INDEPENDENT AUDITORS' REPORT

Administrative Committee
The Plaid Pantry Retirement and Profit Sharing Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the financial statements of The Plaid Pantry Retirement and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified by the qualified institution in accordance with the 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of 2025 Financial Statements* section of our report

- the amounts and disclosures in the 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the 2025 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the 2025 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is responsible for maintaining a cufrrent plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the 2025 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The 2024 financial statements of The Plaid Pantry Retirement and Profit Sharing Plan were audited by Perkins & Company, P.C., whose shareholders and professional staff joined CliftonLarsonAllen LLP as of July 1, 2026, and has subsequently ceased operations. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 5, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

THE PLAID PANTRY
RETIREMENT AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of The Plaid Pantry Retirement and Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan for employees of Plaid Pantries, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - All employees of the Company who are at least 18 years of age and have completed one year of service are eligible to participate in the Plan. Effective September 1, 1994, the Plan was amended to allow employees of collective bargaining units to participate in the Plan.

Contributions - Contributions consist of employee elective deferrals and employer safe harbor matching contributions. Employee elective deferrals and the employer safe harbor matching contributions are recorded in the year in which the employee contributions are withheld from compensation. Each year, participants may elect to contribute between 1% and 100% of their pretax annual compensation, as defined in the Plan, subject to annual individual deferral limitations under the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as defined. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). In 2025 and 2024, the Company made safe harbor non-elective matching contributions equal to 100% of the first 3% of a participant's elective deferrals, plus 50% of the participant's elective deferrals that exceed 3%, not to exceed 5% of compensation for the allocation period. The Plan may also make profit-sharing contributions. No profit-sharing contributions were made in 2025 or 2024.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Company's matching contribution and an allocation of Plan earnings, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting - Participants are vested immediately in their contributions and in the Company's matching contributions, plus actual earnings thereon.

Administrative Expenses - Administrative expenses may be paid by the Company. Expenses not paid by the Company are deducted from investment earnings before allocation to participants' accounts. Certain transaction charges, such as loan fees, are paid by the individual participant involved and are included in administrative expenses.

Payment of Benefits - Upon termination of service due to retirement, or prior to retirement, death, disability, resignation, discharge or proven hardship, a participant is eligible to receive benefit payments in the amount equal to the value of the participant's account. A participant whose balance exceeds $5,000 may elect to receive a lump-sum amount or installment payments over a specified time not to exceed the life expectancy of the participant and the participant's designated beneficiary, or combination thereof. Participants whose balance does not exceed $5,000 will receive the value of the balance in his or her account as a lump-sum distribution. Account balances under $5,000 may be automatically paid out at the discretion of the Company.

Forfeitures - The forfeited accounts are generally the result of employer contributions made to ineligible employees. The accounts will be used to reduce future employer contributions or to pay for administrative expenses. There were no forfeited accounts at December 31, 2025 and 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and management and operating expenses associated with the Plan's investments.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Expenses - Administrative expenses may be paid by the Company. Expenses not paid by the Company may be deducted from participant accounts. Expenses of Plan administration, including computer services, professional fees, office supplies and payroll expenses of administrative and clerical personnel are provided by the Company without charge to the Plan.

Benefit Payments - Benefits are recorded when paid. Accordingly, benefits payable to persons that have elected to withdraw from the Plan but are not yet paid at year-end have not been accrued. At December 31, 2025 and 2024, there were no distributions payable to participants.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results may differ from those estimates.

NOTE 3 – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Investment Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 15,241,849	$ -	$ -	$ 15,241,849
Total investments at fair value	$ 15,241,849	$ -	$ -	$ 15,241,849

	Investment Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 13,883,011	$ -	$ -	$ 13,883,011
Total investments at fair value	$ 13,883,011	$ -	$ -	$ 13,883,011

NOTE 4 – INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTIONS OF THE PLAN

The following is a summary of information regarding the Plan, included in the Plan's financial statements and supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), that was certified by the qualified institutions of the Plan, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the qualified institutions that such information is complete and accurate as of December 31:

