Opinion

We have audited the accompanying financial statements of the Dream Finders Homes 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

The following description of the Dream Finders Homes 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document and related materials for a more complete description of the provisions of the Plan.

General

The Plan was established by Dream Finders Homes, Inc. (the "Company") on January 1, 2014. The Plan is a defined contribution plan for the benefit of eligible employees of the Company. Employees may begin participating the first day of the month after two months of continuous employment as long as they have attained the age of 18. The Plan is administered by the Benefit Investments Committee (the "Committee" or "Plan Administrator") and the trustee for the Plan is Reliance Trust Company (the "Trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

For the year ended December 31, 2025, the Plan adopted a voluntary provision under the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (the "SECURE 2.0 Act"), as discussed below. The SECURE 2.0 Act is legislation designed to enhance retirement savings and update the regulatory framework for qualified retirement plans.

Contributions

Participants may contribute pre-tax or after-tax salary deferrals to the Plan, as defined by the Plan and subject to certain limitations set by the Internal Revenue Code (the "Code"). The Plan includes an automatic enrollment program known as a qualified automatic contribution arrangement ("QACA"). Under the QACA, employee pre-tax salary deferrals are automatically withheld unless the employee opts out or makes changes to the program. In addition, employees who have reached the age of 50 by the end of the Plan year may make catch-up contributions up to limits defined by the Code. Effective January 1, 2025, the Plan permitted the optional provision under the SECURE 2.0 Act that allows enhanced catch-up contributions for eligible participants ages 60 through 63. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover contributions").

The Company makes matching safe harbor contributions equal to 100% of the first 2% of eligible Plan compensation and 50% of the next 4% of eligible Plan compensation. The Plan also permits discretionary contributions.

Participant Accounts

Each participant's account is credited or debited with the participant's contributions, as well as with any Company contributions, rollover contributions, fees, expenses and allocations of investment earnings or losses. The participant is entitled to the benefit derived from the participant's vested account balance.

Vesting

Participant salary deferral contributions and certain other contributions as defined by the Plan document are immediately vested. Company safe harbor contributions and related earnings are 100% vested after two years of service. Discretionary contributions, if any, are subject to a six-year vesting schedule.

Investment Options

Participants may direct the Plan to invest funds in their account to the available options within the Plan. Participants may direct up to 25% of their account to invest in the stock fund of the Company ("Dream Finders Homes Stock Fund"). The Plan currently offers investments in various money market and mutual funds, a stable value collective trust and shares of the common stock of the Company held in the Dream Finders Homes Stock Fund.

Forfeitures

In the event that a participant's employment is terminated, non-vested amounts in the Plan will be forfeited. Forfeited balances are used to reduce employer contributions or to pay administrative expenses for the Plan.

During the year ended December 31, 2025, forfeitures totaling $441,656 were used to reduce employer contributions and $46,930 were used to reduce Plan expenses. As of December 31, 2025 and 2024, there were forfeited non-vested accounts totaling $188,741 and $67,998, respectively.

Payment of Benefits

In accordance with the provisions of the Plan, upon termination of service due to death, disability, retirement or other reasons, a participant will receive a lump-sum distribution equal to the value of their vested account balance if that balance does not exceed $7,000. If the vested account balance exceeds $7,000, the participant may elect to receive the distribution as a lump-sum, through partial withdrawals or in installment payments.

Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Expenses

Administrative expenses of the Plan may be paid by the Company or the Plan. Unless paid by the Company, administrative expenses are charged to participant accounts based on the nature of the expense or allocated to participant accounts proportionally based on the value of the account balances.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance subject to a minimum of $1,000 and a maximum of $50,000. A participant may only have one active loan at a time. The loans are secured by the balance in the participant's account. Generally, the term of the loan may not exceed five years. However, if the loan is for the purchase of a principal residence, the term may be up to 15 years. The loan interest rate is set at 1% above the prime rate as published in The Wall Street Journal on the 14th day of every month. Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2025, notes receivable from participants were subject to interest rates ranging from 4.25% to 10.50%.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and are based on information provided to Plan management by the Trustee.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The net appreciation or depreciation in the fair value of investments includes realized gains and losses on investments sold during the year, in addition to unrealized changes in the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on an accrual basis and dividends are recorded on the ex-dividend date. Management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of the investment return for such investments.

Contributions

Contributions from Plan participants and the related matching contributions from the Company are recorded in the year in which the employee contributions are withheld from employee compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Loans in default are deemed distributions from the Plan to the participant.

Payment of Benefits

Benefits are recorded when paid.

