To the Plan Administrator of the
PCNA 401(k) Plan

We have audited the financial statements of PCNA 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2025 and have issued our report thereon dated September 23, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated July 7, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We

identified no material inconsistencies, other than the reconciling item in Note 7 to the financial statements, in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the financial statements. You have represented to us in your letter dated September 23, 2026 that you have considered the effects of uncorrected misstatements that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future-period financial statements to be materially misstated, even though, in our judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified a reportable finding regarding safe harbor matching contributions that is addressed in our separate letter to the Plan Administrator dated September 23, 2026 which addresses internal control matters.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets

held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator, Retirement Plan Committee and management of PCNA 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
PCNA 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PCNA 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to

the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion**:**

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the PCNA 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan, established effective January 1, 1993, and most recently amended and restated on January 1, 2022, is a defined contribution plan which covers substantially all non-union employees of Leedsworld, Inc. (the "Sponsor") and the following related employers (collectively, the "Company"):

- Bullet Line, LLC
- Timeplanner Calendars, Inc.
- ETS Express, LLC
- Spoke Custom Products, LLC (effective August 10, 2022)

The Plan is qualified under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - Employees become eligible to participate in the Plan beginning on the first day of the payroll period subsequent to completing three months of service. Employees must attain the age of 18 to become eligible to participate in the Plan. The plan entry date is the first day of the first month subsequent to the date that the employee meets the eligibility requirements.

Participant Contributions - Participants may elect to contribute up to 75% of their pre-tax and/or post-tax compensation subject to certain limitations under the IRC. The Plan allows for participants who are age 50 or older to make catch-up contributions based on limits established by the IRC and also accepts rollover contributions for eligible employees from other qualified plans.

Effective January 1, 2025, the Plan adopted the optional provision of the SECURE 2.0 Act that permits an increase to the annual catch-up contribution limit established by the Internal Revenue Service (IRS) for participants who have attained ages 60 to 63 to the greater of $10,000 or 150% of the limit established by the IRS. The Plan's adoption agreement has not been formally amended for this provision; however, management expects that the adoption agreement will be formally amended prior to December 31, 2026.

The Plan's automatic enrollment provision provides for an initial 3% pre-tax deferral for certain groups of eligible employees, as defined in the plan document, which increases by 1% each year until a maximum

deferral of 15% is met or an affirmative election is made. If eligible employees who are subject to the automatic enrollment do not submit an automatic enrollment waiver or elect a deferral rate they are automatically enrolled in the Plan.

Employer Contributions - The Plan provides for an employer funded safe harbor matching contribution equal to 100% of the first 3% of eligible compensation contributed as an elective deferral and 50% of the next 2% of eligible compensation contributed as an elective deferral.

The Plan also provides for an annual discretionary nonelective profit sharing contribution. The participant's share is allocated to their account based on the ratio of the individual's compensation to total compensation of all eligible participants. Any participant who is employed on the last day of the plan year is eligible to receive the discretionary profit sharing contribution. There were no discretionary nonelective profit sharing contributions for the year ended December 31, 2025 or 2024.

Participant Accounts - Each participant’s account is credited with the employee and applicable employer contributions and an allocation of the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct their contributions and employer contributions into various investment options and may change their investment options at any time.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

Vesting - Participants are immediately vested in their contributions and employer safe harbor matching contributions plus actual earnings thereon. The discretionary nonelective profit sharing contributions vest according to the following schedule:

Years of Service	Percentage
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 or more	100%

Forfeitures - Forfeited balances of terminated participants' non-vested accounts may be applied to administrative fees or to reduce the employer's contributions to the Plan, as defined in the plan document.

Forfeitures of approximately $7,000 and $28,000 were applied to administrative fees during the years ended December 31, 2025 and 2024, respectively. Forfeited non-vested accounts totaled $1,500 and $7,000 at December 31, 2025 and 2024, respectively.

Payment of Benefits - On termination of service due to death, disability, or normal retirement, participants may elect to receive the value of their benefits in a lump-sum distribution or installments. Terminated employees will receive a lump-sum distribution if their account balance is less than $1,000. If their account balance is more than $1,000, the participant must consent to receive a lump-sum distribution. A participant may request a withdrawal from their account based upon financial hardship or at age 59 1/2, as defined by IRC regulations.

