Independent Auditor's Report

Plan Administrator, Administrative Committee,
and Medical Plan Committee
George's Inc. Medical Plan and Trust
Springdale, Arkansas

Opinion

We have audited the financial statements of George's Inc. Medical Plan and Trust (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations of the Plan for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Description of the Plan

General

The following description of George's Inc. Medical Plan and Trust (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions, which is available from the plan administrator.

The Plan provides health and other benefits to eligible employees of George's Inc. and the other participating affiliated companies (Company). Affiliated companies that also participate in the Plan include George's Processing, Inc.; George's Farms, Inc.; George's Gas Company, Inc.; George's of Missouri, Inc.; George's Chicken, LLC; George's Foods, LLC; and George's Family Farms, LLC. Certain plan assets are held in a voluntary employees' beneficiary association (VEBA) trust (Trust). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA).

Benefits

The Plan provides health benefits (medical, hospital, surgical, and major medical) and life insurance benefits to full-time participants (with at least 30 hours of work per week) and to their beneficiaries and covered dependents. The Plan also provides benefits to certain terminated employees under the *Consolidated Omnibus Budget Reconciliation Act*.

Insured Benefits

The Plan fully insures the life insurance benefits. The Plan purchases annual insurance contracts for these insured benefits. Premiums for basic life insurance are paid to the insurance company from the general assets of the Trust.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount as well as its aggregate exposure for all claims).

Self-Insured Benefits

Plan benefits, other than life insurance, are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the general assets of the Trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

The Company contributes to the plan amounts needed to fund benefits in excess of contributions by eligible active employees. Employees contribute specified amounts to the Plan, determined periodically by the Company based on the type of coverage and the amount of deductible selected by the participant and the participant's length of participation in the Plan. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, incurred but not reported (IBNR) claims, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash Deposits

At December 31, 2025, the Plan's cash account did not exceed federally insured limits.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the statements of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claim processors that have yet to be reimbursed by the Plan are recorded as accounts payable – claims in the statements of net assets available for benefits. The third-party claims processor processes health, disability, and death claims to active participants, dependents, and beneficiaries, but the responsibility for payments to participants and providers is retained by the Plan. These payments are recorded as benefits paid to participants in the statements of changes in net assets available for benefits.

Stop-Loss

Premiums for stop-loss insurance are included in premium payments in the statements of changes in net assets available for benefits. Stop-loss refunds totaling $655,960 and $972,587 for the years ended December 31, 2025 and 2024, respectively, have been netted with benefits paid to participants in the statements of changes in net assets available for benefits.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against benefits paid to participants. Pharmacy rebates totaling $3,924,692 and $2,975,734 have been netted with benefits paid to participants in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively.

Other Plan Benefits

Plan obligations for health claims incurred but not reported are estimated based upon historic claims experience and actual claims reported subsequent to the plan year-end. Additional accruals are included for the estimated ultimate cost of future claims only if such claims are covered as of the Plan's fiscal year-end and the Plan is obligated to pay for the care regardless of continued participation in the Plan.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

As of December 31, 2025 and 2024, the Plan had $65,131 and $878,799, respectively, deposited in a checking account at a bank related to the Company by common ownership. The Plan pays no fees to the bank for its services. Funds in the amount of $4,987,625 and $5,026,442 for the years ended December 31, 2025 and 2024, respectively, were paid by the Plan to insurance providers and other parties-in-interest for insurance premiums, clinic expenses, and administrative expenses.

The Company provides certain administrative services at no cost to the Plan.

Note 4. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2025	2024
Net assets (deficit) available for benefits per the financial statements	$ (98,687)	$ 266,644
Benefit obligations currently payable (health claims, death, and disability benefits)	(1,978,540)	(2,517,480)
Net assets (deficit) available for benefits per Form 5500	$ (2,077,227)	$ (2,250,836)

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500 for the years ended December 31:

	2025	2024
Benefits paid to participants per the financial statements	$ 25,403,883	$ 25,114,539
Add amounts payable at end of year	1,978,540	2,517,480
Less amounts payable at beginning of year	(2,517,480)	(1,697,000)
Benefits paid to participants per Form 5500	$ 24,864,943	$ 25,935,019

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on Form 5500 for benefit claims that have been processed and approved for payment and claims incurred but not reported prior to December 31 but not yet paid as of that date.

Note 5. Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the IRS dated April 24, 1992 stating that the trust, as then designed, was tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes. No federal or state income taxes have been recorded in the financial statements. The plan administrator believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Subsequent Events

Subsequent events have been evaluated through September 24, 2026, which is the date the financial statements were available to be issued.
