Independent Auditor's Report

To the Trustees of CNA 401k Plan
CNA 401k Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of CNA 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025 stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CNA 401k Plan
Notes to Financial Statements

Note A. Description of Plan

The following brief description of the CNA 401k Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

CNA Financial Corporation (CNA), a majority-owned subsidiary of Loews Corporation, established the Plan on January 1, 1978. Continental Casualty Company (CCC), an indirect wholly-owned subsidiary of CNA, is the Plan Sponsor. The Plan is a defined contribution plan and offers participants of certain subsidiaries of CNA an opportunity to save a portion of their current earnings, augmented by contributions from the Plan Sponsor. Full-time and part-time employees are eligible to participate in the Plan upon hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Northern Trust Company is the Trustee of the Plan. Alight Financial Solutions, LLC (Alight) served as the Plan's recordkeeper through September 2025, after which recordkeeping responsibilities transitioned to Empower Retirement, LLC (Empower) effective October 2025.

Although it has not expressed any intent to do so, CCC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

The Plan Sponsor pays various administrative expenses on behalf of the Plan which are not reimbursed by the Plan. The Plan Sponsor is not obligated to continue paying such expenses, in which case, they will be paid entirely by the Plan.

Contributions

Participants can contribute up to 50% of their eligible compensation, as defined in the Plan, subject to certain Internal Revenue Code (IRC) limitations. Participants ages 50 or older may elect to make additional pretax contributions (catch-up contributions) of up to $7,500 in 2025 pursuant to IRC Section 414(v). Participants ages 60 through 63 are eligible for an increased catch-up contribution limit of up to $11,250 in 2025 under the SECURE 2.0 Act. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan permits participants to make Roth 401k contributions on an after-tax basis. Distributions of Roth 401k balances are entirely tax free, including the accumulated income that is distributed, provided the participants meet certain requirements.

The Plan Sponsor makes a fixed matching contribution to participant accounts amounting to 100% of the first 6% of annual eligible compensation that participants elect to contribute. In addition, participants also receive a contribution of 5% of their annual eligible compensation from the Plan Sponsor, referred to as a basic contribution. Contributions are subject to certain limitations.

Participant Accounts

Individual accounts are maintained for each plan participant. Each individual account is valued on a daily basis to reflect all plan activity including contributions made by the participants and the Plan Sponsor, withdrawals, loans, transfers, plan fees, forfeitures and investment gains or losses, as applicable. The participant is entitled to the value of the participant's vested account.

Vesting

Participants are immediately vested in their contributions and associated earnings. All contributions made by the Plan Sponsor (including basic and fixed matching contributions) and associated earnings vest at the rate of 20% per year of vested service and are 100% vested after five years of vested service. Employment that terminates because of death, permanent and total disability or retirement after age 65 will result in automatic 100% vesting of all contributions made by the Plan Sponsor and associated earnings.

Investment Options

All participant contributions, Plan Sponsor contributions, rollover contributions, and all corresponding earnings are invested at the direction of plan participants.

Payment of Benefits

Upon retirement, termination of employment or disability, participants' accounts with a vested account balance of $1,000 or less are paid in a single lump sum. Participants with a vested account balance of more than $1,000 but not more than $7,000 will have their balance automatically rolled over into a default IRA established in the participant's name on a tax-free basis. In each case, the automatic distribution or rollover will occur unless the participant elects an alternative form of distribution. Participants with a vested account balance exceeding $7,000 may elect to withdraw the funds, to roll their balance over to either an IRA or another qualified plan, or to leave the balance in the Plan until attainment of the required minimum distribution age based on date of birth.

Withdrawals

The Plan allows certain in-service withdrawals from participant accounts. For after-tax contributions, participants may withdraw up to the full amount of their contributions and associated earnings and the available vested portion of the Plan Sponsor's matching contributions and associated earnings, subject to certain limitations stated in the Plan. Pretax contribution account withdrawals may be made only for qualified financial hardship after withdrawals have been made from all other savings options or if the participant is over age 59½. Rollover contribution account withdrawals may be made at any time.

Notes Receivable from Participants

Participants may borrow up to one-half of the vested balance of their account, limited to not less than $500 or greater than $50,000. Participants may have one loan outstanding at any time. Participants may select loan terms of any duration, in one month increments, from six months to five years. Loans are secured by the balance in the participant's account and bear interest at a fixed rate established at the time of the loan's inception. The loan is generally repaid with interest, through payroll deductions, subject to stipulations in the Plan. These loans are considered party-in-interest transactions.