Notes Receivable from Participants - Participants are able to borrow up to the lesser of 50% of their vested account balance or $50,000. The loans are secured by the balance in the participant's account and bear interest at rates determined by the plan administrator. Interest rates on outstanding loans at December 31, 2025 and 2024 ranged from 4.25% to 9.50%. Repayment is required within five years or within a reasonable period of time not to exceed ten years if the loan is for a primary residence. Principal and interest are paid through regular payroll deductions.

Administrative Expenses - The Plan's expenses are paid by the Company or the Plan as provided by the plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan's financial statements are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

*Use of Estimate*s - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in assets and liabilities at the dates of the financial statements. Actual results could differ from these estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is recorded on the ex-dividend date.

U.S. GAAP establishes a framework for measuring the fair value of financial assets which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs are not quoted prices in active markets but they are observable either directly or indirectly; and

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued using the net asset value (NAV) provided by the administrator of the fund on the last day of the Plan's year end using a quoted price in an active market (level 1 measurement).

Collective Investment Trust (Great Gray Balanced Sustainable Fund): The trust is invested in mutual funds and bonds, which are valued using publicly quoted pricing inputs. The fair value of the underlying investments is used to determine the NAV of the trust. The NAV is not publicly quoted but is available to current investors. The NAV is the basis for current transactions, and the trust can be redeemed at NAV as of the measurement date. Therefore, the trust has a readily determinable fair value (level 1 measurement).

Collective Investment Trust (Great Gray Stable Value Fund): The trust is invested in the Putnam Stable Value Fund. The fair value of the underlying investment is used to determine the NAV of the trust. The NAV is not publicly quoted but is available to current investors and is the basis for current transactions. Therefore, the fund has a readily determinable fair value (level 1 measurement). Were the Plan to initiate a full redemption of this fund, the issuer reserves the right to temporarily delay withdrawal from this fund in order to ensure that securities' liquidations will be carried out in an orderly business manner.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting dates.

Net Change in Fair Value of Investments - The Plan presents the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains (losses) and the net unrealized appreciation (depreciation) on those investments in the statements of changes in assets available for benefits.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Contributions - Participant and employer safe harbor matching contributions to the Plan are recorded in the period during which the Company makes payroll deductions from the participant's earnings. Employer nonelective profit sharing contributions are recorded in the period earned.

Employee and employer contributions to the Plan are subject to certain statutory limits established by the IRC.

Benefits - Benefits are reflected when they have been approved for payment and are paid by the Plan.

Subsequent Events - Management has evaluated subsequent events through September 23, 2026, the date which the financial statements were available to be issued.

3. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

4. INCOME TAX STATUS

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved profit sharing plan from Fidelity Management Trust Company. The IRS has stated in a letter dated June 30, 2020 that the Plan, as then designed, was in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management believes that there is no liability related to uncertain tax positions at December 31, 2025 or 2024. The Plan is no longer subject to U.S. federal or state income tax examinations by tax authorities for tax years before 2022.

5. CERTIFIED FINANCIAL INFORMATION

Fidelity Management Trust Company, the trustee, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits as of December 31, 2025 and 2024.

- Investment activity and interest income on notes receivable from participants, as shown in the statements of changes in assets available for benefits for the years ended December 31, 2025 and 2024.

- Investment information included in the schedule of assets held for investment purposes at December 31, 2025, as shown on the accompanying schedule.

6. RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by the trustee or its affiliates. The Plan has arrangements with service providers for various administrative functions for which the costs are included in administrative expenses and qualify as party-in-interest transactions, but are not considered prohibited transactions under Section 408(b) of ERISA regulations.

Neither the Sponsor nor employees of the Sponsor involved in the administration of the Plan receive any compensation from the Plan.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net increase in assets available for benefits per the statements of changes in assets available for benefits to the Form 5500 for the year ended December 31, 2024:

Net increase in assets available for benefits per the financial statements	$ 9,994,024
Fair value adjustment - collective investment trust	225,506
Net increase in assets available for benefits per the Form 5500	$ 10,219,530
