To the Plan Administrator of Buckeye Home
Health Care 401(k) Profit Sharing Plan
Dayton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of the Buckeye Home Health Care 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Buckeye Home Health Care 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Buckeye Home Health Care 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Buckeye Home Health Care 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements - Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buckeye Home Health Care 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buckeye Home Health Care 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedules Required by ERISA - Continued

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DESCRIPTION OF PLAN

The following brief description of the Buckeye Home Health Care 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Buckeye Home Health Care, LLC (the Company), LTM Group, LLC, Buckeye Home Health Care of Cincinnati, Buckeye Home Health Care of Columbus, Residence Home Care LLC, and Senior Pathways Consultants who have one year of service and are age 21 and over. Upon satisfaction of the eligibility requirements, employees may enter the Plan as soon as they are eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan provides for employee salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for safe harbor contributions to the Plan from the Company. The safe harbor contributions are 100% of elective deferrals up to 3% of the employee's eligible compensation and 50% of elective deferrals for the next 2% of employee's eligible compensation. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Code (IRC).

The Company also has the option of making additional discretionary contributions to the Plan upon the approval of the Company's management. Contributions are subject to certain limitations. For the years ended December 31, 2025 and 2024, the Company did not make any discretionary contributions to the Plan.

Participant Accounts

Separate accounts are maintained for each participant. Each participant's account is credited with the participant's voluntary contribution, rollover contributions, any safe harbor matching, or discretionary contributions made by the Company, and earnings or losses on those contributions. Company contributions are allocated based on participants' compensation as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all employee contributions, plus actual earnings or losses thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service with 0% vested after 1 year of service and 20% vested for each additional year of service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their vested account balance, up to 50%, not less than $1,000 and not to exceed $50,000. Loans bear interest at prime rate at the time of issuance. Terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

DESCRIPTION OF PLAN - Continued

Payment of Benefits
Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance or remain in the Plan. For termination of service due to death, the participant's account becomes fully vested and the beneficiary will receive distribution equal to the participant's account. All disbursements are paid in a lump-sum. If the participant's account balance is $1,000 or less, the Plan administrator may elect to automatically distribute the balance to the participant in a single-sum payment.

In addition, participants may receive distributions of the employee deferral amount for qualified financial hardships. However, only salary deferrals may be distributed to participants that qualify for hardship. Earnings on salary deferrals and contributions made by the Company may not be distributed to the participants that qualify for hardship.

Forfeited Accounts
Forfeitures represent the non-vested portion of employer contributions to accounts of former participants. There was no balance in the account at December 31, 2025 and 2024. Forfeitures are used to pay Plan expenses or to reduce Company contributions. During the years ended December 31, 2025 and 2024, forfeitures were used to reduce Company contributions.

Administrative Expenses
The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan document.

Investment Options
Upon enrollment in the Plan, a participant may currently direct contributions in any of the various investment options offered by the Plan. Participants may change their investment options at any time.

Plan Termination
The Company reserves the right at any time to amend or terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, all participants will become fully vested in the employer portion of contributions.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan prepares its financial statements using the accrual basis of accounting. Following are the significant accounting policies followed by the Plan:

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions
Contributions are recorded as earned on the accrual basis when withheld from the participant's earnings.

Payment of Benefits
Benefits are recorded when paid.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition
Investments are recorded at fair value or its equivalent, using a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. See "FAIR VALUE MEASUREMENTS" note for further discussion and disclosure related to fair value measurements. Purchases and sales of securities are recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net investment income includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Income Taxes
The Plan is exempt from income taxes as a profit sharing plan under Internal Revenue Service Code Section 401(k). Accordingly, no provision for income taxes has been presented in the accompanying financial statements.

The Plan complies with Accounting Standards Codification (ASC) 740-10 related to uncertain tax positions. The standard prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. Plan administration is not aware of any tax positions taken by the Plan on its tax returns that they consider to be uncertain.

