INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
The Argen Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Argen Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Argen Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

PKF San Diego, LLP is a member of PKF Global, the network of member firms of PKF International Limited, and Allinial Global, each of which is a separate and independent legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s).

independent of The Argen Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Argen Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Argen Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Argen Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at Year End) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

Description of Plan

The following description of The Argen Corporation 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) retirement plan, established as of January 1, 1993 and restated in November 2015, to provide retirement benefits for substantially all employees of The Argen Corporation (the "Company" or "Employer"). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (the "Code") and similar state tax laws.

Eligibility

The Plan covers all employees of the Company who have attained age twenty-one and those that are eligible are then auto enrolled into the Plan for Company benefits on the first day of the month after 60 days of service. The enrollment date following eligibility is the first day of each month as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participant Contributions

Each year, participants may contribute from 1% to 100% of their compensation on a pretax basis, as defined in the Plan, up to $23,500 for the year ended December 31, 2025. Participants who have attained age 50 or 64 and older before the end of the Plan year are eligible to make additional catch-up contributions of $7,500 (for a total of $31,000 in 2025). Participants who have attained age 60 to 63 before the end of the calendar year are eligible to make catch-up contributions of $11,250 (for a total of $34,750 in 2025). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover contributions").

Employer Contributions

The Employer may make an annual discretionary matching and non-elective contribution in an amount determined at the end of the prior Plan year end. Participants are eligible for Employer contributions upon eligible enrollment into the Plan. For the year ended December 31, 2025, the Employer made discretionary matching contributions of 33% of the participant's eligible compensation up to a maximum of $1,500. There were no non-elective contributions for the year ended December 31, 2025. Employer contributions are made on a pay period by pay period basis.

Rollover Contributions

The Plan provides for rollover contributions, which represents contributions by participants from other tax-qualified retirement plans. The maximum amount of a participant's rollover contribution is not affected by the limits otherwise applicable to participant contributions.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Separate accounts are maintained for each participant. Each participant's account is credited with the participant's salary reduction, rollover contributions, the Employer's discretionary and non-elective matching contributions, the participant's share in the Plan's earnings and losses, and charged with an allocation of administrative expenses which are allocated proportionately among all participants based on their investment in each fund. Plan earnings and losses are allocated proportionately based on each participant's investment in each fund. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their contributions to the Plan plus actual earnings thereon. Participants become vested in the Employer's contributions and earnings thereon at a rate of 100% vesting after 1 year of credited service. A participant automatically becomes fully vested in the entire balance of his or her account upon retirement, death, disability or termination of the Plan.

Forfeited Accounts

Upon termination of employment, the unvested portion of a participant's Employer contribution account is forfeited. Amounts representing forfeitures of Employer matching contributions and non-elective contributions shall be used to pay administrative expenses or reduce Employer contributions to the Plan. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $10 and $47,953, respectively. In 2025, $52,973 forfeitures were used to reduce Employer contributions or pay administrative expenses.

Uncashed Distribution Checks

Certain distribution checks issued to participants that remain uncashed for a specified period are returned to the Plan and maintained in a separate account. These amounts remain available for reissuance to the applicable participant or beneficiary upon request. The amounts held in this account are not available for payment of Plan administrative expenses or reduction of employer contributions. At December 31, 2025 and 2024, account balance totaled $31,620 and $13,006, respectively, which are included in Plan assets at year end.

Notes Receivable from Participants

Participants may request to borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans have a term of up to 5 years for general loans. Loans have a term of up to 15 years for the purchase of a primary residence. The loans are secured by the balance of the participant's account and bear interest at rates set forth by the Plan Administrator which approximate the prevailing market rates of interest. The interest rates on outstanding participant loans ranged from 4.25% to 9.50% at December 31, 2025 and 2024. Principal and interest is paid ratably through monthly payroll deductions.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

Upon disability, retirement, termination, or death, participants may elect to receive a distribution of their account (as defined) in lump sum or defer distribution if the account exceeds $5,000. However, if such a participant's vested account balance is less than $5,000, but greater than $1,000, the Plan Administrator may roll the balance into an individual retirement account. Also, at its discretion, the Plan Administrator may elect to distribute vested account balances of less than $1,000. Generally, initial distributions must begin the later of the April 1 of the calendar year following the year in which the participant attains the age of 73 or retires.

Hardship Withdrawals

Participants may withdraw their vested contributions in the event of hardship as defined in the Plan agreement.

