Independent Auditor's Report

Plan Administrator
Spokane Produce, Inc. Profit Sharing 401(k) Plan
Spokane, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Spokane Produce, Inc. Profit Sharing 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements are comprised of the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Spokane Produce, Inc. Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Spokane Produce, Inc. Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

1. Description of the Plan

The Spokane Produce, Inc. Profit Sharing 401(k) Plan (the Plan) is a defined contribution plan covering virtually all employees of Spokane Produce, Inc. (the Company).

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 1985 under the provisions of Section 401(a) of the Internal Revenue Code, which includes a qualified deferred arrangement as defined in Section 401(k) thereof. The Plan was amended and restated effective July 1, 2022 (see Note 4) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan excludes leased employees, nonresident aliens, and employees covered under a collective bargaining agreement.

Eligibility

Effective with the restatement of the Plan as of July 1, 2022, employees who have attained the age of 18 and have completed six consecutive months of continuous service are eligible to participate in the Plan on the first day of the quarter following the completion of their eligibility requirements. Through June 30, 2022, employees who had attained the age of 21 and had been credited with 1,000 hours or one year of service in the Plan year were eligible to participate in the Plan on the first day of the quarter following the completion of their eligibility requirement.

Employee Contributions

Participants are automatically enrolled in the Plan with 3% of their eligible pretax compensation withheld as an elective salary deferral, not to exceed annual limitations prescribed by the Internal Revenue Service (IRS). For 2025 and 2024, the elective deferral limit was $23,500 and $23,000, respectively, for individuals under the age of 50 and $31,000 and $30,500, respectively, for individuals who had attained the age of 50 by the end of the calendar year. Beginning in the second full Plan year following the year in which the automatic deferral becomes effective, the automatic elective deferral amount automatically increases by 1% each year, up to a maximum of 10%. Eligible employees may elect to opt out of participating in the Plan or change their elective deferral percentage at any time. Participants may elect to contribute up to 50% of their defined compensation.

Participants may also contribute amounts representing rollover contributions from other qualified defined benefit or defined contribution plans or conduit IRAs. There were no rollover contributions during either 2025 and 2024.

The Plan also permits Roth contributions that are made on an after-tax basis. Rollovers of Roth balances from other qualified plans are also permitted.

In addition, employees can convert traditional pre-tax 401(k) participant balances to Roth 401(k) balances.

1. Description of the Plan, Continued

Employer Contributions

The Company makes a safe harbor matching contribution equal to 100% of employees' elective deferrals of the first 1% of compensation, plus 50% of employees' elective deferrals between 1% and 6% of compensation, for a maximum employer safe harbor matching contribution of 3.5%. Based on this formula, employer safe harbor matching contributions were $205,805 for 2025.

The Company is also permitted to make a discretionary matching or profit-sharing contribution each year. There were no such discretionary matching or profit-sharing contributions made during 2025 or 2024.

Participant Accounts

Each participant's account is credited with the participant's and the Company's contributions and net plan earnings or losses and charged with an allocation of applicable administrative expenses. The allocations are based on participant earnings, losses, or account balances. Participants direct the investment of their contributions and any Company contributions to any of the Plan's fund options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting of Contributions

Participants are immediately 100% vested in their contributions to the Plan and the Company's safe harbor matching contributions. Company discretionary and profit-sharing contributions vest at the rate of 20% per year beginning with the second year of service, and become 100% vested after six years of service, as follows:

Years of Service (with 1,000 hours or more)	Vesting Percentage
0-1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Forfeitures

The non-vested portion of a participant's account is forfeited upon termination of employment. Forfeitures are retained in the Plan and may be used to pay Plan administrative expenses or reduce future employer contributions in the following plan year. For the year ended December 31, 2025, $7,346 of forfeitures were used to pay Plan administrative expenses and no forfeitures were used to reduce employer contributions. There were $17,168 of forfeited non-vested account balances remaining at December 31, 2025.

1. Description of the Plan, Continued

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of the lesser of $50,000 or 50% of the participant's vested account balance. Loan terms cannot exceed five years except for the purchase of a primary residence which cannot exceed fifteen years. The loans are secured by the participant's account and bear interest at a rate established as of the date of the loan application. Principal and interest payments are paid through periodic payroll deductions.

