# INDEPENDENT AUDITORS' REPORT

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Chinn Enterprises, Inc. Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities section of our report. We are required to be independent Chinn Enterprises, Inc. Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chinn Enterprises, Inc. Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chinn Enterprises, Inc. Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chinn Enterprises, Inc. Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived

from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. PLAN DESCRIPTION:

The following description of the Chinn Enterprises, Inc. (the "Company") Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General –

The Plan is a defined contribution plan covering all non-union participants of the Company who have completed one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions –

Participants can elect to make pre-tax contributions to the Plan by means of a salary deferral agreement of an amount not to exceed limits determined by the Internal Revenue Service ("IRS"). If an employee fails to make an election within 90 days of their initial participation date, they will be deemed to have elected to defer 5% of their compensation, until such election is modified or revoked.

Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Effective July 1, 2024, the Company provides matching contributions equal to the lesser of 100% of participant contributions, or 4% of eligible compensation. Additional discretionary profit-sharing amounts may be contributed by the Company at the discretion of the Board of Directors. Contributions are subject to certain limitations. The Company made total matching contributions to the Plan amounting to $142,806 for the year ended December 31, 2025.

Roth 401(k) Contributions –

The Plan allows for Roth Elective Deferrals that are includible in participant's gross income at the time deferred and have been irrevocably designated as Roth Elective Deferrals by the participant.

Participant Accounts –

Each participant's account is credited with the participant's contributions, the Company's matching contribution and allocations of the Company's discretionary profit-sharing contribution, if any, administrative expenses and investment earnings. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, as defined.

**1. PLAN DESCRIPTION:** (Continued)

Vesting –

Participants are immediately vested in their pre-tax contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary profit-sharing contribution plus earnings thereon is based on years of continuous service. A participant vests 20% for each year of service and is 100% vested after five years of continuous service. Full vesting also occurs at age 65 or upon death or disability.

Investment Options –

Upon enrollment in the Plan, participants may direct investment of their account balances into a variety of investment options as more fully described in the plan literature. Participants may change their investment options on a daily basis.

Notes Receivable from Participants –

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants may only have one loan outstanding at a time. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear a reasonable rate of interest based on the prevailing interest rates charged by persons in the business of lending money for similar loans at the time of loan origination. The interest rate on current loans range from 3.25% to 9.50%. Principal and interest are paid through payroll deductions.

Forfeitures –

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $21. Forfeitures are used to reduce future Company contributions or pay plan expenses. During 2025, there were $1,665 in forfeitures used to reduce Company contributions.

Coronavirus Aid, Relief, and Economic Security Act –

The Plan has adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, related to coronavirus-related distributions, suspended participant loan payments and increased loan limits, and waiver of required minimum distributions that were due during 2020. The Plan intends to formally execute the required plan amendments for these provisions by the last day of the plan year beginning on or after January 1, 2026.

**1. PLAN DESCRIPTION:** (Continued)

Payment of Benefits –

On termination of service for any reason, a participant may elect to receive either a lump-sum amount equal to the vested value of the participant's account, installment payments or an annuity. The method of payment is subject to certain conditions and elections, as defined.

**2. SIGNIFICANT ACCOUNTING POLICIES:**

Basis of Accounting –

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition –

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for direct investments in fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to direct investments in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable from Participants –

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are recorded as distributions on the basis of the terms of the plan document.

Payment of Benefits –

Benefits are recorded when paid.

**2. SIGNIFICANT ACCOUNTING POLICIES:** (Continued)

Operating Expenses –

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and therefore excluded from their financial statements. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account. Record keeping, administrative and investment advisory fees are paid by the Plan and included in administrative expenses and allocated to all participants' accounts.

Accounting Estimates –

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein. Actual results may differ from those estimates.

Credit Losses –

Financial assets measured at amortized cost are presented at the net amount expected to be collected and the measurement of credit losses and any expected increases in expected credit losses are recognized in earnings. The estimate of expected credit losses involves judgement and is based on an assessment over the life of the financial instrument taking into consideration current market conditions and reasonable and supportable forecasts of expected future economic conditions. The Plan determined the allowance for credit losses on financial assets measured at amortized cost was de minimis as of December 31, 2025 and 2024, therefore, no allowance for credit losses has been recorded related to those assets.

**3. INFORMATION CERTIFIED OR PROVIDED BY THE TRUSTEE (RELIANCE TRUST COMPANY) AND CUSTODIAN (ADP RETIREMENT SERVICES):**

The following is a summary of the Plan's certified asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedules. The following was prepared by or derived from information provided by Reliance Trust Company, the trustee, ADP Retirement Services, the current custodian, as of December 31, 2025 and 2024, and for the year ended December 31, 2025. The information prepared by or derived from information provided by Reliance Trust Company and ADP Retirement Services was furnished to the Plan Administrator.

**3. INFORMATION CERTIFIED OR PROVIDED BY THE TRUSTEE (RELIANCE TRUST COMPANY) AND CUSTODIAN (ADP RETIREMENT SERVICES):** (Continued)

The Plan Administrator has obtained a certification from Reliance Trust Company that information provided to the Plan Administrator by Reliance Trust Company related to the following assets and related income is complete and accurate based on their books and records. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets and income.

