INDEPENDENT AUDITORS' REPORT

To the 401(k) and Profit Sharing Planning Committee of
Deutsch Kerrigan L.L.P. 401(k) Profit Share Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Deutsch Kerrigan L.L.P. 401(k) Profit Share Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Deutsch Kerrigan L.L.P. 401(k) Profit Share Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Deutsch Kerrigan L.L.P. 401(k) Profit Share Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the 401(k) and Profit Sharing Planning Committee of
Deutsch Kerrigan L.L.P. 401(k) Profit Share Plan
September 14, 2026

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Deutsch Kerrigan L.L.P. 401(k) Profit Share Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DEUTSCH KERRIGAN L.L.P. 401(K) PROFIT SHARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

(1) PLAN DESCRIPTION

The following description of the Deutsch Kerrigan L.L.P. 401(k) Profit Share Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Deutsch Kerrigan L.L.P. (the Company). Seasonal employees, temporary employees, contract workers, and leased employees are excluded from participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and it began operating on January 1, 1989.

Contributions

Each year, participants may contribute, by salary reduction pursuant to Section 401(k) of the Internal Revenue Code (the "Code"), up to a maximum of 60 percent of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common collective trusts, money market accounts, and a self-directed brokerage account as investment options for participants. Additionally, the employer may contribute a discretionary profit-sharing contribution in an amount to be determined annually by the Company. The employer contributes 3% of an employee's salary up to 70% of the social security taxable wage base, and 6% for any salary over that limit. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, and (b) Plan earnings (losses), and is charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Eligibility

Employees of the Company who have completed one month of service and have reached the age of 21 are eligible to participate in the deferral feature of the Plan. The entry date for this feature of the Plan for eligible participants is the first day of each calendar month. These participants are eligible for discretionary employer contributions if they have completed one month of service and are employed on the last day of the year.

(1) PLAN DESCRIPTION (CONTINUED)

Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Upon termination of service due to death, disability, or retirement, a participant will be 100 percent vested in employer discretionary contributions, if any, and upon termination due to any other reason, a participant is vested based on number of years of service, as detailed in the following table.

Full Years of Service	Vested and Non-forfeitable % of Company's Contribution into the Plan
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeitures

Forfeitures are retained in the Plan and are first used to pay administrative expenses, if any. Any remaining amounts are used to reduce future employer contributions payable under the Plan. The forfeiture account had balances of $50,884 and $21,430 as of December 31, 2025 and 2024, respectively. During the year ended December 31, 2025, forfeitures of $11,000 were used to decrease employer contributions related to prior year contributions.

Related Party Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption exists. Fidelity Management Trust Company, the current trustee of the Plan, is a party-in-interest as defined by ERISA as a result of having Plan assets invested in Fidelity funds. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting; however, benefits are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds, common collective trusts, and the self-directed brokerage accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds, and the money market account are valued at quoted market prices which represent the net asset values of shares held by the Plan at year-end. Net appreciation or depreciation in the fair value of investments is calculated based on the changes in market values from the beginning of the period to the end of the period. See notes 3 and 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Date of Management Review

Management has evaluated subsequent events through September 14, 2026, the date when the financial statements were available to be issued.

(3) FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observed for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

(3) FAIR VALUE MEASUREMENTS (CONTINUED)

	2025			
	(Level 1)	(Level 2)	(Level 3)	Total

Investments at fair value	$ 42,238,128	$ -	$ -	$ 42,238,128

	2024			
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual funds	$ 29,888,545	$ -	$ -	$ 29,888,545

Money market accounts	9,355,130	-	-	9,355,130
Investments at fair value	$ 43,085,143	$ -	$ -	$ 43,085,143

(4) NET ASSET VALUE (NAV) AS FAIR VALUE

Common collective trust funds are comprised of units in such collective trust funds that are not publicly traded. The underlying assets in these funds (common stock, preferred stock, collective investment funds, U.S. Government and Agency Obligations, debt instruments, insurance investment contracts, global wrap synthetic investment contracts, securities lending funds, repurchase agreements, futures contracts, and foreign currency contracts) are valued where applicable on exchanges and price quotes for the assets held by these funds are readily available. When current market prices or quotations are not available, valuations are determined using valuation models adopted by the Custodian or other inputs principally from or corroborated by observable market data.

Common collective trust funds are valued at their net asset value (NAV) on the last day of the calendar year of the period; as a result, these investments are not classified within the fair value hierarchy.

Investments in common collective trust funds are valued at the net value of participation units held by the Plan at year-end. The value of these units is determined by the Custodian based on the current market values of the underlying assets of the common collective trust fund as based on information reported by the investment advisor using the audited financial statements of the common collective trust fund at year end. The Plan held collective trust funds as of December 31, 2025 as described below.

