PKF O'CONNOR DAVIES
ACCOUNTANTS AND ADVISORS

Independent Auditors' Report

To the Plan Administrator of NYCHSRO/MedReview, Inc. 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of NYCHSRO/MedReview, Inc. 401K Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the NYCHSRO/MedReview, Inc. 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NYCHSRO/MedReview, Inc. 401K Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NYCHSRO/MedReview, Inc. 401K Plan’s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NYCHSRO/MedReview, Inc. 401K Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NYCHSRO/MedReview, Inc. 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

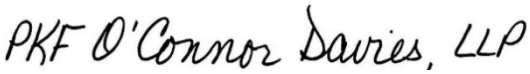

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NYCHSRO/MedReview, Inc. 401K Plan

Notes to Financial Statements

December 31, 2025

1. Description of Plan

The following description of the NYCHSRO/MedReview, Inc. 401K Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The NYCHSRO/MedReview, Inc. 401(k) Plan (the “Plan”) is a defined contribution plan originally established effective January 1, 1995 and most recently amended and restated effective January 1, 2022. MedReview, Inc. is the Plan sponsor and Plan administrator. NY County Health Services Review Organization, Inc. participates in the Plan as a participating employer. The Plan covers all eligible employees of both MedReview and NYCHSRO (collectively, the Employer), excluding Union employees, residents of Puerto Rico, and nonresident alien employees. All employees who have completed one month of service and are age 21 or older are eligible to participate with entry on the first day of the month coinciding with or following satisfaction of these requirements. NYCHSRO employees are subject to the same eligibility, exclusion, age, service, and entry date provisions as MedReview employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Plan’s Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Contributions

Each eligible participant may elect to defer a portion of their eligible compensation on a pre-tax basis or as designated Roth 401(k) elective deferrals, or as a combination of both, as defined in the plan document, subject to the applicable limitations of the Internal Revenue Code ("IRC"). Participants who are age 50 or who attain age 50 before the end of the plan year are eligible to make catch-up contributions, subject to applicable IRC limitations. At the discretion of the Plan Administrator, currently employed participants and eligible employees may make rollover contributions from eligible retirement arrangements in accordance with Plan procedures.

1. Description of Plan (Continued)

Effective January 1, 2023, the Company is required to make a safe harbor matching contribution equal to 100% of a participant's elective deferrals that do not exceed 3% of eligible compensation, plus 50% of elective deferrals that exceed 3% but do not exceed 5% of eligible compensation. Effective January 1, 2024, the Company may make a discretionary profit sharing contribution, allocated pro rata based on each eligible participant's compensation for the Plan year. Participants must be employed on the last day of the Plan year to share in the contribution. Employer contributions are subject to applicable IRC limitations.

Participant accounts

Each participant's account is credited with the participant's elective deferrals and rollover contributions, safe-harbor matching contributions, discretionary profit-sharing contributions, if any, and an allocation of the Plan's net investment income or loss. Participant accounts are charged with benefit payments and an allocation of administrative expenses paid by the Plan. General administrative expenses may be allocated among participant accounts proportionately based on account balances or on an equal-dollar basis, depending on the nature of the expense. Expenses attributable to a specific participant or transaction may be charged directly to the applicable participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately 100% vested in their elective deferrals, Roth 401(k) deferrals, rollover contributions, Company safe harbor matching contributions, discretionary profit-sharing contributions, and any earnings or losses thereon.

1. Description of Plan (Continued)

Notes receivable from participants

The Plan permits participants to borrow from their vested account balances, subject to approval under the Plan's loan procedures. The minimum loan amount is $1,000. The maximum loan amount is generally the lesser of (i) $50,000, reduced by the excess, if any, of the participant's highest outstanding loan balance during the preceding 12 months over the current outstanding balance, or (ii) 50 percent of their vested account balance. The loans are secured by participant's vested account balance. The interest rate is equal to 2 percent above the prime rate and remains fixed for the term of the loan. Principal and interest are repaid in substantially level installments in accordance with the loan amortization schedule, generally through payroll deductions. Participants are permitted to have one loan outstanding at a time. The maximum loan term is five years, except that loans used to purchase a participant's principal residence may have a term of up to 30 years.

Payment of benefits

Upon termination of employment, retirement, disability, or death, a participant or beneficiary may elect to receive the participant's vested account balance in the form of a lump-sum payment, substantially equal installment payments over a period not exceeding the applicable life expectancy, or an annuity, subject to the terms of the Plan. Annuity and spousal consent requirements apply, including special distribution provisions applicable to amounts attributable to pension assets transferred to the Plan. If a terminated participant's vested account balance, excluding rollover contributions and earnings thereon, does not exceed $5,000, the benefit may be distributed without the participant's consent in the form of a lump-sum cash payment. In addition, the Plan allows for hardship distributions if certain criteria are met. A Participant may request an in-service distribution once they have reached age 59 1/2.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

2. Summary of Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan's management determines the Plan's valuation policies utilizing information provided by the Plan's trustee and recordkeeper, investment managers and other service providers, as applicable. See Note 3 for discussion of fair value measurements.

