INDEPENDENT AUDITORS' REPORT

To the Administrator and Management of the
Tenafly Pediatrics, P.A. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Tenafly Pediatrics, P.A. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)" audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tenafly Pediatrics, P.A. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tenafly Pediatrics, P.A. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tenafly Pediatrics, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tenafly Pediatrics, P.A. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tenafly Pediatrics, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. 1. DESCRIPTION OF THE PLAN

The following brief description of the Tenafly Pediatrics, P.A. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a participant-directed defined contribution plan covering all eligible employees of Tenafly Pediatrics, P.A. (the "Company"), who have attained age eighteen and worked at least 1,000 hours during a 12 consecutive month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan administrator is responsible for oversight of the Plan, including the appropriations of the Plan's investment offerings and monitoring investment performance. ADP Retirement Trust Services, LLC (the "Trustee") is the Plan's trustee.

Contributions **–** Each year, participants may contribute up to the maximum percentage of eligible compensation allowable under the Internal Revenue Code ("IRC"). Participants in the Plan may elect to make contributions, through payroll deductions, up to 90% of their compensation. In accordance with Internal Revenue Service ("IRS") guidelines, participants could not make contributions exceeding $23,500 for 2025. Eligible participants may make an additional employee contribution known as a "catch-up" contribution in accordance with the Economic Growth and Tax Reconciliation Relief Act of 2001 ("EGTRRA"). Catch-up contributions were limited to $7,500 for 2025.

The Company contributes to the Plan, on behalf of each participant, an amount equal to 3% of a participant's total compensation ("safe harbor contributions"). The Company may also make Nonelective Employer Contributions ("NEC's") at its sole discretion, within the limits of the IRC. For the year ended December 31, 2025, the Company's safe harbor contributions were $511,774.

Rollovers – Rollover contributions are permitted into the Plan in accordance with IRS regulations and Plan provisions.

Participant Accounts – A separate account is maintained for each participant. Each participant's account is credited with his or her contribution, the Company's safe harbor contributions, NEC's, and an allocation of the Plan's earnings or losses. Allocations of earnings or losses are based upon the investment performance of the individual funds in which each participant's account balance is invested. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of expenses are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options **–** Upon enrollment in the Plan, a participant may direct contributions to a variety of investment options. Participants may change their investment options every business day.

Notes Receivable from Participants **–** Participants may borrow from their account balances a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. No participant may have more than one loan outstanding at any one time and refinancing is not allowed. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Loans are repaid via payroll withholding in equal installments, per pay period, representing a combination of interest and principal sufficient to amortize the loans over their terms. Generally, loans must be repaid within a five-year period unless used for the purchase of the participant's principal residence (for which the repayment period may be extended). Notes receivable outstanding at December 31, 2025, have interest rates ranging from 4.5% to 9.50%, and mature on various dates through November 2030.

1. DESCRIPTION OF THE PLAN (continued)

Vesting – Participants are fully vested in their personal contributions, employer safe harbor contributions, and related account earnings or losses immediately upon enrollment in the Plan.

NEC's are subject to the following vesting schedule:

Years of Service	Percent Vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Benefit Payments **–** On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump-sum amount equal to the participant's vested interest in his or her account or a partial withdrawal. Participants are eligible for in-service distributions upon attaining the age of 59 ½ years and under terms of the Plan. Hardship withdrawals are permitted by the Plan.

Upon retirement, the full value of the participant's account balance is payable at the normal retirement date. The normal retirement age under this Plan is the attainment of age 65. The normal retirement date is the date the participant attains the normal retirement age.

Forfeitures **–** Forfeitures of nonvested discretionary employer contributions may be used to reduce any employer contributions. At December 31, 2025 and 2024, unallocated forfeitures totaled $15 and $2,480 respectively. For the year ended December 31, 2025, forfeitures of $2,497 were utilized to reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates – The preparation of financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for description of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included as administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based upon the terms of the Plan agreement.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Expenses attributable to the administration or operation of the Plan are allocated pro rata on the basis of account balances of all participants. Investment related expenses are included in the net appreciation of fair value of investments.

Payment of Benefits – Benefit payments to participants are recorded when paid.

3. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee, except for comparing such information certified by the Trustee with information included in the Plan's financial statements and supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025.

