INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Triton Management Services, LLC 401(k) Plan
Carlsbad, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Triton Management Services, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (an ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Triton Management Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Triton Management Services, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Triton Management Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Triton Management Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Triton Management Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule (Schedule H, Part IV, Line 4(i) as of December 31, 2025) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented fairly, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF PLAN

The Triton Management Services, LLC 401(k) Plan (the "Plan") became effective on January 1, 1994 and is a defined contribution plan sponsored by Triton Management Services, LLC ("TMS"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

As of December 31, 2024 and from January 1, 2024 to May 15, 2025, Reliance Trust Company and The Standard Insurance Company ("Standard") served as the Plan's custodian and recordkeeper, respectively. Effective May 15, 2025, the Plan engaged Fidelity Management Trust Company as its trustee/custodian and Fidelity Workplace Services LLC (together, "Fidelity") as its recordkeeper. In connection with the transition to Fidelity, the Plan was restated under a pre-approved defined contribution plan designed by Fidelity. The Plan's assets were transferred from Reliance Trust Company to Fidelity in May 2025.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan covers all eligible employees of TMS as well as the following related adopting employers: Two Jinn, Inc., California Surety Investigations, LLC, Northwest Surety Investigations, LLC, Washington Fugitive Investigations, LLC, Aladdin Bail NV, Inc., Aladdin Bail Bonds Utah, LLC, Aladdin Bail Bonds New Mexico, LLC, Aladdin Bail Bonds South Carolina, LLC, and Triton General Insurance Agency, LLC. TMS and the other related adopting employers are referred to herein as the Company.

Effective May 15, 2025, Aladdin Bail Bonds New Mexico, LLC and Triton General Insurance Agency, LLC were formally removed as participating employers as these entities were dissolved during 2024.

Eligibility

Employees are generally eligible to participate in the Plan provided they are not one of the following classes of employees: (i) residents of Puerto Rico, (ii) their employment is subject to a collective bargaining agreement, or (iii) nonresident aliens who have no earned income from sources within the United States.

Prior to May 15, 2025, non-excluded classes of employees were eligible to participate in the Plan for purposes of deferral contributions as soon as administratively possible after their date of hire. To qualify for discretionary matching and profit-sharing contributions, an employee must also be 21 years of age and have completed one year of eligibility service, defined as having completed 1,000 hours of service during the one-year period beginning on an employee's date of hire. In addition, to be eligible to share in any discretionary profit-sharing contribution, an employee must be employed on the last day of the Plan year. Effective, May 15, 2025, employees are required to be 21 years of age for purposes of all of the aforementioned contribution types. The other eligibility requirements were unchanged.

Participant Contributions

Participants may elect to contribute any percentage of their eligible earnings on a pre-tax basis as allowed by the Internal Revenue Code ("IRC"). In addition, employees who are age 50 or older can elect to defer additional amounts (called "catch-up contributions") to the Plan up to the maximum allowed by the IRC. Participants may also contribute amounts representing rollover distributions from other qualified sources. The Plan also permits Roth elective deferrals and in-Plan Roth conversions.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Employer Contributions

During 2025, the discretionary matching contribution (determined and remitted per payroll period) was equal to 100% of a participant's elective deferral, up to 4% of a participant's compensation during the applicable payroll period. No discretionary profit-sharing contributions were made for 2025.

Participant Accounts

Participant accounts are credited with the participant's contribution, any employer contributions, and allocations of Plan earnings or losses, and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Individual participant accounts are also charged for any loan and distribution fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts is based on years of credited service. A participant vests 20% for each year of credited service, beginning at the end of the second year, and is 100% vested after six years of credited service. Participants are credited with a year of service upon reaching 1,000 hours, as defined, in a Plan year.

Forfeitures

Forfeitures may be used to reduce employer contributions or pay administrative expenses. As of December 31, 2025 and 2024, forfeitures of $2,794 and $3, respectively, were available for future use. During 2025, participant forfeitures and earnings of $150,812 and $780, respectively, were added to the account. Also during 2025, forfeitures of $148,801 were used to pay Plan expenses and reduce employer matching contributions.

Notes Receivable from Participants (Participant Loans)

Participants may borrow against their accounts a minimum of $1,000 up to a maximum generally equal to the lesser of $50,000 or 50% of their vested interests in their account balances. Under certain circumstances, participants may have up to two such loans outstanding at a time. Loans are required to be repaid within five years unless the loan is for the purchase of a principal residence of the participant, in which case the repayment period may extend up to ten years. Loans are secured by up to half of the participant's vested account balance. The loans bear interest at fixed rates determined by the Plan administrator at the time of loan application at rates similar to those charged by commercial lending institutions. As of December 31, 2025, the interest rate on outstanding notes receivable from participants ranged from 3.25% to 8.50%. Principal and interest are paid regularly through payroll deductions.

Payment of Benefits

Upon termination of service, retirement, death, disability, or attaining age 59½, a participant whose account balance is $7,000 or more may generally elect to receive a lump sum amount equal to the value of his or her vested account balance, or to leave such funds on deposit in the Plan.

Beginning in 2023, the SECURE 2.0 Act of 2022 (the "SECURE Act 2.0") (Note (9), raised the age a participant must begin taking distributions to 73. If a participant reached the age of 72 during 2023, the participant may defer receiving distributions until April 1, 2025, the latest date that a required minimum distribution may be taken for 2024.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)

Upon a participant's termination of employment, if the participant's vested account balance is between $1,000 and $7,000, and if the participant has not elected to receive a cash distribution or have his or her balance rolled over into in individual retirement account, the Plan may transfer the participant's account balance into an individual retirement account at the discretion of the Plan administrator. The Plan administrator, also at its discretion, may elect to distribute vested balances of less than $1,000.

Investment Options

In accordance with Plan provisions, participants may direct employee and employer contributions to any of the Plan's investment options.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Valuation of Investments and Recognition of Income and Loss

Investments are reported at fair value, except for the investment in the insurance company unallocated contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The insurance company unallocated contract is a fully benefit-responsive investment contract which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for further discussion of the insurance company unallocated contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation or depreciation in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain of the Plan's administrative expenses, such as custodian, accounting, and legal expenses, are paid by the Company. Other fees, including recordkeeping and other administrative fees, are paid by the Plan, while certain distribution and loan fee expenses are paid by the transacting participants.

Income Tax Status

The Company adopted pre-approved defined contribution plans designed by Standard and Fidelity, which received favorable opinion letters, each dated June 30, 2020, in which the IRS stated that the plans, as then designed, were, in its opinion, in compliance with the applicable requirements of the IRC. Although the Plan has since been amended, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in process for any tax periods. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Plan management has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued.

NOTE 3. INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule (Schedule H, Part IV, Line 4i), including investments and notes receivable from participants held at December 31, 2025, investments held at December 31, 2024, and net appreciation in fair value of mutual funds, and common/collective trusts, dividends, and interest income from money market fund, insurance company unallocated contract, and notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company and Fidelity Management Trust Company, the custodians of the Plan.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs are unadjusted, quoted market prices in active markets for identical assets or liabilities at the measurement date.

Level 2 – Inputs are either directly or indirectly observable for the asset or liability through correlation with related market data at the measurement date and for the duration of the instrument's anticipated life.

Level 3 – Inputs are both unobservable and significant to the overall fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and the risk inherent in the inputs to the model.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2025 and 2024. The following describes the valuation methodologies used for investment measured at fair value at December 31, 2025 and 2024:

Mutual Funds and Money Market Fund: Valued at the daily closing price reported by the fund. Mutual funds, including the money market account, held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: Valued at the net asset value of units of the respective collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer may reserve the right to require a notification period in order to ensure that securities liquidations will be carried out in an orderly business manner. As of and during the years ended December 31, 2025 and 2024, the Plan offered several common/collective trusts as investment options available to participants. These common/collective trusts are separate funds that invest in separate investment companies.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. In addition, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 855	$ -	$ -	$ 855
Mutual funds	28,915,912	-	-	28,915,912
Total investments in the fair value hierarchy	$ 28,916,767	$ -	$ -	28,916,767
Common/collective trusts measured at net asset value [(a)]				18,886,026
Total investments at fair value				$ 47,802,793