Administrative Expenses

The Company pays expenses incurred for the administration and operation of the Plan. Other administrative fees associated with distributions and loans are paid by the participants. For the year ended December 31, 2025, administrative expenses paid by the Plan were $69,441.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contribution accounts. In the event of Plan termination, all amounts credited to accounts of participants shall be paid to each participant in accordance with the Plan agreement.

SECURE 2.0 Act of 2022

The Plan has implemented certain requirements of the SECURE 2.0 Act of 2022 ("SECURE 2.0"). Participants who have attained age 60 to 63 before the end of a calendar year are eligible to make additional catch-up contributions in place of their normal catch-up limit. Future provisions will be adopted at later dates, as necessary, to comply with the requirements of SECURE 2.0.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value and contract value. See Note 4 for discussion of fair value measurements and Note 5 for discussion of contract value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends (if declared) are recorded on the ex-dividend date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses on those investments bought and sold during the year and the unrealized appreciation or depreciation on investments held at year end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Benefits Due to Terminated Participants

Funds due to participants that have terminated employment, but have not yet been distributed are not presented as liabilities in the statements of net assets available for plan benefits. They are reflected in the statement of changes in net assets available for plan benefits when paid. As of December 31, 2025 and 2024, there were no amounts payable to terminated Plan participants.

Subsequent Events

The Plan Administrator has evaluated subsequent events, as defined by Financial Accounting Standards Board (‘’FASB’’) Accounting Standards Codification (‘’ASC’’) 855, *Subsequent Events*, through the date that the financial statements were available to be issued on September 29, 2026.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEES

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, certain information prepared and certified by a qualified institutions need not be audited or reported on by an independent auditor. Pursuant to that regulation, the Plan Administrator has instructed the independent auditors not to perform any auditing procedures with respect to information certified by ADP Retirement Trust Services, LLC, the current Trustee, and Reliance Trust Company, the former Trustee (the "Trustees"), as of December 31, 2025 and 2024, and for the year ended December 31, 2025.

The Trustees have certified to the Plan Administrator that the following information is complete and accurate as of December 31, 2025 and 2024, and for the year ended December 31, 2025:

Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.

Dividends, interest and other income, and net appreciation in fair value of investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

Investments reflected on the supplemental schedule of assets (held at year end) as of December 31, 2025.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan investments are reported at fair value in the accompanying statements of net assets available for benefits. Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, accounting rules for fair value measurements establish a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible as well as considers counterparty credit risk in its assessment of fair value. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the valuation methodologies used for assets measured at fair value.

Mutual Funds

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the mutual fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There was no change in the fair value methodology used at December 31, 2025 and 2024.

The following summarizes the investments by classification and method of valuation, within the fair value hierarchy, in accordance with the requirements of FASB ASC 820, *Fair Value Measurements and Disclosures*, as of December 31, 2025 and 2024:

	December 31, 2025			
		Fair Value Measurements at Reporting Date Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 31,301,064	$ 31,301,064	$ -	$ -

	December 31, 2024			
		Fair Value Measurements at Reporting Date Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 25,401,325	$ 25,401,325	$ -	$ -

NOTE 5 - STABLE VALUE FUND

The Putnam Stable Value Fund ("Fund"), a common/collective trust fund, invests in guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions; security-backed investment contracts, including separate account products of insurance companies; and in money-market, cash, cash equivalents and short-term bonds. The objective of the Putnam Stable Value Fund is to deliver intermediate bond like returns with money market liquidity. There are no unfunded commitments, withdrawal restrictions, redemption notice requirements or other redemption restrictions as of December 31, 2025 and 2024. The Fund may be redeemed daily. The Fund is benefit responsive, and thus, is reported at contract value. The fair value of the Fund as of December 31, 2025 and 2024, was $2,234,331 and $2,648,788.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - TAX STATUS

The Plan utilizes a Defined Contribution Volume Submitter Plan of a third-party administrator. The third-party administrator obtained its latest advisory letter on July 16, 2014, in which the Internal Revenue Service ("IRS") stated that the document is designed and in compliance with the applicable requirements of the Code. Although the document has been amended and restated since receiving this determination letter, the Plan Administrator, the Plan's Trustee and third-party administrator believe the Plan is designed and currently operating in compliance with the applicable requirements of the Code; and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authority. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee, therefore, these transactions qualify as exempt party-in-interest transactions. All other transactions, which may be considered exempt parties-in-interest transactions, relate to normal Plan management and administrative services.

NOTE 9 - RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as presented in the financial statements to the Form 5500, as of December 31, 2025 and 2024:
