INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
Beekman 1802, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Beekman 1802, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Beekman 1802, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Beekman 1802, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Beekman 1802, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Beekman 1802, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

An independent member of UHY International

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

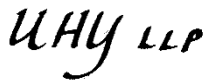

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the Beekman 1802, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan covering substantially all employees of Beekman 1802, Inc. (the "Company") who have attained six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security act of 1974 (ERISA), as amended.

Contributions

Participants may contribute up to 100% of their eligible compensation, as defined in the Plan, subject to certain limitations under the terms of the Plan and the Internal Revenue Code (IRC). Participants may make voluntary pretax or Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Effective January 1, 2025, participants are automatically enrolled in the Plan at 3% of their eligible compensation upon satisfying the eligibility requirements unless a contrary election has been made.

The Company has a safe harbor matching contribution of 100% of the first 3% of eligible compensation that a participant contributes to the Plan, plus 50% of the next 2% of eligible compensation that a participant contributes to the Plan. The Company may also make a discretionary non-elective contribution, as defined by the Plan. Participants must be employed on the last working day of a Plan year and work at least 1,000 hours during that Plan year to be eligible for an allocation of the discretionary non-elective contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's safe harbor matching contributions, as well as allocations of the Company's discretionary non-elective contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Effective November 7, 2023, the Plan was amended to no longer allow new participant loans. Prior to this, participants were able to borrow from their accounts a minimum of $1,000 up to a maximum of $50,000, not to exceed 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, which is commensurate with local prevailing rates as determined monthly. The rate of interest remained constant throughout the term of the loan. Principal and interest is paid ratably through payroll deductions.

NOTE 1 — DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are vested immediately in their contributions and safe harbor matching contributions, plus actual earnings thereon. Participants are 100% vested in the discretionary non-elective contributions after three years of service. In addition, a participant's account balance will become fully vested upon death, disability or retirement while employed by the Company, regardless of years of service.

Payment of Benefits

The Plan allows benefits to be distributed as lump sum payments, partial payments or distributions in-kind. Benefits are distributed under the Plan based on normal retirement date, disability, death or termination of employment of the participant. In-service withdrawals are available to participants who have obtained age 59½ or who have met certain hardship requirements, as outlined by the Internal Revenue Service (IRS). Participants who terminate employment shall be eligible for a distribution as soon as administratively feasible following the participants termination date. Termination distributions of account balances greater than $7,000 may be deferred to a later date.

Forfeitures

There were $43 of unapplied forfeited non-vested balances at December 31, 2024 (none at December 31, 2025). When there are forfeitures available, they may be used to reduce administrative expenses, restore forfeited account balances or to reduce employer contributions. There were forfeitures of $43 used during the year ended December 31, 2025 to reduce employer contributions.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Payment of Benefits

Benefits are recognized when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees for the administration of notes receivable from participants and benefits paid to participants are included in administrative expenses and charged directly to the participant's account. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 23, 2026, the date the financial statements were available to be issued.

Effective September 1, 2026, the Plan was amended to reduce the service requirement for eligibility from six months to one month. The amendment also eliminated employer safe harbor and discretionary nonelective contributions for periods on and after September 1, 2026.

NOTE 3 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3).

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 — FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for investments measured at fair value.

- Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price.

- Pooled Separate Account: Represent an investment in participation units held in pooled separate accounts through sub accounts of an insurance company. The pooled separate account is primarily invested in mutual funds listed on the national securities exchanges and are valued daily at the unit value of shares held by the Plan in the separate investment account based on the underlying mutual funds and their quoted net asset value (NAV), which is an observable input. The Plan has concluded that the NAV as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company, denotes readily determinable fair value.

- Collective Investment Trusts (CIT): Valued at the NAV of units of the collective trust. Due to the various unique investments that may be allowed in a collective trust, and the various redemption restrictions that may be imposed, the CIT funds are valued at NAV, as provided by the trustee, as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. As of December 31, 2025, there were no redemption restrictions or unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$1,770,423	$ -	$ -	$1,770,423
Pooled separate account	-	22,059	-	22,059
Collective investment trusts[(a)]				4,900,523
Total investments at fair value	$1,770,423	$ 22,059	$ -	$6,693,005

	December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$1,551,529	$ -	$ -	$1,551,529
Pooled separate account	-	20,054	-	20,054
Collective investment trusts[(a)]				3,645,895
Total investments at fair value	$1,551,529	$ 20,054	$ -	$5,217,478

(a) Certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 — INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan, has furnished certain financial information to the Plan administrator and certified as to its completeness and accuracy. This certification is as of December 31, 2025 and 2024 and for the year ended December 31, 2025, and includes investment information related to fair value of investments, notes receivable from participants, dividends, net appreciation in fair value of investments and interest income on notes receivable from participants that are included in the Plan's financial statements and supplemental schedule.

NOTE 5 — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Trust Company, the trustee, and therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules of ERISA.

Notes receivable from participants qualify as party-in-interest transactions and are also exempt from the prohibited transaction rules of ERISA.

NOTE 6 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all of their accounts.

NOTE 7 — TAX STATUS

The IRS has determined and informed the Plan by a letter dated June 30, 2020, that the volume submitter profit sharing plan adopted by the Plan and related trust, as then designed, are in compliance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 — RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2025	2024
Net assets available for benefits per the financial statements	$ 6,699,287	$ 5,261,779
Less: employer contributions receivable	-	(9,315)
Less: participant contributions receivable	-	(18,790)
Net assets available for benefits per the Form 5500	$ 6,699,287	$ 5,233,674

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2025:

Net increase in net assets available for benefits	$ 1,437,508
Add: employer contributions receivable at December 31, 2024	9,315
Add: participant contributions receivable at December 31, 2024	18,790
Net increase in net assets available for benefits per Form 5500	$ 1,465,613