The following was certified by Reliance Trust Company as of December 31, 2025 and 2024, and for the year ended December 31, 2025:

| | 2025 | 2024 |
|---|---|---|
| Registered investment companies, at fair value | $ 8,076,970 | $ 7,279,995 |
| Common/collective trust | $ 137,385 | $ 126,353 |
| Notes receivable from participants | $ 144,783 | $ 133,598 |
| Net appreciation in fair value of investments | $ 907,337 | |
| Interest and dividends | $ 326,938 | |
| Interest income on notes receivable from participants | $ 8,076 | |

**4. INVESTMENTS:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

Level 1: Inputs to the valuation methodologies are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**4. INVESTMENTS:** (Continued)

Level 2: Inputs to the valuation methodologies include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodologies are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Shares of Registered Investment Companies –

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Units of Common/Collective Trust –

Valued based on the NAV of units of the common/collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

**4. INVESTMENTS:** (Continued)

Units of Common/Collective Trust – (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | Assets at Fair Value as of December 31, 2025 | | | | |
|---|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Measured at NAV [(a)] | Total |
| Registered Investment Companies | $ 8,076,970 | $ - | $ - | $ - | $ 8,076,970 |
| Common Collective Trust | - | - | - | 137,385 | 137,385 |
| Investments at Fair Value | $ 8,076,970 | $ - | $ - | $ 137,385 | $ 8,214,355 |

| | Assets at Fair Value as of December 31, 2024 | | | | |
|---|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Measured at NAV [(a)] | Total |
| Registered Investment Companies | $ 7,279,995 | $ - | $ - | $ - | $ 7,279,995 |
| Common Collective Trust | - | - | - | 126,353 | 126,353 |
| Investments at Fair Value | $ 7,279,995 | $ - | $ - | $ 126,353 | $ 7,406,348 |

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The table below sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2025 and 2024:

| | Fair Value* | | | | | |
|---|---|---|---|---|---|---|
| | 2025 | 2024 | Unfunded Commitment | Redemption Frequency | Other Redemption Restrictions | Redemption Notice Period |
| Common Collective Trust | $ 137,385 | $ 126,353 | None | Immediate | None | (b) |

* The fair values of the investments have been estimated using the net asset value of the investment.

(b) The redemption notice period is 12 months for the plan level only.

**4. INVESTMENTS:** (Continued)

Changes in Fair Value Levels –

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluate the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. There were no transfers between levels and there were no purchases of Level 3 investments during the years ended December 31, 2025 and 2024.

**5. FORMER PARTICIPANT BALANCES:**

At December 31, 2025 and 2024, net assets available for benefits include $1,833,254 and $1,715,100, respectively, of vested balances relating to individuals who are no longer active participants in the Plan.

**6. GUARANTEED INTEREST ACCOUNTS WITH INSURANCE COMPANY:**

The Plan had entered into a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. The fully benefit-responsive guaranteed investment contract provided preservation of principal, maintains a stable interest rate, and provided daily liquidity at contract value for participant withdrawals and transfers in accordance with the provisions of the Plan. The fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is was contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. During the year ended December 31, 2024, the Plan disposed of guaranteed investment contract with Great-West Life & Annuity Insurance Company, receiving total proceeds of $111,973.

The guaranteed rate of interest for the year ended December 31, 2024, was 2.60%. For purposes of crediting interest to participants, the rate for the year ended December 31, 2024, was 2.60%.

As described in Note 2, because the guaranteed investment contracts were fully benefit-responsive, contract value was the relevant measurement attributable for that portion of the net assets available for the benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of the investment at contract value.

Certain events might limit the ability of the Plan or the participant to transact at contract value with the issuer, as defined in the contract. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

**6. GUARANTEED INTEREST ACCOUNTS WITH INSURANCE COMPANY:** (Continued)

The guaranteed investment contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date unless agreed upon by both parties.

**7. PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

**8. RELATED PARTY AND PARTY-IN-INTEREST:**

Certain employees of the Company provide administrative services to the Plan. These employees do not receive any compensation from the Plan for their services. Certain other administrative fees are paid by the Company.

Reliance Trust Company is the Plan's trustee effective June 1, 2023 and, therefore qualified as a party-in-interest. Certain Plan assets are managed by Reliance Trust Company and its affiliates.

ADP Retirement Services is the Plan's recordkeeper effective June 1, 2023 and, therefore, qualifies as a party-in-interest.

Merrill Lynch Pierce Fenner & Smith is also a party-in-interest as it provided advisory services for the Plan during 2025. Merrill Lynch Pierce Fenner & Smith received fees for its Plan advisory services, which were paid by the Plan for the year ended December 31, 2025.

**9. TAX STATUS OF THE PLAN:**

Prior to May 1, 2023, the Plan had adopted a non-standardized form of a prototype plan sponsored by Empower Trust Company, LLC. The prototype plan provider had received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code ("IRC").

Effective May 1, 2023, the Plan adopted the non-standardized form of a prototype plan sponsored by Automatic Data Processing. The IRS issued an opinion letter dated October 6, 2020, indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC. Although the Plan has been amended from the original prototype document, the Plan administrator and tax counsel believes that the Plan as currently designed is being operated in compliance with the applicable requirements of the IRC. The Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

**9. TAX STATUS OF THE PLAN:** (Continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022. If applicable, the Plan would recognize penalties and interest on uncertain tax positions as a deduction from net assets.

**10. RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:**

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2025 and 2024:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 8,359,138 | $ 7,539,946 |
| Notes receivable from participants | (144,783) | (133,598) |
| Notes receivable from participants, net of deemed distributions | 75,716 | 64,853 |
| Net assets available for benefits per Form 5500 | $ 8,290,071 | $ 7,471,201 |

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2025:

| | 2025 |
|---|---|
| Change in net assets available for benefits per the financial statements | $ 819,192 |
| Benefit payments | (323) |
| Administrative expenses | 1 |
| Change in net assets available for benefits per Form 5500 | $ 818,870 |

**12. SUBSEQUENT EVENTS:**

The Plan Administrator has evaluated subsequent events for potential recognition and/or disclosure through September 18, 2026, the date the financial statements were available to be issued.