	2025	2024
Mutual funds, at fair value	$ 15,241,849	$ 13,883,011
Group annuity contract, at contract value	$ -	$ 18,842
Notes receivable from participants	$ 463,324	$ 375,695
Net appreciation in fair value of investments	$ 1,707,540	$ 923,570
Interest and dividends	$ 526,496	$ 552,209
Interest income on notes receivable from participants	$ 36,234	$ 25,488

NOTE 5 – GROUP ANNUITY CONTRACT

The Plan held a traditional fully benefit-responsive, group annuity contract with Empower Annuity Insurance Company of America (the Issuer). The Issuer maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Issuer was contractually obligated to repay the principal and interest credited to the Plan. There were no reserves against contract value for credit risk of a contract issuer or otherwise. The crediting interest rate was based on a formula agreed upon with the Issuer. Such interest rates were reviewed on a semi-annual or quarterly basis for resetting.

Contract value was the relevant measurement attributable for fully benefit-responsive investment contracts because this was the amount received by the participants if they were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by the Issuer, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may have ordinarily directed the withdrawal or transfer of all or a portion of the investment at contract value.

The Plan's ability to receive amounts due was dependent on the Issuer's ability to meet its financial obligations. The Issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the Issuer. Such events included, but are not limited to layoffs, Plan termination, business closings, re-organizations, liquidations, and the failure of the Plan to qualify under Section 401(a) or Section 401(k) of the IRC. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the Issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an unsecured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment of the agreement without the consent of the Issuer.

In March 2025, Plan Management elected to remove the group annuity contract investment option in the plan and replace it with a money market fund. This change was made after the appropriate 12-month waiting period as stipulated in the contract with the Issuer and resulted in no redemption adjustment. All distributions made by participants from this contract were settled at contract value.

The group annuity contract had an average yield based on actual earnings of 1.41% for the year ended December 31, 2024, and the average yield earned and credited to participant accounts was 1.41% for the year ended December 31, 2024.

NOTE 6 – NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account. A participant may only have one loan outstanding at any given time. The loans are secured by the vested balance in the participant's account. The loan interest rate is set at 2% above the prime rate at date of issue and ranges from 5.24% to 10.50% for loans outstanding at December 31, 2025, maturing at various dates through October 2050. Loan repayments are made ratably through payroll deductions over a period not to exceed five years unless the loans were used to purchase a primary residence in which case the loan terms may not extend beyond 30 years from the date of the loan origination.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds or a group annuity contract managed by Empower Trust Company, LLC and Empower Annuity Insurance Company of America (collectively, Empower). Empower is the qualified institution of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees for investment management services charged by the qualified institutions that are not paid by the Company, are netted against Plan earnings and are up to 0.15% annually on all assets.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets will be distributed to the participants in accordance with Plan provisions.

NOTE 9 – CONCENTRATIONS, RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits and, therefore, participants' account balances. There were three and four investments that individually represented more than 10% of the investments held as of December 31, 2025 and 2024, respectively. See the supplemental Schedule of Assets (Held at End of Year) for the complete listing of investments held as of that date.

NOTE 10 – INCOME TAX STATUS

The Plan document is a Non-Standardized Pre-Approved Defined Contribution Plan sponsored by Prime Retirement Solutions LLC. In an opinion letter dated October 24, 2022, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as reported on the Plan's financial statements to the Form 5500 at December 31:

	2025	2024
Net assets available for benefits reported on the financial statements	$ 15,776,665	$ 14,347,705
Employer contribution receivable, end of year	(71,492)	(70,157)
Net assets available for benefits reported on the Form 5500	$ 15,705,173	$ 14,277,548

The following is a reconciliation of the net increase in net assets available for benefits as reported on the Plan's financial statements to the Form 5500 at December 31:

	2025	2024
Net increase in net assets as reported on the financial statements	$ 1,428,960	$ 1,922,370
Employer contributions receivable, end of year	(71,492)	(70,157)
Employer contributions receivable, beginning of year	70,157	68,689
Net increase in net assets reported on the Form 5500	$ 1,427,625	$ 1,920,902

NOTE 12 – SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan was amended to eliminate catch-up contributions and participants age 50 and older will no longer be eligible to make catch-up contributions for Plan years beginning on or after January 1, 2026.

The Plan's management has performed an evaluation of subsequent events through September 24, 2026, which is the date these financial statements were available to be issued.
