INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Kimber Mfg., Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We were engaged to perform an audit of the financial statements of **Kimber Mfg., Inc. 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

"Assurance Dimensions" is the brand name under which Assurance Dimensions, LLC including its subsidiary McNamara and Associates, LLC (referred together as "AD LLC") and AD Advisors, LLC ("AD Advisors"), provide professional services. AD LLC and AD Advisors practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. AD LLC is a licensed independent CPA firm that provides attest services to its clients, and AD Advisors provide tax and business consulting services to their clients. AD Advisors, and its subsidiary entities are not licensed CPA firms.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

"Assurance Dimensions" is the brand name under which Assurance Dimensions, LLC including its subsidiary McNamara and Associates, LLC (referred together as "AD LLC") and AD Advisors, LLC ("AD Advisors"), provide professional services. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

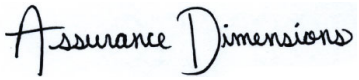

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2024 Financial Statements

The financial statements of Kimber Mfg., Inc. 401(k) Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution.

"Assurance Dimensions" is the brand name under which Assurance Dimensions, LLC including its subsidiary McNamara and Associates, LLC (referred together as "AD LLC") and AD Advisors, LLC ("AD Advisors"), provide professional services. AD LLC and AD Advisors practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. AD LLC is a licensed independent CPA firm that provides attest services to its clients, and AD Advisors provide tax and business consulting services to their clients. AD Advisors, and its subsidiary entities are not licensed CPA firms.

Their report dated September 15, 2025 indicated in their opinion that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note A – Description of Plan

The following description of the Kimber Mfg., Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan covering all employees of Kimber Mfg., Inc. (the "Company" or "Employer"). The Plan was formed and adopted on January 1, 1998, and most recently restated effective June 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

All employees who are at least 18 years of age are immediately eligible to participate in the Plan upon completion of 3 months of service, with the exception of employees covered by a collective bargaining agreement and nonresident aliens who do not receive any earned income from the Employer that constitutes United States source income. Eligible participants may enter the Plan on the first day of each month.

Administration

The Plan's assets are maintained and administered by Fidelity Management Trust Company (the "Custodian"). Contributions are held by Custodian who invests cash received, interest and dividend income, as directed by the participant, and makes distributions to participants.

Contributions

Participants may contribute up to 90% of their pre-tax annual compensation, as defined in the Plan, subject to limitations imposed by the Internal Revenue Code ("IRC"). The maximum participant deferral for the year ended December 31, 2025 was $23,500. A participant who has attained the age of 50 may also make catch-up contributions, subject to Internal Revenue Service ("IRS") limitations of $7,500 for the year ended December 31, 2025. For participants aged 60 – 63, they are permitted to make a catch-up contribution up to $11,250. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit plans as well as Roth elective deferrals. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company matches 50% of the first 5% of each participant's elective contribution. Additional discretionary profit-sharing amounts may be contributed at the option of the Company. There were no profit-sharing contributions to the Plan for the year ended December 31, 2025.

Upon satisfying the eligibility requirements, and in the event a deferral election has not been made, employees are automatically enrolled in the Plan initially at 5% deferral of compensation. The Plan will automatically increase the participant's deferral percentage by 1% each year on January 2, up to a maximum of 10%. This automatic increase does not apply to participants who have made an affirmative deferral election.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions, if applicable. Each participant's account is allocated earnings, gains, expenses, and losses based on the underlying investments of the participant's account. Allocations of Plan earnings or losses are based on each participant's investment fund balance in proportion to the total investment fund balance.

Note A – Description of Plan (continued)

Vesting

Vesting is based on years of service. Participants are immediately vested in their voluntary contributions, rollovers, and actual earnings thereon. A participant is fully vested in matching and nonelective contributions upon retirement, death, or total and permanent disability, and after five years of credited service as follows:

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, or other acceptable collateral, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The maximum note repayment period is five years unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. In the event of default, the unpaid portion of the participant's loan will be treated as a taxable distribution as of the last day of the calendar quarter following the calendar quarter in which the participant made their last payment.

Distribution of Benefits

After age 59 ½, upon termination of service due to death, as a qualified reservist, disability or retirement, a participant may elect to receive a lump-sum amount, partial payments or installments equal to the value of the participant's vested interest in his or her account paid over various periods, as defined in the Plan agreement, less any applicable taxes. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If a participant's vested balance is $7,000 or less, the Company may distribute the entire vested account balance to the participant without their consent.

Forfeitures

Forfeitures occur when a participant terminates employment and has not vested in a portion of the Company's contribution amount. Forfeitures may be applied to reduce Employer contributions and Plan expenses. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled approximately $400 and $300, respectively. The Plan utilized forfeitures to pay for Employer contributions and Plan expenses in the amount of approximately $397,000 during the year ended December 31, 2025.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each participant's account will become fully vested and non-forfeitable. All appropriate accounting provisions of the Plan will continue to apply until the accounts of all participants have been distributed.

Note B – Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of changes in net assets during the reporting period. Such estimates include those regarding fair value. Actual results could differ from these estimates.

