Independent Auditor's Report

Plan Administrator and Those Charged with Governance
ESCH Group Management Inc. Welfare Benefit Plan
Springdale, Arkansas

Opinion

We have audited the financial statements of ESCH Group Management Inc. Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprises the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of ESCH Group Management Inc. Welfare Benefit Planas of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ESCH Group Management Inc. Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ESCH Group Management Inc. Welfare Benefit Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ESCH Group Management Inc. Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ESCH Group Management Inc. Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Notes to the Financial Statements

December 31, 2025 and 2024

1. **Summary of Significant Plan Provisions**

The following description of the ESCH Group Management Inc. Welfare Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan's provisions.

a. **General** – The Plan provides health benefits for the employees of ESCH Group Management Inc. (the "Company" or "Employer") and their covered dependents as well as any participating employers that with the Company is a controlled group member. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan is a self-insured Plan with all assets held in a Trust Fund in the Plan's name under the provisions of a voluntary employees' beneficiary association (VEBA).

b. **Eligibility** – Full-time employees, who are employed an average of at least 30 hours of service per week, are eligible to participate in the Plan after completing 60 days of service. Plan entry dates are the first day of the month following the date the eligibility requirements are met.

c. **Benefits** – The Plan provides self-insured medical and prescription drug benefits in a PPO Plan that allows a second option with a higher deductible. The claims are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangement. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

d. **Contributions** – In addition to deductibles and copayments, participants contribute specific amounts based on applicable monthly premiums for their respective medical benefit elections. The Company pays 70% of the costs of the medical benefit and pays the full cost of the stop loss reinsurance coverage.

e. **Stop loss reinsurance coverage** – The Plan entered into a stop loss reinsurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Notes to the Financial Statements

December 31, 2025 and 2024

2. **Summary of Significant Accounting Policies**

a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

b. **Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. **Payment of benefits** – Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. These payments are recorded as benefits claims paid in the accompanying statement of changes in net assets available for benefits.

Premiums paid by the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

d. **Stop loss** – Premiums for stop loss reinsurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. The stop loss reinsurance refunds of $151,438 were recorded for the year ended December 31, 2025. These reinsurance refunds are netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

e. **Refunds** – Refunds due from the Plan's pharmacy benefit and claims processor are recorded when earned. Refunds due as of the financial statement date are recorded as a receivable, with the offset being netted against claims paid. Pharmacy, stop loss, and claims rebates in the amount of $54,763 and $63,589 were recorded as rebates receivable at December 31, 2025 and 2024, respectively. Pharmacy and claims rebates totaling $97,813 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

3. **Cash**

The Plan's cash is held in the VEBA trust with a certain financial institution.

4. Claims Incurred but not Reported

Plan obligations at December 31, 2025 and 2024, for claims incurred but not yet reported are estimated by the Plan's third party claims processor based on claims data. The liability for these claims is estimated based on historical experience and payment reporting patterns available at the time of the estimate. The liability represents an estimate and is susceptible to change. At December 31, 2025 and 2024, the liability for employee benefits reported but not yet paid and benefits incurred but not yet reported is as follows:

	2025	2024
Benefits claims payable	$ 16,726	$ 12,220
Claims incurred but not yet reported	62,495	43,195
	$ 79,221	$ 55,415

The change in the liability for employee benefits reported but not yet paid and benefits incurred but not yet reported for the year ended December 31, 2025, is as follows:

Balance at beginning of the year	$ 55,415
Claims incurred	1,712,840
Claims paid	(1,689,034)
Balance at end of year	$ 79,221

5. Administrative Expenses

The Plan pays administrative expenses to a third-party claims administrator to process claims. These fees are reported on the statement of changes in net assets available for benefits as administrative expenses. These expenses are paid by the Company, and the Plan reimburses the Company monthly for these expenses.

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

6. Party-In-Interest Transactions

All of the Plan's providers qualify as party-in-interest transactions.

Notes to the Financial Statements

December 31, 2025 and 2024

7. Tax Status

The VEBA trust funding the medical benefits of the Plan received an exemption letter from the Internal Revenue Service dated March 22, 2021, stating that the trust is tax exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, because of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded for the year ended December 31, 2025, for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

8. Termination of the Plan

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits, discontinue its contributions required of participants, and to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

9. Risks and Uncertainties

The present value of benefit obligations is reported based on certain assumptions and estimates, which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term may be material to the financial statements.

At various times throughout the year, the Plan's cash deposits at financial institutions may exceed federally insured limits. The Company manages the risk by maintaining cash deposits in high quality financial institutions. The Plan had no uninsured balances as of December 31, 2025 and 2024.

10. **Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 123,764	$ 259,345
Benefit claims payable and claims incurred	(16,726)	(12,220)
Claims incurred but not yet reported	(62,495)	(43,195)
Net assets available for benefits per Form 5500	$ 44,543	$ 203,930

The following is a reconciliation of claims paid per the financial statements to the Form 5500 for the year ended December 31, 2025:

Claims paid per the financial statements	$ 1,439,783
Benefit claims payable	16,726
Claims incurred but not yet reported	62,495
Benefit claims payable for 2024	(12,220)
Claims incurred but not yet reported for 2024	(43,195)
Claims paid per the Form 5500	$ 1,463,589

Claims that have been processed and approved for payment at year end but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

11. **Subsequent Events**

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2025, statement of net assets available for benefits and determined there were no significant events to report through September 29, 2026, which is the date the Plan issued its financial statements.
