INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Virginia Urology Center, P.C. Profit Sharing Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Virginia Urology Center, P.C. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, Continued:

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VIRGINIA UROLOGY CENTER, P.C. PROFIT SHARING PLAN

Notes to Financial Statements

1. Description of Plan:

The following description of the Virginia Urology Center, P.C. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution profit sharing plan covering all full-time employees of Virginia Urology Center, P.C. and Med Atlantic, Inc. (collectively, the "Company") who have attained age 21 and have completed one year of service (over 1,000 hours), as defined in the Plan. Participants may enter the Plan on the first day of each Plan quarter coinciding with the period in which eligibility is met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: The Plan provides for participant contributions of pre-tax annual compensation as well as after-tax Roth contributions, as defined in the Plan. Participants over the age of 50 at the end of the Plan year may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make discretionary matching contributions ("Matching Contributions") as determined annually by the Company. The Plan also provides for additional Company contributions, which are based upon participant compensation and the classification of employees as defined in the Plan ("Profit Sharing Contributions"). Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, and Plan earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balance, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's contributions, plus actual earnings thereon, is based on years of continuous service. Participants are 100% vested after six years of credited service.

Investment Options: Upon enrollment in the Plan, participants may direct John Hancock Life Insurance Company (U.S.A.) ("John Hancock") as to the investment of their account balances. Investments which are invested in one of John Hancock's subaccounts are described in the accompanying financial statements as "Participant-Directed." Investments which are invested outside of John Hancock's investment options are described as "Self-Directed." The Self-Directed accounts were held by Wells Fargo Advisers ("Wells Fargo"). During the year ended December 31, 2025, the Plan fully disposed of its remaining Self-Directed funds through a rollover distribution at the request of a participant. Accordingly, no Self-Directed investments remained as of December 31, 2025.

1. Description of Plan, Continued:

Payment of Benefits: Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, hardship withdrawal, retirement, death, or disability, as defined in the Plan. Participants are entitled to receive lump-sum or installment payments in an amount equal to the vested value of their account.

Forfeitures: Forfeited balances of terminated participants' non-vested Matching Contribution accounts are used to reduce future Matching Contributions, while forfeited balances of Profit Sharing Contribution accounts are allocated to the participants eligible to receive such contributions. Unallocated forfeitures totaled $68,079 and $20,406 as of December 31, 2025 and 2024, respectively. There was a $67,006 reduction in Company Matching Contributions from forfeited non-vested accounts in 2025. There was a $19,898 reduction in Company Matching Contributions from forfeited non-vested accounts in 2024.

Concentration of Credit Risk: The Plan maintains its cash balances in multiple financial institutions and may periodically have balances in excess of federally insured limits.

Notes Receivable from Participants: Participants may borrow from their participant accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Note receivable terms cannot exceed five years, unless proceeds are used to acquire a principal residence. The notes receivable are secured by the vested balance in the participant's account and bear interest at a rate commensurate with the Company's banking institution under similar circumstances. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary. Delinquent notes receivable from participants, deemed to be in default by the plan administrator, are reclassified as distributions based upon the terms of the Plan document.

Plan Administration: The custodian and administrator of the Participant-Directed funds is John Hancock. The custodian and administrator of the Self-Directed funds was Wells Fargo from January 1, 2024 through April 22, 2025, the date the Plan fully disposed of its remaining Self-Directed funds.

Risk and Uncertainties: The Plan provides for various investments in corporate stocks and bonds, mutual funds, and money markets. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition: As further discussed in Note 3, the Plan records investments at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Excess Contribution Liability: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 excess contribution of $30,923 to the applicable participants prior to March 15, 2026. The Plan did not have an excess contribution liability at December 31, 2024.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Reclassifications: Certain prior year balances have been reclassified to conform with the current year presentation.

Subsequent Events: Management has evaluated subsequent events through August 17, 2026, the date the financial statements were available for issuance, and has determined that there are no subsequent events to be reported in the accompanying financial statements.

3. Fair Value Measurements:

FASB guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the guidance are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets carried at fair value:

Self-Directed investments in money market and cash deposits: Valued at cost, which approximates fair value.

Self-Directed investments in corporate stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Self-Directed investments in mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

3. Fair Value Measurements, Continued:

Participant-Directed investments in mutual funds: Held through subaccounts of a John Hancock group annuity contract (Note 4). Mutual funds subaccounts are valued using daily unit values or quoted values provided by the custodian. Because these values are readily available and represent the amounts at which transactions occur, all such investments are classified within Level 1 of the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at NAV as a practical expedient have not been classified in the fair value hierarchy below. The fair value amounts represented in the fair value hierarchy tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	Assets at Fair Value		
	Level 1	NAV*	Total
Investments:			
Participant-Directed funds:			
Mutual funds	$ 106,606,521	$ -	$ 106,606,521
Common/collective trust	-	1,801,668	1,801,668
Total investments, at fair value	$ 106,606,521	$ 1,801,668	$ 108,408,189

3. Fair Value Measurements, Continued:

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Assets at Fair Value		
	Level 1	NAV*	Total
Investments:			
Participant-Directed funds:			
Mutual funds	$ 88,840,620	$ -	$ 88,840,620

Mutual funds	4,374	-	4,374
Total self-directed fund	4,301,770	-	4,301,770
Total investments, at fair value	$ 93,142,390	$ 1,738,215	$ 94,880,605

*Participant-directed investments in a common/collective trust held through subaccounts of a John Hancock group annuity contract (Note 4), which are valued based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund. In accordance with ASU 2015-07, these investments have been excluded from categorization in the fair value hierarchy and are included above to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarize investments measured at fair value based on NAV per share and not registered with the SEC as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	$ 1,801,668	N/A	Daily	None

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	$ 1,738,215	N/A	Daily	None

4. Investments Held Through John Hancock:

The Plan invests through an unallocated group annuity contract issued by John Hancock Life Insurance Company (U.S.A.) ("John Hancock"). Participant account balances are invested in various investment options offered through John Hancock subaccounts, including mutual funds, collective investment trusts, stable value funds, target-date funds, and other investments selected by the Plan sponsor. Investments are carried at fair value and are presented in Note 3 based on the nature of the underlying investments rather than as a single group annuity contract investment. Participant investments are not guaranteed by John Hancock and fluctuate based on the performance of the underlying investments. Assets held in the subaccounts are segregated from John Hancock's general assets. At December 31, 2025 and 2024, investments held through the group annuity contract had fair values of $108,408,189 and $90,578,835, respectively.

5. Administrative Expenses:

The Plan paid administrative expenses to John Hancock in the amount of $79,448 during 2025 and $70,687 during 2024.

The Plan paid investment advisory fees to John Hancock in the amount of $99,852 during 2025 and $103,940 during 2024. The Plan paid administrative expenses to its third-party administrator in the amount of $1,650 during 2025 and $1,451 during 2024. Although not required by the Plan, a portion of the Plan administration costs are absorbed by the Company.

6. Tax Status:

The Internal Revenue Service has determined by a letter dated June 30, 2020 that the adopted prototype plan is designed in accordance with the applicable sections of the Internal Revenue Code (the “Code”). The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes the Plan is designed and operated in accordance with the applicable provisions of the Internal Revenue Code.

Management has evaluated the effect of guidance surrounding uncertain income tax positions and concluded that the Plan has no significant financial statement exposure to uncertain income tax positions at December 31, 2025 and 2024. The Plan is not currently under audit by any tax authority.

7. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their accounts.

8. Related Party Transactions:

The Plan invests in a number of John Hancock's subaccounts. These are identified as parties-in-interest in the accompanying schedule of assets (held at end of year) as of December 31, 2025 and 2024. The Plan paid certain administrative expenses to John Hancock as disclosed in Note 5.

9. Financial Information Certified by Qualified Institutions:

Information regarding the following, included in the Plan's financial statements and supplemental financial schedule, was prepared by John Hancock, the custodian of the Participant-Directed accounts, which have certified that the information provided by them below is complete and accurate, as of and for the years ending December 31:

	2025	2024
Cash and cash equivalents	$ 68,079	$ 20,406
Investments, at fair value	108,408,189	90,578,835
Notes receivable from participants	303,170	330,492
Interest income on notes receivable from participants	26,026	26,324
Investment income	15,457,623	11,783,657
Schedule of assets (held at end of year)	108,711,359	90,909,327

The Self-Directed accounts, held for the period from April 1, 2023 to April 22, 2025, were not included in the certification.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Virginia Urology Center, P.C. Profit Sharing Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Virginia Urology Center, P.C. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, Continued:

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VIRGINIA UROLOGY CENTER, P.C. PROFIT SHARING PLAN

Notes to Financial Statements

1. Description of Plan:

The following description of the Virginia Urology Center, P.C. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution profit sharing plan covering all full-time employees of Virginia Urology Center, P.C. and Med Atlantic, Inc. (collectively, the "Company") who have attained age 21 and have completed one year of service (over 1,000 hours), as defined in the Plan. Participants may enter the Plan on the first day of each Plan quarter coinciding with the period in which eligibility is met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: The Plan provides for participant contributions of pre-tax annual compensation as well as after-tax Roth contributions, as defined in the Plan. Participants over the age of 50 at the end of the Plan year may make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make discretionary matching contributions ("Matching Contributions") as determined annually by the Company. The Plan also provides for additional Company contributions, which are based upon participant compensation and the classification of employees as defined in the Plan ("Profit Sharing Contributions"). Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, and Plan earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balance, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's contributions, plus actual earnings thereon, is based on years of continuous service. Participants are 100% vested after six years of credited service.

Investment Options: Upon enrollment in the Plan, participants may direct John Hancock Life Insurance Company (U.S.A.) ("John Hancock") as to the investment of their account balances. Investments which are invested in one of John Hancock's subaccounts are described in the accompanying financial statements as "Participant-Directed." Investments which are invested outside of John Hancock's investment options are described as "Self-Directed." The Self-Directed accounts were held by Wells Fargo Advisers ("Wells Fargo"). During the year ended December 31, 2025, the Plan fully disposed of its remaining Self-Directed funds through a rollover distribution at the request of a participant. Accordingly, no Self-Directed investments remained as of December 31, 2025.

1. Description of Plan, Continued:

Payment of Benefits: Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, hardship withdrawal, retirement, death, or disability, as defined in the Plan. Participants are entitled to receive lump-sum or installment payments in an amount equal to the vested value of their account.

Forfeitures: Forfeited balances of terminated participants' non-vested Matching Contribution accounts are used to reduce future Matching Contributions, while forfeited balances of Profit Sharing Contribution accounts are allocated to the participants eligible to receive such contributions. Unallocated forfeitures totaled $68,079 and $20,406 as of December 31, 2025 and 2024, respectively. There was a $67,006 reduction in Company Matching Contributions from forfeited non-vested accounts in 2025. There was a $19,898 reduction in Company Matching Contributions from forfeited non-vested accounts in 2024.

Concentration of Credit Risk: The Plan maintains its cash balances in multiple financial institutions and may periodically have balances in excess of federally insured limits.

Notes Receivable from Participants: Participants may borrow from their participant accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Note receivable terms cannot exceed five years, unless proceeds are used to acquire a principal residence. The notes receivable are secured by the vested balance in the participant's account and bear interest at a rate commensurate with the Company's banking institution under similar circumstances. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary. Delinquent notes receivable from participants, deemed to be in default by the plan administrator, are reclassified as distributions based upon the terms of the Plan document.

Plan Administration: The custodian and administrator of the Participant-Directed funds is John Hancock. The custodian and administrator of the Self-Directed funds was Wells Fargo from January 1, 2024 through April 22, 2025, the date the Plan fully disposed of its remaining Self-Directed funds.

Risk and Uncertainties: The Plan provides for various investments in corporate stocks and bonds, mutual funds, and money markets. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

Docusign Envelope ID: 08E0B686-E1CF-868E-82E6-9CE3B722ED2B

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition: As further discussed in Note 3, the Plan records investments at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Excess Contribution Liability: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 excess contribution of $30,923 to the applicable participants prior to March 15, 2026. The Plan did not have an excess contribution liability at December 31, 2024.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Reclassifications: Certain prior year balances have been reclassified to conform with the current year presentation.

Subsequent Events: Management has evaluated subsequent events through August 17, 2026, the date the financial statements were available for issuance, and has determined that there are no subsequent events to be reported in the accompanying financial statements.

Docusign Envelope ID: 08E0B686-E1CF-868E-82E6-9CE3B722ED2B

3. Fair Value Measurements:

FASB guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the guidance are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets carried at fair value:

Self-Directed investments in money market and cash deposits: Valued at cost, which approximates fair value.

Self-Directed investments in corporate stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Self-Directed investments in mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

3. Fair Value Measurements, Continued:

Participant-Directed investments in mutual funds: Held through subaccounts of a John Hancock group annuity contract (Note 4). Mutual funds subaccounts are valued using daily unit values or quoted values provided by the custodian. Because these values are readily available and represent the amounts at which transactions occur, all such investments are classified within Level 1 of the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at NAV as a practical expedient have not been classified in the fair value hierarchy below. The fair value amounts represented in the fair value hierarchy tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	Assets at Fair Value		
	Level 1	NAV*	Total
Investments:			
Participant-Directed funds:			
Mutual funds	$ 106,606,521	$ -	$ 106,606,521
Common/collective trust	-	1,801,668	1,801,668
Total investments, at fair value	$ 106,606,521	$ 1,801,668	$ 108,408,189

3. Fair Value Measurements, Continued:

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Assets at Fair Value		
	Level 1	NAV*	Total
Investments:			
Participant-Directed funds:			
Mutual funds	$ 88,840,620	$ -	$ 88,840,620
Common/collective trust	-	1,738,215	1,738,215
Total participant-directed funds	88,840,620	1,738,215	90,578,835
Self-Directed funds:			
Money market & cash deposits	369	-	369
Corporate stocks	4,297,027	-	4,297,027
Mutual funds	4,374	-	4,374
Total self-directed fund	4,301,770	-	4,301,770
Total investments, at fair value	$ 93,142,390	$ 1,738,215	$ 94,880,605

*Participant-directed investments in a common/collective trust held through subaccounts of a John Hancock group annuity contract (Note 4), which are valued based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund. In accordance with ASU 2015-07, these investments have been excluded from categorization in the fair value hierarchy and are included above to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarize investments measured at fair value based on NAV per share and not registered with the SEC as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	$ 1,801,668	N/A	Daily	None

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period

4. Investments Held Through John Hancock:

The Plan invests through an unallocated group annuity contract issued by John Hancock Life Insurance Company (U.S.A.) ("John Hancock"). Participant account balances are invested in various investment options offered through John Hancock subaccounts, including mutual funds, collective investment trusts, stable value funds, target-date funds, and other investments selected by the Plan sponsor. Investments are carried at fair value and are presented in Note 3 based on the nature of the underlying investments rather than as a single group annuity contract investment. Participant investments are not guaranteed by John Hancock and fluctuate based on the performance of the underlying investments. Assets held in the subaccounts are segregated from John Hancock's general assets. At December 31, 2025 and 2024, investments held through the group annuity contract had fair values of $108,408,189 and $90,578,835, respectively.

5. Administrative Expenses:

The Plan paid administrative expenses to John Hancock in the amount of $79,448 during 2025 and $70,687 during 2024.

The Plan paid investment advisory fees to John Hancock in the amount of $99,852 during 2025 and $103,940 during 2024. The Plan paid administrative expenses to its third-party administrator in the amount of $1,650 during 2025 and $1,451 during 2024. Although not required by the Plan, a portion of the Plan administration costs are absorbed by the Company.

6. Tax Status:

The Internal Revenue Service has determined by a letter dated June 30, 2020 that the adopted prototype plan is designed in accordance with the applicable sections of the Internal Revenue Code (the “Code”). The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes the Plan is designed and operated in accordance with the applicable provisions of the Internal Revenue Code.

Management has evaluated the effect of guidance surrounding uncertain income tax positions and concluded that the Plan has no significant financial statement exposure to uncertain income tax positions at December 31, 2025 and 2024. The Plan is not currently under audit by any tax authority.

7. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their accounts.

8. Related Party Transactions:

The Plan invests in a number of John Hancock's subaccounts. These are identified as parties-in-interest in the accompanying schedule of assets (held at end of year) as of December 31, 2025 and 2024. The Plan paid certain administrative expenses to John Hancock as disclosed in Note 5.

9. Financial Information Certified by Qualified Institutions:

Information regarding the following, included in the Plan's financial statements and supplemental financial schedule, was prepared by John Hancock, the custodian of the Participant-Directed accounts, which have certified that the information provided by them below is complete and accurate, as of and for the years ending December 31:

	2025	2024
Cash and cash equivalents	$ 68,079	$ 20,406
Investments, at fair value	108,408,189	90,578,835
