To the Plan Administrator
Empower Workplace Corp. 401(k) Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Empower Workplace Corp. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, for the years ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Empower Workplace Corp.
401(k) Plan

Notes to Financial Statements
December 31, 2025 and 2024

1. Plan Description

The following description of Empower Workplace Corp.401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document or the Summary Plan Description for a more complete description of the Plan's provisions.

General

Empower Workplace Corp. ("Company") is the sponsor of the Plan. The Plan is a defined contribution plan covering all eligible employees of the Company, with the exception of employees or are considered independent contractors, union employees, leased employees, and non-resident aliens as defined. Employees are eligible to participate once they have attained the age of 18 years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective April 19, 2025, the Plan transferred to Therapeutic Intervention Services, LLC 401(k) Plan, as part of a spinoff, the assets and liabilities associated with certain participant account balances in the Plan in a manner consistent with Section 414(l) of the Internal Revenue Code of 1986, as amended (the "Code"), subject to the preservation of any protected rights and features under Section 411(d)(6) of the Code and the requirements of the Employee Retirement Income Security Act of 1974, as amended.

Contributions

Participating employees may contribute any percentage up to 100% of their W-2 compensation, subject to Internal Revenue Code (IRC) limitations for the calendar year as pre-tax or after tax elective contributions or after-tax Roth contributions. In addition, participants may also make rollover contributions from other qualified retirement plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at rate of 3 percent of eligible compensation including a 1 percent escalation up to a maximum of 10 percent. These contributions are invested in a designated fund until changed by the participant. The Plan is a safe harbor plan and the employer makes a 3 percent contribution. The Plan may also make a non-elective discretionary contribution approved by the Board of Directors. All employees must meet a 1,000 service hour requirement to receive the non-elective discretionary contribution. There were no non-elective discretionary contributions for 2025 and 2024. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

1. Plan Description (cont.)

Participant Accounts

Participant accounts are credited with the participants' contributions and an allocation of (a) the Company's safe harbor contribution, (b) Plan earnings and (c) administration expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct participant and employer contributions and any related earnings among any of the investment funds offered. Participants may change their investment options, daily, by notifying Empower Recordkeeping Services. Allocations are based on participant earnings or account balances, as defined.

Vesting

Participants are immediately vested in their elective deferrals, employer safe harbor contributions and rollovers, while employer non-elective discretionary contributions vest to the participants in accordance with the following schedule:

December 31,	Percent Vested
Less than 1 year	0%
2 years	0%
3 years	100%

A participant's interest in the employer's contribution becomes 100% vested and distributable upon normal retirement age, disability, or death.

Forfeited Accounts

At December 31, 2025 and 2024, there was approximately $750 and $700, respectively in forfeited amounts.

Investment Options

Upon enrollment, participants may direct their elective contributions in any one of the allowable investment funds offered by the Plan. Participants may make changes in their investment elections at any time.

Payment of Benefits

Upon termination of employment, a participant may elect to receive a lump sum distribution of his or her vested account. Distributions are also available under an installment arrangement.

Participants may keep their funds in the Plan after their normal retirement date, but must begin withdrawing once they reach age 73 unless they remain employed.

1. Plan Description (cont.)

Payment of Benefits (cont.)

Participants may withdraw any part of their elective deferral account upon written notice of financial hardship as determined by the plan administrator. Participants are also eligible to receive in-service distributions.

Normal retirement age is defined as the attainment of 59 ½ of age.

Additionally, a participant's vested benefit will be distributable upon the occurrence of any one of the following events: (a) death, (b) disability or (c) plan termination.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting and are prepared in conformity with U.S. generally accepted accounting principles ("GAAP") in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates and these differences could be material.

Investment Valuation and Income Recognition

The Plan applies the provisions of FASB Accounting Standards Codification ASC 820, *Fair Value Measurements and Disclosures* (ASC 820). The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Changes in fair value, along with realized gains and losses, are reflected as net appreciation in fair value of investments.

