they do not exceed 5% of the Plan's Fund balance over the preceding 12-month period. Non-benefit-responsive withdrawals in excess of the 5% limit are subject to a market value adjustment. Withdrawals caused by the Plan Sponsor upon discontinuance or termination may be paid as a lump sum, subject to a market value adjustment, or at full contract value over a period of five years. The Plan Administrator does not believe it is probable that the occurrence of any such event would limit the Plan's ability to transact at contract value with participants in the Plan as of December 31, 2025.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations.

The Plan may terminate the Contract, subject to required documentation and a mutually agreed effective date, and allow John Hancock to terminate the Contract upon written notice in certain circumstances. Upon discontinuance or termination, distributions from the Fund are subject to either a lump sum payment subject to a market value adjustment or installment payments at contract value over five years.

Note 6: Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by John Hancock Trust Company, the custodian of the Plan. Therefore, investment transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination all account balances become fully vested and all remaining assets in the affected participants' accounts shall be distributed to the participants and beneficiaries of the Plan in the order provided by ERISA.

Note 8: Tax Status

The IRS has determined and informed the Plan's volume submitter sponsor by an opinion letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by John Hancock Retirement Plan Services, LLC which has been adopted by the Plan, is acceptable pursuant to Section 401 of the Internal Revenue Code (IRC) and in compliance with the applicable requirements of the IRC. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. The Plan's exposure to a concentration of risk is dependent upon funds selected by participants. The following table shows details on investments that represent a concentration of 10% or greater of the Plan's investments in either year:

	December 31, 2025		December 31, 2024	
Investments	Balance	% of Investments	Balance	% of Investments
John Hancock Lifetime Blend 2035	$ 2,210,992	25%	$ *	*
Fidelity 500 Index Fund	1,331,669	15%	*	*
John Hancock Lifetime Blend 2055	919,064	10%	*	*
John Hancock Lifetime Blend 2060	914,878	10%	*	*
JH Multimanager Balanced Lifestyle	*	*	3,949,571	53%
JH Multimanager Growth Lifestyle	*	*	1,170,546	16%

Due to the concentration of investments denoted above, in addition to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the Statements of Net Assets Available for Benefits.

* *Balance did not represent a concentration of 10% or greater of the Plan's net assets as of December 31, 2025 or 2024, respectively.*

Note 10: Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

Net assets available for benefits per the financial statements	$ 9,140,890	$ 7,597,197
Excess contributions payable	-	13,976
Net assets available for benefits per Schedule H of Form 5500	$ 9,140,890	$ 7,611,173

Note 10: Reconciliation of Financial Statements to the Form 5500 (Continued)

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2025:

Net increase per the financial statements	$ 1,543,693
Change in excess contributions payable	(13,976)
Net income per Schedule H of Form 5500	$ 1,529,717

Note 11: Subsequent Events

Subsequent events have been evaluated through September 18, 2026, the date the financial statements were available to be issued.
