Independent Auditor's Report

Plan Administrator and Profit-Sharing Committee
CSI Retirement Plan
Paducah, Kentucky

Scope and Nature of the Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the CSI Retirement Plan (Plan), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CSI RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the CSI Retirement (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan sponsored by Computer Services, Inc. (the "Company") for the benefit of substantially all of its employees, except for those covered by a collective bargaining agreement, non-resident aliens, residents of Puerto Rico, and Interns. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Empower Trust Company, LLC is the trustee of the Plan (the "Trustee"), and custodial duties are assigned to Empower Trust Company, LLC and Empower Annuity Insurance Company of America (collectively "Empower"). Matrix Trust Company serve's as custodian of a specific plan investment after the transition to Empower.

Eligibility. Employees are eligible to participate in the Plan immediately.

Contributions. Participants may make an elective deferral of their eligible compensation to the Plan, subject to maximum pre-tax and/or post-tax contribution limitations as permitted by the Internal Revenue Service. Employee rollover and catch-up contributions are also permitted. The Company made safe harbor matching contributions to the Plan equal to 100% of participants salary deferral election up to 5% of participants eligible compensation. The Company made no discretionary profit-sharing contributions to the Plan for the year ended December 31, 2025.

The plan document also includes an automatic deferral feature whereby a participant is treated as electing to defer a percentage of 5% of eligible compensation, treated as pre-tax deferrals, unless the participant made an affirmative election otherwise. The automatic deferral feature also provides for an annual increase of 1% in the percentage deferred and is ultimately capped at 6%.

Participant Investment Account Options. Each participant has the option of directing his or her contributions into any of the separate investment options provided by the Plan. Participants are allowed to change their investment options daily and may change their contribution allocation quarterly.

Participant Accounts. Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their voluntary contributions, plus earnings thereon. Vesting in the Company's qualified safe harbor matching contribution portion of their accounts and discretionary contribution portion of their accounts, plus earnings thereon, is based on years of continuous service. A participant terminating employment for any reason other than death, disability or after normal retirement age is fully vested after two years of continuous service in safe harbor matching contributions. A participant terminating employment for any reason other than death, disability or after normal retirement age is fully vested after six years of continuous service in prior frozen nonelective discretionary contributions. The nonvested balance is forfeited upon termination of service.

Notes Receivable from Participants. The Plan provides loans to participants from their vested account balance up to $50,000, subject to a limitation of 50% of their vested account balance. Interest is charged on the loans and is fixed at the time of issuance at a rate of prime (6.75% as of December 31, 2025) plus 1.00%. Payments are immediately reinvested in the individual participant's funds. The loans are collateralized by the vested account balance of the participant receiving the loan. Participants may have no more than two loans outstanding at any time. Loans are repayable in periods up to five years, or ten years if entire loan proceeds are used to acquire a principal residence. Should a participant default on a Plan loan, as defined by the Plan loan policy, the loan would then be considered a distribution.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN (Concluded)

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship distributions of participant's deferrals are permitted.

Forfeited Accounts. As of December 31, 2025 and December 31, 2024, forfeited nonvested accounts totaled $60,750 and $9,480, respectively. Forfeitures of profit-sharing and employer basic contributions are used to reduce employer contributions or to pay administrative expenses of the Plan, as applicable. For the year ended December 31, 2025, $198,086 was used to reduce employer contributions to the Plan. For the year ended December 31, 2025 administrative expenses in the amount of $46,105 were paid from forfeited nonvested accounts.

Recent Legislation. In December 2022, SECURE Act 2.0 ("SECURE 2.0") was enacted. SECURE 2.0 contains numerous significant changes for retirement plans, plan sponsors, and retirement plan providers. For example, SECURE 2.0 contains provisions related to, among many other things, increasing the required minimum distribution age, reducing required minimum distribution penalties, and removing required minimum distribution barriers for annuities. Many of the provisions in SECURE 2.0 went effective in 2023, but SECURE 2.0 will not be completely implemented until 2027. The Internal Revenue Service ("IRS") has issued additional guidance addressing specific issues arising from the implementation of the provisions of SECURE 2.0.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements are prepared in conformity with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. See Note 5 for discussion of fair value measurements.

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Contributions. Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants. Notes receivable from participants are reported at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Payment of Benefits. Benefit payments to participants are recorded upon distribution.

Administrative Expenses. Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Concentration of Credit Risk. Substantially all the Plan's assets were held by Empower and Matrix Trust Company.

NOTE 3 - CERTIFICATION OF PLAN TRUSTEE AND CUSTODIANS

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by the Empower and Matrix Trust Company, and furnished to the plan administrator. The plan administrator has obtained certifications from the Empower and Matrix Trust Company that such information is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income and interest on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule of Assets Held at End of Year: All investment balances.

NOTE 4 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Plan recorded $370,175 of investment management fees to Mesirow Financial Investment Management for the year ended December 31, 2025. The Plan recorded $125,000 to Creative Planning for investment management fees for the year ended December 31, 2025. The Plan recorded $88,932 to Empower Annuity Insurance Company for record- keeping and administrative services for the year ended December 31, 2025. The Plan recorded $47,699 to other professional firms for legal, accounting and other services for the year ended December 31, 2025. The Company provides certain administrative services at no cost to the Plan.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual Funds. Valued at the quoted market price reported on the active market on which the mutual funds are traded.

Collective Trust Funds and Pooled Separate Account. The collective trust funds and pooled separate account are valued at the net asset value of units of the collective trust and pooled separate account ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust or pooled separate account, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS (Concluded)

The following table sets forth by level, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025				
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	Total
Mutual funds	$96,739,861	$ -	$ -	$ -	$ 96,739,861

Mutual funds	$218,233,093	$ -	$ -	$ -	$ 218,233,093
Total investment assets at fair value	$218,233,093	$ -	$ -	$ -	$ 218,233,093

Investments Measured Using the Net Asset Value per Share as a Practical Expedient. The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Description	December 31, 2025	December 31, 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective Trust Funds	$ 92,616,667	$ -	N/A	Daily	N/A
Pooled Separate Funds	$ 52,111,794	$ -	N/A	Daily	N/A

NOTE 6 – FULLY BENEFIT RESPONSIVE CONTRACT

The Plan has entered into fully benefit-responsive investment contracts with CMFG Life Insurance Company ("CMFG") and New York Life Insurance Company ("New York Life"). CMFG and New York Life maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

(Continued)

CSI RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 6 – FULLY BENEFIT RESPONSIVE CONTRACT (Concluded)

The guaranteed investment contracts are fully benefit-responsive; therefore, contract value is the relevant measurement. Contract value, as reported to the Plan by CMFG and New York Life, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contracts do not permit the insurance companies to terminate the agreements prior to the scheduled maturity date.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 - PLAN TAX STATUS

The Plan operates under an adoption agreement in conjunction with a nonstandardized defined contribution pre- approved plan document sponsored by Empower Retirement, LLC. The pre-approved plan document has been filed with the appropriate agency. The Plan has not obtained or requested a separate determination letter for the pre-approved plan. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2025 through September 24, 2026, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
