INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
DICK's Sporting Goods, Inc.
Smart Savings 401(k) Plan
Coraopolis, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DICK's Sporting Goods, Inc. Smart Savings 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
DICK's Sporting Goods, Inc.
Smart Savings 401(k) Plan
Coraopolis, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DICK's Sporting Goods, Inc. Smart Savings 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DICK'S SPORTING GOODS, INC.
SMART SAVINGS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

General—DICK'S Sporting Goods, Inc. Smart Savings 401(k) Plan (the "Plan") is a defined contribution plan available to all employees of DICK'S Sporting Goods, Inc. (the "Company"), meeting certain eligibility requirements. The Plan was adopted on July 1, 1980 and was most recently amended and restated on January 1, 2022 and elected a Safe Harbor 401(k) plan design. The Board of Directors of the Company has appointed the Retirement Savings Plan Committee to control and manage the operation and administration of the Plan. The assets of the Plan are held by Vanguard Fiduciary Trust Company ("Vanguard"), who is also the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The following is a brief description of the Plan and is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan.

Participant Requirements—Each full-time and part-time employee becomes eligible to participate in the Plan after 30 consecutive days of employment and attaining the age of 18.

Contributions—Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, (iii) other discretionary contributions made by the Company, and (iv) participant rollovers from another qualified plan. The Plan does not accept a rollover of after-tax contributions.

Eligible participants may elect to contribute 1%–75% of their pretax annual compensation, not to exceed the maximum contribution allowed by the Internal Revenue Code ("IRC"). Such contributions are excluded from the participant's taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of all contributions into various investment options offered by the Plan. Effective May 3, 2024, the Plan was amended to include a Roth feature, which enables participants to contribute to the Plan on an after-tax basis. The Roth feature follows similar provisions under the Plan, whereas participants may contribute a total of 1%–75% of their pre-tax annual compensation, using any combination of pre-tax and Roth contributions.

The Company's matching contributions under the Safe Harbor 401(k) plan design are made bi-weekly and are equal to 100% of each eligible participant's tax deferred or Roth elective deferrals, on a pre-tax basis, up to 4% of the participant's compensation plus 50% of the eligible participant's contributions for the next 2% of compensation.

Effective January 1, 2025, the Company implemented certain provisions of Setting Every Community Up for Retirement Enhancement 2.0 Act ("SECURE 2.0"), including both a "super" catch-up contribution limit for eligible participants who attained ages 60 to 63 before the end of the Plan Year, and an increase in the age applicable for required minimum distributions. The "super" catch-up contribution limit for participants ages 60 to 63 is $11,250 for the Plan year ended December 31, 2025.

Contributions are subject to certain IRC limitations.

Notes Receivable from Participants—Upon proper application, the Plan provides for loans to be made to participants. Except for temporary borrowing provisions permitted under the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, the total of any participant's outstanding loans will not exceed (a) $50,000 or (b) one-half of the vested balance of the participant's account. Additionally, no loan in an amount less than $1,000 will be made. Each loan will bear a fixed rate of interest based on the provision of the loan policy in the Plan document. Loans are repayable through payroll deductions over a specified period not in excess of five years, unless used to acquire a principal residence, in which case the period may be longer than five years. Loans are secured by the vested portion of the participant's accounts. The interest rate used for all loans is the prime rate, as published in The Wall Street Journal, on the first business day of the month in which the loan is initiated. As of December 31, 2025, participant loans have maturities through 2055 at interest rates ranging from 3.25% to 10.25%. Principal and interest is generally paid through payroll deductions.

Benefit Payments and Withdrawals—Upon a participant's severance from employment, including death or disability, the participant's vested account under the Plan shall be payable in cash in a single lump sum. The Plan permits in-service withdrawals by participants who have attained age 59 1/2, withdrawals of rollover contributions, hardship withdrawals, and disability withdrawals.

Vesting—All voluntary contributions by participants as well as all earnings on those contributions are fully vested when made. Effective January 1, 2022, the Company's matching contributions under the Safe Harbor 401(k) plan design vest immediately. Previously, the Company's discretionary matching contributions and any other discretionary contributions made by the Company vested 33% after one year of service and an additional 33% after two years of service until becoming fully vested after three years of service. Participants became fully vested upon reaching normal retirement age, as defined by the Plan, or in the event of death or disability.

Participant Accounts—Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and allocations of the Company's matching contributions, other discretionary contributions, and Plan earnings and charged with administrative expenses, withdrawals and an allocation of Plan losses. Participants will share proportionally in the earnings and losses of the investment fund(s) in which they have invested as of the date such earnings are either credited or accrued. The Company's other discretionary contributions, if any, are allocated annually based on the ratio of compensation, as defined in the Plan, of eligible participants to the total compensation of all eligible participants.

Investments—Participants direct the investment of their contributions into various investment options offered by the Plan and can change their investments at any time. If participants do not direct how contributions are invested, their contributions will be invested in the Vanguard Target Retirement Trust that corresponds most closely with the year they will turn age 65.

