INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Candid Color Systems, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Candid Color Systems, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statements of changes in net assets available for plan benefits for the years ended December 31, 2025, and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Candid Color Systems, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Candid Color Systems, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Candid Color Systems, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Candid Color Systems, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Candid Color Systems, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

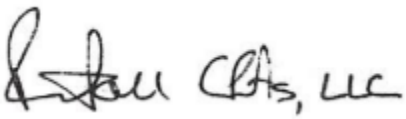

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

General

The Plan is a defined contribution plan sponsored by Candid Color Systems, Inc. (the Company) for the benefit of its employees and their beneficiaries. Related employers who also participate in the Plan include TSS Photography, LLC and Glamour Shots Licensing, Inc. The purpose of the Plan is to enable participants and their beneficiaries to share in the Company's profits and to encourage the loyalty and continuity of service of the participants. An employee becomes eligible for both participation in the Plan and for the company matching contribution upon attaining the age of 21 and completing 180 days of service. The participant is able to enter the Plan on the first day of the following month thereafter. A participant becomes eligible to receive a profit-sharing contribution on the first day of the plan year or the first day of the seventh month of the plan year coinciding with or following the date upon the completion of one year of service and attaining the age of 21. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Empower Retirement refers to the products and services offered in the retirement markets by Empower Annuity Insurance Company of America ("EAICA"), formerly known as Great-West Life & Annuity Insurance Company ("GWL&A"). Empower Trust Company, LLC is a subsidiary of EAICA and is the custodian of the Plan's assets. The Plan administrator is Definiti, LLC.

Contributions

The Plan allows participants to make voluntary before-tax salary deferral contributions, through payroll deductions, to separately invested funds in accordance with Section 401(k) of the Internal Revenue Code ("IRC"). If certain requirements of IRC Section 401(k) are not met in Plan operation, the salary deferral agreements of participants may, on a nondiscriminatory and uniform basis, be amended or revoked to preserve the qualified status of the Plan.

Participants may elect to contribute through the Roth 401(k) contribution option on an after-tax basis. The Roth 401(k) contributions qualify for matching contributions and are otherwise subject to the same combined dollar limits applicable to pre-tax contributions.

Eligible participants may make annual contributions to the Plan through a salary deferral election up to 100% of eligible compensation. Employee rollover contributions are also permitted. The Company may make discretionary contributions (matching and profit-sharing contributions) to all eligible participants' accounts. In May 2022, the Company elected to begin providing eligible participants with matching contributions. The Company made a matching contribution of $112,165 for the year ended December 31, 2025. Contributions are subject to certain limitations. Forfeitures are used to either pay administrative expenses or reduce future discretionary contributions.

Participant Investment Account Options

Investment account options include various types of investment securities offered by the Plan. Each participant has the option of directing his or her contributions into any of these investment securities and may change their allocations daily.

Note 1: Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary contributions (if any) and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of credited service. The Plan provides for participant vesting of 20% after two years of service, increasing by 20% each year thereafter until 100% vesting is reached after the sixth year of service. The non-vested balance is forfeited upon termination of service.

Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Only one outstanding loan at a time is allowed per participant. The minimum amount of a loan is $1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of $50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repaid over a period not to exceed five years (except for loans for the purchase of a principal residence which can be repaid over a period not to exceed 15 years) through payroll withholdings. The interest rate on a new loan is 2% over the Prime Rate as published in the Wall Street Journal on the first business day of the month that the loan is originated.

Payment of Benefits

Upon termination of service due to retirement, death or disability, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or installment payments over a period not to exceed the life expectancy of the participant.

A participant may also elect to receive an in-service distribution in regards to their rollover contributions accounts and after-tax deferral contributions accounts at any time subject to possible administrative limitations on the frequency and actual timing of such distributions.

Forfeited Accounts

Forfeitures consist of unvested company contributions in participants' accounts at the conclusion of their participation in the Plan. Forfeitures are held in the Plan and are used to pay administrative expenses or reduce future Company contributions. At December 31, 2025 and 2024, there were $11,183 and $25,160, respectively, in forfeited non-vested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is based on quoted market prices when available; mutual funds are valued at the net asset value practical expedient (NAVPE). Contract value represents contributions plus interest, less withdrawals and administrative expenses.

Investment transactions are recorded on a trade-date basis. Interest is recognized on the accrual basis, dividends on the ex-dividend date, and net appreciation (depreciation) includes realized and unrealized gains and losses.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Net Appreciation in Fair Value of Investments

Net appreciation in fair value of investments, as recorded in the accompanying statements of changes in net assets available for benefits, includes changes in the fair value of investments acquired, sold, or held during the year.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan at the Company's discretion. Direct expenses paid to service providers during the years ended December 31, 2025 and 2024 were $87,352 and $73,880, respectively.

