INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
ABC Security Service, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of ABC Security Service, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ABC Security Service, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of ABC Security Service, Inc. Profit Sharing Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Security Service, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Security Service, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC Security Service, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

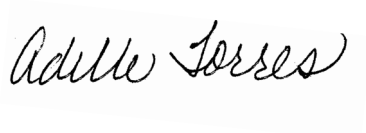

Other Matter-Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2025

Note 1. DESCRIPTION OF PLAN:

The following description of the ABC Security Service, Inc. (Company) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service (defined as twelve consecutive months and at least 1,000 hours). An employee must attain the age of 21 before entering the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). It was created on January 1, 1993 and has been amended various times since then. This note includes the provisions of the Plan as amended.

Contribution and allocation information:

Non-elective profit sharing contributions are discretionary and are set by the Company's board of directors. To receive an allocation of the profit sharing contribution in proportion to their compensation for the Plan year, an employee must work 1000 hours during the Plan year and be an employee on the last day of the Plan year. These year-end rules are waived if an employee terminates on or after reaching full retirement age (65) or early retirement age (55) with six years of service.

Participant accounts:

Each participant's account is credited with an allocation of (a) the Company's contribution and, (b) Plan earnings. The Plan also maintains historical participant pre-tax contribution accounts from prior years when such features were permitted. Allocations of earnings are based on participant earnings or annual compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant receives 20% vesting for each year of credited service and is 100% vested after five years if the first day of employment was on or before September 1, 1999. If the first day of employment was after September 1, 1999, a participant starts vesting after three years of service and receives 20% vesting for each year thereafter and is 100% vested after seven years. If the first day of employment was on or after April 1, 2010, a participant starts vesting after two years of service and is 100% vested after six years. While a participant is an employee, he or she will become 100% vested upon death, total and permanent disability or upon reaching normal retirement age. During 2010 participants were allowed to contribute to their accounts. The feature was terminated in 2011. However, participants are immediately vested in their historical contributions plus actual earnings thereon.

Payment of benefits:

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in either a lump-sum amount, substantially equal installments, or via partial withdrawals of $1,000 or more.

PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2025

Note 1. DESCRIPTION OF PLAN (Continued):

Plan expenses:

Plan expenses may be paid directly by the Company. Expenses for operating and maintaining the Plan that are not paid by the Company will first be paid from unallocated forfeitures available in the suspense account and then from individual participant accounts, except that any expenses attributable to a single sum benefit payment distribution fee (other than due to death, disability or retirement) are charged directly against that specific participant's individual account.

Forfeitures:

All forfeitures are deposited into a non-allocable suspense account and may be applied toward Plan expenses or allocated to participants when the discretionary profit-sharing contributions are allocated. Forfeitures reallocated to participants during the year ended December 31, 2025, totaled $2,319. The unallocated balance remaining in the forfeiture suspense account was $6,856 at December 31, 2025, and $2,319 at December 31, 2024.

Note 2. SUMMARY OF ACCOUNTING POLICIES:

Basis of accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Plan's stable value fund within its group annuity contract with Standard Insurance Company (SIC) is fully benefit responsive. Accordingly, the Statement of Net Assets Available for Benefits presents the insurance contract at contract value..

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits:

Benefit payments to participants are recorded when paid.

Note 3. GROUP ANNUITY CONTRACT AND PARTICIPANT DIRECTED INVESTMENTS (Unaudited):

Through March 31, 2010, the Plan was funded with a group annuity contract with Standard Insurance Company (SIC) at which time JP Morgan Chase became the Trustee of the Plan. On November 19, 2010, the Trustee of the Plan changed from JP Morgan Chase to Reliance Trust Company. On January 1, 2011, the Plan terminated the Trust Agreement with Reliance Trust Company as well as the Administrative Services Agreement with Automatic Data Processing. On the same date, the Plan adopted the Standard Retirement Services, Inc. Volume Submitter Profit Sharing Plan and entered into a group annuity contract with Standard Insurance Company (SIC). The assets were transferred to SIC on February 1, 2011. SIC maintains the contributions in pooled separate accounts (composed of mutual funds) and an independent stable value fund. The account is credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses charged by SIC. Investments are directed by the participants.