Forfeitures—Forfeitures may be used to decrease the Company's contributions to the Plan or pay administrative expenses of the Plan. During 2025 and 2024, the Company used forfeitures of $184,593 and $403,930, respectively, to decrease the Company's matching contribution to the Plan. As of December 31, 2025 and 2024, there were forfeitures, which primarily consist of uncashed distribution checks, totaling $395,444 and $391,767, respectively, included within the Plan assets.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates —The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases and decreases in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan provides investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility, including those due to pandemics and international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition—Participant accounts may be invested in various investment options offered by Vanguard. The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds are valued at NAV based on the market value of the underlying investment assets divided by the number of units outstanding at the end of the Plan year. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The Plan's investment in the trust may be redeemed daily. There are no other restrictions or unfunded commitments as of December 31, 2025 and 2024.

The stable value fund is a collective trust fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to confirm that securities liquidations will be carried out in an orderly business manner. There are no participant restrictions for this investment; the redemption notice period is applicable to the Plan only. There are no other restrictions or unfunded commitments as of December 31, 2025 and 2024.

There have been no changes in the valuation methodologies used during Plan years 2025 and 2024.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Net Appreciation or Depreciation in Fair Value of Investments—The Plan presents in the statements of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments that consist of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Other Expenses—Transaction fees are paid by the Plan, and all other administrative expenses incurred by the Plan are paid by the Company or by funds in the Plan's forfeiture account.

Payment of Benefits—Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan, but had not yet been paid at December 31, 2025 and 2024.

Legislation—In December 2022, SECURE 2.0 was passed into law. The provisions of SECURE 2.0 include additional increases to required minimum distributions ("RMD") age, changes to long-term and part-time eligibility, new annual funding notice requirements, increased catch-up limits for some participants, a mandatory Roth catch-up requirement for high-income participants, and other provisions. The United States Department of the Treasury and the Internal Revenue Service continue to issue guidance and regulations addressing provisions of SECURE 2.0. The deadline for amending plan documents has been extended to December 31, 2026, and as such, the Plan implemented certain provisions of SECURE 2.0 effective January 1, 2025.

3. FEDERAL INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by letter dated August 15, 2013, that the Plan and the trust were designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter. However, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and that the Plan and related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

4. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the Plan's information that was prepared by or derived from information prepared by Vanguard, the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Interest and dividends	$ 21,045,554	$ 15,783,280
Net appreciation in fair value	142,481,554	85,373,809
Interest income on notes receivable from participants	996,285	746,727

In addition, all investment balances and information included in the supplemental schedule of assets (held at end of year) and in Note 5, Fair Value Measurements, excluding the level of investments, was derived from information prepared by the trustee of the Plan and furnished to the Plan administrator. In addition, the certifications obtained by the Plan administrator from the trustee exclude unfunded commitments, redemption frequency and redemption notices.

5. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standard Codification (ASC) 820, *Fair Value Measurement*, outlines a valuation framework and creates a fair value hierarchy for assets and liabilities as follows:

Level 1—Observable inputs, such as quoted prices in active markets;

Level 2—Inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and

Level 3—Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Presented in the table below are assets measured at fair value on a recurring basis as of the following dates:

	December 31, 2025	December 31, 2024
Mutual funds—Level 1 investments	$ 377,642,306	$ 312,106,461
Common collective trust funds measured at NAV [1]	686,759,148	531,508,509
Stable value fund measured at NAV [1]	23,514,301	23,763,080
Total investments	$ 1,087,915,755	$ 867,378,050

[1] In accordance with ASC 820, certain investments that were measured using the NAV per unit (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions set forth under the ERISA. If the Plan is terminated, any affected participants' accounts shall be fully vested.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common collective trust funds managed by Vanguard. These transactions qualify as exempt party-in-interest transactions. Any fees for investment management services are included as a reduction of the return earned on each mutual fund, net of revenue sharing that is offered by certain mutual funds. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

8. SUBSEQUENT EVENTS

On September 8, 2025, the Company completed the acquisition of Foot Locker, Inc. and its subsidiaries, which sponsors a 401(k) plan for the benefit of its employees (the "Foot Locker Plan"). On July 22, 2026, the Retirement Savings Plan Committee approved the merger of the Foot Locker Plan, including all assets and participant loans, with and into the Company's existing Plan on January 1, 2027.

Additionally, on July 22, 2026, the Retirement Savings Plan Committee approved the merger of the Golf Galaxy GolfWorks, Inc. 401(k) plan, including all assets and participant loans, with and into the Company's existing Plan on January 1, 2027.

For the Plan year ended December 31, 2025, subsequent events were evaluated through September 18, 2026, the date the financial statements were available to be issued. Except as noted above, there were no material subsequent events that occurred that would require disclosure or recognition in these financial statements.
