Management, having determined it is permissible in the circumstances, has elected to have the audits of WireCrafters, LLC 401(k) Profit Sharing Plan & Trust Agreement's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WireCrafters, LLC 401(k) Profit Sharing Plan & Trust Agreement and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WireCrafters, LLC 401(k) Profit Sharing Plan & Trust Agreement's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WireCrafters, LLC 401(k) Profit Sharing Plan & Trust Agreement's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WireCrafters, LLC 401(k) Profit Sharing Plan & Trust Agreement's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WIRECRAFTERS, LLC 401(K) PROFIT SHARING PLAN & TRUST AGREEMENT
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of the WireCrafters, LLC 401(k) Profit Sharing Plan & Trust Agreement (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL – The Plan is a defined contribution plan covering substantially all employees of WireCrafters, LLC (Company) who are employed for 90 days. All employer contributions are discretionary. Employees are eligible for the Company's match once the service requirement has been met. Employees who have completed 1,000 hours of service during the year and are employed on the last day of the Plan year are eligible to receive the Company's additional matching and profit-sharing contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is responsible for the oversight of the Plan.

CONTRIBUTIONS – Each year, participants may contribute up to the dollar amount set by law of their annual compensation, as defined by the Plan, either with pre-tax or after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company's matching contribution and profit-sharing contribution are discretionary and are determined annually. During the year ended December 31, 2025, the Company's matching contribution was $496,100 and profit-sharing contribution was $638,199. Contributions are subject to certain IRS limitations. The Company's additional matching and profit-sharing contributions were remitted to the Plan before the Plan's year end and were allocated to the participants' accounts subsequent to the Plan's year end.

PARTICIPANT ACCOUNTS – Each participant's account is credited with the participant's contributions and Company's matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may choose to invest among various participant directed funds or they may choose a Personal Choice Retirement Account (PCRA), both through Charles Schwab Trust Bank (Schwab). Participants who choose the PCRA may invest in any type of investment available through Schwab, including bonds, stocks, and mutual funds. The Company absorbs any significant costs of the participant directed funds' accounts administration, but participants who choose the PCRA must pay any Schwab management fees from retirement assets.

VESTING – Participants are vested immediately in their contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service or upon death or disability.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. A participant may only have one loan outstanding at a time. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the Prime Rate, as defined. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS – On termination of service due to retirement, a participant may elect to receive a lump sum distribution equal to the value of the participant's vested interest in his or her account. On termination of service due to death, the designated beneficiary will receive a distribution under the method that is applicable in the current IRS guidelines.

For terminated participants whose vested account balances are over $5,000, the participant may elect to receive a lump sum distribution in cash or a rollover. For accounts with vested balances under $5,000 (excluding amounts rolled over into the Plan), the entire vested balance will be rolled over to an IRA without the participant's consent, if the participant does not make an election by the required date.

FORFEITED ACCOUNTS – As of December 31, 2025 and 2024, there were no forfeited nonvested accounts. Forfeitures may be used at the Company's discretion. In 2025, forfeitures from nonvested accounts of $48,809 were used to reduce the Company's contributions and were allocated to participants' accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING – The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION – Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

CONTRIBUTIONS – Contributions from Plan participants and the Company's matching contributions are recorded in the year in which the employee contributions are withheld from compensation. The Company's profit-sharing contribution is recorded in the year in which the profit was earned.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

PAYMENT OF BENEFITS – Benefits are recorded when processed and approved for payment by the Plan. There were no benefits payable as of December 31, 2025. Benefits payable were $11,874 as of December 31, 2024.

EXPENSES – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments or as administrative expenses. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Corporate bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities & Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

U.S. government securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

Investments at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 30,661,705	$		$ 30,661,705
Collective investment trust		2,351,351		2,351,351
Personal choice retirement accounts	1,125,964			1,125,964
Investments at fair value	**$ 31,787,669**	**$ 2,351,351**		**$ 34,139,020**

Investments at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 26,230,874	$		$ 26,230,874
Collective investment trust		2,081,145		2,081,145
Personal choice retirement accounts	1,137,013			1,137,013
Investments at fair value	**$ 27,367,887**	**$ 2,081,145**		**$ 29,449,032**

There were no unfunded commitments or redemption restrictions related to the collective investment trust as of December 31, 2025 or 2024.

NOTE 4 – CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, dividends, capital gains, interest income on notes receivable from participants, and administrative expenses for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (the trustee of the Plan), a qualified institution.

NOTE 5 – INVESTMENT CONTRACT WITH RELIANCE TRUST COMPANY

The Plan has a traditional fully benefit-responsive investment contract with Reliance Trust Company, National Association (Reliance) totaling $3,704,461 for 2025 and $3,410,743 for 2024. Reliance maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The trust company may terminate the guaranteed investment contract prior to the scheduled maturity date if certain conditions are met, per the contract.

This contract meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Reliance, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include the breach of any representation, warranty, or agreement by the Plan.

NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Charles Schwab Trust Bank, which acts as the Plan's custodian and trustee, both as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions.

EPIC Retirement Plan Services (EPIC) serves as the third-party administrator, performing the record keeping services and compliance testing for the Plan. Therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for the investment management services are included in administrative expenses and are allocated to participants' accounts. The Company pays directly any other fees related to the Plan's operations.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 25, 2026, the date the financial statements were available to be issued.