3. Acquisitions

On January 23, 2025, the Company completed its acquisition of the majority of the homebuilding assets of Liberty Communities, LLC ("Liberty Communities"). The Liberty Communities 401(k) plan was not merged into the Plan.

On March 4, 2025, the Company acquired Cherry Creek Mortgage, LLC, which did not have an active employee benefit plan as of the date of acquisition.

On April 18, 2025, the Company acquired Alliant National Title Insurance Company, Inc. and a related affiliate (collectively, "Alliant Title"). Effective July 1, 2025, the Alliant National Title Insurance Company Inc. Retirement Plan ("Alliant Plan") was merged into the Plan. As a result, the assets from the Alliant Plan were transferred to the Plan. Participant accounts totaling $7,439,879 and outstanding participant loans of $255,417 were transferred into the Plan and were recorded as transfers from other plans in the Statement of Changes in Net Assets Available for Benefits. The transfer of all Alliant Plan assets to the Plan was completed on July 21, 2025.

On May 2, 2025, the Company completed its acquisition of the majority of the homebuilding assets of Green River Builders, Inc. ("Green River Builders"). The Green River Builders 401(k) plan was not merged into the Plan.

Acquired employees are subject to the provisions of the Plan based on the later of the date of acquisition or the effective date of the plan merger, as applicable. The Plan provisions allow for the acquired employees to satisfy continuous employment eligibility requirements based on their previous employment with the acquired company.

4. Fair Value Measurements

Fair value represents the amount that would be received for selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is determined using a fair value hierarchy established by U.S. GAAP, based on the inputs used to measure fair value. Level 1 inputs are unadjusted quoted prices in active markets for identical assets and liabilities. Level 2 inputs are inputs other than quoted market prices that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable and significant to the fair value. The methods used may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values.

The following table represents the investments measured at fair value as of December 31, 2025 and 2024 with respect to the established fair value hierarchy level:

		December 31,	
	Level	2025	2024
Investments in registered investment companies	1	$ 129,611,824	$ 93,555,373
Dream Finders Homes Stock Fund	1	562,353	569,112
Collective trust	see below	2,452,316	2,323,015
Total investments measured at fair value		$ 132,626,493	$ 96,447,500

The fair value of investments in registered investment companies—such as money market and mutual funds—and in the Dream Finders Homes Stock Fund—comprised of common stock of the Company and cash—are determined based on quoted market prices in active markets. The fair value of participation units held in the collective trust are measured based on the net asset value ("NAV") per unit practical expedient and, as a result, have not been classified in the fair value hierarchy. The collective trust provides for daily redemptions by the Plan at reported NAV per unit, with no advance notice requirement. The collective trust in which the Company invests has no withdrawal restrictions for participant-initiated or Plan sponsor withdrawals.

See Schedule H, Line 4i herein for a list of all investments in registered investment companies, the Dream Finders Homes Stock Fund and the collective trust.

5. Income Tax Status

The Internal Revenue Service issued a determination letter dated October 6, 2020 stating that the Plan was in accordance with the applicable plan design requirements as of that date. Since the date of the determination letter, the Plan has been amended. The Plan Administrator believes the Plan, as adopted and amended, is designed and operating in compliance with the applicable requirements of the Code and, therefore, the Plan remains qualified and tax-exempt for the periods presented.

U.S GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that, more likely than not, would be sustained upon examination by the U.S. federal, state or local tax authorities. As of December 31, 2025 and 2024, management has concluded that there were no uncertain tax positions taken that require recognition of a liability (or asset) in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in a combination of investment securities which are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the fair value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net assets Available for Benefits.

Four investments comprised approximately 14%, 12%, 11%, and 10% of investments at fair value as of December 31, 2025. Four investments comprised approximately 14%, 12%, 12% and 10% of investments at fair value as of December 31, 2024.

7. Party In Interest and Related Party Transactions

Automatic Data Processing, Inc. ("ADP") is the recordkeeper of the Plan. The Plan also utilizes the services of an investment advisory group and a plan auditor. These providers receive payments from the Plan, which are included in administrative expenses in the accompanying Statement of Changes in Net Assets Available for Benefits and, therefore, are considered parties in interest to the Plan.

As described in Note 1, Description of Plan and Note 4, Fair Value Measurements, Plan investments also include shares of the common stock of the Company held in the Dream Finders Homes Stock Fund. Additionally, the Plan issues notes to participants, which are secured by the balances in those participants' accounts. These transactions qualify as party in interest transactions.

8. Subsequent Events

Management has evaluated subsequent events through the date the financial statements were issued and determined that there were no material events requiring recognition or disclosure.