Note 3: Certification of Plan Trustees

The Plan Administrator has elected the annual reporting method permitted under 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Retirement Services (Empower) has certified the completeness and accuracy of the following information for the years ended December 31, 2025 and 2024, as included in the accompanying financial statements and supplemental schedule:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for plan benefits as of December 31, 2025 and 2024.
- Investment income and interest income from notes receivable from participants as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent auditors did not audit the certified information, except to compare it to the related disclosures in the financial statements and supplemental schedule.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company.

	2025	2024

Total Investments, at fair value	17,115,727	15,651,347
Forfeitures	11,183	25,160
Participant Loans	192,256	175,906
Total investments at fair value	$ 17,319,166	$ 15,852,413

Note 4: Fair Value of Plan Assets

FASB ASC Topic 820, Fair Value Measurement ("ASC Topic 820"), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Note 4: Fair Value of Plan Assets (continued)

Level 1 Quoted prices in active markets for identical assets

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets

Level 3 Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis. There have been no changes in the methodologies used on December 31, 2025 and 2024.

Mutual Funds (Level 1): Valued at the net asset value (NAV) of shares held by the Plan at year-end, based on quoted prices on nationally recognized securities exchanges. Mutual funds held by the Plan are open-end funds registered with the Securities and Exchange Commission, required to publish their daily NAV and transact at that price. These funds are deemed to be actively traded. Self-directed brokerage accounts primarily consist of mutual funds and common stocks valued on the basis of readily determinable market prices.

Fixed Annuities (Level 2): Valued at contract value, which represents contributions plus credited interest, less participant withdrawals and applicable administrative expenses. Contract value approximates fair value and is based on observable inputs other than quoted market prices, such as interest crediting rates and administrative provisions.

Variable Annuities (Level 2): Valued at the NAV of the underlying investment options at year-end. NAV is determined by the insurance carrier based on the fair value of the underlying assets, less liabilities, divided by the number of outstanding units. These are classified as Level 2 when based on observable market inputs or measured using the NAV practical expedient when redemption is at NAV.

Collective Trusts (NAV Practical Expedient): Valued at the net asset value (NAV) per unit as determined by the trustee at year-end. NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund, less any liabilities. This practical expedient is not applied when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan were to initiate a full redemption of its interest in a collective trust, the investment advisor reserves the right to temporarily delay withdrawal in order to allow securities liquidations to be executed in an orderly manner.

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall as of December 31, 2025 and 2024:

Note 4: Fair Value of Plan Assets (continued)

Total investments at fair value	$ 12,232,667	$ 3,121,461	$ -	$ 15,651,347

The Plan's investments (including gains and losses on investments purchased and sold, as well as held during the year) appreciated in value by $1,450,963 and $1,245,556 during the years ended December 31, 2025 and 2024, respectively.

Note 5: Investment Contract with Empower Annuity Insurance

The Plan participates in a fully benefit-responsive investment contract with Empower Annuity Insurance in the form of a fixed annuity contract. Contributions are maintained in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

The contract is fully benefit-responsive; therefore, contract value is the relevant measurement. Contract value, as reported by Empower Annuity Insurance, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. No reserves are held against contract value for credit risk or otherwise.

Note 5: Investment Contract with Empower Annuity Insurance (continued)

Certain events may limit the Plan's ability to transact at contract value with the issuer. Such events include:

1. Amendments to the plan documents (including complete or partial plan termination or merger with another plan);
2. Changes to the Plan's restrictions on competing investment options or deletion of equity wash provisions;
3. Bankruptcy of the plan sponsor or other sponsor events (for example, divestitures or spin-offs of a subsidiary) causing a significant withdrawal from the Plan; or
4. Failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator does not consider the occurrence of any such event, which would limit the Plan's ability to transact at contract value, to be probable. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 6: Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan holds investments in the EI Fixed Account – Series Class III, a fixed annuity contract issued by Empower Annuity Insurance Company of America. Empower Retirement Services serves as the administrator, and transactions involving this investment qualify as party-in-interest transactions under ERISA.

The Company provides certain administrative services to the Plan at no cost.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for plan benefits.

Note 8: Tax Status

The Plan operates under a non-standardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Empower Trust Company, LLC, previously known as Great-West Trust Company, LLC. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 9: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

Note 10: Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2025 and 2024 to the Form 5500:

Net assets available for plan benefit per Form 5500	$ 17,288,224	$ 15,821,473

The following is a reconciliation of the net increase in net assets available for plan benefits per the financial statements at December 31, 2025 and 2024 to the Form 5500:

Net (decrease) increase per Form 5500	$ 1,466,751	$ (221,225)

Note 11: SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan documents accordingly. Certain provisions became effective in 2024. There is no material impact to the Plan's 2025 financial statements.

Note 12: Subsequent Events

Subsequent events have been evaluated through September 11, 2026, the date the financial statements were available to be issued. No subsequent events were noted that would require disclosure or modification to the financial statements.
