Independent Auditor's Report

Board of Directors
Government Employees Health Association, Inc.
Voluntary Welfare Benefit Plan
Lee's Summit, Missouri

Opinion

We have audited the financial statements of the Government Employees Health Association, Inc. Voluntary Welfare Benefit Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan's benefit obligations of the Plan as of December 31, 2025 and 2024, and changes in its net assets available for benefits and plan's benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Government Employees Health Association, Inc. Voluntary Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Voluntary Welfare Benefit Plan
Notes to Financial Statements
December 31, 2025 and 2024

Note 1: Description of the Plan

General

The Government Employees Health Association, Inc. Voluntary Dental Plan, known as G.E.H.A Connection Dental Plus, was organized as a division of Government Employees Health Association, Inc. (G.E.H.A) during 1997 for the purpose of providing dental care benefits to its members. Effective August 1, 2016, the Voluntary Dental Plan was restated and renamed the Government Employees Health Association, Inc. Voluntary Welfare Benefit Plan (the Plan). The purpose of the Plan is to provide a single comprehensive employee welfare benefit plan offering dental and vision benefits to federal employees. Effective April 2018, Government Employees Health Association, Inc. Voluntary Welfare Benefit Plan established a trust to provide for the payment of dental and vision, and such other benefits designed to enhance the health and welfare of such employees, retired employees and their dependents.

Members make voluntary contributions to participate in the Connection Dental Plus dental benefits. Voluntary contributions are determined by G.E.H.A management and their consulting actuaries at least annually. Voluntary contributions for the Connection Dental Plus totaled $5,416,756 and $5,548,744 during the years ended December 31, 2025 and 2024, respectively.

G.E.H.A provides the contribution to the Plan to allow G.E.H.A members to participate in the vision benefits. Vision plan contributions totaled $7,904,224 and $8,168,366 with an offsetting benefit paid to an insurance carrier totaling $7,904,224 and $8,168,366 as of December 31, 2025 and 2024, respectively. In addition to the Vision plan contributions, G.E.H.A committed to $500,000 to the Plan to ensure adequate liquidity as of December 31, 2025, and will continue to provide the necessary funding to ensure that the Plan will meet all future obligation.

In 2019, G.E.H.A began offering a dental discount benefit to Plan members. Voluntary contributions from this dental discount plan totaled $32,466 and $59,651 during the years ended December 31, 2025 and 2024, respectively.

All of the plans are intended to comply with and be governed by the *Employee Retirement Income Security Act of 1974* ("ERISA") and not by state law. Therefore, state law governing guarantee of funds may not cover benefits payable under the Plan if the Plan is unable to pay benefits.

Each benefit has a separate brochure which provides a Summary Plan Description ("SPD") and contains a summary of related benefits under the Plan. Each benefit's SPD, and any amendments, constitute the governing documents of the Plan.

The requirements for being covered under the Plan, the provisions concerning termination of coverage, a description of benefits (including any limitations and exclusions), the procedures to be followed in presenting claims for benefits and remedies available for review of denied claims or other final actions are outlined in the benefits brochures.

The Plan is qualified under the appropriate section of the Internal Revenue Code, and G.E.H.A intends to continue it as a qualified plan. G.E.H.A intends to maintain the Plan indefinitely. However, G.E.H.A has the right to modify or terminate the Plan at any time, and for any reason, as to any part or in its entirety, without advance notice. If the Plan is amended or terminated, members will not receive benefits described in the terminated benefits brochure after the effective date of such amendment or termination. Any such amendment or termination shall not affect their right to benefits or claims incurred prior to such amendment or termination. If the Plan is amended, members may be entitled to receive different benefits or benefits under different conditions. However, if the Plan is terminated, all benefit coverage would end. This may happen at any time, and in no event do members become entitled to any vested rights under the Plan.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

G.E.H.A considers all liquid investments with original maturities of three months or less to be cash equivalents. At December 31, 2025 and 2024, cash equivalents consistent primarily overnight repurchase agreements. The repurchase agreements are collateralized by United States Treasury securities.

Claim Payments and Claims Incurred but not Reported

Claim payments made on behalf of participants are recorded upon distribution. Management estimates a liability for claims incurred but not reported for the claims arising prior to the end of the year which are either unreported or unpaid. The estimate is based on historical claims cost per member patterns but also considers changes in coverages, benefits, refunds, discounts and subrogation trends currently being experienced by G.E.H.A. The estimated claims incurred but not reported obligation was $592,000 and $469,000 as of December 31, 2025 and 2024, respectively.

Unearned Voluntary Member Contributions

Unearned voluntary member contributions represent amounts received from members in advance of the period for which benefits are being provided by G.E.H.A.

Income Taxes

G.E.H.A is exempt from income taxes under Section 501(c)(9) of the Internal Revenue Code and a similar provision of state law.

Note 3: Significant Estimates and Concentrations

Accounting principles generally accepted in the United States of America require disclosure of certain significant estimates and current vulnerabilities due to certain concentrations. Those matters include the following:

Incurred but not Reported Claims

Note 2 describes the estimate made by management for claims incurred but not reported totaling $592,000 and $469,000 at December 31, 2025 and 2024, respectively. The amount of actual claims incurred but not reported could differ materially from the estimates reflected in these financial statements.

Major Source of Revenue

Substantially all of G.E.H.A's Connection Dental Plus revenues derive from voluntary contributions from federal employees and retirees. Recently, there has been an administration change within the executive branch of the federal government which is exercising efficiency measures within various government agencies. The results of any efficiency plans are unknown at this time but could be material to the operations of G.E.H.A.

Major Claims and Administrative Processing Services

Effective January 1, 2025, G.E.H.A contracted with United Medical Group (UMR), a subsidiary of UnitedHealthCare (UHC), for the delivery of certain business services, including claims processing. Net expenses under this contract represented approximately 11 percent of G.E.H.A's administrative expenses for the year ended December 31, 2025.

Note 4: Party-in-Interest Transactions

As discussed in *Note 1*, the Plan was organized as a division of G.E.H.A. The interdivisional payable represents the difference between the amounts collected over amounts disbursed by G.E.H.A on behalf of the Plan. Administrative expenses include direct costs of the Plan plus certain indirect costs allocated to the Plan based on allocation methods approved by the Office of Personnel Management. As of December 31, 2025 and 2024, the interdivisional payable totaled $1,200,791 and $1,473,197, respectively.

Note 5: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to the Form 5500:
