THE RAND CORPORATION
403(b) SAVINGS PLAN

FINANCIAL STATEMENTS

YEARS ENDED
DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

To the Trustees of
The RAND Corporation 403(b) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of The RAND Corporation 403(b) Savings Plan, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA
The supplementary Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The RAND Corporation (the Company) 403(b) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan documents, including the Summary Plan Description, for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined contribution 403(b) plan which covers all employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan became effective on February 1, 1970, and was most recently amended effective January 1, 2026 to remove the $1,000 minimum threshold for automatic rollover of terminated participant balances, as well as increase the forceout threshold from $5,000 to $7,000a.

(b) CONTRIBUTIONS

All employees are immediately eligible to participate in and contribute to the Plan. A participant may elect to contribute a percentage of base pay up to their annual compensation, subject to IRS limitations not to exceed $23,500 for the year ended December 31, 2025. Participants who have attained the age of 50 by the Plan year end may also make catch up contributions of $7,500 during the year ended December 31, 2025. There is no employer contribution. Effective May 19, 2025, the Plan includes an auto-enrollment provision whereby upon eligibility, an employee will be automatically enrolled in the Plan at 5% of eligible compensation unless a formal election is made to waive enrollment. Automatically enrolled participants' deferral percentages will be automatically increased 1% annually up to a maximum of 10%.

(c) NOTES RECEIVABLE FROM PARTICIPANTS

Effective March 15, 2023, participants may borrow up to 50% of their vested account balance subject to a minimum amount of $1,000 and a maximum of $50,000. No more than two loans are to be outstanding at any one time—one general purpose and one for the purchase of a principal residence. Notes receivable from participants bear interest at a rate which is comparable to commercial lending institutions. Interest rates on outstanding notes receivable from participants at December 31, 2025, ranged from 7.75% to 9.50%. Notes receivable from participants are secured by the participant's vested interest in the Plan. Principal and interest are paid through payroll deductions. receivable terms range from one to five years, or longer for the purchase of a primary residence.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(d) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and an allocation of the Plan earnings/(losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The Plan has a revenue credit account with Teachers Insurance and Annuity Association held under the terms of the Plan and funded with excess revenue generated by the Plan.

Any amount remaining in the revenue credit account at year end is allocated to the Plan participants' accounts as Plan Servicing Credits, prorated according to the balance of each participant's account with Teachers Insurance and Annuity Association.

(e) VESTING

Participants are immediately vested in their voluntary contributions plus earnings thereon.

(f) PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive a single lump-sum payment of the value of his or her account, equal installments or an annuity for a period not exceeding life expectancy. Benefits are recorded when paid. There were no benefit claims for participants separated from service that have not yet been paid as of December 31, 2025.

(g) ADMINISTRATIVE EXPENSES

The Plan incurs fees and administrative costs which are assessed by a third party administrator. The Company incurs certain expenses in administering the Plan which are not passed on as expenses of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reported period. Actual results could differ from those estimates.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds, annuities and investment contracts. Investment instruments, in general are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Contract value is the price at which plan participants would transact in the contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5, respectively, for discussion of fair value measurements and contract value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The loan interest rate is determined by the plan administrator based on prevailing rates, as defined by the Plan. Principal and interest are paid ratably through payroll deductions. Loans are secured by the balance in the participant’s account. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 2, 2026 the date the financial statements were available to be issued. There were no items that would have a material impact to the financial statements as otherwise disclosed in these financial statements.

NOTE 3 - INVESTMENTS

Participants may elect that contributions be made in mutual funds held by Vanguard Fiduciary Trust Company (Vanguard). The plan also holds non selectable investments in annuity funds held by American General Life Insurance Company (American General) and College Retirement Equities Funds (CREF), Teachers Insurance and Annuity Association (TIAA) Traditional Annuity, or TIAA Real Estate Fund.

Plan funds are credited (debited) with actual earnings (losses) on the underlying investments and charged for Plan withdrawals and administration fees by Vanguard, CREF and TIAA. The Plan's funds in the financial statements are the fair values as reported to the Plan by Vanguard, CREF and TIAA. Net appreciation/depreciation in fair value of investments includes realized and unrealized gains or losses. Participants may change their investment options on a daily basis.

The following were certified as to being complete and accurate by Vanguard, TIAA, CREF and American General as of and for the years ended December 31, 2025 and 2024, respectively:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income, interest income on notes receivable from participants and net appreciation in fair value of investments as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Supplemental schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplemental schedule of assets (held at end of year).

