INDEPENDENT AUDITORS' REPORT

To the Management of
Peterson Properties, Inc.

Opinion

We have audited the accompanying financial statements of **Peterson Properties, Inc., Employee Health Care Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – modified cash basis as of January 31, 2026 and 2025, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended January 31, 2026, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits – modified cash basis of **Peterson Properties, Inc., Employee Health Care Plan** as of January 31, 2026 and 2025, and the changes in net assets available for benefits – modified cash basis for the year ended January 31, 2026, in accordance with the basis of accounting described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Peterson Properties, Inc., Employee Health Care Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements were prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Peterson Properties, Inc., Employee Health Care Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Peterson Properties, Inc., Employee Health Care Plan's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control – related matters that we identified during the audit.

PETERSON PROPERTIES, INC., EMPLOYEE HEALTH CARE PLAN

NOTES TO FINANCIAL STATEMENTS
January 31, 2026 and 2025

1. DESCRIPTION OF THE PLAN

The Plan provides comprehensive major medical, life, and accidental death and dismemberment insurance. The Plan covers eligible employees and dependents of the Company. Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974, as amended (ERISA).

Only full-time employees (employees regularly scheduled to work 30 hours per week) of **Peterson Properties, Inc.,** are eligible for enrollment in the Plan. All employees are eligible to enroll and begin participation in the Plan on the first day of the month following thirty-one days of employment.

Contributions to the Plan are made both by enrolled employees and by the employer. The trustee of the Plan determines the amount of employee contributions, and the employer contributes the balance necessary to adequately fund the benefits paid to participants and administrative expenses of the Plan. All plan cash are held in an account to pay claims as they are presented for payment is held in a noninterest bearing bank account.

The Plan is fully self-insured for medical benefits up to a stop-loss limit of $85,000 per individual per year. An outside administrator, UMR, processed the claims for medical benefits and, on behalf of the trustee, disbursed claim payments due in accordance with the provisions of the Plan to the participant or assignee entitled thereto.

The Company believes the Plan will continue without interruption but reserves the right to terminate the Plan at any time. Upon termination of the Plan, priorities of distributions have been established in accordance with the requirements of ERISA. If applicable, all previous contributions to the trust shall continue to be used for payment of benefits under the Plan until such contributions are exhausted.

The Plan trustee is the fiduciary of the Plan, with full authority to control and manage the operation and administration of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of **Peterson Properties, Inc., Employee Health Care Plan** (the "Plan") are prepared under the modified cash basis of accounting. This basis differs from generally accepted accounting principles primarily because the Plan records revenues when received and expenses when paid rather than when the revenue was earned or the expense incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Benefit Payments – Premiums paid by **Peterson Properties, Inc.** (the Company and plan administrator) are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor. Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits.

The Plan provides health benefits (medical, vision, dental, and prescription drugs), life insurance, short and long-term disability benefits, and accidental death and dismemberment benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits – The Plan offers one health maintenance organization (HMO) that participants can choose. The Plan fully insures the life insurance benefits (basic, supplemental, and dependent), accidental death and disability benefits (basic, supplemental, and spousal), and long-term disability benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for basic life insurance and basic accidental death and dismemberment insurance programs are paid to the insurance company from the general assets of the Company. Premiums for all other insured benefits are paid from the assets of the VEBA trust.

Experience-rated Contracts – Certain insurance contracts are subject to experience-rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total of claims paid and fees charged by the insurance company) are determined by the insurance company in the following year and may result in a premium surplus or deficit.

Stop Loss Coverage – The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-insured Benefits – All other Plan benefits are self-insured. The claims for self-insured benefits (other than short-term disability) are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust, or the general assets of the Company. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Income Tax Status – The trust funding the Plan has received an exemption letter from the Internal Revenue Service, dated January 11, 1984, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the IRC as a Voluntary Employees Beneficiary Association (VEBA). The Plan and trust are required to operate in conformity with the Code to maintain the tax-exempt status of the trust. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the related trust is tax exempt.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of January 31, 2026, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events – Management has evaluated events and transactions that have occurred since January 31, 2026, and reflected their effects, if any, in these financial statements through September 23, 2026, the date the financial statements were available to be issued.

3. ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the trustee, and actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

4. CASH

Cash in the Plan consists of cash held in a noninterest-bearing bank account. Claims of the Plan are handled by a third-party claims processor. The claims processor pays all of the claims through an account held on behalf of the Plan.

5. PARTY-IN-INTEREST

There were no party-in-interest transactions which are prohibited by ERISA, Section 406, and for which there is no statutory or administrative exemption.

6. REPORTABLE TRANSACTIONS

There were no reportable transactions in excess of 5% of the current value of Plan assets.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the net assets of the Plan should be allocated to pay the benefit obligations of the Plan in accordance with ERISA.

8. CLAIMS INCURRED BUT NOT REPORTED

At January 31, 2026, the Plan had approximately $13,816 of estimated accumulated plan benefits, consisting of unpaid claims and claims incurred but not reported. These amounts are based on historical claim payment patterns and current plan experience. While not required to be accrued under the modified cash basis of accounting, the amount is required to be disclosed to provide information about the Plan's accumulated benefit obligations.
