INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
AlloSource Employees' Retirement Plan
Centennial, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of AlloSource Employees' Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AlloSource's 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

(Continued)

Further, as described in Note 3 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these annuity and custodial accounts and the related investment income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on these supplemental schedules.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the AlloSource Employees' Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan available to all employees of AlloSource (the "Organization") who normally work 20 hours or more per week. Employees are eligible to make employee pretax and after-tax contributions upon hire and may receive employer contributions on the first day of the month following completion of one year of service (1,000 hours). The participating employers of the plan include AlloSource and Essent Biologics, LLC (collectively, the "Company" or "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Transamerica Retirement Solutions (Transamerica) is the recordkeeper, and State Street Bank and Trust Company is the custodian for the Plan.

Contributions: The Plan provides for employee salary deferral and after-tax contributions up to a maximum of 100 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. Eligible participants are automatically enrolled to participate in the Plan at a deferral rate equal to 6 percent of eligible annual compensation through the first year, which then increases annually on the automatic deferral anniversary date by 2 percent per year to a maximum of 14 percent, as specified in the plan document, unless they elect not to participate or have specified a different deferral percentage. Participants may change their elective deferral contributions at any time.

The Organization may make discretionary matching contributions in an amount, if any, to be determined each plan year. During the Plan year ended December 31, 2025, the Organization made matching contributions of 50 percent of the employee's elected deferral rate up to 6 percent. Employer matching contributions of approximately $989,900 were made for the year ended December 31, 2025.

In addition, the Organization can make additional discretionary matching contributions, as approved by the Organization's board of directors, that are allocated to participants based on a pro rata allocation. There was no additional discretionary contribution declared for the 2025 Plan year.

Vesting: Participants' contributions and the employer discretionary match contribution and related earnings are fully vested at all times and are not subject to forfeitures for any reason.

The organization's additional discretionary contributions, if any, vest according to the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures: If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan. $2,775 and $2,383 of forfeitures were available as of December 31, 2025 and 2024, respectively, to reduce future company contributions or to pay administrative expenses of the Plan.

(Continued)

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of the Organization's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Participant Note Receivable: Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balances. The repayment period is limited to 5 years, except for notes used for the purchase of a principal residence, in which case the repayment period may not exceed 10 years. The notes receivable are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.5 percent, which are commensurate with local prevailing rates determined periodically by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions with maturity dates through February 2035.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or various installment annuities. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If a participant's vested account balance is less than $1,000 at the time of termination, a lump-sum payment of cash will be made automatically. If the participant's account balance exceeds $1,000 but is less than $5,000 and the participant did not make a specific election, the distribution will be automatically rolled over into an individual retirement annuity.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship as defined in the plan document.

Plan Termination: While it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. The interest-bearing cash is valued at fair value based on the outstanding balance. Purchases and sales of securities are recorded on a trade-date basis. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer liability (exit price) in an orderly transaction between market participants on the measurement date of the Plan's principal or most advantageous market for the asset or liability. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable: Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Payment of Benefits: Benefits are recorded when paid.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity, credit, and global events. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – EXCLUDED INVESTMENTS

The Plan has excluded from investments in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024 certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025. The amount of these excluded annuity and custodial accounts and related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

NOTE 4 – CERTIFIED INVESTMENTS

State Street Bank and Trust Company ("State Street" or "Custodian") holds the Plan's investments and executes all investment transactions. The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Custodian.

The Plan has excluded certain assets from the statements of net assets available for benefits at December 31, 2025 and 2024 (see Note 3).

Certain information related to investments and notes receivable disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments. There were no changes in the methodologies used at December 31, 2025 and 2024.

Interest bearing cash, money market fund: The fair value of the money market fund investment is based upon the closing net asset value per share of the fund on the day of the valuation as reflected on a national securities exchange (Level 1 inputs).

Mutual funds: The fair values of mutual fund investments are based upon the closing net asset value per share of the mutual fund on the day of the valuation as reflected on a national securities exchange (Level 1 inputs).

Self-directed brokerage accounts: The self-directed brokerage accounts consist of mutual funds. The fair values of mutual fund investments are based upon the closing net asset value per share of the mutual fund on the day of the valuation as reflected on a national securities exchange (Level 1 inputs).

The Plan's investments as of December 31, 2025, and 2024 that are measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements at December 31, 2025			
	Total	Level 1	Level 2	Level 3

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. During 2025 and 2024, all the Plan's investments are managed or issued by State Street and Transamerica. Therefore, the Plan's payment of fees to Transamerica and State Street qualifies as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Plan. No such officer or employee receives compensation from the Plan. Notes receivable from participant reflect party-in-interest transactions. Some professional fees for the administration and audit of the Plan are paid directly by the Plan. Certain advisory and investment management fees paid by the plan to IMA Wealth qualify as party-in-interest transactions.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2017 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the Department of Labor or Internal Revenue Service; however, there are currently no audits for any tax periods in progress.

NOTE 8 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through September 23, 2026, which is the date the financial statements were available to be issued. There are no significant events subsequent to December 31, 2025, that require disclosure.