ABC SECURITY SERVICE, INC.
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2025

Note 3. GROUP ANNUITY CONTRACT AND PARTICIPANT DIRECTED INVESTMENTS (Unaudited) (Continued):

The December 31, 2025 and December 31, 2024 Statements of Net Assets Available for Benefits and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the accompanying notes to the financial statements were prepared from information certified by SIC to be complete and accurate in accordance with ERISA Section 103(a)(3)(C) (formerly 29 CFR 2520.103-8) of the Department of Labor's Rules and regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of $1,271,110 and $1,114,465 at December 31, 2025 and December 31, 2024 respectively and the related income and deductions for the year ended December 31, 2025.

The stable value fund within the separate account is fully benefit responsive and is appropriately valued at contract value which approximates fair value. Certain events may limit the ability of the plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. The plan administrator does not believe that the occurrence of any such value event is probable.

Note 4. TAX STATUS:

The Plan obtained its determination letter on March 2, 1995, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter and the Plan has adopted and relied on the prototype or volume submitter plans of various institutions over the years and has relied on the corresponding opinion letters from the Internal Revenue Service. On January 1, 2011, the Plan adopted the Standard Insurance Company Group Annuity Contract under a pre-approved profit sharing plan. The Plan is operating under the most recent opinion letter received by the pre-approved plan dated June 30, 2020. Since then the pre=approved plan document was amended to maintain compliance with subsequent legislative and regulatory changes. The plan administrator and the Plan's tax counsel state that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 5. PLAN TERMINATION:

Although it has <u>not</u> expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Note 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

Following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Form 5500:

	December 31, 2025	2024
Net assets available for benefits per the financial statements	$ 1,371,110	$ 1,214,465
Contributions receivable	(100,000)	(100,000)
Net assets available for benefits per Schedule H of Form 5500	$ 1,271,110	$ 1,114,465

Following is a reconciliation of the increase in net assets per the financial statements for the year ended December 31, 2025 to Form 5500:

Increase in net assets per the financial statements	$ 156,645
Change in contributions receivable	0
Net income per Schedule H of Form 5500	$ 156,645

Note 8. FAIR VALUE MEASUREMENTS:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and December 31, 2024:

	(Level 1)	(Level 2)	(Level 3)	Total
December 31, 2025				
Pooled separate account:				
Mutual funds	$ -	$ 1,212,155	$ -	$ 1,212,155
Total assets at fair value	$ -	$ 1,212,155	$ -	$ 1,212,155

ABC SECURITY SERVICE, INC.
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2025

. Note 8. FAIR VALUE MEASUREMENTS (Continued):

	(Level 1)	(Level 2)	(Level 3)	Total
December 31, 2024				
Pooled separate account:				
Mutual funds	$ -	$ 1,061,590	$ -	$ 1,061,590
Total assets at fair value	$ -	$ 1,061,590	$ -	$ 1,061,590

The underlying mutual funds of the Separate Account certified by SIC are traded daily on an active market although the Separate Account is not itself publicly traded. SIC buys and sells shares of mutual funds through its Separate Account. SIC then allocates portions of that fund to its retirement plan clients by establishing a unit value which incorporates changes in market value of the underlying mutual funds, reinvestment of all dividends and capital gains received from the fund company, any revenue sharing SIC expects to receive from the fund company and SIC's fee calculated on a daily basis and based on the total underlying assets of the Plan. As noted in the Summary of Significant Accounting Policies, the Stable Value Asset Fund II is measured and reported at contract value rather than fair value and is therefore excluded from the fair value hierarchy tables above. The Stable Asset Fund II is not actively traded and significant other observable inputs are not available. The contract value of the Stable Asset Fund II represents net deposits plus interest credited. Crediting rates are reset periodically and in advance and are guaranteed per the terms of the contract. The average crediting rate is .22% for 2025 and .60% for 2024.

Note 9. PARTY IN INTEREST TRANSACTIONS:

Certain plan investments are shares of mutual funds through separate pooled accounts managed by Standard Insurance Company (SIC). SIC is the custodian, as defined by the plan, and is considered a party in interest as defined by ERISA. The selection of these investment options was determined to be prudent and in the best interest of plan participants and beneficiaries, in accordance with ERISA.

The plan sponsor is also considered parties in interest due to their administration and oversight of the plan.

The transactions are conducted in the normal course of plan operations. No prohibited transactions were identified.

Subsequent events were evaluated through September 28, 2026, the date through which the financial statements were available to be issued
