# INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of
Binah Management Services 401(k) Profit Sharing Plan

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Binah Management Services 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter--Supplemental Schedule Required by ERISA**

The supplemental schedule, as listed in the accompanying index as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to Financial Statements**

**December 31, 2025 and 2024**

## NOTE A--DESCRIPTION OF THE PLAN

The Binah Management Services 401(k) Profit Sharing Plan (the "Plan") (formerly known as the Purshe Kaplan Sterling 401(K) Profit Sharing Plan) was formed on January 1, 1997. TruStage Retirement Solutions (TruStage) serves as the record keeper of the Plan and maintains and administers the Plan's records and investment allocations for the benefit of participants. Plan assets are currently held by Matrix Trust Company, a trustee of the Plan. The following description of the Plan provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General

Effective January 1, 2025, the Plan was amended to approve the merger of the World Equity Group, Inc. 401(k) Plan into the Plan. The Plan is a defined contribution plan, covering all eligible employees of Binah Management Services (the "Company"), PKS Holdings, LLC, PKS Financial Services, Inc., PKS Advisory Services, LLC, and Purshe Kaplan Sterling Investments, Inc.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company serves as the plan sponsor and plan administrator. The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, controlling expenses of administration, interpreting provisions of the Plan, and making determinations regarding questions which may affect eligibility for benefits.

Contributions

Each year, participants may contribute a percentage of their pretax and/or Roth post tax annual compensation to the Plan, subject to certain limitations as defined by the Plan and the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes a safe harbor match as a qualified automatic contribution arrangement (QACA). These matching contributions are remitted to the Plan in an amount equal to 100% of the first 1% of eligible compensation, and 50% of the following 5% of eligible compensation per pay period that participants contributed to the Plan. Since these contributions are considered safe harbor matching contributions participants are immediately vested in them. The Company's matching contributions are recorded in the period during which the Company makes the participants' contributions and are invested directly in investments as directed by participant.

## NOTE A--DESCRIPTION OF THE PLAN—Continued

Contributions--Continued
The Company, at its discretion, may also make profit sharing contributions. The Company did not make profit sharing contributions in 2025.

Automatic Deferral
The Plan includes an automatic salary deferral feature. The automatic salary deferral enrollment commences on the first day of the first month following the participant's eligibility date. Unless the participant elects otherwise, 3% of the eligible compensation is automatically withheld from each payroll period, for the benefit of the participant. This initial percentage will increase each calendar year, according the table below:

| Plan Year | Automatic Deferral Percentage |
|---|---|
| 1-2 | 3% |
| 3 | 4% |
| 4 | 5% |
| 5 and thereafter | 6% |

Plan Eligibility
Employees are eligible to participate in the Plan after completing three (3) months of service and attaining age 21. Plan entry dates for eligible employees are the first day of each month following eligible entry date. Employees are eligible to receive profit sharing contributions if they are employed on the last day of the plan year or have more than 500 hours of service during the plan year.

Participant Accounts
Each participant's account is credited with the participant's contribution and the Company's matching contribution and allocations of (a) the Company's discretionary profit sharing contributions (if any), (b) the Plan's investment earnings (losses), net of investment expenses, and (c) administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are 100% vested immediately in their elective deferral amounts, rollover contributions, and the Company's matching contribution, plus actual earnings thereon.

Vesting in the Company's profit-sharing contribution is based on years of continuous service. A participant is 100% vested upon: (1) disability; (2) death; (3) normal retirement at age 65; or (4) termination of the Plan. If a participant's employment with the Company is terminated before age 65 for any reason other than disability or death, the participant shall be entitled to an amount equal to the "vested percentage" of his or her account balance.

## NOTE A--DESCRIPTION OF THE PLAN--Continued

Vesting--Continued
A participant shall have a vested and nonforfeitable interest in the employer's discretionary profit sharing contribution portion of his or her account balance determined by the number of years of credited service as follows:

| Years of Credited Service | Vesting % |
|---|---|
| Less than 2 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 | 100% |

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000, or 50% of their vested account balance. Loan terms range from one year to five years or for a reasonable term exceeding five years where the loan is used for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at the prime rate plus 1% determined at the time of the loan commencement. Interest rates range from 4.25% to 9.50% at December 31, 2025. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits
On termination of service due to death, disability, retirement, or for other reasons, a participant may elect to receive the vested interest in his or he account in the form of a single lump sum payment, a partial withdrawal if the vested account balance exceeds $5,000, or to be paid in installments over a period not greater than the assumed life expectancy of the participant and their designated beneficiary.

