INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Staff Education Association Retirees' VEBA Trust

Opinion

We have audited the accompanying financial statements of Staff Education Association Retirees' VEBA Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of administrative expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

STAFF EDUCATION ASSOCIATION RETIREES' VEBA TRUST

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Staff Education Association Retirees' Voluntary Employee Beneficiary Association (VEBA) Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General - The Plan was established pursuant to the February 2, 2010 Settlement Agreement between the Ohio Education Association (OEA) and the Settlement Class. The Plan was funded by a number of payments made by OEA. The final payment was made by OEA in January 2015. The Plan is administered and operated by the Board of Trustees (Trustees). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits - The Trust provides retiree only supplemental Medicare health benefits and prescription drug benefits through insurance companies. There are no active (working) participants in this plan.

The Plan provides a fully insured Prescription Drug benefit program and a fully insured Medicare Supplemental medical benefit plan for Medicare eligible participants who have elected to enroll.

Fully insured premium rates are proposed each year by the respective insurance carriers, prior to the coverage year. Once the fully insured premium rates are accepted by the Trustees, the rates are set. There are no other obligations or settlements required from the Plan for excessive/negative claims experience. The Plan also is not entitled to any rebate of premiums for favorable claims experience with either insurance carrier. The fully insured premiums rates are not subject to change during the coverage year even with fluctuations in enrollment.

Effective January 1, 2025, the Trustees adopted a Retiree Health Reimbursement Account (RHRA), pursuant to IRC 213(d). The health care reimbursement arrangement (HRA) benefit provides reimbursement for qualified out of pocket medical expenses, subject to certain plan participation criteria.

Contributions - To receive benefits, each participant must make a self-contribution payment each month. This is a nominal amount to cover certain base expenses of the Plan.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Eligibility - The Plan provides benefits to retired eligible individuals as defined as Class Members in the February 2, 2010 Settlement Agreement and others who participate pursuant to the Trust Agreement and Plan Document.

The Plan is a "closed group" VEBA. Only those Class Members identified in the February 2, 2010 Settlement Agreement along with certain other associated members, as approved by the Trustees, are eligible to participate in the Plan.

There are no active (working) participants enrolled in the Trust. Class Members must be Medicare eligible and retired to enroll in the trust's benefit plans.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements have been prepared using the accrual method of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recognized on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses - Administrative expenses are paid by the Plan.

Concentration of Credit Risk - Financial instruments that potentially subject the Plan to concentrations of credit risk consist primarily of cash. The Plan currently keeps its cash accounts with one financial institution. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 in a single financial institution. As of December 31, 2025, the Plan had $335,313 of cash balances in excess of federally insured limits.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Plan provides retiree only supplemental Medicare health benefits and prescription drug benefits through insurance companies. There are no active (working) participants in this plan. The Plan pays only fully insured premiums to insurance companies. The Plan has no continuing obligations or settlements requirements that could result from excessive or negative claims experience.

Postretirement Benefit Obligations - The provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 965 do not apply to this VEBA Trust.

Reclassifications - Certain items have been reclassified from prior year's financial statements for comparability purposes.

NOTE 3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Trustees have the right to discontinue the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, the Trustees will allocate any remaining assets according to the Plan document.

NOTE 4. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Short-term investments: Valued at amortized cost, which approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The mutual funds are valued at the NAV of the shares held by the trust at year end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Total	Level 1	Level 2	Level 3

Mutual funds	44,241,288	44,241,288	-	-
Total assets in fair value hierarchy	$ 46,040,179	$ 46,040,179	$ -	$ -

	Assets at Fair Value as of December 31, 2024			
	Total	Level 1	Level 2	Level 3

Mutual funds	39,714,505	39,714,505	-	-
Total assets in fair value hierarchy	$ 42,177,994	$ 42,177,994	$ -	$ -

NOTE 5. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated December 14, 2011, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's

NOTE 5. INCOME TAX STATUS (CONTINUED)

tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal jurisdiction and the various states and local jurisdictions in which the Plan files returns. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 7. PLAN AMENDMENTS

There were no significant plan amendments for the year ended December 31, 2025.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

As disclosed in Note 2, the Plan pays certain administrative, and professional fees to various service providers. These transactions are party-in-interest transactions exempt under ERISA.

NOTE 10. SUBSEQUENT EVENTS

This review and evaluation revealed no other material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
