INDEPENDENT AUDITOR'S REPORT

To the Plan Administator of the
Aircraft Services Employees' Profit Sharing & 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of Aircraft Services Employees' Profit Sharing & 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Aircraft Services Employees' Profit Sharing & 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certifications from the qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aircraft Services Employees' Profit Sharing & 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management of the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aircraft Services Employees' Profit Sharing & 401(k) Plan 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aircraft Services Employees' Profit Sharing & 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aircraft Services Employees' Profit Sharing & 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF PLAN

The following description of Aircraft Services Employees' Profit Sharing & 401(k) Plan (the "Plan") provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A.) General: The Plan, adopted on January 1, 1998 and subsequently amended, is a participant-directed defined contribution plan established to provide retirement benefits to eligible employees, as defined, of Aircraft Services Group, Inc., Flight Line Aircraft Detailing, LLC and Aircraft Services Hangar Group, LLC (together the "Employer" or the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

B.) Administration: The Company supervises and manages the operations and administration of the Plan. Certain employees of the Company serve as Plan Administrators of the Plan. Fidelity Management Trust Company is the Trustee and Custodian (the "Trustee").

C.) Eligibility: All employees of the Company are eligible to make elective deferral contributions or Roth contributions. There are no age or service requirements. The Plan has an automatic enrollment contribution policy which enrolls all new employees into the Plan at 3% deferral of their eligible salary. Employees must opt out of the automatic deferral if desired. An employee is eligible to receive employer matching contributions if the employee has elected deferral contributions. All employees of the Company are eligible to receive an employer nonelective safe harbor contribution. An employee is also eligible to receive employer profit sharing and other elective contributions if the employee completed 1,000 of service and is employed on the last day of the year.

D.) Contributions: Participants may elect to make elective deferral contributions or Roth contributions to the Plan through payroll deductions of up to 90% of their pre-tax base compensation, subject to certain Internal Revenue Service ("IRS") limits. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions up to $7,500 in 2025 and 2024. Participants may make a rollover contribution to the Plan at any time. Rollover contributions are assets transferred to the Plan from a qualified savings plan in which employees participated prior to their employment by the Company.

The Company provides a matching contribution of 20% of the participant's first $3,600 elective deferral. The Plan requires the Company to contribute a nonelective safe harbor contribution for all employees of 3% of eligible salary. The Plan also permits each individual Company to make a profit-sharing contribution and other elective contributions which will be allocated to each eligible participant as designated by the individual Company. Aircraft Services Group, Inc. has elected to make a profit-sharing contribution of 6% of each eligible employee's salary for the year ended December 31, 2025. The total employer contribution, which consists of the matching contribution, nonelective safe harbor contribution and the profit-sharing contribution, amounted to $509,549 for the year

ended December 31, 2025. The employer contribution due to the Plan as of December 31, 2025 and 2024 was $458,7870 and $527,196, respectively.

The participant may direct contributions into any one of the several investments offered by Fidelity Retirement Services.

E.) Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution including rollovers, allocations of the Company's matching, safe harbor or profit-sharing contribution and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

F.) Vesting: Participants are vested immediately in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company's matching or profit-sharing portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service or reaching the full retirement age.

G.) Notes receivable from participants: Participants may borrow from their accounts up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The minimum loan a participant may borrow is $1,000 and the maximum number of loans outstanding at any time is one. Loans must be repaid over a period not extending beyond five years from the date of the loan unless the loan is for the purchase of your principal residence which extends the repayment period to ten years. The loans are secured by the balance in the participant's account. The loan interest rate is determined at the market rate at the time of loan origination, as defined. Principal and interest are paid ratably through payroll deductions.

H.) Payment of benefits: Withdrawals by participants during their employment are permitted with certain restrictions. For termination of service, a participant may receive a lump-sum amount equal to the vested amount of his or her account. Upon reaching the age of 73, Participants are required to take minimum distributions from their vested account balance. The Plan requires an automatic distribution of a participant's account if the vested balance is below $1,000.

I.) Forfeited accounts: At December 31, 2025 and 2024, forfeited nonvested accounts totaled $161,131 and $142,369, respectively. These accounts are used to reduce future employer contributions, subject to the Plan's provisions. During 2025, $146,674 of these forfeited nonvested accounts were used to reduce employer contributions.

NOTE 2: SIGNIFICANT ACCONUTING POLCIES

A.) Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

B.) Use of estimates: The preparation of the financial statements in accordance with accounting principles generally accepted in the United State of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C.) Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion on fair value of measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

D.) Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

E.) Payment of benefits: Benefits are recorded when paid.

F.) Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the recordkeeping and advisory services are allocated each to participant's account and included in administrative expenses. Administration of notes receivable from participants and other direct expenses are charged directly to the participant's account and are included in administrative expenses.

G.) Subsequent events: The Plan has evaluated subsequent events through August 4, 2026, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology includes:

- Quotes prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their fair net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is signification to the fair value measurement.

	2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$14,650,487	$ -	$ -	$14,650,487
Total investments at fair value	$14,650,487	$ -	$ -	$14,650,487

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$12,937,105	$ -	$ -	$12,937,105
Total investments at fair value	$12,937,105	$ -	$ -	$12,937,105

NOTE 4: RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Trust Management Company who is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Note receivables are due from participants of the Plan which qualify as part-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6: TAX STATUS

The IRS has determined and informed the Company by letter, dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable section of the IRS. Although the Plan has been amended since submitting for the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRS and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: CERTIFIED INVESTMENTS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2025 and 2024, and investment income and interest income on notes

receivable from participants for the year ended December 31, 2025, that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee of the Plan.

NOTE 8: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements:

	2025	2024
Net assets available for benefits per the financial statements	$15,342,135	$13,526,953
Less:		
Contributions receivable	482,130	549,380
Net assets available for benefits per the Form 5500	$14,860,005	$12,977,573

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements at December 31, 2025:

Net increase in net assets available for benefits per the financial statements	$ 1,815,182
Add:	
Contributions receivable as of 12/31/2024	549,380
Less:	
Contributions receivable as of 12/31/2025	482,130
Net increase in net assets available for benefits per the Form 5500	$ 1,882,432

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.