(4) NET ASSET VALUE (NAV) AS FAIR VALUE (CONTINUED)

The Plan invests in four common collective trust funds managed by Great Gray Trust Company, LLC: the International Equity, Large Cap Growth Fund, Mid Cap Growth Fund, and Mid Cap Value Fund. The objective of these funds is to provide investment diversification and competitive returns while preserving capital for participant-initiated transactions. The interest credited to balances in these funds reflects current market conditions and the performance of the underlying investments. The International Equity fund seeks long-term capital appreciation by investing in non-U.S. equity securities with strong growth potential. The Large Cap Growth Fund focuses on large-cap equity securities with a strategy to maximize capital appreciation. The Mid Cap Growth Fund targets mid-cap equity securities with growth potential, while the Mid Cap Value Fund aims to provide value-oriented returns from mid-cap investments. All funds are valued at net asset value and are not FDIC-insured or registered with the Securities and Exchange Commission. There are no unfunded commitments or withdrawal restrictions for any of these funds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes the valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

	2025			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust funds	$ 4,068,464	N/A	Daily	None

	2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust funds	3,240,954	N/A	Daily	None

(5) INFORMATION CERTIFIED BY TRUSTEE

As pursuant to 29 CFR 2520.103-8, the Plan qualified for an ERISA Section 103(a)(3)(C) audit. Information relating to investment assets, investment transactions, investment earnings, and schedule of investments held for investment purposes was certified as complete and accurate by the trustee, Fidelity Management Trust Company as of December 31, 2025 and 2024, and for the year ended December 31, 2025.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

Investments:		
Money market accounts	$ 2,719,890	$ 9,355,130
Self-directed brokerage accounts	4,959,066	3,841,468
Common collective trust	4,068,464	3,240,954
Mutual funds	34,559,172	29,888,545
Total investments at fair value	$ 46,306,592	$ 46,326,097

	2025
Investment income:	
Interest and dividends	$ 1,496,408
Net appreciation in fair value of investments	5,573,649
Net investment income	$ 7,070,057

In addition, all investment balances and information included in the Schedule "1" Schedule of Assets (Held at End of Year) has been certified as complete and accurate by the trustee.

(6) THE ADVISORY COMMITTEE

The Plan provides for an advisory committee appointed by the Company, which has the responsibility for the administration of the Plan, the members of which may or may not be participants in the Plan.

(7) TAX STATUS

The Plan uses a prototype plan document sponsored by Fidelity Management & Research Co. Fidelity Management & Research Co. received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Management has analyzed the Plan's tax positions taken on Federal income tax returns for all open tax years (current and prior three years) and has concluded that as of December 31, 2025, no provision for income tax is required in the Plan's financial statements. The Plan's Federal tax return for tax years for which the applicable statutes of limitations have not expired are subject to examination by the Internal Revenue Service.

On December 29, 2022, the Consolidated Appropriations Act of 2023 was enacted, encompassing a suite of retirement provisions colloquially termed "SECURE 2.0." This legislative package builds upon the foundational reforms introduced by the 2019 SECURE Act, with a central aim of expanding participation in the retirement ecosystem and enhancing avenues for asset accumulation. The provisions set forth by SECURE 2.0 will be progressively effective from 2023 onwards.

The Act presents a blend of mandatory and elective provisions. Plan and Company management will evaluate and decide upon the elective components in alignment with the Plan's objectives and the best interests of participants and the Company. As of the report date, the Plan has not been formally amended to incorporate the provisions of SECURE 2.0. However, the Plan is operating in compliance with all mandatory elements as prescribed by the Act.

(8) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(9) ADMINISTRATIVE EXPENSES

The Company provides office space, accounting personnel, and other administrative services to the Plan at no cost. The value of these administrative services has not been determined by the Company for the year ended December 31, 2025, and will not be reimbursed to the Company.

(10) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Self-directed brokerage accounts are shown as one general type of investment on the face of the financial statements. However, the IRS' Form 5500 instructions for Schedule H allow the investments in self-directed brokerage accounts to be separately reported by class of investment, which the Plan elected to do at December 31, 2025 and 2024.

Investments included in the self-directed brokerage accounts line item on the Statements of Net Assets Available for Benefits are as follows:

	2025	2024
Self-directed brokerage accounts:		
Money market accounts	$ 1,497,791	$ 1,389,502
Common stocks	2,051,689	1,392,035
Preferred stocks	18,241	6,517
U.S. Government securities	661,297	404,549
Mutual funds	730,048	648,865
Total self-directed brokerage accounts	$ 4,959,066	$ 3,841,468

Added back to the other participant-directed investments at fair value per the Statements of Net Assets Available for Benefits, these investments are reflected in the Form 5500 as:

	2025	2024
Participant-directed investments at fair value:		
Money market accounts	$ 4,183,746	$ 10,744,632
Common stocks	2,051,689	1,392,035
Preferred stocks	18,241	6,517
Common collective trusts	4,068,464	3,240,954
U.S. Government securities	661,297	404,549
Mutual funds	35,323,155	30,537,410
Total participant-directed investments at fair value	$ 46,306,592	$ 46,326,097

(11) SUBSEQUENT EVENTS

The Committee approved amendments to the Plan's default automatic deferral election. Effective January 1, 2026 for newly eligible employees, the default automatic deferral election was increased to 6% of eligible compensation. In addition, participants subject to automatic enrollment will receive an annual automatic increase in their elective deferral percentage of 1%, up to a maximum default deferral rate of 6%. These amendments are intended to encourage increased participant retirement savings.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

> Your estimate of the fair value of Plan's investments is based on quoted market prices and net asset values for the common collective trust. We evaluated the methods, assumptions, and data used to develop the valuations in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 14, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan management and the 401(k) and Profit Sharing Planning Committee of the Deutsch Kerrigan L.L.P. 401(k) Profit Sharing Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,
