Independent Auditors' Report

To the Administrator and Participants of
The Druker Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Druker Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Druker Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Druker Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

PKF JND, P.C. is a member of PKF Global, the network of member firms of PKF International Limited, each of which is a separate and independent legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s).

PKF JND, P.C. is A Professional Corporation of Accountants & Business Advisors.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Druker Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Druker Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Druker Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

The following brief description of The Druker Company 401(k) Plan (the "Plan") is provided for general information purposes only. More complete information is provided within the plan documents.

General

The Plan is a contributory, defined contribution plan sponsored by The Druker Company, Ltd. ("Sponsor"), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established effective July 29, 1993, and commenced operations in November, 1993. The Druker Company, Ltd. is also the plan administrator ("Administrator"). The Administrator has sole authority to control and manage the operation and administration of the Plan, subject to the terms and provisions of the plan agreement. ADP Retirement Trust Services, LLC is the trustee of the Plan's assets. Reliance Trust Company was the trustee of the Plan's assets for the year ended December 31, 2024.

Eligibility

In general, the Plan covers all employees of the Sponsor as well as the employees of Huntington Hotel Corporation and Longwood Hotel Corporation ("participating employers") whose employment is not covered by collective bargaining agreements and who have completed one month of service. These entities are all related to the Sponsor through common ownership. Employees are automatically enrolled in the Plan with and initial deferral rate of 3% of compensation, unless the employee elects otherwise. Contributions are invested in the appropriate Retirement Date Fund based on employee's age.

Contributions

Subject to an overall maximum annual pre-tax contribution pursuant to Internal Revenue Service ("IRS") regulations, each participant may make pre-tax contributions for up to 60% of his or her annual compensation. Compensation includes any pre-tax contributions to the Plan and any salary reductions made under the Sponsor's cafeteria plan but excludes taxable fringe benefits. A participant's contribution percentage is also subject to certain limitations specified by IRS regulations. Participants aged 50 and above are also permitted by IRS regulations to make catch up contributions. Rollover contributions from other qualified retirement plans are permitted. The Plan also allows for Roth contributions which are not pre-tax.

Employer contributions

The Sponsor may make a discretionary matching contribution of a percent, if any, to be determined annually based on a percentage of participant deferral contributions. In order to be eligible for the matching contribution, a participant must have earned at least 1,000 hours of service during the plan year and be employed by one of the participating employers on the last day of the plan year. However, a participant is deemed to have met these two requirements due to death, normal retirement or disability during the Plan year. Certain employees covered by a collective bargaining agreement are currently participating in the Plan as required by the agreement. The Sponsor contributed employer matching contributions for those union participants in the amount of $6,718 for 2025.

Participant accounts

Each participant's account is credited with the employee's contribution and an allocation of Sponsor contributions and Plan earnings. Allocations are based on employee earnings or account balances, as defined. Participants are entitled to the benefits that can be provided from their vested account.

Distributions

Upon termination of employment for any reason, including retirement, a participant's vested account is generally distributed either in a single lump-sum payment or in installments over a period of time. Participants who are still employed may withdraw their vested accounts upon attaining age 59-1/2. If the termination is before the normal or early retirement dates and is for a reason other than death or disability and the vested balance is $1,000 or less, the entire balance will be distributed. For retired participants, the latest commencement date for distributions is April 1 of the calendar year following the year in which the participant attains age 72 before 2023 and age 73 thereafter. A participant may request withdrawal from their account in the case of hardship as defined in the Plan document.

Notes receivable from participants

A participant may borrow from the Plan a minimum amount of $1,000 and a maximum amount equal to the lesser of 50% of the participant's vested account balance or $50,000 reduced by the highest outstanding loan balance in the account during the prior twelve-month period. Participants who borrow are responsible for the administrative expense of processing the loan.

A participant may have only one loan outstanding at any time. The term of the loan may not exceed five years unless the loan is for the purchase of a principal residence in which case a 10-year term may be used. Repayment is made through regular payroll deductions of principal plus interest at the rate charged at the time of the loan by regional banks for similar loans. At December 31, 2025, interest rates ranged from 3.00% to 9.50%. Outstanding loan balances are due and payable immediately upon termination of employment.

Vesting

All participants are 100% vested in their pre-tax and rollover accounts, and any earnings thereon.