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 26,419,346	$ -	$ -	$ 26,419,346
Total investments in the fair value hierarchy	$ 26,419,346	$ -	$ -	26,419,346
Common/collective trusts measured at net asset value [(a)]				15,136,195
Total investments at fair value				$ 41,555,541

[(a)] Certain investments (common/collective trusts) that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts of the common/collective trusts presented in these tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value presented in the statements of net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024:

Except for the Small Cap Value II fund, a redemption notice of five business days is applicable for plan sponsor directed withdrawals which will exceed $1,000,000. For the Small Cap Value II fund, a redemption notice of five business days is applicable for plan sponsor directed withdrawals which will exceed $1,000,000 or 10% of the assets invested in the fund. With respect to the above investments, there are no participant redemption restrictions and no unfunded commitments.

NOTE 5. GROUP ANNUITY CONTRACT WITH STANDARD INSURANCE COMPANY

The Plan has maintained group annuity contracts with Standard: the Standard Stable Asset Fund A (prior to May 15, 2025), and the Standard Stable Asset Fund II (effective May 15, 2025). Under each contract, Standard maintains the contributions in an unallocated general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals, contract fees, and other administrative expenses. The contract issuer is contractually obligated to repay the principal and any credited interest.

The Plan owns a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time as outlined in the group annuity contract. Neither the Standard Stable Asset Fund A or the Standard Stable Asset Fund II is considered a guaranteed investment contract, as neither has a maturity date or penalty for early withdrawal and there are not any known cash flows that could be discounted; however, there is a stated minimum interest rate (floor) of 1.00%. Crediting rates for the contract are declared in advance and are reset quarterly using a process similar to that used by banks or other insurance companies for similar products. The crediting rate is based on the interest rate forecast for the investments underlying the account and considers yield forecasts from Standard's internal asset advisory group, the margins required for its business, and requires the approval of Standard management. Past crediting rates are not indicative of future rates.

NOTE 5. GROUP ANNUITY CONTRACT WITH STANDARD INSURANCE COMPANY (Continued)

Certain events may limit the availability of the Plan to transact at contract value with Standard. Such events include termination of the contract, spinoffs, divestitures, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Additionally, the Plan sponsor may terminate the contract at any time with 30 days advance written notice. Standard may terminate the contract with 30 days advance notice for reasonable cause including failure of the Company to abide by state and federal law. Standard has determined that it is probable that no events will occur that could limit the ability of the Plan to transact at contract value paid or that allow the issuer to terminate the contract at an amount different than contract value.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides administrative services for the Plan at no cost to the Plan and certain costs of the Plan's operating expenses are paid by the Company. In addition, certain Plan investments are managed by an affiliate of the recordkeepers of the Plans, Standard and Fidelity. These transactions qualify as exempt party-in-interest transactions.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying financial statements.

NOTE 9. SECURE ACT 2.0

On December 29, 2022, the SECURE Act 2.0 became law. The purpose of the legislation is to expand access to retirement plans and to help working Americans increase their retirement savings. The SECURE Act 2.0 includes various required and optional provisions that will become effective through 2033, certain of which are described below.

- Beginning January 1, 2025, a participant from the ages 60 to 63 can elect catch-up contributions up to the limit of the greater of $10,000 or 150% of the catch-up contribution limit imposed by the IRS.
- Beginning January 1, 2025, long-term part-time workers (defined as employees who have worked for two consecutive 12 month periods during each of which they have at least 500 hours of service) will become eligible to enroll in their employer's retirement plan after two years.

NOTE 9. SECURE ACT 2.0 (Continued)

- Beginning January 1, 2026, catch-up contributions will be made on a Roth basis, unless the participant earns $150,000 or less.
- Beginning in 2033, the age for required minimum distributions will increase from age 73 to 75.

Plan management has not yet determined which of the optional provisions, if any, the Plan will implement. Plan management expects to formally amend the Plan by December 31, 2026.