Use of Estimates
The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on the Plan administrator's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

Risks and Uncertainties
The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INCOME TAX STATUS

Effective January 1, 2014, the Company adopted a volume submitter defined contribution plan with cash or deferred arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014. The opinion stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended and restated as of January 1, 2020. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

CERTIFIED INFORMATION

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected to restrict the scope of the auditor's examination with regard to investments or information prepared and certified by Empower Annuity Insurance Company, the trustee. Empower Annuity Insurance Company acted as the trustee and held the Plan's investments and executed all investment transactions for the years ended December 31, 2025 and 2024. Empower Annuity Insurance Company has certified as to the completeness and accuracy of the investments held, changes in net assets arising from investment activity, and the schedule of assets held at the end of the year as of and for the years ended December 31, 2025 and 2024.

PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of funds managed by the Plan's custodians, as is customary in retirement plans. As a result, these transactions qualify as party-in-interest transactions. Additionally, the Plan uses Trinity Pension Consultants as the investment advisor and third-party administrator. These transactions also qualify as party-in-interest. Administrative expenses paid to these parties amounted to $75,927 and $32,022 during the years ended December 31, 2025 and 2024, respectively.

RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and changes in net assets available for benefits reported on the financial statements compared to amounts reported on the Form 5500 for 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 7,573,536	$ 5,742,250
Less: deemed distributed loans	(3,156)	-
Net assets available for benefits on Form 5500	$ 7,570,380	$ 5,742,250
Increase (decrease) in net assets per the financial statements	$ 1,831,286	$ 833,782
Less: deemed distributed loans	(3,156)	-
Increase (decrease) in net assets on Form 5500	$ 1,828,130	$ 833,782

FAIR VALUE MEASUREMENTS

The Plan complies with ASC 820, *Fair Value Measurements and Disclosures*, to account for and report fair value. ASC 820 provides a single definition of fair value, a framework for measuring fair value and expanded disclosures concerning fair value. It also defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Fair value of certain assets and liabilities are determined based on the fair value hierarchy established in the standard, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The standard describes three levels within its hierarchy that may be used to measure fair value which are:

Level 1
Values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2
Values are based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3
Values are generated from unobservable inputs that are supported by little or no market activity and that are a significant component of the fair value of the assets or liabilities. These unobservable inputs would reflect management's estimates of assumptions that market participants would use in pricing related assets or liabilities. Valuation techniques might include the use of pricing models, discounted cash flow models or similar techniques.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the classification of fair value assets and liabilities within the fair value hierarchy levels.

Money market funds
Valued at the closing price reported by the fund sponsor from an observable input, such as the value of underlying assets or other quoted prices, which can be used to estimate fair value.

FAIR VALUE MEASUREMENTS - Continued

Collective investment trusts
Collective investment trusts represent investments in collective investment trusts for the years ended December 31, 2025 and 2024, respectively. Collective investment trusts are valued at the net asset value (NAV) of the trust's units.

The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient would not be used if it was determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of its holdings in the trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that the securities liquidation will be carried out in an orderly business manner. The collective investment trusts have a daily redemption frequency, a redemption notice period of one year and no unfunded commitments.

Pooled separate accounts
Investments in pooled separate accounts are valued using the NAV as of the reporting date, which is the basis for current transactions. The NAV is used as a practical expedient to estimate fair value. Pooled separate accounts are valued based on the underlying investments (i.e., common stock, mutual funds, and short-term securities) in the separate account as reported by the custodian. While the majority of the underlying asset values are based on quoted prices, NAV of the pooled separate accounts are not publicly quoted. The NAV is reported as of the financial statement date based on recent transaction prices. The pooled separate accounts held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Fair Value Measurements Using:				
	Level 1	Level 2	Level 3	Funds at NAV (1)	Total
December 31, 2025					
Money market fund	$ -	$ -	$ -	$ -	$ -
Collective investment trusts	-	-	-	7,327,175	7,327,175
Total	$ -	$ -	$ -	$ 7,327,175	$ 7,327,175
December 31, 2024					
Money market fund	$ -	$ -	$ -	$ -	$ -
Collective investment trusts	-	-	-	5,495,069	5,495,069
Total	$ -	$ -	$ -	$ 5,495,069	$ 5,495,069

FAIR VALUE MEASUREMENTS - Continued

(1) In accordance with ASC 820-10, an investment measured at fair value using NAV as the practical expedient are not required to be classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The plan did not have any transfers between levels in either year presented.

SUBSEQUENT EVENTS

Subsequent events were evaluated through September 23, 2026, which is the date the financial statements were available to be issued.
