Report of Independent Auditors

To the Plan Participants and the Plan Administrator of Elevance Health 401(k) Plan

Opinion

We have audited the financial statements of Elevance Health 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Elevance Health 401(k) Plan

Notes to Financial Statements

December 31, 2025

1. Description of the Plan

The following description of the Elevance Health 401(k) Plan (the "Plan") provides only general information. More detailed information concerning the Plan may be found by consulting the summary plan description.

General

The Plan is a qualified defined contribution plan which provides savings opportunities for eligible employees of Elevance Health, Inc. ("Elevance Health") and certain of its subsidiaries (the "Participating Employers") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Employees of the Participating Employers are generally eligible to participate in the Plan 30 days after their date of hire. The net assets of the Plan, excluding notes receivable from participants, are held in the Elevance Health Defined Contribution Master Trust (the "EH Master Trust"). Fidelity Management Trust Company serves as the trustee for the EH Master Trust and Fidelity Workplace Services LLC serves as the recordkeeper (collectively, "Fidelity"). The Plan Sponsor is ATH Holding Company, LLC, a wholly owned subsidiary of Elevance Health. The Retirement Committee of ATH Holding Company, LLC is the Plan Administrator.

Participant Accounts

An individual account is maintained by the Plan for each eligible employee who participates in the Plan. Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the Plan Sponsor's contributions, and an allocation of investment earnings or losses, reduced by participant withdrawals and certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Contributions

Participants may make voluntary contributions of 1% to 80% of eligible compensation, as defined in the Plan document, subject to limitations imposed by applicable Internal Revenue Service ("IRS") regulations. Participants may make pretax contributions to a traditional 401(k) account, after-tax contributions to a Roth 401(k) account or a combination of the two through automatic payroll deduction. Participants are automatically enrolled in the Plan at an initial pretax deferral rate of 6%, with an annual automatic increase of the rate of 1%, up to 15% of the participant's eligible compensation, unless the participant directs otherwise.

The Plan Sponsor provides a matching contribution of 100% on the first 4% of the participant's eligible compensation, plus 50% of the next 2% of the participant's eligible compensation contributed, for a total potential Plan Sponsor matching contribution of 5%. Additionally, the Plan provides for a true-up matching contribution to ensure that eligible participants who elected to contribute the maximum contribution allowed by the Plan receive the maximum matching contribution of eligible compensation determined as of the end of the plan year. The Plan permits additional Plan Sponsor discretionary contributions to be made, but no such discretionary contributions were made during the 2025 plan year.

Participants who attain age 50 by the end of the plan year may contribute additional "catch up" contributions to their account beyond the regular annual IRS limit, in accordance with applicable law and the Plan's terms. Catch-up contributions are eligible for matching contributions.

Rollover Contributions

The Plan may accept rollover contributions. Rollover contributions represent distributions received from other qualified retirement plans, as defined in Section 401(a)(31)(E) of the Internal Revenue Code (the "Code"), including

any such distributions contributed via a "conduit" individual retirement account. Distributions from other plans are subject to certain conditions to be eligible for rollover into the Plan.

Vesting

Participants have a 100% vested interest in the Plan Sponsor match after completing a two-year period of service. Nonvested account balances of terminated employees are forfeited (subject to reinstatement upon reemployment as required by applicable law and the Plan's terms).

Investments

Participants direct their elective contributions and employer matching contributions into various investment options offered by the Plan, including target date funds, several mutual and collective investment trust funds, all of which are subject to change from time to time by the Plan Administrator, and the Elevance Health Stock Fund, which is provided for in the Plan document and overseen by an independent fiduciary. The Plan also provides access to a self-directed brokerage option. If a participant has not elected an investment option, their contributions will automatically be invested in the Plan's qualified default investment alternative, which is the target date fund aligned with the year the participant turns 65.

The Elevance Health Stock Fund is a unitized fund, which means participants do not actually own shares of Elevance Health common stock but rather own an interest in the unitized fund. A portion of the fund may be invested in short-term reserves to accommodate daily transactions. Investment in the Elevance Health Stock Fund is limited to no more than 20% of a participant's total account balance. Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account. Any cash dividends paid to the participant's account will be reinvested in the Elevance Health Stock Fund unless the participant elects to receive the dividend in cash paid directly to the participant. Participants may change their election to receive dividends in cash or to reinvest dividends at least quarterly.

Benefit Payments and Withdrawals

A participant may make a withdrawal of voluntary after-tax contributions made to a traditional 401(k) account prior to January 1, 2012, or take a qualified distribution of Roth 401(k) contributions, as defined by the IRS, at any time. Additionally, after attaining age 59½, a participant may withdraw participant and Plan Sponsor matching contributions for any reason.

Subject to the provisions and conditions specified in the Plan document, an active participant in the Plan may make certain hardship withdrawals of amounts held in the participant's account attributable to the participant's contributions, vested Plan Sponsor matching contributions, rollovers, pre-2006 employer match, and income allocated to the contributions account.

Upon termination of employment, the participant is entitled to receive the fully vested current value of his or her account. If the current value of the vested account is $1,000 or less, the account is paid in a lump-sum payment. If the vested account value is $1,000 or more, but less than $5,000, the account will be rolled over into an individual retirement account unless the participant elects otherwise. If the vested account value is $5,000 or more, the account will remain in the Plan unless the participant elects otherwise. The participant may elect to have the entire portion, if any, of the account held in the Elevance Health Stock Fund paid in whole shares of Elevance Health common stock, with fractional shares and any uninvested funds paid in cash. Distribution of participant accounts must commence by the later of retirement or the latest date permitted under Section 401(a)(9) of the Code, as amended by federal legislation known as the SECURE Act and SECURE 2.0 (including regulatory guidance issued thereunder). Upon death, payments are made to the participant's beneficiary in the form of a lump-sum payment or in installments.

Notes Receivable from Participants

Participants may request a loan not in excess of the lesser of: (1) 50% of the vested account balance, or (2) $50,000, less the highest outstanding loan balance during the preceding year. A participant may not have more than two loans outstanding at any one time and must wait 30 days from when a loan is paid off before requesting a new loan. Repayment of loans shall not exceed five years except for loans used to acquire the participant's principal residence. Each loan bears interest in accordance with the Plan's loan policy and applicable regulations. Repayments are made by payroll deduction or remitted directly to Fidelity.

Forfeitures and Certain Plan Expenses

Forfeited nonvested account balances totaled $3,875,557 and $506,167 as of December 31, 2025 and 2024, respectively. Forfeitures may be used to offset employer contributions or to pay certain administrative expenses, as determined by the Plan Sponsor. During the year ended December 31, 2025, forfeitures of $6,093,646 were used to offset employer contributions and forfeitures of $73,579 were used to pay Plan administrative expenses.

In addition, Fidelity maintains, on behalf of the Plan, a plan revenue credit account in connection with net float earnings received from certain investment managers and amounts (if any) owed by Fidelity with respect to performance guarantees under the recordkeeping agreement. During the plan year ended December 31, 2025, the plan revenue credit account was used to pay Plan administrative expenses totaling $360,106.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the terms of the Plan and the provisions of ERISA. In the event the Plan is terminated, each participant's account shall be non-forfeitable with respect to both the participant's and the Plan Sponsor's contributions. The Plan Sponsor has the right to amend the Plan or to suspend matching contributions to the Plan at any time, either permanently or temporarily, for any length of time.

2. Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and are in conformity with U.S. generally accepted accounting principles ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the use of estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The EH Master Trust's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4, "Fair Value Measurements", for further discussion.

The Plan's interest in the net investment income of the EH Master Trust consists of the Plan's allocation of realized gains and losses on investments that were sold during the period, unrealized appreciation and depreciation of the underlying investments held at year end, and net investment income/loss based upon the total of each Plan participant's share of the EH Master Trust.

Purchases and sales of securities are recorded on a trade-date basis and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant accounts and the statement of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Benefits Paid to Participants

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid from Plan assets. The Plan Sponsor may bear certain costs associated with administering the Plan; these costs are not included in the accompanying financial statements and constitute exempt party-in-interest transactions. Certain transaction fees, such as those related to loan processing, are paid from individual participant accounts and are included in administrative expenses. Investment related expenses are included in the Plan's interest in EH Master Trust net investment income.

Recently Adopted Accounting Pronouncements

There have been no recently adopted or issued accounting standards that had, or will have, a material impact on the financial statements.

3. Plan's Interest in EH Master Trust

The Elevance Health Defined Contribution Master Trust was established on January 1, 2024 pursuant to a trust agreement between the Plan Administrator and Fidelity in order to facilitate the administration of transactions in certain investment options offered in both this Plan and the Elevance Health Puerto Rico Retirement Savings Plan (together, the "Participating Plans"). Each Participating Plan has a divided interest in specific investment assets held in the EH Master Trust.

A summary of the net assets of the EH Master Trust and the Plan's interest in the net assets of the EH Master Trust as of December 31, 2025 is as follows:

Net appreciation in fair value of investments	$1,774,360,282
Interest and dividends	43,516,628
Total EH Master Trust net investment income	$1,817,876,910

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Level inputs, as defined by the Financial Accounting Standards Board guidance for fair value measurements and disclosures, are as follows: Level 1, inputs are unadjusted, quoted prices for identical assets or liabilities in active markets at the measurement date; Level 2, inputs other than quoted prices included in Level 1 that are observable for the asset or liability through corroboration with market data; and Level 3, unobservable inputs that reflect management's best estimate of what market participants would use in pricing the asset or liability. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following methods and assumptions were used to determine the fair value of investments recorded at fair value in the statements of net assets available for benefits.