Payment of Benefits

Upon termination of service due to retirement, death, disability or termination of employment, participants will receive the value of the participant's vested interest in his or her account as a lump-sum distribution. If a participant terminates employment and the participant's account balance does not exceed $5,000, the Plan administrator will authorize a lump-sum distribution without the participant's consent. At the participant's election, account balances may remain in the Plan until the participant reaches age 72.

Normal retirement age is 65. A participant may withdraw their vested account balance at age 59-1/2 if certain conditions are met. Withdrawals due to "financial hardship" are permitted subject to Plan and IRS provisions.

Administrative Expenses

The Plan's provisions permit expenses associated with administering the Plan to be charged to individual participant accounts as an equal dollar amount, based on the number of participants in the Plan, or proportionately, based upon the value of individual participant account balances at the date of payment. For the Plan year ended December 31, 2025, expenses were charged to participant accounts using the proportionate method, based upon the value of individual participant account balances, as described above. Additionally, as stated previously, forfeitures may also be used to pay Plan administrative expenses.

Although the Plan permits all administrative expenses to be charged to individual participant accounts, or to be paid from forfeitures, it has been the Company's practice to have the Plan pay for investment advisory and management fees and a portion of the other administrative expenses, with the Company paying all other expenses. During 2025, expenses totaling $44,357 were paid for by the Plan participants and terminated employees. All other expenses associated with the Plan, totaling $6,750, were paid for by the Company.

Participant loan fees are paid by the participant, through a reduction of the proceeds of the loan. Distribution fees are paid by the participant, through a reduction of the proceeds paid in the lump-sum distribution. The Company pays certain administrative costs on behalf of the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared under the accrual method of accounting.

2. Summary of Significant Accounting Policies, Continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, as certified by the Plan's custodian, Empower Trust Company, LLC (Empower). The fair value of shares in mutual funds is based on published closing market prices, as quoted on a national securities exchange. The collective trust fund represents an undivided interest in the underlying net assets of the trust and are valued based on the fair values of the underlying net assets of the fund. Interest-bearing cash equivalents, if any, are also recorded at fair value, which approximates cost.

Unrealized appreciation or depreciation in the fair value of investments held at year end is recognized as an increase or decrease in net assets available for Plan benefits. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Benefit Payments to Participants

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are stated at their outstanding balances, including any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Fair Value Measurements

ASC Topic 820, *Fair Value Measurements and Disclosures* establishes a fair value hierarchy for those assets and liabilities measured at fair value, that distinguishes between assumptions based on market data (observable inputs) and the Plan's own assumptions (unobservable inputs). The hierarchy consists of: Level 1 – quoted market prices in active markets for identical instruments; Level 2 – inputs other than Level 1 inputs that are observable; and Level 3 – unobservable inputs developed using estimates and assumptions determined by the Plan.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the Plan year ended December 31, 2025.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price, which is considered to be fair value. The mutual funds held by the Plan are deemed to be actively traded and therefore are included in Level 1 of the hierarchy.

2. Summary of Significant Accounting Policies, Continued

Fair Value Measurements, Continued

Guaranteed interest fund: Valued at reported values for fixed annuity options based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider, and therefore are included in Level 2 of the hierarchy.

Collective trust funds: The funds include some items valued at NAV that are computed daily and available on the custodian's website. The funds also include variable annuity options that are valued based on the method disclosed in the annuity contract. Although the NAV is not publicly quoted in an active market, it is available to current investors or when Plan participants access their account value and therefore is considered to be a "readily determinable fair value." As such, these amounts are valued similar to mutual funds and considered to be fair value and they are included in Level 1 of the hierarchy. The annuity amounts are treated similarly to the guaranteed interest fund and are included in Level 2 of the hierarchy.

At December 31, 2025 and 2024, the assets or liabilities of the Plan that were measured at fair value on a recurring basis are summarized as follows:

December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,516,584	$ --	$ --	$ 12,516,584
Guaranteed interest fund	--	142,381	--	142,381
Collective trust funds	53,086	--	--	53,086

December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,209,366	$ --	$ --	$ 12,209,366
Guaranteed interest fund	--	149,110	--	149,110
Collective trust funds	117,367	639	--	118,006

Certain assets and liabilities are measured at fair value on a nonrecurring basis; that is, the instruments are not measured at fair value on an ongoing basis, but are subject to fair value adjustments only in certain circumstances (for example, when there is evidence of impairment). The Plan had no assets or liabilities measured at fair value on a nonrecurring basis during 2025 or 2024.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and affect the amounts reported in the financial statements.

3. Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, and interest and dividend income and net appreciation in the fair value of investments for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the custodian, Empower, as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*.

Investments held and certified by Empower at December 31, 2025 and 2024 are summarized as follows:

	2025	2024
Investments representing 5% or more of the Plan's net assets:		
Mutual funds:		
American Funds Growth Fund of America	$ 875,739	$ 744,235
American Funds Investment Company of America	924,812	827,458

American Funds 2035 Target Date Retirement Fund	1,199,225	1,432,562
American Funds 2045 Target Date Retirement Fund	771,968	*
	7,330,290	6,811,959
Other mutual funds	5,186,294	5,397,407
Guaranteed interest fund	142,381	149,110
Collective trust funds	53,086	118,006
Total investments	$ 12,712,051	$ 12,476,482

*Investment is not 5% or more of the Plan's net assets at the date indicated.

Investment income, including both realized and unrealized appreciation, certified by Empower for the year ended December 31, 2025, is summarized as follows:

Net appreciation in fair value of investments, all mutual funds	$ 1,019,784
Interest and dividend income from investments	835,450
Interest on notes receivable from participants	14,529
Total investment income	$ 1,869,763

4. Plan Tax Status

The Plan is placing reliance on a determination letter received from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as restated, remains qualified and the related trust remains tax exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities may occur and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

6. Information Certified by the Custodian

The Plan administrator has received certification from Empower that the following information is complete and accurate:

- Investments reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024.
- Notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024.
- Net appreciation in fair value of investments and interest and dividend income reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.
- Investments reflected on the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025.

7. Party-In-Interest Transactions

Northwestern Mutal Wealth Management Company (NMWM) and Cetera Investment Advisers LLC (Cetera) provide third-party investment advisory services to the Plan and are considered to be a parties-in-interest to the Plan. Fees paid by the Plan to NMWM and Cetera for investment advisory services totaled $22,485 and $2,018, respectively, during 2025.

7. Party-In-Interest Transactions, Continued

Certain Plan investments are shares of mutual funds managed by Empower Advisory Group LLC (Empower). Because Empower is the custodian of the Plan, these transactions represent party-in-interest transactions. Fees paid by the Plan to Empower for Plan investment management totaled $2,703 during 2025.

Certain Plan investments are shares of mutual funds managed by Empower Annuity Insurance Company of America (Empower). Because Empower is the custodian of the Plan, these transactions represent party-in-interest transactions. Fees paid by the Plan to Empower for Plan recordkeeping services totaled $15,393 during 2025.

Randall & Hurley, Inc. (R+H) provides third-party administrative services to the Plan and is considered to be a party-in-interest to the Plan. Fees paid by the Plan to R+H for plan administrative services totaled $12,050 during 2025.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of a Plan termination, all participants would become 100% vested in their employer contributions and benefits under the Plan would be distributed based upon participant account balances accumulated on the date of termination of the Plan.

9. Reconciliation of Financial Statements to Form 5500

Form 5500, which is filed with the Department of Labor, may have items that differ from the amounts shown on the accompanying Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits. The differences, such as amounts paid to parties-in-interest, are classification differences only and have no effect upon net assets available for benefits or changes in net assets available for benefits.

10. Subsequent Events

The Plan's management has evaluated subsequent events through September 17, 2026, the date as of which these financial statements were available to be issued. The only subsequent event that has occurred since December 31, 2025 that required recognition or disclosure in these financial statements were missed enrollment and deferral withholdings. Subsequent to year-end, the Company determined there were three eligible employees that should have been automatically enrolled in the Plan effective October 1, 2025 and an additional seven eligible employees that should have been automatically enrolled in the Plan effective January 1, 2026 that were not added. All ten employees were added to the Plan at the next available enrollment period in April 2026. The Company self-reported the error to the Department of Labor and calculated the corrective contribution to be $5,021, of which $921 related to the 2025 Plan year. The contribution was funded subsequent to year-end.
