Board of Trustees
California State Firefighters'
Employee Welfare Benefits Corporation

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of California State Firefighter's Employee Welfare Benefits (the Corporation), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Corporation as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

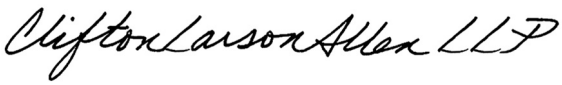

Board of Trustees
California State Firefighters'
Employee Welfare Benefits Corporation

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, line 4i–Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations or Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF THE CORPORATION

General

The California State Firefighter's Employee Welfare Benefits Corporation (the Corporation) was created for the purpose of establishing and maintaining various disability and life insurance programs for the benefit of members of the California State Firefighters' Association. The trustees procure the policies or other benefit contracts and have the right to remove or change the insurer or provider of benefits. The trustees are the owners of such policies and contracts. The insurance brokers are appointed by the trustees. The designated insurance broker is the administrator of the insurance program. The Corporation and its insurance programs are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

Benefits for disability, life and accidental death and dismemberment (AD&D) are provided through the following insured contracts:

- Long-Term Disability: Standard Insurance Company (Standard)
- Life and AD&D: New York Life Insurance Company (NYL) as of January 1, 2025 and ReliaStar Life Insurance Company, a member of the VOYA Family (VOYA) as of January 1, 2024

The LTD plan also includes a separate self-funded death benefit funded by the Corporation. This plan is paid only while the member is enrolled in the disability plan and the death benefit is not convertible or portable.

Participant Contributions

Premiums for the disability, life, and AD&D programs are payable by the members directly to the broker/administrator. Premiums for the various programs are determined by the insurance company actuaries and approved by the trustees.

Restricted Deposit with Insurance Company

The deposit account is composed of the Plan Stabilization Reserve (PSR) ($163,693 and $170,467 at December 31, 2025 and 2024, respectively), accumulated net gains of the policies, and dividends and interest on those amounts. The PSR was transferred from VOYA to NYL during 2025. The PSR agreement restricts the deposit to a minimum balance of at least $100,000 during the contract period and termination is subject to the Experience Refund Agreement. Excess funds above the $100,000 minimum balance are accessible only under the terms and procedures of the PSR agreement. The deposit account is subject to withdrawal by the Corporation, but the minimum deposit of $100,000 must be left in the account at all times.

NOTE 1 DESCRIPTION OF THE CORPORATION (CONTINUED)

SAFER Grant

On May 5, 2023, the Corporation was awarded the Staffing for Adequate Fire and Emergency Response (SAFER) grant funding of $1,909,120. The purpose of the SAFER Grant Program is to provide funding directly to fire departments and volunteer firefighter interest organizations to assist in increasing the number of firefighters to help communities meet industry minimum standards and attain 24-hour staffing to provide adequate fire protection from fire and fire-related hazards and to fulfill traditional missions of fire departments. During the years ended December 31, 2025 and 2024, the Corporation submitted and received $432,868 and $163,782, respectively, of SAFER grant funding. The expenditures of $438,340 presented as SAFER grant expenses in the 2025 statement of changes in net assets available for benefits is comprised of $433,021 of current year expenditures and $5,319 of prepaid insurance premiums expensed during the year ending December 31, 2025. The expenditures were presented as $419,674 in SAFER grant expenses in the statement of changes in net assets available for benefits and $255,319 of prepaid expenses on the statement of net assets available for benefits as of and for the year ending December 31, 2024.

On September 24, 2025, the Corporation was awarded the Staffing for Adequate Fire and Emergency Response (FF) Grant funding of $2,079,500 in Federal funding. There were no grant revenues and expenses received and submitted during the year ended December 31, 2025.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year. Investment custodial fees of $54,346 and $47,195 were paid during December 31, 2025 and 2024, respectively.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

For financial statement purposes, the Corporation considers all highly liquid assets with original maturities of three months or less to be cash equivalents. All cash accumulations are restricted for use in maintaining and improving existing group coverages, initiating new or improved coverages, maximizing benefits of members, and payment of all reasonable administration expenses.

The Corporation minimizes credit risk associated with cash by periodically evaluating the credit quality of its primary financial institution. The balance at times may exceed federally insured limits. The Corporation has not experienced any losses in such accounts, and management believes the Corporation is not exposed to any significant credit risk related to cash.

