INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
PMI Resource, LLC Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PMI Resource, LLC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PMI Resource, LLC Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PMI Resource, LLC Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PMI Resource, LLC Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PMI Resource, LLC Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PMI RESOURCE, LLC RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the PMI Resource, LLC Retirement Plan (the "Plan"), provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

The Plan was established on January 1, 1998, as a multiple employer defined contribution plan covering eligible employees of PMI Resource, LLC (the "Sponsor" or the "Sponsoring Employer") and Adopting Employers. Employees are eligible to participate in the Plan based on elections made by the Adopting Employers ("Participating Employers"). The Sponsor is a Professional Employer Organization and provides payroll processing and human resources services to its clients. Each client of the Sponsor has the option of adopting this Plan for the benefit of its employees. An Adopting Employer establishes its eligibility requirements related to age and length of service for its employees in accordance with the Plan document and the Internal Revenue Code ("IRC"). An Adopting Employer may elect to waive or change the service eligibility requirement for individuals who are performing services for the Adopting Employer as of the date the Plan is adopted. The provisions of the Plan, as applicable to the Adopting Employer and its employees, are based on the selections of the Adopting Employer with respect to the variable features provided by the Plan document and the Adoption Agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Administrator is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

The Plan contracts with Equitable Life Insurance Company (the "Custodian") which holds the Plan's investments and executes investment transactions of the Plan.

CONTRIBUTIONS

Each year, participants may contribute an amount of annual compensation as elected by their Adopting Employer, subject to Internal Revenue Service ("IRS") limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Roth 401(k) deferrals are allowed under the Plan, if elected by Adopting Employers.

Each Adopting Employer elects the level of safe harbor, matching and/or profit-sharing contributions. There were no profit-sharing contributions during the year ended December 31, 2025. Adopting Employer contributions, if any, are recorded in the year for which the contributions apply. Adopting Employer contributions are invested in funds in accordance with the participant's direction and the Plan's provisions.

Contributions are subject to certain IRS limitations.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, and an allocation of: (a) their Adopting Employer contributions, if any, and (b) Plan earnings or losses. Participants are charged with his or her withdrawals and an allocation of Plan administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

VESTING

Participants are immediately vested in their individual voluntary contributions, plus actual earnings or losses thereon, and their Adopting Employer's safe harbor contributions, if any, plus actual earnings or losses thereon. Vesting in the remainder of the accounts is based on years of continuous service, based on elections made in the Adopting Employer's Adoption Agreement. Vesting schedules vary based on the Adopting Employer's elections. Participants become fully vested upon reaching normal retirement age of sixty-five (65), death, becoming disabled, or termination of the Plan.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow amounts from the Plan subject to the provisions of the Plan. The notes are secured by the balance in the participant's account and bear interest at 2% above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive their vested benefit either in a lump sum payment or as a partial withdrawal. Further, participants may elect to receive said benefit either in cash or as a direct rollover to a qualified IRA or another tax-qualified plan. A participant may, while still employed by the Company, withdraw all or any part of the vested interest in their account, subject to the restrictions defined in the Plan document.

ADMINISTRATIVE EXPENSES

The Plan allows certain administrative expenses to be paid from Plan investment assets. Certain administrative expenses are paid by the Principal Employer and Adopting Employers and are not reflected in these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

FORFEITURED ACCOUNTS

Under the provisions of the Plan, a participant who terminates employment before becoming vested in the employer's contributions forfeits these amounts. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $3,990 and $21,726, respectively. Forfeitures may be used to pay plan expenses and reduce employer contributions. During the plan year ending December 31, 2025, the Plan received $4,449 in new forfeitures, as well as $253 in investment income on forfeiture accounts, and used $22,438.

PLAN ADMINISTRATION

The Sponsoring Employer is tasked with managing the Plan on behalf of the other Adopting Employers. The Plan Administrator is an employee of the Sponsoring Employer. The Plan Administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance. Certain administrative duties, such as Form 5500 preparation and compliance testing, were performed by Equitable Life Insurance Company, the Custodian.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

CONTRIBUTIONS

Contributions from Plan participants are recorded in the year in which participants compensation is earned.

PAYMENT OF BENEFITS

Benefit payments are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Guaranteed interest option:

The fair value of the guaranteed interest option is reported to the Plan by Equitable Life Insurance Company and represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

Pooled separate accounts:

The fair value of pooled separate accounts is based on their net asset value ("NAV"). The separate accounts are valued daily as the number of accumulation units held multiplied by the NAV. The NAV is established when a new fund starts and is determined daily based on the NAV of shares of the underlying fund. The pooled separate accounts are invested in open-ended mutual funds that are deemed to be openly traded.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024, respectively.

	Fair Value Measurements at December 31, 2025			
	Total	Quoted Prices in Active Markets for Identical Assets Level (1)	Significant Other Observable Inputs Level (2)	Significant Other Unobservable Inputs Level (3)

NOTE 4 - INFORMATION CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2025, was obtained from data that has been prepared and certified as complete and accurate by Equitable Life Insurance Company, the Custodian.

	2025	2024
Investments at fair value:		
Insurance company general accounts	$ 33,335	$ 58,174
Pooled separate accounts	9,940,759	9,420,499
	$ 9,974,094	$ 9,478,673
Notes receivable from participants	$ 52,275	$ 101,904
Investment income (including interest on notes receivable from participants)	$ 1,383,071	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedules.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employers, participants, and certain others. Plan investments are managed by Equitable Life Insurance Company, the Custodian of the Plan, which qualify as party-in-interest transactions. Fees paid by the Plan totaled $98,654 for the year ended December 31, 2025.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan has adopted a volume submitter plan which received a favorable opinion letter from the Internal Revenue Service ("IRS") that the form of the Plan is acceptable under Section 401(a) of the IRC. The Plan had been amended and restated. However, the Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - DELINQUENT AND OUTSTANDING EMPLOYEE CONTRIBUTIONS AND LOAN REPAYMENTS

During the 2025 Plan year, participant contributions and loan repayments totaling $27,445 were not remitted to the Plan on a timely basis. Corrections were subsequently made following the IRS and Department of Labor guidelines in the following plan year.

NOTE 10 - PLAN TRANSFERS

Effective February 7, 2025, Tri-State Personnel, LLC withdrew as a Participating Employer and transferred the related participant account balances totaling $1,416,207 to another qualified retirement plan. The transfer is reflected in the Statement of Changes in Net Assets Available for Benefits.

Additionally, another Participating Employer transferred balances subsequent to year end. See Note 11 for additional details.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent to year end but before the financial statements were available to be issued, DSPC, LLC withdrew as a Participating Employer and transferred the related participant account balances totaling $3,844,590 to another qualified retirement plan.

The Plan has evaluated subsequent events through September 15, 2026, which is the date the financial statements were available to be issued.