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopted a fair value measurement accounting standard for those assets that are re- measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

Under the guidance, fair value is defined as the price that would be received to sell an asset (or paid to transfer a liability), or the "exit price". The fair value hierarchy prioritizes the inputs to valuation techniques used to measured fair value into levels:

Level 1 - Quoted prices for identical instruments in active markets.

Level 2 - Quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or other inputs that are observable or whose significant value drivers are observable

Level 3 - Significant inputs are supported by little or no market activity and are thus unobservable.

Investments for which fair value is measured using the Net Asset Value (NAV) per share (or its equivalent) as a practical expedient shall not be categorized using the aforementioned levels. These investments will be classified in a separate NAV category.

As required by the guidance, financial assets and liabilities are classified in their entirely based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of particular inputs to the fair value measurement requires judgment and may affect the selection of the hierarchy level and the valuation itself. The Plan's own creditworthiness has been considered in the fair value measurements contained herein.

The Plan's portfolio of investments consists of mutual funds, a real estate fund, and annuities that are guaranteed investment contracts. Quoted market prices are used to determine the fair value for mutual funds and real estate fund when available. Mutual funds are considered to be Level 1, while the real estate fund is considered Level 2. Annuity investments are not actively traded, and identical or similar

Instruments are difficult to identify as underlying investment components may not be publicly available, therefore are considered Level 3.

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2025 and 2024, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

2025	Level 1	Level 2	Level 3	Total

TOTAL INVESTMENTS AT FAIR VALUE	$ 614,867,095	$ 3,083,198	$ 19,331,161	$ 637,281,454

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

2024	Level 1	Level 2	Level 3	Total
Vanguard:				
Mutual Funds	$ 403,723,669	$ -	$ -	$ 403,723,669

TOTAL INVESTMENTS AT FAIR VALUE	$ 536,418,191	$ 3,281,889	$20,294,082	$ 559,994,162

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following table presents the Plan's Level 3 investments, the non-benefit-responsive (NBR) portion of TIAA Traditional Annuity, the valuation techniques used to measure the fair value of those investments and the significant unobservable inputs and ranges of values for those inputs at December 31:

Type		Fair Value	Valuation Technique	Significant Unobservable Inputs	Range
2025:					
TIAA Traditional Annuity	$	19,331,161	Discounted Cash Flow Theoretical Transfer (Exit Value)	Risk - Adjusted Discount Rate Applied	RA - 3.55% to 6.50%
2024:					
TIAA Traditional Annuity	$	20,294,082	Discounted Cash Flow Theoretical Transfer (Exit Value)	Risk - Adjusted Discount Rate Applied	RA - 3.65% - 6.50%

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2025.

		TIAA Traditional Annuity
Fair Value at December 31, 2024	$	20,294,082
Realized Gains		664,580
Unrealized Losses		(46,830)
Interest Income		236,170
Purchases		1,684,947
Sales		(3,501,788)
Fair Value At December 31, 2025	$	19,331,161

NOTE 5 - INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan participated in a guaranteed investment contracts (GIC's) with TIAA-CREF and New York Life Insurance Company (NYL) during the years ended December 31, 2025 and 2024. TIAA-CREF maintains the contributions in the TIAA Traditional Annuity Account (TIAA Traditional). NYL maintains the contributions in the NYL Guaranteed Interest Account.

TIAA Traditional Annuity is an unallocated fixed-annuity contract that is fully and unconditionally guaranteed by TIAA. TIAA Traditional provides a guarantee of principal, a guaranteed minimum of 3% interest, and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future years. Contributions to a participant's account purchases a guaranteed amount of lifetime annuity income. When a participant's account in the TIAA Traditional is annuitized based on available options, the present value of the stream of payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the plan and does not represent an obligation of the Plan. A portion of the Plan's TIAA Traditional balance is fully benefit-responsive.

The NYL Guaranteed Interest Account is a general account annuity contract, with guaranteed principal and accumulated interest by NYL, subject to the terms of the contract. Participants may deposit and withdraw funds from the contract on a daily basis at contract value. The contract provides a guaranteed minimum of 1% interest.

Certain events limit the ability of the Plan to transact at contract value with the issuers. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring. The guaranteed investment contracts do not permit the insurance companies to terminate the agreements prior to the scheduled maturity date.

NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Vanguard, TIAA, CREF and American General. They are considered custodians as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 7 - TAX STATUS

The Plan has received a determination letter as of February 1, 2018, in which the Internal Revenue Service stated that the Plan followed the applicable requirements of the Internal Revenue Code. No provisions for income taxes have been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.