Forfeited Accounts

In 2025, employer contributions were reduced by $3,918 thousand from forfeited non-vested accounts. As of December 31, 2025 and 2024, forfeited non-vested accounts of $91 thousand and $455 thousand will reduce future employer contributions.

Exempt Party-In-Interest Transactions

The Plan has investments issued by the Northern Trust Company. The Northern Trust Company is the Trustee of the Plan and, therefore, transactions between the Plan and the Northern Trust Company qualify as exempt party-in-interest transactions. Alight served as the Plan's recordkeeper through September 2025, after which recordkeeping responsibilities transitioned to Empower effective October 2025. The Plan also holds other investments, including self-directed brokerage accounts offered by affiliates of service providers to the Plan. Expenses paid for recordkeeping and brokerage services to these parties also qualify as exempt party-in-interest transactions. In addition, notes receivable from participants are considered party-in-interest transactions that are exempt.

Note B. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statements and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Under the terms of the Investment Management Agreement between Invesco Advisors, Inc. (Invesco) and the Plan, Invesco, on behalf of the Plan, invests in various pooled investment funds which are supported by wrapper contracts that guarantee a crediting rate not less than 0%. The wrapper contracts consist of investment contracts issued by an insurance company or bank. These wrapper contracts typically provide that realized and unrealized gains and losses on the underlying assets are not immediately reflected in the contract value, but are amortized over time through adjustments to the future crediting rate. The crediting rate is reset periodically, typically on a quarterly basis, to reflect the expected return as well as historical performance of the invested assets. These investments are synthetic guaranteed investment contracts (GICs) and are fully benefit-responsive. These investments are included on the Statements of Net Assets Available for Benefits at contract value as reported to the Plan by the Northern Trust Company. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expense. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value. Interest income on these investments is reported in Dividend and interest income on the Statement of Changes in Net Assets Available for Benefits.

The average yields on the Invesco Stable Asset Fund are calculated by dividing the annual earnings of all investments before any fund expenses by the period-end fair value of all investments.

The crediting rate yields on the Invesco Stable Asset Fund are calculated by dividing the annual earnings of all investments (less fund expenses) credited to participants by the period-end fair value of all investments.

Management believes the occurrence of events, such as plan termination, a plan merger initiated by the Plan Sponsor or bankruptcy by the Plan Sponsor, that would cause the Plan to transact at less than contract value for the Invesco Stable Asset Fund is not probable.

The Plan's remaining investments are carried at fair value, as discussed in Note C. Purchases and sales of securities are recorded on the trade date. Interest income is recorded on an accrual basis. Realized and unrealized gains (losses) are reported in Net appreciation (depreciation) in fair value of investments on the Statement of Changes in Net Assets Available for Benefits. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported on the Statements of Net Assets Available for Benefits. As each participant's account is credited with an investment return, any such changes in the values of investment securities could materially affect individual participant's account balances.

Most investment options have management fees that reduce the overall return on assets. Management fees are a component of Net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid. As of December 31, 2025 and 2024, the total of participants' account balances for participants who had elected to withdraw from the Plan, but had not yet been paid, was $667 thousand and $157 thousand.

Note C. Fair Value

Fair value is the price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following fair value hierarchy is used in selecting inputs, with the highest priority given to Level 1, as these are the most transparent or reliable.

Level 1 - Quoted prices for identical instruments in active markets.

Level 2 - Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which all significant inputs are observable in active markets.

Level 3 - Valuations derived from valuation techniques in which one or more significant inputs are not observable.

Assets Measured at Fair Value

Assets measured or presented at fair value on a recurring basis are summarized below.

December 31, 2025

(In thousands)	Level 1	Level 2	Level 3	Total
Assets				
Investments in mutual funds	$ 106,103	$ —	$ —	$ 106,103

Total assets measured at fair value	$ 268,882	$ —	$ —	268,882
Total collective investment trusts measured at net asset value [1]				2,204,290
Total				$ 2,473,172

December 31, 2024

(In thousands)	Level 1	Level 2	Level 3	Total
Assets				
Investments in mutual funds	$ 94,119	$ —	$ —	$ 94,119
Investments in common stock	162,020	—	—	162,020
Short-term investment fund	9,619	—	—	9,619
Total assets measured at fair value	$ 265,758	$ —	$ —	265,758
Total collective investment trusts measured at net asset value [1]				1,960,110
Total				$ 2,225,868

(1) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for these investments are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Valuation Methodologies and Inputs

The following section describes the valuation methodologies and relevant inputs used to measure different financial instruments at fair value, including an indication of the level in the fair value hierarchy in which the instruments are generally classified.

Mutual Funds, Common Stock and Investments Held in Self-Directed Brokerage Accounts

Mutual funds, common stock and investments held in self-directed brokerage accounts are classified as Level 1 as they are actively traded and valued at quoted market prices.

Short-Term Investment Fund

The Short-term investment fund is a money market fund which is actively traded and valued at net asset value, which approximates fair value.

Collective Investment Trusts

Collective investment trusts are valued using the net asset value per share (or its equivalent) practical expedient. Participant transactions (purchases and sales) may occur daily. The Plan's collective investment trusts generate returns primarily through investing in marketable securities in the public fixed income and equity markets. Were the Plan to initiate a full redemption of a collective trust, the investment advisor may reserve the right to temporarily delay withdrawal from the trust for up to 30 days in order to ensure that securities liquidations will be carried out in an orderly business manner. As of December 31, 2025 and 2024 there were no unfunded commitments on collective investment trusts.

Note D. Federal Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan Sponsor by letter dated August 7, 2017 that the Plan and related trust were designed in compliance with applicable sections of the IRC and, as such, the Plan and the trust continue to be tax exempt. No provision for income tax has been included in the Plan's financial statements, and there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The IRS is not currently examining the Plan.

Note E. Summary of Information Certified by the Trustee

All of the information in this note, as well as certain information in Note C, excluding level classification, and the Schedule of Assets (Held at End of Year), is unaudited and was prepared by the Trustee and furnished to the Plan Sponsor. The Plan Sponsor has obtained certifications from the Trustee that such information is complete and accurate. See accompanying Independent Auditor's Report.

December 31

(In thousands)	**2025**
Dividend and interest income	$ 14,305
Net appreciation (depreciation) in fair value of investments	345,740
Interest income on notes receivable from participants	1,345

Note F. Reconciliation to Form 5500

Certain amounts reported on the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024 and the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025 differ from the amounts as reported on the Plan's Form 5500 for 2025 and 2024.

A reconciliation of the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024 to the respective Form 5500 is presented in the table below.

December 31 (In thousands)	2025	2024
Net assets available for benefits as reported on the financial statements	$ 2,755,964	$ 2,522,408
Reduction of participant loan value due to deemed distribution	(118)	(95)
Adjustment from contract value to fair value for fully benefit-responsive investment contracts	(8,097)	(17,125)
Net assets available for benefits as reported on the Form 5500	$ 2,747,749	$ 2,505,188

A reconciliation of the Net increase (decrease) in net assets available for benefits on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025 to the Form 5500 is presented in the table below.

December 31 (In thousands)	2025
Net change in net assets available for benefits as reported on the financial statements	$ 233,556
Deemed distributions of participant loans	(23)
Change in adjustment from contract value to fair value for fully benefit-responsive investment contracts	9,028
Net change as reported on the Form 5500	$ 242,561

A deemed distribution is a participant loan that has been deemed distributed during the plan year under the provisions of IRC section 72(p) and IRS Treasury § 1.72(p)-1 if (1) under the Plan, the participant loan is treated as a directed investment solely of the participant's individual account; and (2) as of the end of the plan year, the participant is not continuing repayment under the loan.

The accompanying financial statements present fully benefit-responsive investment contracts at contract value. The Form 5500 requires fully benefit-responsive investment contracts to be reported at fair value. Therefore, the adjustment from contract value to fair value for fully benefit-responsive investment contracts represents a reconciling item.

Note G. Contingencies

The Plan is subject to ERISA regulations, which allow participants to appeal the level of benefits received under the Plan. If participants do not receive a favorable reply to their appeal, they have the right to escalate their appeal to legal action.

The Plan and the Plan Sponsor may be parties to other litigation arising in the ordinary operation of the Plan. Based on the facts and circumstances currently known, such litigation will not, in the opinion of the Plan Sponsor, materially affect the Plan's financial statements.

Note H. Subsequent Events

Management has evaluated all subsequent events through August 28, 2026, the date the financial statements were available to be issued.