Payment of Benefits

Benefit payments to participants are recorded when paid.

3. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to participant investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividend and interest income from mutual funds for the year then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company (a qualified institution and trustee of the Plan).

3. Information Certified by the Trustees (cont.)

The Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated in fair value as follows:

Years Ended December 31,	**2025**	2024
Dividend and interest income	**$ 81,004**	$ 294,808
Net appreciation of fair value of investments	**$ 415,448**	$ 751,309

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Concentrations of Credit Risk

The following table reflects concentrations of individual investments within the plan that were equal to or greater than 10% of the net assets:

December 31,	**2025**	2024
American Funds 2020 Trgt Date Retirement Fund	**11.53%**	1.32% *
American Funds 2045 Trgt Date Retirement Fund	**15.64%**	15.83%
American Funds 2050 Trgt Date Retirement Fund	**18.71%**	9.97% *
American Funds 2055 Trgt Date Retirement Fund	**13.69%**	6.47% *
American Funds 2060 Trgt Date Retirement Fund	**15.45%**	3.82% *

** - the following assets were less than 10% of Total Assets in 2024, but exceeded 10% of Total Assets in 2025*

5. Fair Value Measurements

ASC 820 Fair Value Measurements and Disclosures establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy defined by the guidance are described below:

5. Fair Value Measurements (cont.)

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three levels:

Level 1 – Valuations based on unadjusted quoted prices available in active markets for identical assets or liabilities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.

Level 2 – Valuations based on quoted prices for similar assets in active or inactive markets, inputs other than quoted prices that are observable, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, the liquidity of markets, and other characteristics particular to the security. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

5. Fair Value Measurements (cont.)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments are initially recorded at their acquisition cost (if they were purchased) and at fair value. Subsequent to acquisition, investments are reported at their fair value. The net change in the difference between fair value and the cost of investments is reflected in the accompanying statements of changes in net assets available for benefits under the caption "Net Appreciation in Fair Value of Investments". The Plan had no material financial liabilities as of December 31, 2025 and 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Investment Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 1,129,608	$ -	$ -	**$ 1,129,608**
Total assets at fair value	$ 1,129,608	$ -	$ -	**$ 1,129,608**

	Investment Assets at Fair Value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 8,700,708	$ -	$ -	**$ 8,700,708**
Total investments	$ 8,700,708	$ -	$ -	**$ 8,700,708**

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such manner as the Company may determine.

7. Tax Status

The Plan's document has been amended and restated effective January 1, 2022 to comply with recent regulations and is a Non-Standardized Pre-Approved Profit Sharing Plan, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. The opinion letter states that the form of the Prototype Plan was acceptable under Section 401(a) of the IRC for use by adopting employers and that an employer adopting the Plan could rely on the opinion letter with respect to the qualification of the Plan under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

GAAP prescribes rules for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the Plan's tax returns. Management has determined that the Plan does not have any uncertain tax positions and associated unrecognized tax benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that the Plan's tax returns will not be challenged by the taxing authorities and that the Plan will not be subject to additional tax, penalties, and interest as a result of such a challenge. Generally, the Plan's federal returns remain open for income tax examination for three years from date of filing.

8. Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the value of these investments will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits

9. Related Party and Party-In-Interest Transactions

Fees incurred by the Plan for contract administration are included as party-in-interest transactions. The Plan made a direct payment of $25,028 and $26,966 in 2025 and 2024, respectively, to Capital Group Retirement Plan Services, who serves as trustee.

10. Terminated Participants

As of December 31, 2025 and 2024, there were 86 and 68 terminated participants who had not withdrawn their account balances totaling $863,176and $827,089, respectively.

11. Subsequent Events

Subsequent events have been evaluated through September --, 2026, which is the date these financial statements were available to be issued. Management did not identify any events requiring disclosure in these financial statements.