Any matching contributions made by the Sponsor vest at the rate of 20% per year beginning with the first year of service. Therefore, a participant who has five years of service will be fully vested in any matching contributions. However, if a participant reaches age 65 or either dies or becomes disabled while an employee of one of the participating employers, any matching account balance automatically becomes 100% vested.

Participants who terminate employment prior to becoming 100% vested in their matching account balances and are re-employed before incurring five consecutive one-year breaks in service will have any amounts forfeited at the time of the initial termination restored if any vested matching account balance which was previously paid out is repaid to the Plan before the end of a five year period that begins on the re-employment date. Under these circumstances, both pre-break and post-break service will count in determining the vesting percentage in any pre-break account balance.

If a participant terminates employment prior to becoming 100% vested in any matching account balance and is re-employed only after incurring five consecutive one-year breaks in service, the post-break service will not count in determining the participants' vesting in any pre-break account balance.

Only whole years of employment will be counted to compute Years of Service for vesting purposes (i.e., years of employment will be rounded down to the nearest whole number of years).

Forfeitures

Any forfeitures that result from participants who terminate employment before they are 100% vested in their matching accounts will be retained in the Plan and first be used to pay administrative expenses. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $3,758 and $5,196, respectively.

Plan expenses

The participating employers bear certain costs of plan administration.

Plan termination

Although the Sponsor has not expressed any intent to do so, it may terminate the Plan at any time, subject to the provisions of ERISA. In the event of plan termination all participants would become 100% vested in their sponsor matching account balances.

Note 2 – Summary of significant accounting policies

Method of accounting

The Plan maintains its accounting records and prepares its financial statements on the accrual basis of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan documents.

Payment of benefits

Benefits are recorded as paid.

Allocations to participants' accounts

Individual accounts are maintained for each participant, which are separated into the various investment fund components and a participant loan component, if the participant has an outstanding loan. Separate accounts are also maintained for any rollover and matching contributions.

Income for each fund is allocated to each participant's account monthly in proportion to each participant's account balance. The income allocation is based on the actual monthly yield for the Plan.

Accounting estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Note 3 – Fair value measurements

The Plan uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The classification of a fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These levels include:

Level 1 – observable inputs such as quoted prices in active markets for identical assets and liabilities;

Level 2 – observable inputs such as quoted market prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, other inputs that are observable or can be corroborated by observable market data; and

Level 3 – unobservable inputs for which there are little or no market data, which require the reporting entity to develop its own assumptions.

The following is a description of the valuation methodology used for the Plan's investments. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies

These investments are public investment vehicles valued using the Net Asset Value ("NAV"). The NAV is a quoted price in an active market. Registered investment companies are classified within Level 1 of the valuation hierarchy.

All of the Plan's investments for 2025 and 2024 are classified as Level 1, within the fair value hierarchy, at December 31.

Note 4 – Information prepared and certified by the Plan's trustees

The following information included in the Plan's financial statements and supplemental schedule was derived from data that has been certified by the trustees of the Plan, as being complete and accurate and has been furnished to the Plan administrator.

	2025	2024
Registered investment companies	$ 29,338,322	$ 26,767,335
Notes receivable from participants 3.00% to 9.50% for 2025 and 2024	$ 22,199	$ 41,117

Additions to net assets attributable to assets held by the trustee for the year ended December 31, 2025:

Net appreciation in fair value of registered investment companies	$ 3,209,513
Dividends from registered investment companies	$ 1,464,885
Other income	$ 56,961
Interest income on notes receivable from participants	$ 4,234

Note 5 – Tax status

The Plan received a determination letter from the Internal Revenue Service ("IRS") dated October 6, 2020, in which the IRS stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the IRS. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore believe that the Plan is qualified, and the related trust is tax-exempt. Accordingly, no provision has been made for federal income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 6 – Risks and uncertainties

The Plan provides for various investment options, including investments in stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities could occur in the near term and those changes could materially affect participant account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 7 – Related parties

Affiliates of the trustee provide recordkeeping services to the Plan. The administrative fees associated with the recordkeeping services qualify as party-in-interests transactions. Notes receivable from participants are also considered party-in-interest transactions.

Note 8 – Subsequent events

The Plan has evaluated subsequent events through September 23, 2026, the date the financial statements were available to be issued.

(1) ☐ This form is filed for a CCT, PSA, or MTIA. **(2)** ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	**5b(2)** EIN(s)	**5b(3)** PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ..... ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.
