SINGAPORE AIRLINES 401(k) PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Singapore Airlines 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Singapore Airlines 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Singapore Airlines 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan that was established in 2009 by Singapore Airlines, Limited (the "Company") to provide retirement benefits for eligible employees of the Company. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Eligibility

All full-time United States employees of the Company are eligible for the Plan; the following are considered Excluded Employees and not eligible for the Plan:

- Union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining,
- certain nonresident aliens who have no earned income from sources within the United States,
- part-time, temporary, or seasonal employees,
- leased employees,
- reclassified employees,
- employees who are residents of Puerto Rico, and
- employees of Singapore Airlines Limited who: (i) are reassigned to a location within the United States from a location outside of the United States; and (ii) are not citizens or permanent residents of the United States when reassigned.

Employees become eligible for the plan after completing 60 days of service for employee deferral contributions and after completing 12 months of service for employer discretionary matching and nonelective contributions. There is no age requirement to be eligible.

Eligible employees with a hire date of March 1, 2019, and after who do not make an affirmative election to defer compensation to the Plan, including an election not to defer, are auto-enrolled in the Plan at a deferral rate of 4% as soon as the eligibility requirements are satisfied.

C. Participant Contributions

Participants may elect to defer up to 100% of their eligible compensation, up to the 2025 Code limit of $23,500. Participants age 50 through 59 and 64 or older may make additional catch-up contributions of up to $7,500 annually in 2025. Participants age 60 through 63 may make additional catch-up contributions of up to $11,250 annually in 2025 Roth contributions are not permitted.

All eligible participants receive an employer discretionary matching contribution in an amount equal to 100% of the first 4% of eligible compensation contributed to the Plan. The Company may also make a discretionary nonelective contribution for certain employees; no nonelective contributions were made for 2025.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

C. Participant Contributions (Continued)

Participants are allowed to make rollover contributions of amounts received from other tax qualified retirement plans, subject to approval of the plan administrator. Such contributions are deposited in the appropriate investment funds in accordance with the participant's investment directions.

D. Participant Accounts

Each participant's account is credited with his or her contributions, rollovers, and an allocation of Plan earnings or losses and expenses. Plan assets are invested based solely on instructions received from participants.

E. Vesting

Participants are immediately 100% vested in their accounts attributable to elective deferrals, rollovers and related earnings. Vesting in the Company's contribution portion is based on years of continuous service. A participant becomes 20% vested after two years of credited service, and vests in 20% increments annually each year thereafter; participants are 100% vested after six years of credited service.

F. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability, retirement or attainment of age 59½, a participant or beneficiary may choose to maintain his or her account in the Plan or receive benefits in a lump sum payment equal to the value of the participant's account balance. If a terminated participant's account balance is greater than $1,000 and no distribution election has been received from the participant or beneficiary of the account, the account may be rolled over to an individual retirement account at the direction of the plan administrator. If such account does not exceed $1,000, the balance may be paid in a lump sum distribution. Under limited circumstances, the plan administrator may approve hardship withdrawals. Benefits are recorded when paid.

G. Administrative Expenses

Fees and expenses are paid either by the Plan, the Company or directly as a reduction of the participant's account.

H. Forfeitures

Any portion of a participant's account that is not vested shall be forfeited upon distribution of the vested portion. Forfeitures shall be used to offset future Company contributions or Plan administrative expenses. In 2025, forfeitures totaled $8,434; as of December 31, 2025 and 2024, respectively, $1,650 and $568 were held in the Plan's forfeiture account. During 2025, $7,352 forfeitures were used to reduce Company contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

C. Risks and Uncertainties

The Plan holds a variety of investments that are exposed to various risks such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan are issued and managed by the custodians or their affiliates. Transactions related to these investments qualify as party-in-interest transactions under ERISA regulations, but such transactions are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 4 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2025 and 2024 and investment income for the year ended December 31, 2025 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians of the Plan.

NOTE 5 - INCOME TAX STATUS

The Company has adopted a Empower Trust Company prototype plan, which has received an opinion letter from the Internal Revenue Service stating that the form of the Plan is acceptable under the Code. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 13,419,880	$ -	$ -	$ 13,419,880

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 10,433,500	$ -	$ -	$ 10,433,500

Level 1 investments are mutual funds valued at quoted market prices.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

NOTE 8 - INVESTMENTS AT CONTRACT VALUE

The Plan's investment in Empower's Key Guaranteed Portfolio Fund comprises unallocated insurance contracts. Because the fund meets fully benefit-responsive investment contract criteria, it is reported at contract value. Contract value is the amount received by participants when they initiate permitted transactions under the terms of the Plan, and represents contributions made to the account plus earnings, less withdrawals and expenses. The crediting interest rate of the fund is based on a formula. The actual average yield earned by the Plan was 1.45% and 1.41% for years ended December 31, 2025 and 2024, respectively. Certain events might limit the ability of the Plan to transact at contract value including premature termination of Plan investments in the Guaranteed Portfolio Fund. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 9 - SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan was amended to allow Roth deferrals.

Management has evaluated subsequent events through July 24, 2026, the date on which these financial statements were available to be issued. Except as noted above, there were no material subsequent events that required recognition or additional disclosures in the financial statements.