Elevance Health common stock: Valued at the closing price on the New York Stock Exchange on the last business day of the plan year.

Mutual funds: Valued at quoted market prices, which represent net asset value ("NAV") of shares held by the Plan.

Self-directed brokerage accounts: The self-directed brokerage account allows participants the opportunity to invest in a wide array of individual securities including stocks, mutual funds, exchange-traded funds, unit investment trusts, corporate bonds, U.S. Treasury securities, and certificates of deposits, which are primarily valued using quoted prices in active markets.

Collective investment trusts (CITs): Valued based on the NAV of the units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. There are no restrictions on redemptions from the CITs and no unfunded commitments.

The following table sets forth by level within the fair value hierarchy a summary of the EH Master Trust investments by general types measured at fair value on a recurring basis as of December 31, 2025:

December 31, 2025	Total	Level 1	Level 2	Level 3
Elevance Health common stock	$ 352,309,761	$ 352,309,761	$ —	$ —
Mutual funds	302,657,683	302,657,683	—	—
Self-directed brokerage accounts	316,803,497	312,048,032	4,544,392	211,073
Investments measured at fair value	971,770,941	967,015,476	4,544,392	211,073
Investments measured at NAV	12,095,039,709			
Total investments at fair value	$13,066,810,650			

The following table sets forth by level within the fair value hierarchy a summary of the EH Master Trust investments by general types measured at fair value on a recurring basis as of December 31, 2024:

December 31, 2024	Total	Level 1	Level 2	Level 3
Elevance Health common stock	$ 408,045,086	$ 408,045,086	$ —	$ —
Mutual funds	329,248,156	329,248,156	—	—
Self-directed brokerage accounts	250,803,504	246,848,476	3,920,987	34,041
Investments measured at fair value	988,096,746	984,141,718	3,920,987	34,041
Investments measured at NAV	10,874,772,817			
Total investments at fair value	$11,862,869,563			

Our Level 3 securities as of December 31, 2025 and December 31, 2024 primarily consisted of certain corporate fixed maturity securities for which observable inputs were not always available. The fair values of these securities were estimated using inputs including, but not limited to, credit spreads, default rates and benchmark yields. There were no material transfers in or out of Level 3 during either the year ended December 31, 2025 or the year ended December 31, 2024.

5. Exempt Related Party and Party-In-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. Certain administrative functions are performed by officers and employees of the Plan Sponsor or affiliates of the Plan Sponsor. No such officer or employee is compensated from the Plan.

During the year ended December 31, 2025, the Plan reimbursed the Plan Sponsor $59,943 for administrative expenses. This reimbursement is included in administrative expenses in the statement of changes in net assets available for benefits.

Transactions in shares of Elevance Health common stock qualify as exempt party-in-interest transactions under the provisions of ERISA. The Plan owned approximately 1,004,692 and 1,105,902 shares of Elevance Health common stock as of December 31, 2025 and 2024, respectively. During the year ended December 31, 2025, the Plan had net sales of Elevance Health common stock totaling $38,322,881 and the total dividends on Elevance Health common stock in the Elevance Health Stock Fund were $7,148,373.

Certain Plan investments include funds that are managed by affiliates of Fidelity, which constitute party-in-interest transactions. In addition, certain investments in the self-directed brokerage accounts are issued by Fidelity.

Notes receivable from participants also reflect exempt party-in-interest transactions.

6. Income Tax Status

The Plan has received a determination letter from the IRS dated October 24, 2017, stating the Plan is qualified under Section 401(a) of the Code and, therefore, exempt from taxation. Although the Plan has been restated and amended since receiving the determination letter, the Plan Sponsor believes the Plan is designed and being operated in compliance with the applicable requirements of the Code. The Plan's EH Master Trust is intended to be considered as an organization as described in Section 401(a) of the Code and exempt under Section 501(a) of the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Reconciliation to Form 5500

Reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024, is as follows:

	2025	2024
Net assets available for benefits per the financial statements	$13,312,912,847	$12,110,585,543
Less: deemed distributions of participant loans	776,730	721,481
Net assets available for benefits per the Form 5500	$13,312,136,117	$12,109,864,062

Reconciliation of the increase in net assets available for benefits per the financial statements to the net income (loss) per the Form 5500 for the year ended December 31, 2025 is as follows:

	2025
Increase in net assets available for benefits per the financial statements	$ 1,202,327,304
Deemed distributions of participant loans activity	(55,249)
Net income (loss) per the Form 5500	$ 1,202,272,055

8. Subsequent Events

The Plan Sponsor has evaluated the impact of subsequent events through June 17, 2026, the date the financial statements were issued. No subsequent events have been recognized or required additional disclosure in the financial statements.
