INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Jervey Eye Group, P.A.
Retirement Plan
Greenville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Jervey Eye Group, P.A. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jervey Eye Group, P.A. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statement section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jervey Eye Group, P.A. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jervey Eye Group, P.A. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jervey Eye Group, P.A. Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jervey Eye Group, P.A. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JERVEY EYE GROUP, P.A. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2025 and 2024

NOTE A – DESCRIPTION OF PLAN

The following description of Jervey Eye Group, P.A. (the "Employer") Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan administered by the Employer for the benefit of its employees. The Plan covers all employees who have reached the age of 21 and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Each year participants may contribute up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan. The Employer matches 100% of the employee's contributions that do not exceed 3% of compensation plus 50% of the employee's contributions between 3% and 5% of compensation. Also, the Employer, at its discretion, may make additional matching contributions and profit-sharing contributions. During the years ended December 31, 2025 and 2024, the Employer made no additional discretionary matching or profit sharing contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. Participants direct the investment of contributions to their account into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Employer required matching contributions, any Employer matching and profit-sharing contributions, and investment earnings. Each participant's account is debited for investment losses and an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE A – DESCRIPTION OF PLAN (Continued)

VESTING

Participants are immediately vested in their contributions and the required Employer safe harbor matching contributions plus actual earnings thereon. A participant's vesting in the Employer's discretionary contributions to his or her account plus earnings thereon is based on the participant's years of credited service with the Employer. A participant is 100% vested after six years of credited service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions and is credited to the borrowing participant's account.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or for other reasons, a participant with a vested account balance in excess of $5,000 may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a single lump-sum payment or in partial withdrawals or installments under the required minimum distribution provisions of Sec. 401(a)(9) of the Internal Revenue Code (the "IRC"). Vested account balances of $5,000 or less are automatically distributed in a single lump-sum payment to the participant upon termination of service.

In-service distributions and hardship distributions are also permitted by the Plan subject to certain requirements and limitations as specified in the Plan agreement.

FORFEITURES

At December 31, 2025 and 2024, forfeited non-vested amounts totaled $474 and $2,299, respectively. These amounts are used to reduce administrative expenses and/or future Employer contributions to the Plan. In 2025 and 2024, administrative expenses and employer contributions were reduced by $474 and $2,299, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America because the Plan has not recognized contributions receivable, other than notes receivable from participants, nor contributions payable. The modified cash basis differs from the cash basis because the investments are adjusted to fair value.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07 which exempts from categorization within the fair value hierarchy those investments for which fair value is measured using the net asset value practical expedient in Accounting Standards Codification ("ASC") 820, *Fair Value Measurement.* ASU 2015-07 is effective for fiscal years beginning after December 15, 2016. For simplicity in reporting and disclosure, management adopted ASU 2015-07 in 2017 and, accordingly, the common collective trust fund is not included within the fair value hierarchy in Note C.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

INVESTMENT VALUATION AND INCOME RECOGNITION (Continued)

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note C for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis or "when received". Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

PAYMENT OF BENEFITS

Benefits are recorded when paid by the Plan.

EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 21, 2026, the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits - Modified Cash Basis. The following tables show the investments for the years ended December 31, 2025 and 2024 at their fair value hierarchy (see explanation immediately following tables).

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs have the highest priority and consist of unadjusted quoted prices in active markets for identical assets; Level 2 inputs consist of observable market data other than unadjusted quoted prices in active markets for identical assets; and Level 3 inputs have the lowest priority, are unobservable, are supported by little or no market activity, and are generally based on the entity's own assumptions. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments on a recurring basis. When available, the Plan measures fair value using Level 1 inputs because these generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

LEVEL 1 FAIR VALUE MEASUREMENTS

The fair values of common stocks and closed-end mutual funds are based on quoted market prices in active markets. The fair values of money market funds and open-end mutual funds are based on quoted net asset values in active markets of the shares held by the Plan in these investments at year-end.

NOTE C – FAIR VALUE MEASUREMENTS (Continued)

Gains and losses, realized and unrealized, included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024 are reported in net appreciation in fair value of investments.

NOTE D – TRUSTEE CERTIFICATIONS

The December 31, 2025 and 2024 Statements of Net Assets Available for Benefits - Modified Cash Basis, the Statements of Changes in Net Assets Available for Benefits - Modified Cash Basis for the years ended December 31, 2025 and 2024, the accompanying notes to the financial statements, and the supplemental information were prepared in part or entirely from information certified by the Trustee (Vanguard Fiduciary Trust Company) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes a) total investments at fair value of $16,139,523 and $17,249,156 at December 31, 2025 and 2024, respectively, b) total notes receivable from participants of $127,894 and $83,549 at December 31, 2025 and 2024, respectively, and c) related income (loss) of ($1,065,287) and ($1,467,143) for the years ended December 31, 2025 and 2024, respectively.

NOTE E – COMMON COLLECTIVE TRUST FUND

The common collective trust fund represents the Plan’s investment in Vanguard Fiduciary Trust Company (the “Trust”) which has an investment objective to provide a relatively predictable return from current income with no change to principal value by emphasizing high credit quality and diversification. The underlying investments of the Trust are primarily a pool of investment contracts issued by insurance companies and commercial banks and contracts that are backed by bond funds and trusts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, certain withdrawals may be subject to market value adjustments calculated in accordance with the provisions of the investment contracts.

NOTE F – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to the third-party administrator totaling $23,856 and $21,761 for the years ended December 31, 2025 and 2024, respectively. Such payments were not covered by revenue sharing.

NOTE G – PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE H – PLAN AMENDMENTS

In 2016, the Plan was amended such that the Employer may annually elect to satisfy the "safe harbor" nondiscrimination provisions of the IRC by making certain non-elective matching contributions to participants' accounts. Participants will be immediately 100% vested in such safe harbor matching contributions. This amendment became effective January 1, 2017. The Plan was amended effective January 1, 2021 to comply with IRS Notice 2017-37.

NOTE I – TAX STATUS

The Employer adopted the Qualified Plans, LLC Volume Submitter 401(k) Profit Sharing Plan. The IRS determined by letter dated June 30, 2020, that this prototype plan document satisfies the applicable sections of the IRC. The Plan was amended since the date of the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore the Plan continues to be qualified and the related trust continues to be tax-exempt.

NOTE I – TAX STATUS (Continued)

Plan management evaluates tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by various taxing jurisdictions. However, there are currently no audits in progress for any tax periods.

NOTE J – RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits - Modified Cash Basis.

NOTE K – SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2024 which included SECURE Act 2.0. SECURE Act 2.0 contains of 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Significant provisions that became effective in 2025 include an increase in the required minimum distribution age from 72 to 73 and an increase in the mandatory cash out limit from $5,000 to $7,000. These changes had no material impact on the Plan's 2024 or 2025 financial statements.
