Ladies and Gentlemen:

We are providing this letter in connection with your ERISA Section 103(a)(3)(C) audits of the financial statements of Triumph Financial, Inc. 401(k) Plan ("Plan") as of December 31, 2025 and 2024 and for the year ended 2025.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as

described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than $507,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audits:

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated April 1, 2026 for the preparation and fair presentation of the Plan's financial statements in conformity with

6. We have identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates. We believe the methods, data, and significant assumptions used in developing the accounting estimates and the related disclosures are appropriate in the circumstances. All related parties and all related party relationships and transactions, and transactions with parties-in-interest (as defined in ERISA section 3(14)), and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements and guarantees, have been disclosed to you, and have been appropriately accounted for and disclosed in the financial statements in accordance with the requirements of accounting principles generally accepted in the United States of America.

10. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:

a. Management, whether material or not.

b. Employees who have significant roles in internal control, whether material or not.

c. Others when the fraud could have a material effect on the financial statements.

11. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, analysts, regulators, participants, service providers, third party administrators, or others.

12. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices that could have a material effect on the financial statements in the event of noncompliance.

13. Except as disclosed to you, we believe the effects of cybersecurity risks and actual breaches are properly accounted for and disclosed in the financial statements.

14. The Plan and trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. The Plan sponsor has operated the Plan and trust in a manner that has not jeopardized this

tax exempt status. The Plan has complied with fee disclosure requirements to participants under DOL Regulation Section 2550.404a-5, and has received the required disclosures from service providers under ERISA Section 408(b)(2). We understand that failure to comply could cause the Plan to enter into a prohibited transaction.

15. All required filings of Plan and trust documents have been filed with the appropriate agencies. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

    There are no:

    a. Nonexempt transactions with parties in interest, as defined in ERISA section 3(14) and related regulations, that were not disclosed in the supplemental schedules or financial statements.

    b. Investments, loans, or leases in default or considered to be uncollectible that were not disclosed in the supplemental schedules.

    c. Reportable transactions as defined in ERISA section 103(b)(3)(H) and related regulations that were not disclosed in the supplemental schedules.

    d. Untimely remittances of participant contributions to trusts containing assets for the Plan, as determined by the Department of Labor's participant contribution regulation (29 C.F.R. Sec 2510.3-102), that were not properly disclosed in the supplemental schedules.

16. The Plan has complied with the fidelity bonding requirements of ERISA.

17. There are no violations of any laws or regulations (including ERISA, DOL and IRS) whose effects should be considered for disclosure in the financial statements or as a basis for reporting a loss contingency, or other material liabilities or gain or loss contingencies that are required to be accrued or disclosed.

18. The Plan has satisfactory title to all owned assets. None of the Plan's assets were mortgaged, assigned, pledged, or encumbered by law in any other manner. No security agreements have been executed under the provisions of the Uniform Commercial Code, there are no liens or encumbrances on assets, and no assets have been pledged.

19. The Plan had no purchase commitments for investments at prices in excess of fair value at the date of the financial statements, no agreements to repurchase items previously sold, and no sales commitments at prices expected to result in losses on fulfillment.

20. All investments, other than notes receivable from participants reported at outstanding balances, are valued at fair value, as defined by FASB ASC 820. Quoted prices in active markets for identical investments are used to determine fair values, when available. All matters of judgment involved in the calculation and determination of the fair values of investments, and all related valuation methods and assumptions and financial statement disclosures, including the reporting of investments within the fair value hierarchy defined by ASC 820, are the responsibility of management. The valuation methods and assumptions used are reasonable and supportable, have been determined in compliance with ASC 820, and have been adequately disclosed in the financial statements for all periods presented.

21. The Plan has no direct interests in fully benefit-responsive investment contracts.

22. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.

23. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the Plan's financial statements in the event of noncompliance.

24. The form and content of the information included in the financial statements and supplemental schedule are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

25. We have complied with the applicable reporting and disclosure requirements under ERISA relating to the Summary Plan Description,

Summary of Material Modifications, and the Summary Annual Report, as applicable.

26. We are not aware of any mergers or spin-offs, into or out of the Plan, that are material to the financial statements and that became legally effective during the plan year ended December 31, 2025 or subsequently through the date of this letter.

27. No events have occurred subsequent to the date of the Plan's financial statements and through the date of this letter that would require adjustments to, or disclosure in, the financial statements.

28. There are no present intentions to terminate the Plan.

29. We have disclosed to you all known actual or possible litigation, claims and assessments whose effects should be considered by management when preparing the financial statements. These matters have been accounted for and disclosed in conformity with accounting principles generally accepted in the United States of America

30. The Plan administrator has obtained certification from Fidelity Management Trust Company, stating that the information provided by Fidelity Management Trust Company to the Plan administrator, as disclosed in the financial statements, is complete and accurate.

31. During the course of your audit, we have provided to you physical or electronic copies of various original documents. We understand that you are relying on such copies as audit evidence in your audit and represent that copies provided are an accurate and complete representation of the original documentation and that the copies have not been modified from their original version.

32. We have provided the most current Plan instrument for the period under audit, including all Plan amendments.

33. We acknowledge our responsibility to administer the Plan and determine that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

34. We acknowledge that our election of the ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining whether:

    a. an ERISA Section 103(a)(3)(C) audit is permissible,

    b. the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8,

    c. the certification meets the requirements in 29 CFR 2520.103-5, and

    d. the certified investment information is appropriately measured, presented, and disclosed in accordance with Generally Accepted Accounting Principles.

Very truly yours,