		2025		2024

	$	41,498,349	$	34,993,534

- Investment income for the year ended December 31, 2025 as shown in the accompanying statement of changes in net assets available for benefits included dividend and interest income of $1,096,811.
- The Plan's investments appreciated in value by $4,495,451 for the year ended December 31, 2025.
- All investment-related information in the accompanying supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

4. FAIR VALUE MEASUREMENTS (continued)

- Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 — Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds and Money Market Fund: Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

Common/Collective Trust: The Plan invests in the T Rowe Price Stable Value Fund ("Stable Value"), a stable value common collective trust fund. The Plan's interest in Stable Value is valued at the NAV practical expedient of the underlying investments reported by the issuer of the common collective trust at year-end. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported NAV. The underlying assets owned by Stable Value consist primarily of readily marketable fixed income securities. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. Participant transactions (purchases and sales) may occur daily.

The following table sets forth the Plan's investment assets at fair value by level within the fair value hierarchy as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds and Money Market Funds	$ 41,097,713	$ -	$ -	$ 41,097,713
Total assets in the fair value hierarchy	41,097,713	-	-	41,097,713
Investments measured at NAV (a)	-	-	-	400,636
Investments at fair value	$ 41,097,713	$ -	$ -	$ 41,498,349

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth the Plan's investment assets at fair value by level within the fair value hierarchy as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds and Money Market Funds	$ 34,601,977	$ -	$ -	$ 34,601,977
Total assets in the fair value hierarchy	34,601,977	-	-	34,601,977
Investments measured at NAV (a)	-	-	-	391,557
Investments at fair value	$ 34,601,977	$ -	$ -	$ 34,993,534

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
December 31,	2025	2024				
Common/Collective Trust	$ 400,636	$ 391,557	N/A	Daily	None	90 days

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks that may be impacted by external financial, business and other factors including economic downturns, natural disasters, geopolitical conflicts or pandemic illness. Due to the level of risk associated with certain investment securities, it is at least possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits. Additionally, the investments the Plan invests in may change their distribution or dividend policies, which could have an effect on the value of the investment securities.

The Plan's exposure to a concentration of credit risk is limited by the opportunity to diversify investments across multiple participant-directed fund elections including active and passively managed funds covering multiple asset classes. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. The Plan's investment in Vanguard 500 Index Admiral totaling $9,913,806 and $8,313,929 as of December 31, 2025 and 2024, respectively, represented a concentration equal to or greater than 10% of the Plan's net assets available for benefits.

6. FEDERAL INCOME TAX STATUS

The Plan's administrator adopted a prototype non-standardized 401(k) plan with a cash or deferral arrangement, which received a favorable opinion letter from the IRS on October 6, 2020, which states that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal or state taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

ADP LLC ("ADP") is the record-keeper for the Plan. The Plan incurred administrative expenses with ADP amounting to $18,935 for the year ended December 31, 2025. Loans to participants are secured by the balances in the respective participant accounts. The Plan incurred $26,180 of investment advisor expenses for the year ended December 31, 2025. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

8. PLAN TERMINATION

Although the Company has not expressed any intention to do so, the Company reserves the rights to modify, suspend, amend or terminate the Plan in whole or in part at any time subject to the provisions of ERISA. If the Plan is terminated, the amounts credited to the employer contribution accounts of all participants become fully vested.

9. SECURE ACT 2.0

On December 29, 2022, the SECURE 2.0 Act of 2022 ("SECURE 2.0") was enacted as part of the Consolidated Appropriations Act, 2023. SECURE 2.0 includes required and optional retirement plan provisions with varying effective dates. The Plan implemented the applicable required provisions of SECURE 2.0 during the year ended December 31, 2025. The Plan did not operationally implement any optional SECURE 2.0 provisions during 2025 that had a material effect on the Plan's financial statements.

In April 2026, the Plan's document provider adopted an interim amendment on behalf of its adopting employers to incorporate applicable provisions of SECURE 2.0 and other recent legislation. Certain provisions of the amendment have effective dates preceding the amendment's adoption date. See Note 10.

10. SUBSEQUENT EVENTS

The Plan evaluated subsequent events through September 25, 2026, the date the financial statements were available to be issued.

In April 2026, the Plan's document provider adopted an interim amendment on behalf of its adopting employers to incorporate applicable provisions of the SECURE Act, the CARES Act, SECURE 2.0, and other recent legislation. Among other provisions, the amendment increases the Plan's involuntary cash-out limit from $5,000 to $7,000 for distributions made after December 31, 2023 and incorporates other required and optional provisions with varying effective dates. The amendment did not require adjustment to the amounts reported in the Plan's financial statements as of and for the year ended December 31, 2025.

No other subsequent events were identified that required adjustment to or disclosure in the financial statements.

11. RECONCILIATION TO FORM 5500

No material differences exist between the financial statements and Form 5500.