The Plan’s investment in a fully benefit-responsive investment contract is reported at contract value. Contract value is the relevant measurement attribute for the portion of net assets available for benefits attributable to a fully benefit-responsive investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus credited interest, less participant withdrawals and applicable fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Loan origination and administrative fees, if any, are charged to the applicable participant's account and are recorded as administrative expenses when incurred. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the loan will be treated as a taxable deemed distribution but will not offset against the participant account until a distributable event occurs, and interest will continue to accrue until repayment or offset.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Subsequent events were evaluated through September 29, 2026, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

3. Fair Value Measurements (Continued)

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Money market funds: Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

3. Fair Value Measurements (Continued)

Assets at Fair Value as of December 31, 2025	**Level 1**	**Total**
Money market funds	$ 46,927	$ 46,927
Mutual funds	15,773,389	15,773,389
Total assets in the fair value hierarchy	15,820,316	15,820,316
Total investments at fair value	$15,820,316	$15,820,316

Assets at Fair Value as of December 31, 2024	**Level 1**	**Total**
Money market funds	$ 42,075	$ 42,075
Mutual funds	13,564,001	13,564,001
Total assets in the fair value hierarchy	13,606,076	13,606,076
Total investments at fair value	$13,606,076	$13,606,076

4. Group Annuity Contract

The Plan has a fully benefit-responsive Separate Account Guaranteed Investment Contract (SAGIC) with Massachusetts Mutual Life Insurance Company (MassMutual) under Investment Agreement No. MR 063127. Amounts invested in the SAGIC are maintained in MassMutual's Separate Investment Account P5. The Book Value Account is credited with interest and reduced for permitted withdrawals, transfers, and applicable fees. The Book Value Account interest rate is established quarterly for three-month rate periods and may not be less than 0.00%.

The SAGIC meets the criteria of a fully benefit-responsive investment contract and is therefore reported at contract value. Contract value is the relevant measurement attribute because it represents the amount participants would normally receive for permitted transactions under the terms of the contract. Participants may ordinarily direct permitted withdrawals and transfers at contract value, subject to the contract's terms and restrictions.

4. Group Annuity Contract (Continued)

The Plan's ability to receive amounts due under the contract is dependent on MassMutual's ability to meet its financial obligations. Certain events, if they result in an adverse effect on MassMutual or other investors as determined under the contract, may limit the Plan's ability to transact at contract value. These events include a complete or partial Plan termination; establishment, activation, or material change of a Plan investment fund; a material amendment to, or change in the administration or operation of, the Plan; and sponsor-initiated events affecting a group of participants, such as a sale or liquidation of a subsidiary or division, group layoffs, or early-retirement programs. Transfers to competing or outside investment options may also be subject to contract restrictions or result in a market-value withdrawal. MassMutual will terminate the Agreement upon the Investor's request, an Internal Revenue Service determination that the Plan no longer satisfies applicable qualification requirements, a full or partial Plan termination, an Investor breach of the Agreement, or upon at least 90 days' notice from MassMutual. MassMutual will also terminate the SAGIC investment option if its market value account balance is not more than $1,000 or its book value account balance is zero, if MassMutual determines it cannot continue to operate the Agreement following a material change to a Plan investment fund, or if the Plan fails to make required contributions to the SAGIC. Upon termination in certain circumstances, the contract provides for settlement based on the market value account balance, which may differ from contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

5. Information Certified by Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, qualified institutions have certified to the completeness and accuracy of all the Plan's investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the net appreciation in fair value of investments, interest and dividend and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

6. Related-Party and Party In Interest Transactions

The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contribution accounts to the extent required by the Plan and ERISA.

8. Tax Status

The Company has adopted a pre-approved plan document offered by Ascensus, LLC that has received an IRS Opinion Letter dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. Delinquent Participant Contributions

For the year ended December 31, 2025, the Company did not remit certain participant contributions to the Plan on a timely basis, as defined by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances totaling $69,123 are reported on the accompanying Schedule of Delinquent Participant Contributions. The Company corrected the identified delinquent remittances outside the Department of Labor’s Voluntary Fiduciary Correction Program and remitted applicable lost earnings to the Plan. For the year ended December 31, 2024, the Company corrected delinquent participant contributions totaling $36,483, together with related lost earnings of $3,021, outside the Department of Labor’s Voluntary Fiduciary Correction Program. The final corrective payment was made on September 12, 2024.