If the participant does not elect a distribution upon termination and their vested account balance is less than $1,000, the participant will receive distributions of their accounts in a single lump sum payment as soon as administratively feasible following the date of termination.

Prior to termination, a participant may withdraw their vested contributions in the event of undue financial hardship, as defined by the IRC.

## NOTE A--DESCRIPTION OF THE PLAN--Continued

Investment Options
Upon enrollment in the Plan, a participant may direct employee and employer contributions to be invested in any of the investment choices available under the Plan. The Plan currently offers a money market fund, mutual funds and a collective trust fund as investment options for participants. Participants may change the mix of investments from one fund to another on a daily basis.

All investments are participant-directed.

Forfeited Accounts
When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures will be used to reduce employer contributions and for administrative expenses of the Plan. As of December 31, 2025 and 2024, the Plan had no unallocated forfeitures.

## NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

## NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Notes Receivable from Participants
Notes receivable from participants are stated at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Certain Plan fees are paid from Plan assets, and other administrative expenses of the Plan are paid directly by the Company. Management fees charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected as a reduction of investment return.

Subsequent Events
On July 11, 2026, TruStage, the Plan's third-party administrator (TPA) identified a cybersecurity incident affecting its environment and immediately activated its incident response and recovery protocols. As a result of the incident its online portal and administrative systems became unavailable and as of the date of these financial statements, the online portal remains unavailable.

The incident did not have a material impact on the financial position or net assets available for benefits of the Plan as of December 31, 2025, or on the changes in its net assets for the year then ended.

In accordance with U.S. GAAP, management has monitored subsequent events through September 29, 2026, which is the date the financial statements were available to be issued, and determined that no additional adjustments or disclosures are required.

## NOTE C--FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

**NOTE C--FAIR VALUE MEASUREMENTS--Continued**

This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted market prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

*Money Market, Personal Choice Retirement Accounts & Mutual Funds*

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded. Money market funds are based on the closing price reported in the active market on which the funds are traded. Money market and mutual funds are classified as Level 1 investments within fair value hierarchy. The personal choice retirement accounts represent a separate brokerage account that offers a wide range of investment opportunities including mutual funds and common stocks listed on major U.S. exchanges. The fair value of common stocks is based on the closing price per the primary stock exchange on which they are traded.

*Collective Trust Fund*

The Plan invests in a common collective trust fund for which quoted prices are not available in active markets for identical instruments. The Plan utilizes the net asset value ("NAV") provided by the custodian as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments or withdrawal restrictions.

**NOTE C--FAIR VALUE MEASUREMENTS--Continued**

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| December 31, 2025 | Fair Value | Fair Value Measurements Using: Significant Other Observable Inputs (Level 1) |
|---|---|---|
| Mutual funds | $ 12,669,431 | $ 12,669,431 |
| Personal choice accounts | 1,824,009 | 1,824,009 |
| Money market funds | 1,741 | 1,741 |
| Total assets in the fair value hierarchy | 14,495,181 | $ 14,495,181 |
| Investments measured at NAV (a) | 745,449 | |
| | $ 15,240,630 | |

| December 31, 2024 | Fair Value | Fair Value Measurements Using: Significant Other Observable Inputs (Level 1) |
|---|---|---|
| Mutual funds | $ 12,256,414 | $ 12,256,414 |
| Money market funds | 40 | 40 |
| Total assets in the fair value hierarchy | 12,256,454 | $ 12,256,454 |
| Investments measured at NAV (a) | 1,045,959 | |
| | $ 13,302,413 | |

*(a) In accordance with Topic 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.*

## NOTE D--CERTIFIED INVESTMENT INFORMATION

Certain information related to investments disclosed in the financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company (the trustee of the Plan).

## NOTE E--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

## NOTE F--TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the U.S. Department of Labor. Management evaluated the Plan’s tax positions, including interest and penalties attributable thereto, and concluded that the Plan had take no tax positions that require adjustment in its financial statements as of December 31, 2025 and 2024. The Plan is subject to routine audits by federal taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to tax examinations for years prior to 2022.

## NOTE G--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