Premium Stabilization Reserve

The Corporation is required to maintain a premium stabilization reserve with an insurance company, which can be drawn against to reduce future premium payments when premiums paid to the insurance company exceed the total of claims paid and other charges. The premium stabilization reserve has been included as an asset of the Corporation until such amounts are used to pay premiums. The reserve is nonforfeitable should the insurance contract terminate.

Administrative Expenses

The Corporation pays administrative expenses that consist primarily of administrative fees paid to third-party administrators, professional fees and other miscellaneous expenses. These expenses are reported on the statements of changes in net assets available for benefits as Administrative Expenses.

Subsequent Events

Subsequent events have been evaluated through September 22, 2026, the date on which the financial statements were available to be issued.

NOTE 3 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Corporation has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets.

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been changes in the valuation methodologies used at December 31, 2025 and 2024.

Interest-Bearing Cash: Valued at cost, which approximates fair value.

Fixed Income: Valued at the closing price reported on the active market on which the individual securities are traded.

Exchange-Traded Funds: Valued at the closing price as reported by the fund. Exchange traded funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The exchange-traded funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Corporation's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	$ 71,532	$ -	$ -	$ 71,532
Exchange-Traded Funds	4,837,928	-	-	4,837,928
Fixed Income	679,675	-	-	679,675
Total Investments at Fair Value	$ 5,589,135	$ -	$ -	$ 5,589,135

	2024			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	$ 248,314	$ -	$ -	$ 248,314
Exchange-Traded Funds	4,381,210	-	-	4,381,210
Fixed Income	791,297	-	-	791,297
Total Investments at Fair Value	$ 5,420,821	$ -	$ -	$ 5,420,821

NOTE 4 TAX STATUS AND INCOME TAXES

Tax Status

The Corporation is a California nonprofit mutual benefit corporation and is exempt from federal and California income taxes under Internal Revenue Code (IRC) section 501(c)(9) and 23701i of the California Revenue and Taxation Code as a Voluntary Employee's Beneficiary Association (VEBA). The Corporation obtained its latest determination letter on August 20, 1992, in which the Internal Revenue Service (IRS) stated the Corporation was in compliance with applicable requirements of the IRC. The Corporation has been amended since receiving the determination letter. However, the Corporation's administrator and the Corporation's tax counsel believe that it is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Corporation's administrator to evaluate tax positions taken by the Corporation and recognize a tax liability (or asset) if the Corporation has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Corporation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Income Taxes

As a result of the Corporation's funding policy from time to time the trust may be subject to unrelated business income tax (UBIT) and deferred income taxes due to the overfunded status. The trust accounts for income taxes according to the asset and liability method. Under this method, deferred income tax assets and liabilities are determined based on the estimated future tax consequences attributable to temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred income tax assets and liabilities are measured using the enacted tax rate in effect for the years in which the temporary differences are expected to be recovered or settled. Temporary differences arise from differences in reporting the amounts for financial statement purposes and income tax purposes and, accordingly, a deferred income tax liability of $733,189 and $207,017 has been recorded at December 31, 2025 and 2024, respectively, on the cumulative unrealized gains on investment in the trust.

The amount subject to current taxation is based on excess investment income. Changes in the Corporation's income taxes payable for unrelated business income tax are as follows:

	2025	2024
Balance - Beginning Balance	$ 344,986	$ 50,327
Unrelated Business Income Tax Expenses	36,785	294,659
Unrelated Business Income Tax Payments	(344,986)	-
Balance - Ending Balance	$ 36,785	$ 344,986

NOTE 4 TAX STATUS AND INCOME TAXES (CONTINUED)

Income Taxes (Continued)

Income tax expense is comprised of the following for the years ended December 31:

	2025	2024
Current Expense	$ 36,785	$ 294,659
Deferred (Benefit) Liability	526,172	(249,717)
Additional Income Tax Expenses	24,601	-
Total Income Tax Expense (Benefit)	$ 587,558	$ 44,942

NOTE 5 TERMINATION OF THE CORPORATION

Under certain conditions, the Trust may be terminated by the Corporation. Upon termination, the assets then remaining shall be used until exhausted to pay benefits to participants in the order of their entitlement.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

The Corporation has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

NOTE 7 RISKS AND UNCERTAINTIES

The Corporation invests in various investment securities. Investments securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