Valuation of Investments

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of mutual funds are valued at the quoted market prices of the shares held by the Plan at year end. The Plan's interest in the common collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Fair Value Measurements

The FASB has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note B – Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the Plan years ended December 31, 2025 and 2024.

Interest-bearing cash: Valued at amortized cost, which approximates fair value. The amortized cost of an instrument is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued at NAV provided by the Custodian. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments to purchase investments at December 31, 2025 and 2024. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets Measured at Fair Value at 12/31/2025	Quoted Prices in Active Markets (Level 1)
Interest-bearing cash	$ 730	$ 730
Mutual funds	30,977,180	30,977,180
Total assets in the fair value hierarchy	30,977,910	30,977,910
Investments measured at net asset value	2,255,688	
Total investments at fair value	$ 33,233,598	

	Assets Measured at Fair Value at 12/31/2024	Quoted Prices in Active Markets (Level 1)
Mutual funds	$ 29,084,333	$ 29,084,333
Total assets in the fair value hierarchy	29,084,333	29,084,333
Investments measured at net asset value	1,969,994	
Total investments at fair value	$ 31,054,327	

Investments measured using NAV as a practical expedient are exempt from being presented in the fair value hierarchy.

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the Fidelity Management Trust Company, a qualified institution. As of December 31, 2025 and 2024 and for the year ended December 31, 2025, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Fidelity Management Trust Company, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Income Tax Status

The Plan has received a determination letter from the IRS dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Subsequent to the issuance of the determination letter, the Plan was amended. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is no longer subject to examination by taxing authorities for years prior to 2022.

Note E – Risks and Uncertainties

The Plan provides for various investment options which are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note F – Party-In-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or participants of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain Plan investments and the related transactions were in investment funds managed by the Custodian; therefore, these investments and transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid to parties-in-interest by the Plan for services amounted to approximately $103,000 during the year ended December 31, 2025.

Note G – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2025	2024
Nets assets available for benefits per the financial statements	$ 33,864,679	$ 31,822,686
Add: excess contributions payable	9,825	-
Less: adjustment to fair value for managed income Portfolio fund	-	(106,023)
Net assets available for benefits per Form 5500	$ 33,874,504	$ 31,716,663

The following is a reconciliation of total additions per the financial statements to the Form 5500 for the year ended December 31, 2025:

Total additions per financial statements	$ 7,418,957
Add: adjustment from contract value to fair value for fully-benefit responsive investment contracts at December 31, 2024	106,023
Total additions per the Form 5500	$ 7,524,980

The following is a reconciliation of total deductions per the financial statements to the Form 5500 for the year ended December 31, 2025:

Total deductions per financial statements	$ 5,376,964
Less: changes in excess contributions payable	(9,825)
Total deductions per the Form 5500	$ 5,367,139

Note H – Subsequent Events

Subsequent events have been evaluated through September 30, 2026, which is the date the financial statements were available to be issued.

To those charged with governance of
Kimber Mfg., Inc. 401(k) Plan

We have audited the financial statements of **Kimber Mfg., Inc. 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") as of and for the year ended December 31, 2025, and we issued our report thereon dated September 30, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment by Fidelity Management Trust Company, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 8, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no particularly sensitive estimates noted during the audit.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

Notes A, B and C

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

"Assurance Dimensions" is the brand name under which Assurance Dimensions, LLC including its subsidiary McNamara and Associates, LLC (referred together as "AD LLC") and AD Advisors, LLC ("AD Advisors"), provide professional services. AD LLC and AD Advisors practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. AD LLC is a licensed independent CPA firm that provides attest services to its clients, and AD Advisors provide tax and business consulting services to their clients. AD Advisors, and its subsidiary entities are not licensed CPA firms.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. Although we do not have any reportable findings, we have made the following management recommendation:

Timely Remittance of Participant Contributions

Late remittances of amounts withheld from employees remain high on the DOL's watch list for areas of noncompliance for employee benefit plans. Late remittances are deemed to be a loan from the Plan to the plan sponsor, which is considered a prohibited transaction under the Employee Retirement Income Security Act. Uncorrected prohibited transactions can be a cause for the IRS and DOL to terminate the tax-exempt status of the Plan. The rule for contributing amounts withheld from employees to the Plan is that they must be contributed as soon as those assets can be segregated from general company assets.

Historically, the Plan has demonstrated that contributions can be remitted to the Plan on average within 5 business days. During the audit, we noted inconsistency week to week regarding when the contributions were made anywhere from the day of payroll to 8 days after. As no contributions were made more than 8 days, we have not required a reportable finding. We recommend that you instill a repeatable process whereby remittances can be made consistently to the Plan to avoid potentially longer delays and risk of DOL review and corrections being required.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 30, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

AD LLC and AD Advisors practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. AD LLC is a licensed independent CPA firm that provides attest services to its clients, and AD Advisors provide tax and business consulting services to their clients. AD Advisors, and its subsidiary entities are not licensed CPA firms.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

The Plan has implemented the mandatory requirements of the SECURE 2.0 Act of 2022, and management continues to monitor the remaining provisions that are required to be implemented over the next few years.

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of those individuals charged with governance and, if appropriate, management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Assurance Dimensions
